Elvis the pelvis, he thrilled,
But alas, he was very weak willed.
His addiction to food
Really did him no good.
He looked like a whopper, flame grilled.

That young Presley fellow could sing.
Making rock 'n roll hits was his thing.
But girls all knew Elvis's
Gyrating pelvis is
What really made him the king!

11173 CLEAN - ACTIVITY - GARDENING   Rusty Smith

Just want her to come back to bed.
She's cleaning the filter instead.
I swear that she drools
When thinking of schools
Of fish spawning out by the shed.

11174 CLEAN - ACTIVITY - GARDENING   Rusty Smith

Soon with this pond stuff she'll smother
Her husband, two daughters, her mother.
She drives us all crazy
with "Pond is too hazy."
(I think I'll go dig us another.)

11175 CLEAN - ACTIVITY - GARDENING   Rusty Smith

This disease I think has just spread
'Cross the pond and jumped right in my bed.
Black gunge on the side
Of my fishtank; my pride
And joy of a fish was near dead.

11176 CLEAN - ACTIVITY - GARDENING   Joyclare

So Sunday I spent the whole day
Scaping and cleaning away
All the slime and the goo,
The mulch and fish poo.
It made a real stench, I must say!

11177 CLEAN - ACTIVITY - GARDENING   Joyclare

My goldfish is fifteen years old.
He's seen me through times hot and cold...
From student to wife,
Divorce and its strife,
Two kids and their joys to behold.

11178 CLEAN - ACTIVITY - GARDENING   Joyclare

A man who lived over in Leeds
Had a garden overgrown with weeds.
He'd dig and he'd curse
As his garden got worse,
A digger is what he really needs.

11179 CLEAN - ACTIVITY - GARDENING   Funny Bone Collection

A green-thumbed young laddie named Bo,
Was the best in the town with a hoe!
When he planted fresh seeds,
There were not any weeds.
He'd plucked them; they'd nowhere to grow.

11180 CLEAN - ACTIVITY - GARDENING   Arthur Pattaffy

11181 CLEAN - ACTIVITY - GARDENING   Katie Hasbrouck

It was hot in the garden today;
I'm dishevelled and in disarray.
The weather was not
The sole thing that was hot;
I went back to Nature to play.

11182 CLEAN - ACTIVITY - GARDENING

I played and I wriggled and turned;
I found a few things I had learned.
In the sun, if I can.
I'd rather a man ,
Or it's not just my fingers get burned.

11183 CLEAN - ACTIVITY - GARDENING

My wife's sister's brother-in-law
Was very upset when he saw
A hump or a bump,
In fact quite a lump,
Had grown in his living-room floor.

11184 CLEAN - ACTIVITY - GARDENING   Tiddy

Now in his backyard stood a tree,
For years very worried was he,
That one day he'd find
His house undermined,
By roots. Had this now come to be?

11185 CLEAN - ACTIVITY - GARDENING   Tiddy

The landlord he called on the phone;
The answer, the usual groan:
"Oh no, not again.
We've been out there ten
Times, lopping the thing; still you moan."

11186 CLEAN - ACTIVITY - GARDENING   Tiddy

But Danny is giving them ructions,
And tree surgeons get their instructions.
And soon the old oak
Lies shattered and broke,
The victim of chainsaw destruction.

11187 CLEAN - ACTIVITY - GARDENING   Tiddy

And now this cruel blow has been dealt,
The foreman and Danny have knelt;
The carpet back folden;
No roots they've beholden,
But old crumpled-up underfelt.

11188 CLEAN - ACTIVITY - GARDENING   Tiddy

This story, alas, is quite true.
So folks, if one day, perhaps you
Find lumps 'neath shag pile,
Please pause for a while,
Ere calling that saw-wielding crew.

11189 CLEAN - ACTIVITY - GARDENING   Tiddy

At my neighbor, I take no offense
When he lobs his weeds over my fence.
He's content to have lost 'em,
And I gladly compost 'em.
And that makes good gardening sense.

11190 CLEAN - ACTIVITY - GARDENING   X. Rowland Burnham P8512

There once was a young man named Sean,
Who, one day while cutting the lawn;
Heard his neighbors all shout,
With good reason no doubt,
For he'd started his mowing at dawn.

11192 CLEAN - ACTIVITY - GARDENING

They delivered it straight to the door;
Nearly twenty-five tons of manure.
For the seeds I will sow
And the beans I shall grow,
But it's more than the nose can endure.

Of a rose and a garden of weeds.

11195 CLEAN - ACTIVITY - GARDENING   Limerick John

My dear sweet gardener, Amelia,
You've been out there planting Lobelia.
Please won't you come in,
Though I know it's a sin.
Girl, I am just aching to feel ya.

11196 CLEAN - ACTIVITY - GARDENING   Tony Burrell

My garden does burgeon quite nice,
Full of color and even some spice!
Rosemary and thyme
Go well with my rhyme;
I'll plant them with gardener's advice.

Where the seed of my loins has been sown.

11201 CLEAN - ACTIVITY - GARDENING   Peter Wilkins

I wish that my room had a floor.
I don't care very much for the door.
But this walking around
Without touching the ground
Is getting to be such a bore.

My Aunt found a magical basket.
"Your wishes I'll grant. It's my task," it
Said. "All of them?" -- Aunt

11209 CLEAN - ACTIVITY - MAGIC Peter Wilkins

Now ladies and Gentlemen, please;
My assistant, the lovely Louise
With her figure curvaceous,
Will make an audacious
Descent from the flying trapeze.

11210 CLEAN - ACTIVITY - MAGIC Peter Wilkins

While still in mid-aiar, she will leap
Twenty meters and spash in this steep-
Sided tank full of vicious
Piranha-type fishes,
And man-eating sharks from the deep.

And all you need do is to crouch
Upon the well's lip,
Then in your hands dip,
And clasp them in form of a pouch.

11225 CLEAN - ACTIVITY - MAGIC Tiddy Ogg

Then drink from that pouch, for the well
On one of a pair'll cast a spell.
The one whose the first
To there quench his thirst,
Will rule over the house where they dwell.

11226 CLEAN - ACTIVITY - MAGIC Tiddy Ogg

Did I carry out this wee task?
Do I rule the roost
And stay unabused,
As I here in luxury bask?

11227 CLEAN - ACTIVITY - MAGIC Tiddy Ogg

Doc Seuss is favored by my niece;
She just won't give me any peace.
She brings me her books.
I read while she looks
At the pictures, while perched on my knees.

I don't have a Dad any more.
He's Allix's Grampa, for sure!
It was the same refrain
When we tried to explain:
"He's my Grampa!" she'd quickly roar.

12269 CLEAN - PEOPLE - RELATIVES   Marlene

Our Allix will giggle and say,
"Can my Gramma come out to play?"
She's like a fresh breeze;
She just likes to tease.
She keeps us entertained all day.

12270 CLEAN - PEOPLE - RELATIVES   Marlene

With her belly button exposed,
Is how Allix wears all her clothes.
Her tummy sticks out;
Of that there's no doubt.
It winter, it might just get froze.

12271 CLEAN - PEOPLE - RELATIVES   Marlene

"Will you marry me, Marnene?", she said.
Explaining is something I dread.
She just does not know
Why my answer is no --
Okay, she'll marry Daddy, instead!

12272 CLEAN - PEOPLE - RELATIVES   Marlene

Then Allix says, "Where's my Marnene?"
The cutest thing you've ever seen:
That little girl's grin
And tilt of her chin;
We all think that she is the Queen!

What you do, where you go,
All your friends I must know.
Otherwise you'll make me very cranky."

I will always remember my dad;
He'd read the paper, not missing an ad.
He said it made the mind mix
Like mini politics;
He will pass it on to his lad.

It gives her goose bumps, all the chilla.
But the thing I most hate,
Is not going to bed late,
But waking at three with no pilla.

In most restaurants, high priced or low,
I am somewhat unnerved
To hear, each time I'm served,
The mundane and inane, "There you go!"

12389 CLEAN - SPEECH Loren C. Fitzhugh P9407

A stammering young maiden named Kate
Got in trouble when out on a date.
She refused to have fun,
Saying, "Nun-nun-nun-nun --"
And by then it was simply too late.

12390 CLEAN - SPEECH Isaac Asimov

I once sent a boy for a vial,
And I waited for him quite a while.
But he went to the shed;
Brought a file back instead,
So what could I do but just smile.

12391 CLEAN - SPEECH Jim Weaver Collection

"Oop North" I'll be going away;
"Ecky thump ... 'e bah gum", as they say.
I'll be working next week
There and desperately seek
An interpreter during my stay.

12392 CLEAN - SPEECH

I'm seeking a North-country lass
(Not a wench who is too upper class)
Who'll interpret for me,
As she sits on my knee,
With her wigglesome cute little ass.

A sweet little girl from Saint Paul
Attended a grand southern ball.
No one knew what she said,

In public, when folks start to yammer
On their cell phones and you'd like a hammer,
No more need to get peeved

There'll soon be a new airwaves jammer.

12395 CLEAN - THINGS Jenni Saqua

The alarm clock is one apparatus
Men truly have reasons to hate is.
It interrupts slumber

You may hit with a crack or a ping.
Whether oblong or round,
In the air, on the ground;
Where a ball is, excitement will reign.

This is my family escutcheon:
On a field, gules, a rampant curmudgeon;

Duct-tape is a clever invention,
Though its use is a bone of contention.
But what a surprise!
It's been given a prize;
And in papers, it's given a mention.

12404 CLEAN - THINGS

In my heart I've a very soft spot
For duct tape; I use it a lot.
With it we might
Even fix a bad night.
It also disguises duct rot.

My old Hoover needed repair,
So I went to the shop in the square

The Bishop of Bath and of Wells,
Used to suffer from frenetic spells.
And the only quick cure
Of which he was sure,
Was to fondle his monks in their cells.

12763 CLERGY - BISHOPS - SERIES

The Bishop of Bath and of Wells,
Was wholly unconscious of smells.
Throughout the whole diocese,
No whiff was as high as his.
The odor of sanctity tells.

Odd objects in ads every week,

To dignify you with an answer,
It behooves me to note
Your original quote

Might I say that I find you loose-lipped!
If you don't want my pews,
You don't have to choose.
Go lock thyself off in the crypt.

As an antidote to the March gales,
Old Tiddy here once more regales,
From a book of folk lore,
From 1944,
One of the many folk tales.

12768 CLERGY - BISHOPS - SERIES Tiddy Ogg

It was a diocesan meeting,
In the time well before central heating.
All the clergy were there,
And they each grabbed a chair,
'Round the fire they arranged this seating.

12769 CLERGY - BISHOPS - SERIES Tiddy Ogg

The bishop, alas, was still missing.
Outside, the rain down was pissing.
Said one rev to another:
"I wonder, my brother,
Which choirboy now he's a-kissing."

12770 CLERGY - BISHOPS - SERIES   Tiddy Ogg

There next came a ring at the bell;
The bishop came in, and said "Well,
While you've been perspir-

I've been on a trip down to hell."

12771 CLERGY - BISHOPS - SERIES   Tiddy Ogg

"And before that you all start to snicker,
Apart from the free flow of liquor,
Which you do not get here,
'Twas similar, I fear.
Couldn't get near the fire for vicars."

Into Hell the devil goes.
Inside the cathedral close,
He reclaimed his gaiters
From the choirboy satyrs;
Then the Bishop arose.

12773 CLERGY - BISHOPS - SERIES   Jim Jambor   P9101

The bishop was forthright and frank.
Never from evil he shrank.
Our voices we raise,
Exalt him in praise.
Why is it the bishop we spank?

12774 CLERGY - BISHOPS - SERIES   Jim Jambor   P9101

The bishop's high hormone titre
Made needful doses of nitre.
Now his life is neat,
His conduct discrete
With only a rare one-nighter.

12775 CLERGY - BISHOPS - SERIES Jim Jambor P9101

The wages of sin were paid
When the bishop ate the Apple and Played.
He strayed in the mews.
He strayed in the pews.
And thus he caught gaiter-aid.

I heard the sexton's blarney.
It seems he was having a barney.

To dispose of the bone of contention.

A cardinal living in Rome,
Had a renaissance bath in his home.
He could gaze at the nudes,
As he worked up his moods,
In emulsions of semen and foam.

12784 CLERGY - CARDINALS L1330

The world, no doubt, finds it dismaying
That cardinals dismiss what Pope's saying.
Ignoring his dictums
To protect young victims,
The priests will continue their preying!

When the conclave was over, one soul
Asked two cardinals how, with that roll,
The deadlock was broken.

They answered, "We just took a Pole."

12786 CLERGY - CARDINALS A. N. Wilkins P8908

I don't want to sound onery and snippy,
But John Paul has gone strange and dippy.
He's named old George Pell
A new Cardinal,
In line to be made the Pope Skippy.

The bishops were tighter than sin,
So Cardinal Horstof Berlin
Kept a jar 'neath his frock,
With some grease for his cock
And a shoe horn to ease himself in.

Consider the purpose of skin ...
It not only keeps everything in
But without it we might
Become water-logged, right?
And too soggy for cardinal sin.

12798 CLERGY - CARDINALS Peter Wilkins

That lim I just wrote about skin ...
Well I've just had an email come in
From the Sisters of Hope,
Who've now worn out the Pope,
And would love to meet Cardinal Sin.

12799 CLERGY - CARDINALS Peter Wilkins

An email again about skin;
But this time from Cardinal Sin.
He says he can't cope
With those Sisters of Hope,
Without copious measures of gin.

12800 CLERGY - CARDINALS Peter Wilkins

I've emailed poor Cardinal Sin
With an offer of gallons of gin;
For those Sisters of Hope
Are so eager to grope
Him and really can't wait to begin.

12801 CLERGY - CARDINALS Peter Wilkins

A desperate email from Sin
Who appears to have drunk all the gin,
And has taken to dope;
Says the Sisters of Hope
Have just told him to bare it and grin.

12802 CLERGY - CARDINALS Peter Wilkins

Oh woe is poor Cardinal Sin,
For he'll age 60 years and grow thin,
As those Sisters of Hope
Pull his bell-rope and grope
Him or sit on his knob-end and spin.

12803 CLERGY - CARDINALS Peter Wilkins

No trace now of Cardinal Sin,
Save a lingering whiff of old gin
(Or quite possibly dope).
And a Sister of Hope
Of whom all that is left is her grin.

12804 CLERGY - CARDINALS Peter Wilkins

The warning is clear in this verse, see?
The Sisters of Hope have no mercy.
They're viciously rough
And they can't get enough;
So watch out if you value your percy.

12805 CLERGY - CARDINALS   Peter Wilkins

For Spellman they've gathered in throngs;
He's gone to the place he belongs.
If we scale all the heights,
We can't hold enough rites
To atone for his dastardly wrongs.

When you go to your choir audition,
Sing the songs in your bestest rendition:
You're now facing subtraction
If high notes your voice cracks on --
Which is why it is called an a[u]ddition!

There was a concupiscent Chorister,
Who one day deflowered a florist. Ere
Away he could walk,
She snipped off his stalk --
And thenceforth he came to abhor Ester.
(concupiscent - lustful, Ester = florist?? must have been)
12813 CLERGY - CHOIR Harold C. Bibby

Ah yes, I remember the choir,
That sang 'neath the old church's spire,
And Reverend Kebble's
Strange love of boy trebles...
I think that he's lost in Hell's fire.

12814 CLERGY - CHOIR Tiddy Ogg

The head of the choir, Henry Mace,
Who'd in a glorious bass,
Preferred a girl soprano,
Behind the piano,
Suggesting she sit on his face.

12815 CLERGY - CHOIR Tiddy Ogg

I, too, recall one solo singer,
whose voice on those high notes would linger,
As long as she stood
In front of Joe Hood
Who under her robe thrust his finger.

12816 CLERGY - CHOIR Travis Brasell

And then there was contralto Lucy,
Who loved it when Joe gave her goosey.
She'd stand there and squirm
Like a wriggley worm,
While he diddled her quim, nice and juicy.

12817 CLERGY - CHOIR Jeanie

A friar with carnal desire
Would seek out young lads in the choir.
While they busied with Bach
He would fondle each smock;
Now, wherever there's smock there is friar.

12818 CLERGY - CHOIR Albin Chaplin

In the midst of an anthem of grace,
The choirmaster slipped from his place,
To goose the soprano,
In a lingering manner,
And returned with a smile on his face.

A Bishop with myopia,
And four astigmatic old Deans.!

12866 CLERGY - CLERICS

There once was a curate named Swope
Who wanted to bugger the Pope --
To destroy the division
'Twixt his lust and religion
And, on the side, get an archbishop's cope.

12867 CLERGY - CURATES Jim Weaver Collection

A curate, who cured in Kilcane,
Said, "Bishop, why do you complain?
If a deaconess begs
With wide-open legs,
How can a kind curate refrain?"

12868 CLERGY - CURATES Harold C Bibby

A modern young curate named Hyde,
Will be pleased if the bishops decide,
That to govern a see,
One must hold a degree
In Evil, both pure and applied.

12869 CLERGY - CURATES D. W. Pain

There was a young curate of Twickingham
Whose pants had a wonderful prick in 'em.
He thought it great guns
To disrobe all the nuns,
And this marvelous object to stick in 'em.

12870 CLERGY - CURATES G1169

A cute Curate who lived in Dundalk,
Proclaimed he could fly like a hawk.
Cheered by thousands of people,
He leapt from the steeple,
But the splash-down proved just talk.

12871 CLERGY - CURATES

There was a Perpetual Curate,
Whose language was hypersulfurate;
While, as for his thinking,
It was not merely stinking,
But perfectly foul and suppurate.

12872 CLERGY - CURATES Harold C Bibby

There was a young curate name LLoyd,
Who was seldom, if ever, annoyed.
Although you might poke him,
You could not provoke him,
His 'sang' was so terribly 'froid'.

12873 CLERGY - CURATES Duncan McGregor

There was a young Curate of Kidminster,
Who severely chided a spinster.
For she used, on the ice,
Words not at all nice
When he inadvertently slid against 'er.

12874 CLERGY - CURATES Langford Reed

There was a young curate of Westminster
Who severely once did a spinster.
As his pious genuflection
Transformed to erection,
When he advertently slid against her.

12875 CLERGY - CURATES Arthur Deex

There was a young curate whose brain,
Was deranged from the use of cocaine.
He lured a small child
To a copse dark and wild,
Where he beat it to death with his cane.

12876 CLERGY - CURATES Edward Gorey

There was a young Curate of Buckingham,
Who was blamed by the girls for not fucking 'em.
He said, "Though my cock
Is as hard as a rock,
Your cunts are too slack. Put a tuck in 'em."

12877 CLERGY - CURATES Norman Douglas L0538

A radical curate from Brent,
Who gave up entirely for Lent;
Simply lay in the aisle
With a beautific smile,
And dreamed of the Duchess of Kent.

12878 CLERGY - CURATES Bill Wall

There was a young Curate of Sarum,
Whose manners were harem-scarem.
He wandered round Hants,
Without any pants,
Till the Vicar compelled him to wear'em.

12879 CLERGY - CURATES Anon (Bibby)

There was a young curate of Hants,
Who suddenly took off his pants.
When asked why he did,
He replied, "To get rid
Of this terrible army of ants."

A lady called Morgan,
Caught sight of his organ,
And promptly passed out in the pew.

12881 CLERGY - CURATES G1123

12882 CLERGY - CURATES Joan Dare

He was given a gun
By the unmarried curates of Bristol.

12883 CLERGY - CURATES

An eccentric young curate named Flicker
Once had an affair with the Vicar.
He frigged him, butt fucked him,
Shit buggered and sucked him --
'Twas under the influence of liquor.

12884 CLERGY - CURATES G1109

There was a young lady from Brest,
Whom the Curate once put to the test,
By letting her see,
How bleak sin could be,
But she wasn't the least bit impressed.

12885 CLERGY - CURATES John Ciardi

A young curate, just new to the cloth,
At sex was surely no sloth.
He preached masturbation,
To his whole congregation,
And was washed down the aisle in the froth.

12886 CLERGY - CURATES L0541

A celebate curate named Way
Fell from grace in the vestry one day.
It had come to this pass:
He'd a lack and a lass...
And Way-laid her and paid her, they say.

12887 CLERGY - CURATES James Wade P8303

Said the vererable Dean of St. Paul's,
"Concerning them cracks in the walls,
Do you think it would do,
If we filled them with glue?"
And the Bishop of Lincoln said, "Balls!"

12888 CLERGY - DEANS Norman Douglas L1530

Have you heard of the Dean at St. Paul's
Who has no hair on his balls?
When asked why this is,
He whispers, in bliss:
"The rector, my God, how he mauls!"

12889 CLERGY - DEANS G1157

Then our dean took a pious young spinster,
On his cultural tour of York Minster.
What they did in the clerestory,
Is rather a queer story,
But none of us hold it against 'er.

12890 CLERGY - DEANS Victor Gray

There was a young girl of Kentucky
Who said to her man, "You are lucky;
I've been out on a binge
With the Dean of St. Inge,
And I'm still full of pep and feel fucky."

12891 CLERGY - DEANS Albin Chaplin 3024-1047

A dean who was rather a prude,
Thus addressed a sunbather at Bude.
"Excuse me, but Miss,
So much epidermis
Makes me think that the cloth should intrude."

12892 CLERGY - DEANS

The Dean undressed, with heaving breast,
The bishop's wife to lie on.
He thought it lewd to do it nude,
So he kept his old school tie on.

12893 CLERGY - DEANS

A rural Dean, riding by Rake,
Met a maid by the side of the lake;
He said, "Let us praise
The Lord and His ways--
And then of our pleasure partake."

12894 CLERGY - DEANS Harold C Bibby

There was a disgusting old Dean
Who explored every crude magazine
From cover to cover--
Agog to discover
The mean or unclean or obscene.

12895 CLERGY - DEANS Harold C Bibby

I once had the wife of a Dean,
Seven times while the Dean was out skiin'.
She remarked with some gaiety,
"Not bad for the laity,
Though the Bishop once managed thirteen."

12896 CLERGY - DEANS G0542

The unfortunate Dean of South Harts,
Was caught importuning some tarts.
His good wife was shocked
When the Dean was unfrocked:
It's the first time she saw all his parts.

12897 CLERGY - DEANS

A girl named Veronica Hubble,
Who is socially nothing but rubble,
Has tickled the balls
Of the Dean of St. Paul's,
In civvies, and looking for trouble.

12898 CLERGY - DEANS Gents Alphabet Book P9606

Since women are used to allay Man,
To comfort but mostly to lay Man,
Evangelists must
Control overt lust
Or downgrade themselves to layman.

12899 CLERGY - EVANGELISTS Irving Superior P8706

From the back of a tent in a field
Where a cobbler evangelist peeled
At the soles of lost shoes,
You could hear the "good news" --
"In the name of sweet Jesus, be heeled!"

12900 CLERGY - EVANGELISTS H Whelchel

Once, Billy Graham, sin attacker,
Was vilified by a detractor,
Who asked with horrid pun
(And Billy had not gun)
"Was Billy Graham born a Cracker?"

12901 CLERGY - EVANGELISTS Irving Superior P8706

As Graham for God madly dashes,
His mind is disturbed by strange flashes.
He believes, when he dies,
Like the Phoenix he'll rise,
But his asshole will rise from the ashes.

12902 CLERGY - EVANGELISTS Albin Chaplin 3024-1000

For Graham the populace grieves,
And their bosom collectively heaves.
For the way people live --
It is blessed to give --
But poor Graham, he only receives.

12903 CLERGY - EVANGELISTS Albin Chaplin 3024-1034

Now Billy Graham strikes a crass chord
When speaking to Reagan and Ford.
He says, "Lookie here
What I earned last year,
By dropping the name of the Lord."

12904 CLERGY - EVANGELISTS Mark Levy P9507

Evangalist Duffy McGuire
Preached Hell and Brimstone and Fire.
And when all the folks went
To the back of the tent,
He boffed all the girls in the choir.

12905 CLERGY - EVANGELISTS Ogden Nield

An evangelist called Carrie Nation,
Chopped up bars all across our young nation.
When her axe made a pass,
Barkeeps fell on their ass!
In those days she was called a sensation!

12906 CLERGY - EVANGELISTS Dom P8706

An evangelist nowadays thrives
By living a couple of lives.
He plays now and then
The saint with the men,
And the devil sometimes with their wives.

12907 CLERGY - EVANGELISTS A. N. Wilkins P8706

Dr. Luke had a good deal to lose --
A large practice treating rich Hews.
Unlike your hysteric
Electronic cleric,
Gave up wealth to peddle good news.
(This Luke was a buddy of Paul)
12908 CLERGY - EVANGELISTS A. N. Wilkins P8706

When I asked for a license to air
My electric church gospel, I swear
They said, "Sure, Pastor Willy,
Your speech is hillbilly,
And you have evangelical hair."

12909 CLERGY - EVANGELISTS Loren C. Fitzhugh P9406

The evangelist often behaved
With boys and girls as if depraved.
But sex anal and oral,
He claimed was quite moral,
Because he was already saved.

12910 CLERGY - EVANGELISTS A. N. Wilkins P8706

Now what can a person expect
From people who think they're select.
And who spend their time drumming
Jesus Christ's second coming,
When the first one, you'll find, is suspect.

12911 CLERGY - EVANGELISTS Albin Chaplin 3024-1014

Judge Hemp and Reverend Lockjaw
Put on a Revival in Omaha;
Peyote-sourced preaching
Got the crowd screeching;
Their pockets were picked by my grampa!

12912 CLERGY - EVANGELISTS

An evangelist, Reverend Deex,
Preached hell-fire and damnation at Peaks.
He said, "This racket pays,
And a lot of good lays,
But each place is just good for two weeks."

12913 CLERGY - EVANGELISTS Dom P8706

The evangelist prays to the nation
And the faithful send cash in elation.
Jesus enters their brains
And they get for their pains
Some cerebral orgasmic vibration.

12914 CLERGY - EVANGELISTS Albin Chaplin P9009

The TV crusaders are men
Who preach to us be born again.
But the secret of birth,
For whatever it's worth,
Is somewone get's fucked now and then.

12915 CLERGY - EVANGELISTS Jay Marshall P8706

A TV evangelist named Blount
Said, "My preaching is all paramount.
And my revelations
Are sexual relations,
So I write each sermon on the mount."

12916 CLERGY - EVANGELISTS Tom Patton P9902

There was a fat fraudulent Friar,
Begged alms to rebuild a church spire;
But they found he had fled,
Having sold all the lead
To a shady itinerant buyer.

12917 CLERGY - FRIARS Harold C. Bibby

There was a young friar name Borrow,
Who eloped with two nuns to his sorrow.
They lived on an isthmus,
And one he called Christmas,
And the other he cristened Tomorrow.
(Christmas is coming, Tomorrow never comes)
12918 CLERGY - FRIARS G1092

In the village the maids did conspire
With a monk who aroused their desire;
To send signals of smoke
When they needed a poke --
Now wherever there's smoke, there is friar.

12919 CLERGY - FRIARS Albin Chaplin 3024-2953

A squalid old whore name of Funks
Would fuck only junkies and drunks.
Her daughter prodigious,
Profoundly religious,
Consorted with friars and monks.

12920 CLERGY - FRIARS Albin Chaplin 3024-1520

There sat a disconsolate friar;
His balls were inflamed with desire.
For his cock was his pride
And would not be denied,
So he brought up some lads from the choir.

12921 CLERGY - FRIARS Albin Chaplin 3024-1026

The Friar, the man who does scoff
Is often a man of the cloth.
But this is so his toys
He can use on young boys;
With a woman he just can't get it off.

12922 CLERGY - FRIARS

Being celibate's caused Fr. Howe
To thus reinterpret his vow.
In July he repects
All the rules about sex,
But the rest of the year--Holy Cow!

12923 CLERGY - FRIARS Lucas Hulp P9402

Cop O'Brian asked, "Where is the fire?"
Of a priest in a Ford with crossed wire.
"This column of smoke
Sure isn't a joke,"
Said the friar who's now in a fryer.

12924 CLERGY - FRIARS Tom Patton P9607

A contrite acolyte of Friar Ansel
Said, "Last night by mischance in the chancel,
Lured by carnal desires,
I had sex with Miss Myers.
These sins by confession I'll cancel."

12925 CLERGY - FRIARS G1085

So large was the hole of Miss Willet,
There was no young man who could fill it.
She was fucked by a friar
With carnal desire,
But he first stuffed her cunt with a skillet.

12926 CLERGY - FRIARS Albin Chaplin 3024-1114

Rock hard and apparently on fire,
His dick he thrust that much higher.
He cried "I'm coming, I am",
And that poor little lamb
Just got blessed by the local town friar!

12927 CLERGY - FRIARS Jim Weaver Collection

There once was a sorry old friar
Who burned off his balls in a fire,
When the flames got away
From his candles, one day;
Now he sings very high in the choir.

12928 CLERGY - FRIARS Cap'n Bean

Romeo needn't have died alone;
Followed by Juliet with a moan.
If the good Friar had
With that brave star-crossed lad,
Stayed in closer touch via cell phone.

12929 CLERGY - FRIARS Loren Fitzhugh P0103

There was a young friar named Hess
Who said, "I must sadly confess
That my virtuous life
Without mistress or wife,
Occasions unending distress."

12930 CLERGY - FRIARS Isaac Asimov

There was an old duchess named Fitch
Consumed by a most burning itch.
She was had by a friar
And he put out the fire.
She would much rather love him than switch.

12931 CLERGY - FRIARS Albin Chaplin

Aimee McPherson preached in L.A.
About all good things, so they say.
But her pussy, quite tan,
Burned and itched for a man.
So Ormiston provided a lay.

12932 CLERGY - INFAMOUS Dom P8706

Reverend Aimee Semple MacPherson
(That female-evangelist person)
Found excuse for free sex
In her scriptual text,
Which she could quote chapter and verse on.

12933 CLERGY - INFAMOUS Robin K. Willoughby P8707

Aimee Mc, so the story that's told,
Had a great yen for Ormie -- 'twas bold.
She said, "People don't care
If I have an affair."
But followers put her love life on hold!

12934 CLERGY - INFAMOUS Dom P8706

From a tent Aimie Semple did preach,
And the souls of poor dupes she did reach.
But her tent caught on fire,
And it burned her entire
Holy Bible and heavenly speech.

12935 CLERGY - INFAMOUS Al Chaplin P0302

There once was an eloquent faker,
That inbred throwback, Jim Bakker.
He's a cocksucking faggot!
And what about Swaggart!
The nude hooker photograph taker.

12936 CLERGY - INFAMOUS Jim Weaver Collection

In a tent, the renowned Billy Sunday,
Preached evey day except Monday.
He said with a grin
"That's the day that I sin
With the chicks that I meet - it is fun day."

12937 CLERGY - INFAMOUS Dom P8706

A shill hired by faith healer Blight
To attend the revival each night,
Didn't last very long
For his limp was all wrong.
He'd confuse his left leg with his right.

12938 CLERGY - INFAMOUS Loren C. Fitzhugh P9408

God, through his pastors, can "heal",
The better the money to steal.
The victims are lured,
Then told they've been cured,
So rejoice and buy into the spiel.

12939 CLERGY - INFAMOUS Jim Weaver Collection

A preacher on TV, Benny Hinn,
Healing trailer trash, takes money in.
He's had many a plaudit
But never an audit.
When I see him I shout "Oh, Huck Finn."

12940 CLERGY - INFAMOUS Arthur Deex P0202

"Send me ten," said evangelist Flynn
"And I'll gladly absolve you of sin."
Then he added, "And for
Fifty dollars or more,
You get blown by my lovely wife, Lynn."

12941 CLERGY - INFAMOUS Michael Weinstein P8706

"Send me cash to help cure mankind's tumor,"
Screamed evangelist Jeremy Boomer.
Whereupon the poor bloke
Dropped dead of a stroke.
Who said God has no sense of humor?

12942 CLERGY - INFAMOUS Michael Weinstein P8706

The evangelist is the physician
Who ministers to your contrition,
And though saving your soul
Is his ultimate goal,
It improves his financial position.

12943 CLERGY - INFAMOUS A. N. Wilkins P8706

There's Swaggart, and Bakker, and Falwell,
Who try to pretend that it's all well.
They're climbing so high
They're reaching the sky --
I sure hope they know how to fall well.

12944 CLERGY - INFAMOUS Jay Marshall P8706

Jessie Jackson, described at the least,
Either saint or lascivious beast,
Gets into a pother (noisy disturbance)
When he is called Father --
Can it be that he's become a priest?

12945 CLERGY - INFAMOUS Arthur Deex P0103

Jesse Jackson's Rainbow Coalition
Now follows an ancient tradition.
When Karin came to PUSH
It was up her sweet tush,
And she's left in a pregnant condition.

12946 CLERGY - INFAMOUS Tom Patton P0105

Jesse said, "Here's a sermon for you-
Choose with caution the person you screw.
And when push comes to shove
Wear a good latex glove.
And, do as I say, not as I do."

12947 CLERGY - INFAMOUS William N Nesbit P0103

The Reverend's stock is way down;
His mistress the talk of the town;
Her inept parturition
Wrecked the Rainbow Coalition --
Jess should have stayed home with wife Brown.

12948 CLERGY - INFAMOUS Armand Singer P0104

It seems from the National Enquirer,
What helped Bill, Lewinsky's admirer,
Repent so much faster,
Was Jackson as pastor...
A seasoned unconjugal sirer!

12949 CLERGY - INFAMOUS Anon

When TV evangelists pray,
As they do several times every day,
The words of their prayer
As it thrills through the air
Sound suspiciously like "Let us prey!"

12950 CLERGY - INFAMOUS Laurence Perrine P8706

It's well-known that some TV preachers
Exhibit some deceptive features;
They show ENORMITY
And nonconformity,
While claiming they're religious creatures.

12951 CLERGY - INFAMOUS Observer

Impassioned, not witty nor funny,
He traps us like flies caught in honey.
He holds us enraptured
Until he has captured
Our minds and our souls and our money.

12952 CLERGY - INFAMOUS Laurence Perrine P8706

She grieved when her young son forsook
All learning except for one Book.
"Well, here's how it is, Ma,
With my natural charisma,
I'll turn a neat prophet. Check Book!"

12953 CLERGY - INFAMOUS Laurence Perrine P8706

The leaders of churches today
Condemn all the lecherous and gay,
But when caught in the nude
With some dolly they've screwed,
They say it's a new way to pray.

12954 CLERGY - INFAMOUS Dick Buenger P8806

"Nobody has answered the riddle,"
Said a college professor named Biddle,
"Why a preacher who's dealing
In simple faith healing,
Would need to construct a hospital."

12955 CLERGY - INFAMOUS A. N. Wilkins P8706

Bakker's denounced as immoral;
Billy Graham's a lech, Swaggert's a whore, I'll
Concede that Van Impe's
A second-rate pimp;
Spurn those fuckers and stick with Oral.

12956 CLERGY - INFAMOUS Robin K. Willoughby P8707

Oral Roberts had visions so slick,
A nine-hundred-foot Jesus came quick.
To Jim Bakker likewise,
Came a vision surprise --
There appeared a nine-hundred-foot prick.

12957 CLERGY - INFAMOUS Al Chaplin P8706

Pat Robertson's a powerful guy,
And recently reminded us why;
He alone saved Orlando
From dental dam and dildo,
And turned back asteroids in the sky!

12958 CLERGY - INFAMOUS RGCPJC TP9806

A born-again preacher named Brady,
"Some things in religion are shady.
But I'll tell, what the hell,
The phrase PTL
Stands for the words: PAY THE LADY."
(PTL - TV 'Praise The Lord' programs - Really)
12959 CLERGY - INFAMOUS Jay Marshall P8706

There once was a fellow named Dick,
One hell of a stupid-assed prick.
He sent away money,
'Cause they talked milk and honey.
They raped his fat ass with a stick.

12960 CLERGY - INFAMOUS Jim Weaver Collection

On Sundays they capture the air
With sermons, collections, and prayer.
The commercial airlines
Must change their designs
To win their fair share of the fare.

12961 CLERGY - INFAMOUS Laurence Perrine P8706

The evangelists seen on TV,
Who claim they're of God's ministry,
May cite chapter and verse,
But are con men and worse,
And are masters of hypocrisy.

12962 CLERGY - INFAMOUS Warrick Elrod

When Tammy poured coal in her eye,
To give longer lashes a try,
It caused delerium,
Until COLLYRIUM
Washed anthracite out, by and by.
(Tammy Fay Bakker self caricature)
12963 CLERGY - INFAMOUS - BAKKER Chris Papa

How I miss the Jim and Tammie Show!
The latter with lashes aglow,
Hair teased to great heights,
Lips like neon lights,
Like high-heeled, soliciting "Ho".

12964 CLERGY - INFAMOUS - BAKKER Chris Papa

Jim Bakker was really a wimp,
Whose deacon played the role of pimp.
For lust on the rug,
He could give Hahn a hug,
But his nature, sadly, stayed limp.

12965 CLERGY - INFAMOUS - BAKKER   Jim Jambor   P9009

Jim Bakker paid Jessica money
For extracurricular fun. He
Is living in limbo
But Miss Hahn ("I'm no bimbo")
Is now Mr. Hefner's new bunny.

12966 CLERGY - INFAMOUS - BAKKER   Sid Rothenberg   P8805

Jessica Hahn one day dreamed
She was rising to heaven redeemed.
But Jim Bakker atop her
Was able to stop her,
While "Oh, God, I'm coming!" she screamed.

12967 CLERGY - INFAMOUS - BAKKER   Arthur Deex

Against the wall did Bakker back her,
For well he knew how best to crack her.
"It's either to bed
Or discharge," he said.
With Catch Two Two did Bakker sack her.

12968 CLERGY - INFAMOUS - BAKKER   Irving Superior   P8706

Admittedly did Bakker Sack her
But HOW was the unmentioned factor.
We voyeurs want to know --
Which way did he go?
A frontal? Or did Bakker back her?

12969 CLERGY - INFAMOUS - BAKKER   Irving Superior   P8706

The evangelist Bakker admitted
Infidelity had been committed.
Saith the Lord, "A concession
Can be made for transgression,
But a blow-job will not be permitted."

12970 CLERGY - INFAMOUS - BAKKER   Al Chaplin   P8706

Reverend Bakker's astute adaptation
Of transsubstantiation
With spiked wine, he first treats 'em,
Then with ritual eats 'em.
A most holy divine consumation.

12971 CLERGY - INFAMOUS - BAKKER   Dick Buenger   P8706

Said evangelist fakir Jim Bakker,
"When I see a nice piece, I just take her.
While we play Humps and Hugs,
My wife turns to drugs.
Praise the Lord that I wasn't born Quaker.

12972 CLERGY - INFAMOUS - BAKKER   Martin Wellborn   P8704

In horny old Reverend Jim Bakker's
Motel room he prayed to his maker.
An angelic creation
In holy elation
Appeared and then forced him to take her.

12973 CLERGY - INFAMOUS - BAKKER   Dick Buenger   P8706

He says Bakker is spelled with two K's;
He's eccentric in some other ways.
He gave Tammy the whammy,
A blow job to Sammy,
And now he hangs out with the gays.

12974 CLERGY - INFAMOUS - BAKKER   Jay Marshall   P8706

To Jessica, Jim said, "Perchance
If my trousers should drop, take a glance.
Here's a fine Christian prick."
Said the young lady chic,
"I've had plenty of those in my pants."

12975 CLERGY - INFAMOUS - BAKKER   Al Chaplin   P8706

Jim Bakker and Lyndon LaRouche
Indulged in a game called La Touche.
This game is all well
When played in a cell,
But so public "quand joue dans la douche"!

12976 CLERGY - INFAMOUS - BAKKER   Jim Jambor   P9012

To accept it some found it quite hard.
Indeed, the disclosures were odd.
But when Reverend Jim Bakker
Said, "Come, meet your Maker,"
We now know he didn't mean God.

12977 CLERGY - INFAMOUS - BAKKER   Keith Gilman   P0110

Now there was a dazzling pair!
High up with the best TV fare.
And money they made.
While prayers were parlayed,
To millions in loot they would share.

12978 CLERGY - INFAMOUS - BAKKER   Chris Papa

PECKSNIFFIAN type of a creature,
According to my history teacher,
Seen without fail,
On T.V., in jail,
At least one evangelist preacher.

12979 CLERGY - INFAMOUS - BAKKER

Too bad he has lost his rich church,
His good name now just a besmirch.
His overmade wench,
Cried at the Law's bench,
Then cut loss, and left him in lurch.

12980 CLERGY - INFAMOUS - BAKKER

So for this poor "pecker" I sniff,
Who poor folks he sure tried to "stiff."
One gets in a jam
For using God-scam,
Like plunging right over the cliff.

12981 CLERGY - INFAMOUS - BAKKER

Pecksniffian is someone who
Might take advantage of you.
A lady by day,
She gets her own way,
When evening arrives, you do too!

12982 CLERGY - INFAMOUS - BAKKER Maggie

She preaches about virtue true
The whole time she's looking at you.
But you'll pay the price
If you fall for this vice,
Tempting fate with this sweet rendevous!

12983 CLERGY - INFAMOUS - BAKKER

Let's not forget righteous Jim Bakker;
As far as sex goes, he's no faker.
Be it a he or a she,
He poked them with glee,
All in the name of his Maker.

12984 CLERGY - INFAMOUS - BAKKER Mike Perry

"Since the PTL seems rather shady,
Folks have wondered," said Reverend Grady,
"What the three letters stand for,
What Jim Bakker was canned for,
Makes it clear that it means PAY THE LADY!"

12985 CLERGY - INFAMOUS - BAKKER   A. N. Wilkins

Tammi Bakker to a dreary world gave
Hairdo called "Tsunami Wave."
Tall and unbent,
Great stele of cement,
It didn't help Jim to behave.

12986 CLERGY - INFAMOUS - BAKKER   Chris Papa

"Hallelujah!" Jim Bakker intoned,
"It seems that God's wrath's been postponed:
I'm caught in adultry,
With a gal hot and sultry,
And it's Tammy my wife, who gets stoned."

12987 CLERGY - INFAMOUS - BAKKER   Arthur Deex   P8706

Jim Bakker used funds that weren't his'n,
For his wife and himself to BEDIZEN
Themselves. Then of course
His wife did divorce
Him when he was sent off to prison!

12988 CLERGY - INFAMOUS - BAKKER   Observer

Now that's the tale in a nutshell,
Of going from castle to cell.
Some would celebrate
If the very same fate
Should happen to Jerry Falwell!

12989 CLERGY - INFAMOUS - BAKKER   Observer

Religious TUB-THUMPER, Jim Bakker,
Was unscrupulous profit-taker.
But now he's arisen
From his time in prison
And his former life as a faker!

12990 CLERGY - INFAMOUS - BAKKER   Observer

By Jerry is Tinky becursed
For having a cute little purse.
Thunders he, "Tinky's gay",
But to Falwell I say,
"Shove your rantings up where it smells worst."

12991 CLERGY - INFAMOUS - FALWELL

Jerry Falwell slams poor tinky winky
"Teletubbies turn little boys kinky!
This thing is nefarial;
Theres a three cornered aerial
And he's purple like my little dinky"

12992 CLERGY - INFAMOUS - FALWELL

Colors, triangles, and purses;
That Jerry, he knows all the curses:
"He isn't like me!"
I guess that means we
Ought to order up 6 million hearses.

12993 CLERGY - INFAMOUS - FALWELL

Once again Jerry jacks himself off;
When that windbag blows, I just scoff.
'Cause the symbol I see
When he preaches to me --
Ich sehe ein scheisskopf.

12994 CLERGY - INFAMOUS - FALWELL

They say that this Falwell guy said.
"Wearing triangles there on your head
Is a sure sign you're gay;
You don't screw the right way;
You'd bugger old Barney instead."

12995 CLERGY - INFAMOUS - FALWELL Bob Birch

"Tinky's gay!" Jerry Falwell has cried;
"When you're queer, it's a hard thing to hide.
I know 'bout you fellers
And your choice of colors,
That's how they judge what is inside."

12996 CLERGY - INFAMOUS - FALWELL Bob Birch

The kids had seen nothing that's wrong,
They're just into movement and song.
So what's FaIwell's point,
Getting bent out of joint...
Brains - short...Homophobia - long.

12997 CLERGY - INFAMOUS - FALWELL Bob Birch

"God stands by my side as I shout;
This is what my crusade is about.
To find cute purple critters
That give me the jitters;
'Tis my calling makes Tubbies come out!"
(preacher Jerry Falwell denounes queer Teletubbies)
12998 CLERGY - INFAMOUS - FALWELL Bob Birch

Reverend Jerry and all of those maggots
Can go stuff their assholes with baguettes.
Do not be too sure
That his own life is pure;
He sure knows a lot about faggots.

12999 CLERGY - INFAMOUS - FALWELL

The fisherman blasting the fish,
But what is his real secret wish?
A man on a mission?
Well I've a suspicion,
If he didn't waddle, he'd swish.

13000 CLERGY - INFAMOUS - FALWELL

I don't know if Mr Tinky-Winky
Can engage in some acts they call kinky.
Because this Tele-Tubby
Is so downright chubby,
It makes his equipment look dinky.
(Jerry Falwell says Tinky-Winky is queer!)
13001 CLERGY - INFAMOUS - FALWELL   Frank Petersohn

Swaggart went out of his way,
Insisting we all kneel and pray.
Though he was reborn,
He got hooked on some porn.
Poor Jimmy, he had feet of clay.

13002 CLERGY - INFAMOUS - SWAGGART   Gifford Wherry

Jimmy Swaggart, while driving one day
Through a cheap red light district to play,
Claimed when caught, "I was dead right
To stop at a red light.
It's a rule that I always obey."

13003 CLERGY - INFAMOUS - SWAGGART   Don Moore   P9112

He laid out the innocent facts.
He denied there were carnal contacts.
When he motel'd the hooker,
Swaggart was just a looker
Who did pornographic acts.

13004 CLERGY - INFAMOUS - SWAGGART   Jim Jambor   P9009

On a billboard held up for display,
Is a gal who will play for top pay.
But her client most recent
(From the League of the Decent)
Was reluctant to go all the way.
(written in 1983 long before Swaggert viewed the hooker)

13005 CLERGY - INFAMOUS - SWAGGART   Neal Wilgus   P8302

A whore by the name of Flo Taggart
Has a john, a pompous-assed braggart.
While watching TV,
She was surprised to see
The same guy on the tube! Jimmy Swaggart!

The sculptor was ready at last
To make castings with sex organs vast.
Said Swaggart, "The Devil
in this work shall not revel!"
And proceeded to stone the first cast.

13007 CLERGY - INFAMOUS - SWAGGART   Al Chaplin   P8804

Jimmy Swaggart invented a no-tell
For non-laymen no matter the motel.
With mystical wonderment,
He'd gaze at the fundament
Of a whore after paying the bitch off well.

13008 CLERGY - INFAMOUS - SWAGGART   Don Moore   P9009

Said Jimmy, "My story's most viable;
After hearing my side you are liable
To agree I was caught
Because I wrongly thought
She was prone to discuss the good Bible."

13009 CLERGY - INFAMOUS - SWAGGART   Arthur Deex   P8804

Jimmy Swaggart's petite porno pigeon
Says the preacher asked more than a smidgen
Of different lewd poses,
But the hooker discloses
That they were not discussing religion.

13010 CLERGY - INFAMOUS - SWAGGART   A. N. Wilkins   P8804

Voyeuristic desires he can't block.
His addiction to see
Sinful pornography
Occurred post hoc, ergo, propter hoc.

13011 CLERGY - INFAMOUS - SWAGGART   Loren Fitzhugh   P9203

Jimmy Swaggart said, "The thing to do
For the Missouri Synod is to
Will my New Testament
To those who won't repent,
But my porno, Deb Murphee, to you."

13012 CLERGY - INFAMOUS - SWAGGART   Loren C. Fitzhugh   P9801

In virtue he was no braggart,
Nor in purity was he a laggard.
He was quite free of sin;
His weewee never in;
His name and fame: Virgin Jim Swaggart.

13013 CLERGY - INFAMOUS - SWAGGART   Jim Jambor   P9010

Alone and supine on the bed,
"Let's talk dirty," the nude preacher said,
"For when I talk dirty
Little Jimmy gets spurty,
And my prattle turns my earlobes red."

13014 CLERGY - INFAMOUS - SWAGGART   Jim Jambor   P9010

He excused himself to pee.
(This was no soliloquy)
Through the bathroom door
He could watch the whore
Enjoying him musically.

13015 CLERGY - INFAMOUS - SWAGGART   Jim Jambor   P9010

Could Solomon's wisdom and patience
Decide were there sexual relations,
Or the innocent joy
Of a cleric Portnoy
Gratified by Revelations?

13016 CLERGY - INFAMOUS - SWAGGART   Jim Jambor   P9010

Benedic me quia peccave,
Meretrices ac visitavi;
Ad opus videbam
Pictas faciebam;
Sed juro: Mon fornicavi.
(Jimmy Swaggart's prayer)
13017 CLERGY - INFAMOUS - SWAGGART   Fr. William Loring P8804

Bless me, a sinner, I pray:
From whores I could not stay away.
Their work I would watch,
Taking pictures of crotch;
But I never did screw them, I say.

13018 CLERGY - INFAMOUS - SWAGGART   Fr. William Loring P8804

An amorous M. A.
Said of Cupid, the C. D.,
"Sometimes for a joke
He picks the wrong bloke;
Jimmy Swaggart that P.T."

13019 CLERGY - INFAMOUS - SWAGGART   Arthur Deex   P9701

An infamous Methodist minister,
Whose sermons inclined to the sinister,
Was wont to abuse
His poor flock in their pews,
Save his wife, who just laughed when he menaced her.

13020 CLERGY - MINISTERS Paul M Hoffman

A minister up in Vermont
Keeps a goldfish alive in the font.
When he dips the babes in,
It tickles their skin,
Which is all that the innocents want.

Caught, he waffled, "But hey!
Scripture says it's OK --
It's right here in the 'pistle of Peter.

13223 CLERGY - PASTORS   Robin K. Willoughby P8707

"You! Choirboy!" ordered the pastor,
"Your blowjob technique's a disaster!
Removing your hand
From the base of my gland
Will let me come deeper and faster!"

13224 CLERGY - PASTORS   Blue-eyed Devil

There was a young girl in a cast,
Who had an unsavory past.
For the neighborhood pastor
Tried fucking through plaster,
And his very first fuck was his last.

13225 CLERGY - PASTORS L1144

Since the church hired Jane, a temporary,
Her reviews have been rated exemplary.
But it presaged disaster;
She was found with the Pastor
In a compromising position, missionary.

13226 CLERGY - PASTORS Thomas G. Keller P9408

There once was an Anglican pastor,
Whose maid didn't let much get past her.
She said, "When you muff-dive on
The living room divan,
Please use an anti-macassar."

13227 CLERGY - PASTORS L0420

There once was a passionate pastor
Whose feelings he never could master.
His ejaculations
Baptized congregations,
And hung from the ceiling like plaster.

13228 CLERGY - PASTORS G2451

A religious young lady named Astor
Had never reached orgasm faster
Than the night she got head,
In the rectory's bed,
In a flaming embrace with the pastor.

13229 CLERGY - PASTORS Cap'n Bean P9911

"You, choirboy!" ordered the Pastor.
"Bend over the pew for your Master!"
He said with a moan
As he slipped him the bone,
"Now just wag your tail a bit faster!"

13230 CLERGY - PASTORS Ogden Nield

The Pastor would never admit
That he suffered from atrophied wit.
He thought that a tumor
Was a call for bright humor.
Egads!, Good grief!, What a twit!

13231 CLERGY - PASTORS Bill Doern

The pastor did a double take;
It must have been some mistake.
As he read the homily --
Here's the ANOMALY --
The worshippers were wide awake!

13232 CLERGY - PASTORS Norm

Alexander, the Borgian Pope,
Remarked to this cardinals, "Nope,
I'd rather fuck Lucy,
My daughter, than goosey
A priest with his ass full of soap."

13233 CLERGY - POPES G1143

So here was this popular Pope,
With a prick he could knot like a rope.
He baptised this rarity
With his balls, Faith and Charity,
And his asshole as Christendom's Hope.

13234 CLERGY - POPES G1144

Then filled with ambition, the Pope,
Once bound his huge cock with a rope.
If once he could thin it, he
Could bugger the Trinity,
And fill Mary's cunt with soft soap.

13235 CLERGY - POPES G1145

Alas, our dissatisfied Pope
Would stretch out his cock with a rope.
He used it on foresters,
And virginal choristers,
Which made all the cardinals mope.

13236 CLERGY - POPES G1146

When an old vegetarian Pope,
He shot off in a ripe cantaloupe.
The seeds produced scores
Of sactified whores,
And a priest with a prick for a cope.

13237 CLERGY - POPES G1147

An ape hailed the Pope and said, "Hi, mate!
We're cousins, you know. It's no lie, mate."
The Pope fixed him there
With a cold haughty stare,
But asked himself, which was Primate.

13238 CLERGY - POPES Laurence Perrine P8408

To the faithful Pope Pius implored
That in heaven they'll get their reward.
Then he pulled out his cock
And he said to his flock,
"Believe ye in me and the Lord."

13239 CLERGY - POPES Albin Chaplin 3024-1039

A wily old bishop was Gastard;
New tricks for the Pope he had mastered.
He checked the Pope's gas
With his prick up his ass,
But the pope was a bastard and passed turd.

13240 CLERGY - POPES Albin Chaplin 3024-1028

A great souvenir? No great hope.
I went in to mine my own stope.
Disguised as a Cardinal,
I costumed my cord 'n all,
And burgled a turd from the pope.

13241 CLERGY - POPES

Your kneeling in front of the Pope,
For sainthood must be kept in scope;
The Pope gets canonical
(Which I think's ironical!)
When candidates suck on his rope.

13242 CLERGY - POPES

The bishop no more could endure
The whores on the banks of the Ruhr,
For their cunts were depressing,
So he gave them a blessing
And the Pope checked each one to be sure.

13243 CLERGY - POPES Albin Chaplin 3024-1012

To the Pope, said the prodigal son:
"Holy Father, forgive what I've done."
Said the Pope, "It's a deal,
If you'll kindly reveal
How you stay most admired through such fun!"

13244 CLERGY - POPES Prof M-G TP9901

The Pope in regalia first class,
Kissed the cunt of a nun after mass.
He judged her fair slit,
To be hairy and fit,
So smoke signals poured out of his ass.
(Colored smoke announces the election of a new Pope.)

13245 CLERGY - POPES Albin Chaplin 3024-0997

Said the Pope to John Huss, "I'm disgusted.
Ecclesiastically you're maladjusted."
John replied, "Though you rant,
I still will not recant!"
Then spontaneously John combusted.

13246 CLERGY - POPES Loren Fitzhugh P9912

When the Pope crossed the Rhone to taste wine,
Many minstrels thought that was just fine.
For they'd prance and they'd play
From the bridge. On the way,
The Pope chose the best from a line.

13247 CLERGY - POPES Jim Weaver Collection

To win the big Lotto, your chance
Is as slim as attending a dance
Where the Pope is a guest,
And he boogies with zest,
Wearing neither his skivvies nor pants.

13248 CLERGY - POPES Cap'n Bean

Does the Pope use the loo as we do?
And enjoy sherry wine or a brew?
Though he drinks lots of tea,
He has never said, 'pee',
But we know what he means by 'pooh-pooh'.

13249 CLERGY - POPES Al Willis

The man from Basilican Dome
Brought humor to many a home.
They all gathered to hear,
And by millions to cheer,
The great double-talk artist from Rome.

13250 CLERGY - POPES Albin Chaplin 3024-1005

There was a promiscuous Primate,
Who said that, at this day and time, it
Is right to embrace
One of each faith and race
In our ecumenical climate.

13251 CLERGY - POPES Harold C Bibby

The pope's now down Mexico way.
I sent him this. This he did say:
"That Travis I've cursed
With an 18 inch wurst...
It'll skewer his ass one fine day."

13252 CLERGY - POPES

"The Pope has done opened his flies",
Muttered Sister Marie in surprise
As he waggled it out
And around and about.
"Tis a blessing, I hope, in disguise."

13253 CLERGY - POPES Peter Wilkins

He's just drying off the brown streaks.
He's been off to visit the Greeks,
And strong is tradition.
He's done some coition
Between some Hellenic boy's cheeks.

13254 CLERGY - POPES Tiddy Ogg

The Vatican's shouting "Hooray!";
The Pope has been saved from decay!
His body's exhumed,
His face is regroomed,
And his corpse has been put on display!"

13255 CLERGY - POPES Cap'n Bean P0107

Whenever the trees are uprootin',
It would seem there's no refutin'.
Though there's no one there,
Does the sound fill the air?
Does the Pope fart in latin? Darn tootin!

13256 CLERGY - POPES

The Pope is a regular guy.
If gassy...he just lets it fly.
For a couple of cents,
He'll light some incense;
If not, all the clergy will cry.

13257 CLERGY - POPES Jim Weaver Collection

The vilest of priests are collected,
Then bishops, archbishops selected.
From the worst of this scum,
All the cardinals come,
And the Pope from the dregs is elected.

13258 CLERGY - POPES Albin Chaplin 3024-0998

He's far from over the hill;
To this day his pecker works still,
In the shower with soap.
'Cause I'll bet the pope
Gets more pussy these days than Bill!
(Bill Clinton Pres US 1992 - 2000 scandal)
13259 CLERGY - POPES

An old Pope was once asked by his aunt,
"Greg dear, have you tried singing descant?"
The wise pontiff just sighed
And replied, "I've my pride:
And being no good at singing, I chant."
(descant - sing, warble)

13260 CLERGY - POPES Loren C. Fitzhugh P9705

On a trip to the Vatican's Sistine
Chapel, a young nun named Christine
Made a play for the pope
And after her grope,
His Holiness wasn't so pristine.

13261 CLERGY - POPES

Said the Pontiff, "New laws we shall pass
So that nuns can assist at high mass."
But the man was a gent,
For the guy really meant,
"So that nuns can screw boys up the ass."

13262 CLERGY - POPES Albin Chaplin P9505

From the halls of the crypts of St. Giles,
Came a scream that could be heard for miles.
Said the Pope, "Goodness Gracious!
Has Brother Ignatius
Forgotten the Bishop has piles?"

13263 CLERGY - POPES Anon

Refreshing my Latin in Reno,
I spoke with the Pope playing Keno.
Asking, "What do you think
They will serve you to drink?'
He smiled saying, "In Veritas, Vino."

13264 CLERGY - POPES Loren C. Fitzhugh P9710

But Karol Wojtyla of Krakow,
I fear that you don't have the knack of
Disguising your face
Like a spy; so your Grace,
You may take that ridiculous mac off.

13265 CLERGY - POPES John Miller

I wonder how many would ken
The Pope by the name he had "then?"
I wouldn't have known
Had my boss, then, not shown
Off his countryman's name to us men.

13266 CLERGY - POPES Liam na Beag

The Pope had a brief little fling
With a dildo he called Bishop Zing.
But after his reaming,
He found it unseeming;
He asked it to please kiss his ring.

13267 CLERGY - POPES Kristen Coughlin T9711

John Paul in regalia so fit,
Went to Poland to visit a bit.
His dear land he had missed,
So the good earth he kissed,
Where a canine had thoughtfully shit.

13268 CLERGY - POPES Albin Chaplin 3024-1018

John Paul felt a pang of remorse,
So he set for his Poland a course.
There he kissed the good earth
Of the land of his birth,
But ran into the turd of a horse.

13269 CLERGY - POPES Albin Chaplin 3024-1077

The Pope, who has very old hips,
Can't bend down, on arrival, on trips.
But his urge to kiss ground
Has remained so profound,
They instead raise the Earth to his lips!

13270 CLERGY - POPES Prof M-G

There was a priapic old Pope.
Laid hands on each novice with hope.
He said, "Peter's dome
Provides a good home--
Provided you offer me scope."

13271 CLERGY - POPES Harold C Bibby

There one was a Pope from Des Moines,
Who ravished his altar boys' loins.
He powedered their balls
And dressed them like dolls,
While his staff annointed their groins.

13272 CLERGY - POPES Jim Weaver Collection

I'm confused and to me it's not clear,
Why, in spite of brocaded headgear,
Festooned with long tresses
And the fact he wears dresses,
The Pope was named, "Man Of The Year"?

13273 CLERGY - POPES Loren C. Fitzhugh P9502

There once was a pope who was gay.
He would ride down the Appian Way,
And wink at the ladies
From his little Mercedes,
Which he'd nicknamed his auto da fe.

13274 CLERGY - POPES

On the Pope's pointed hat was a spot,
Which the Pontiff detested a lot.
But from what I have gleaned
When asked, "Want it cleaned?"
He replied, "I mitre might not."

13275 CLERGY - POPES Loren Fitzhugh

"Oh Mother, I've something to tell
You; I'm pregnant." "You're pregnant? Oh hell.
So am I, my dear child;
Why, that party was wild;
Did the Pope screw your sister as well?"

13276 CLERGY - POPES

Seems the pope has this problem, you see;
In the night he makes so much wee-wee,
The sisters who've been in
Charge of his linen,
Took to calling him "Il Pipi."

13277 CLERGY - POPES Jim Weaver Collection

The wealth of the Pope needs accounting --
He adds to world woes that are mounting.
As he goes to his hoard
Where his bullion is stored,
And there daily he blesses those counting.

13278 CLERGY - POPES Albin Chaplin 3024-0961

My muse has been snorting of dope,
And told me she's gonna elope,
To Vatican City,
And there flash a titty,
In order to roger the Pope.

13279 CLERGY - POPES

Said the Pope to a banker in Rome,
"St. Pete's needs a new gilded dome,
The Swiss guards are bitter,
I need a new litter,
And my bedroom is colder than Nome."

13280 CLERGY - POPES Giandomeni & Christ P8908

The pope dresses up in "pope style",
And sits on a chair for awhile.
He then waves us a blessing,
But its damn distressing;
The poor guy will not crack a smile!

13281 CLERGY - POPES Travis Brasell

"Spaghetti is good for the soul",
The Italian said to the Pole.
"So I'm pasta my prime,"
Said the Pope, "Well it's time
I retired and left you in control."

13282 CLERGY - POPES Jim Weaver Collection

I sat once upon the Pope's knee.
He offered three wishes to me.
My first was a probe
Beneath his white robe --
There weren't nuthin' there but a goatee!

13283 CLERGY - POPES

Said the Pontiff indulging in quips,
"With my problems I've now come to grips.
There are those wish me dead,
'On my last legs' they said --
When the truth is I'm on my last hips."

13284 CLERGY - POPES Phil Cannibal P9408

The Pope has held many high masses
For believers of all creeds and classes,
But he gains greatest fame
And enhances his name
For his bursts of intestinal gases.

13285 CLERGY - POPES Albin Chaplin

The Pope, with his crazy belief,
Gives horny young priests plenty grief.
He says, "Wipe that smirk off,
To your cell now and jerk-off."
And that's known as Pastoral Relief.

13286 CLERGY - POPES Theo Heller P9312

There was a young lady named Hope,
Condemned by the Bishop of Stope.
Her most sinful behavior
Was an affront to our Savior,
Until personally tried by the pope.

13287 CLERGY - POPES Albin Chaplin

As his Holiness signed my petition,
He said, "I take this position:
Here shines a clean mind,
For nowhere do I find,
A single lubricious omission!"

13288 CLERGY - POPES L1512

Said the Pope to a girl named McAllister,
"I doubt if you can make my phallus stir."
But she showed that in Texas,
With her bare solar plexus,
She could make every phallus in Dallas stir.

13289 CLERGY - POPES Albin Chaplin 3024-2176

Who walked thousands and thousands of miles,
From the Cape of Good Hope,
Just to bugger the Pope,
But he couldn't, the Pontiff had piles.

13290 CLERGY - POPES

Amen to my hero, the Pope;
With his face on my wall, I can cope,
When it all starts to suck,
Or I've run out of luck,
And I'm out at the end of my rope.

13291 CLERGY - POPES Bob Leclerc

I will feel his pontifical power
Rain down like an energy shower.
It gives me the will
To work harder still
For at least one third of an hour.

13292 CLERGY - POPES Bob Leclerc

Two nuns who were walking the town,
Were stopped by a man in a gown.
They said, "You can't buy us
Even if you're Pope Pius."
He said, "That's who I am, so lay down."

13293 CLERGY - POPES Albin Chaplin 3024-1101

B. B. King was the Pope's Christmas ruse
To lure souls in to fill empty pews.
At the show, yonder star
Gave John Paul his guitar...
But can Popes, who are soul guys, play blues?

13294 CLERGY - POPES Prof M-G T9712

There was a young lady named Heatter
Who learned that religion was sweeter.
In the pope's private room,
She found out about doom
And then also the powers of Peter.

13295 CLERGY - POPES Albin Chaplin

After scolding his penitent flock,
The pontif exhorted his cock,
"You pendulous shrimp!
You just dangle there, limp.
You're supposed to be Peter, a Rock."

13296 CLERGY - POPES

The Pope spoke on moral decay,
With a nun to exhibit the lay:
"Lay the bitch on her back --
Shove your prick up her crack;
By God, there is no other way!"

13297 CLERGY - POPES Albin Chaplin 3024-1001

Now, though old and infirm,
I still seek the worm
That hides 'neath the chorister's cope.

13298 CLERGY - POPES G1049

On the balcony stood the Pope slick,
To display to the faithful a trick.
Every Christmas and Easter
He would show them his keester,
But today he would show them his prick.

13299 CLERGY - POPES Albin Chaplin 3024-1088

"Save my soul -- before Christ I will kneel."
Said the Pope to the whore,
"You may go -- sin no more.
But be sure when you fuck, it's for real."

13300 CLERGY - POPES   Albin Chaplin   3024-0964

Looked down at his cock without hope.
It would no longer rise
And he said, "I surmise
That I'm now at the end of my rope."

13301 CLERGY - POPES   Albin Chaplin   3024-1070

Sir Hillary Hagglestone Hope
Developed a salvation soap.
If one bathed twice a day,
It washed all sins away,
And Catholics could give up the Pope.

13302 CLERGY - POPES   Warrick Elrod

In Rome an old tortoise named Myrtle
Was in prison for stealing a girdle.

13306 CLERGY - POPES Albin Chaplin

There's this Godawful itch.
I swear it's not one of my biases."

13307 CLERGY - POPES Armand Singer P0402

He might go to Mount Olive...
But Popeye about did him in.

13308 CLERGY - POPES Don Moore P9008

The old pontiff in public does gloss
And exhibits the corpse of his boss.
It would suit his behavior
If, instead of his savior,
He displayed a dead cat on the cross.

There was a proud pompous old Prelate,
Who said, on arriving in hell, "It

The final tribunal-appellate."

Banned all parts concave;
This Pope has become a resister.

13311 CLERGY - POPES

Whose sex life was one without hope.
Though continually urgin'
To come in a virgin,
All he got was a snog and a grope.

When by priest it is blest,
And be sure you don't ground your emission."

13319 CLERGY - POPES - BULL Albin Chaplin 3024-1071

Though the virile young priests of the nation,
Waited breathless throughout its gestation,
The Bull of Pope Paul,
Offered nothing at all,
Save prolonged and restrained celebation.

13320 CLERGY - POPES - BULL

For Bulls of the Pope say, "Amen,"
For they are admonishing men,
Detail by detail, Of God's love avail. Abortionists quail.
No male upon male. In Hell there's no bail.
Your tithe do not fail. Avoid outside "tail."
All outshoots of Moses's Ten.
13321 CLERGY - POPES - BULL Irving Superior P9312

If you go too far,
I may prove you are
Against all this Papal Bull (shit).

13339 CLERGY - POPES - BULL   Irving Superior   P9312

The Pope makes edicts I shun
Like: birth control, sex, evolution.
But on matters of weight
His ideas are so great;
I've slimmed down with his abs solution!

13340 CLERGY - POPES - BULL

The Pope wore a Dior creation
As he spoke on TV to the nation.
"Original sin
Concerns getting in,
And ignores sodomy and fellation."

13341 CLERGY - POPES - BULL Arthur Deex P8208

To all nations, the Pope in a huff
Gave his speech with the same crap and stuff.
"Our new plan we'll release
For promoting the peace.
We've promoted the war long enough."

13342 CLERGY - POPES - BULL Albin Chaplin 3024-2983

Said the Pope, "I must stress it again:
Whether married or not, sex is sin
If it thwarts procreation;
It is certain damnation.
Therefore please mind which hole you are in."

13343 CLERGY - POPES - BULL James H. Vandermeer P9312

Said the Pope, as he read from the roll:
"True religion saves only the soul.
We must have further study,
And then more further study,
Of further study of birth control."
(gutless bugger isn't he - McW)
13344 CLERGY - POPES - BULL Albin Chaplin 3024 G1154

The Pope, who's a biblical scholar,
Brought his Cardinals to Rome just to holler:
"You must punish and scold
Every priest must be told,
Turn your pants 'round as well as your collar."

13345 CLERGY - POPES - BULL   Arnie Schoenbrun   P0206

I'll say this but once and speak fast;
Perverted Popes have me aghast.
I think that the Vatican
Won't allow that again,
And so, Arch the First is the last

13346 CLERGY - POPES - FALSE

Back in Avignon, Pope Uc Castets
Would enjoy isorhythmic motets,
Chanted by sisters three:
One would sit on his knee,
While the others did weird pirouettes.

13347 CLERGY - POPES - FALSE   Jim Weaver Collection

Certain minstrels, dressed in Papal hues,
Got to travel around the Vaucluse:
To Venasque, late in May,
For a quick virile lay,
Or to Chateauneuf, for screws and booze.

13348 CLERGY - POPES - FALSE   Jim Weaver Collection

When the Popes dined in old Avignon,
They would rarely ingest food alone.
There were minstrels galore,
An occasional whore,
And some valets, to answer the phone.

13349 CLERGY - POPES - FALSE   Jim Weaver Collection

Archie, you pope peddling sod;
You've had your instructions from God.
Now return what is mine,
My vestments divine,
For dressed in my frock, you look odd!

13350 CLERGY - POPES - FALSE JP

Simply divine, is your frock,
Except where disturbed by my cock.
The conclave did vote,
(You people take note.)
And gave me the seat of the rock!

13351 CLERGY - POPES - FALSE Archie

Get thee to a nunnery do,
Before my ire's raised up at you.
I'm enjoying this job
As Pope of this mob --
The corks that I wear, I smoke too!

13352 CLERGY - POPES - FALSE Archie

Archie, get up off your tush!
I know you don't speak burning bush.
Give JP his dress
And come and confess.
Do you need Me to give you a push.

13353 CLERGY - POPES - FALSE Anon

Peter, I am glad to see
You're here to confess sinfully
You've been helping the fuzz
And getting a buzz,
For the beavering beaver of E. (Ericka)

13354 CLERGY - POPES - FALSE Archie

(Just wait while I'm sniffing this line,
Oh good, it is smelling just fine.
It's a scratch and sniff
Of a snatch that's stiff --
But necrophilia's such a grind!)

13355 CLERGY - POPES - FALSE Archie

You mean you thought I'm sniffing coke?
Pardon me while I quietly choke.
I am into hemp;
It is heaven sent.
I don't sniff -- I chew or I smoke.

13356 CLERGY - POPES - FALSE Archie

But enough of this digression;
Now it's back to your confession.
Yes, my son, you have sinned;
Most greviously limmed --
Make amends for this possession!

13357 CLERGY - POPES - FALSE Archie

I'm Spanish and in a position
To start up a new Inquisition.
Confess, or I'll stretch
You on racks, holy wretch.
And these thumbscrews will force your submission.

13358 CLERGY - POPES - FALSE Peter Wilkins

I'll agree to your plans for me
(I'm not to be arrested by "E")
And Marlene can rape
Me, using duct tape,
But pay me in hemp scrip, plenty.

13359 CLERGY - POPES - FALSE Archie

One evening the Pope and a clown
Were alone and both feeling down.
So in secret the slobs
Swapped their clothes and their jobs,
And their change of life never was found.

13360 CLERGY - POPES - FALSE

All hail to Pope Archie The Free!
Whom Feds gave the deep third degree.
When asked for his stash
Of hash and of cash,
His clever reply was, "Who, me?"

13361 CLERGY - POPES - FALSE Archie

The whole congregation was taking
A siesta much needed.

Best laid men, best laid mice,
Have plans which will lead them astray.

13364 CLERGY - PREACHERS Albin Chaplin P9602

My church exists in Glamorgan,
Run by a preacher named Morgan.
I go there each week,
To breathless to speak,
For I am obsessed with his organ.

13366 CLERGY - PREACHERS Michelle

Well God moves without and within,
And Reverend Morgan is no exception.
When his reed starts blowing,
I know where I'm going,
'Cause what comes out is high proof gin!

13367 CLERGY - PREACHERS Michelle

The preacher this point must allow --
His head to the harlot must bow.
For she works hard in bed,
There to earn daily bread,
And it's earned by the sweat of her brow.

13373 CLERGY - PREACHERS

But there are some things that please me.
Go out and shoplift
An expensive gift..
What's that you say duh double D?

13374 CLERGY - PREACHERS

I'm finding a transport that's swift
To fly to your shore.
Please unlock your door,
I'll be there to loose your uplift.

A preacher, the folks say down South,
Is a man who in good times and drought,
Makes more than enough
Of that green folding stuff,
By using no more than his mouth.

13566 CLERGY - PRIESTS - CONFESSION Peter Wilkins

Inside the confessional box,
Father Flanagan never wears socks.
The confessions of Bridget
Though cause him to fidget
And take off his vestments and jocks.

13567 CLERGY - PRIESTS - CONFESSION Peter Wilkins

"Oh Father," said young Sister Bridget,
A-squirming and all of a fidget,
"I'm sorry to say
And confess -- every day
That I diddle myself with my digit."

13568 CLERGY - PRIESTS - CONFESSION Peter Wilkins

"Oh, Father, I have a confession!
Sex has become my obsession!"
"Let's see just how bad
You've got it, my lad."
And he coaxed him into undressin'.

13569 CLERGY - PRIESTS - CONFESSION Marty   TP9807

A pretty young coed named Lynde,
Said "Father, three times I have sinned,
As I played with my tit,
While I rubbed on my clit,
I came, and then pissed and passed wind."

13570 CLERGY - PRIESTS - CONFESSION Bob Birch   P0303

Oh, Father, forgive me, please do.
'Twas only one innocent screw.
I know it's not right,
But it lasted all night.
Well, it actually lasted for two.

13571 CLERGY - PRIESTS - CONFESSION Bob Birch   P0303

Please Father, don't think me a whore,
But I think I will do it some more.
'Twas really great fun.
Forget I'm a nun.
If only my pussy weren't sore.

13572 CLERGY - PRIESTS - CONFESSION Bob Birch   P0303

I really could fuck like a rabbit,
I'd do you, and the pope, and the abbot.
With sin I'm afflicted,
With sex I'm addicted,
I think I must give up my habit.

13573 CLERGY - PRIESTS - CONFESSION Bob Birch   P0303

A Catholic priest says he's the man
Who leaves innocent kid in the can.
Knew the truth all along
But did not sing his song;
Religion like that needs a ban.

13574 CLERGY - PRIESTS - CONFESSION Tony Burrell

For twelve years the poor kid's in jail;
This injustice is to no avail.
When guilty man dies,
The priest he then cries,
Let him out or at least give him bail.

13575 CLERGY - PRIESTS - CONFESSION Tony Brasell

So who do we blame for this farce;
The priest who sat on his arse?
The kid was defiled;
The priest is reviled;
Into fires of hell, he'll be cast.

13576 CLERGY - PRIESTS - CONFESSION Tony Burrell

An Irish priest from New Delhi

At confession, a man named McGuinn
Said, "Father, forgive me my sin.
I'm not gay, I'm straight,
But temptation is great.
And last night I blew it again."

13578 CLERGY - PRIESTS - ORAL   Wiley

The priest said, "It's alright, my son.
As long as it's not overdone."
We all have a quirk;
"For me," he said with a smirk,
"Altar boys are more fun than a nun."

13579 CLERGY - PRIESTS - ORAL   S C Saint

I snuck into church the back way;
(They've barred me for life and a day).
I got me some pix
Of priests blowing dicks.
The negatives? Send me my pay!

13580 CLERGY - PRIESTS - ORAL H Welchel

You need only mention my name
To receive a visit from same!
I'll bless you, my sons,
(And nibble your buns!)
And set your sweet parts all aflame!

13581 CLERGY - PRIESTS - ORAL

Said St. Peter, "I can't let you in",
To the priest who had goo on his chin,
"You've been chewing the dong
Of the Pope all year long;
Don't you know it's a Cardinal Sin?"

13582 CLERGY - PRIESTS - ORAL Peter Wilkins

A thoughtful and sensitive priest,
Whose prayers and good works never ceased,
Went out for some fun
Cross-dressed as a nun
And became a ravening beast.

13583 CLERGY - PRIESTS - ORAL Jim Jambor P9009

A priest, a disgusting old queer,
Used to lick his choir-boys in the rear.
When they asked, "Is it right?"
He said, "Yes, in God's sight,
If you'll bend over this prie-dieu."
(prie-dieu - pronounced pre-dee-er - low prayer table)
13584 CLERGY - PRIESTS - ORAL

"You are old, Father Bill, you old goat,
And small and so wrinkled your scrote,"
Said Susie, a-goggle,
Out spitting his toggle,
"But you still shoot a load down my throat."

13585 CLERGY - PRIESTS - ORAL

A big Catholic layman named Fox,
Makes his living by sucking off cocks.
In spells of depression,
He goes to confession,
And jacks-off the priest in his box.

13586 CLERGY - PRIESTS - ORAL L0546

The nun didn't want to be bred,
So the old priest just smiled and he said,
"It's really quite simple,
Just take off your wimple,
And give it a big kiss, instead."

13587 CLERGY - PRIESTS - ORAL Kaylin

What you need, Augustine, is sex toys;
Or perhaps try a few altar boys.
Stand up on the dais;
Put your cock in his face.
It is one of a priest's greatest joys.

13588 CLERGY - PRIESTS - ORAL

There was an old priest of Jablonica,
Cunt-struck was the poor bastard's monicker.
In the middle of Mass,
He grabbed a girl's ass,
And sucked her off like a harmonica.

13589 CLERGY - PRIESTS - ORAL G1118

"You are old, Father William," the young
Girl said, "and not very well hung;
But just to be fickle,
You surely can tickle
A girl with that extra long tongue."

13590 CLERGY - PRIESTS - ORAL

A bashful young priest once, a Druid,
Would run from a nun when pursued.
One kissed him with zest
Which left him distressed,
And he lost all his seminal fluid.

13591 CLERGY - PRIESTS - ORAL   Albin Chaplin 3024 G1103

We all adore dear Father Dunn;
Of secular traits has but one.
He is pius and meek
And for six days a week
Dines on meat but on Fridays eats nun.

13592 CLERGY - PRIESTS - ORAL   Bob Giandomenico   P8907

A pious old priest Father Lux
Gets a deal from a nun for ten bucks.
When he raises his gown,
The nun chants and goes down,
And his bible he reads while she sucks.

13593 CLERGY - PRIESTS - ORAL   Albin Chaplin

Young Father O'Rourke had no shame;
During mass, pulled his dong out aflame.
Anna, nearest the pulpit,
Proceeded to gulp it;
"Hosanna!" he cried as he came.

13594 CLERGY - PRIESTS - ORAL   Peter Wilkins

She gulped it down, cried "That was fine!
'Twas filled with the spirit divine.
I'll go really mooney on
This special communion,
Far better than bread and cheap wine.

13595 CLERGY - PRIESTS - ORAL   Tiddy

A smile was on Father LaBrent,
For his wad had been heavenly spent
By Sister Louise,
Who was down on her knees.
He declared it a blessed event!

13596 CLERGY - PRIESTS - ORAL   Cap'n Bean   P0107

At confession a fellow named Locke
Described to the priest in great shock
How a cunt he had sucked.
Said the priest, "I deduct,
For your sin, you must suck on my cock."

13597 CLERGY - PRIESTS - ORAL   Albin Chaplin   3024-1053

An earthy old priest from Morocco,
Held a motto really quite macho.
He said, with a grunt,
"God decreed we eat cunt,
Why else would it look like a taco."

13598 CLERGY - PRIESTS - ORAL   Jim Weaver Collection

SACERDOTAL need of altar boys
Is to perform as sexual toys.
This form of balling
Seems part of the "calling".
And has created considerable noise.

13599 CLERGY - PRIESTS - PEDOPHILE   Norm Brust

There once was a choir boy named Walter
Who was singing a hymn from his psalter.
Said good Father Greer
Who approached Walter's rear
"I'll plug in, so your voice doesn't falter."

13600 CLERGY - PRIESTS - PEDOPHILE   Arnie Schoenbrun   P0211

On taking a roofie one night,
The altar boy got quite a fright.
He was tied up and bound
And later was found,
With an asshole that wasn't as tight.

13601 CLERGY - PRIESTS - PEDOPHILE   Big Nuts

Said the Bishop assigned at Fort Meyer,
To his harem, the boys of the choir,
"I'm sure this'll thrill ya,
I've outgrown pedophilia.
From now on it's the priest, monk, and friar."

13602 CLERGY - PRIESTS - PEDOPHILE   Arthur Deex   P0204

The Bishop told the novice, "No riddle;
Celbacy makes you high-strung as a fiddle.
Buy you can live your whole life
Without missing a wife,
As long as they're young lads to diddle!"

13603 CLERGY - PRIESTS - PEDOPHILE   Dave Fisher

A heathengone priestman from Hiermoyce,
Who no longer believed in a higher voice,
By bishops got courted,
But was career-aborted
And lost all his access to choirboys.

13604 CLERGY - PRIESTS - PEDOPHILE   Snaggletooth

As to priestly behavior, perverse,
Cardinal Law says, "Hey, it could be worse.
According to the Bible,
The Church is not liable."
He then quoted chapter and verse.

13605 CLERGY - PRIESTS - PEDOPHILE   Norm Brust

Said a young man in an altar robe,
"Father thinks I'm not a homophobe.
If the price is right,
I will squeeze him tight,
Only if the church will start a probe."

13606 CLERGY - PRIESTS - PEDOPHILE   Tom Patton   P0305

An altar boy by the name of Cass,
Stayed late after one Sunday Mass.
It caused quite a mess,
As Father said "God Bless,"
As he annointed the altar boy's ass.

13607 CLERGY - PRIESTS - PEDOPHILE   Jim Weaver Collection

The celibate Priests always cheat us
For they cannot stand a dead foetus
They'd much rather come
With pricks up their bum,
And younger boys sucking their meatus.

13608 CLERGY - PRIESTS - PEDOPHILE

When priests become ever so randy,
They diddle young lads and say, "Dandy!
Although we're perverse,
Abortion is worse,
And justification is handy!"

13609 CLERGY - PRIESTS - PEDOPHILE

As always you're so very right
Your wordage is neat and so tight.
But don't get them pissed -
You'll be on the list
And the fires of Hell you'll ignite

13610 CLERGY - PRIESTS - PEDOPHILE

For they are the ones who decide
To Hell or to Heaven you'll ride.
Don't upset their game;
Your name they'll defame;
Accuse you of Vaticancide.

13611 CLERGY - PRIESTS - PEDOPHILE

Thought a priest in confessional booth,
"I love this job; that's the plain truth.
I'm always inspired
And seldom get tired...
It's a virtual Fountain of Youth!

13612 CLERGY - PRIESTS - PEDOPHILE   Observer

The "Youth" of his church made him smile,
As he watched them traipsing down the aisle.
Now, no longer feared,
His smile's disappeared;
He's in a cell waiting for trial.

13613 CLERGY - PRIESTS - PEDOPHILE   Observer

The shoe on the other foot's worn;
He's feeling withdrawn and forlorn.
While cell-mate is winking,
He's now time for thinking,
Regretting the day he was born.

13614 CLERGY - PRIESTS - PEDOPHILE   Observer

When John Geoghan was at last arraigned,
The Catholic Church then explained:
Though we gave him the flock
Where he lifted his frock,
The outcome was not pre-ordained.

13615 CLERGY - PRIESTS - PEDOPHILE   Limerick Savant

But Geoghan was simply a blip
On the radar of a Fool's ship.
It begins to appear
That the scandal to fear
Is arch bishops exposed just the tip.

13616 CLERGY - PRIESTS - PEDOPHILE   Limerick Savant

When the priest was confirming Miss Noyes,
She lifted his cassock with poise
She fondled his schwanz,
But there was no response,
Since he used it, he said, just for boys.

13617 CLERGY - PRIESTS - PEDOPHILE   Albin Chaplin

The celibate old Father Gahagan
Was never turned on by Miss Megan.
But the sight of young boys
Which were his little toys
Could oft turn him into a pagan.

13618 CLERGY - PRIESTS - PEDOPHILE   Archie

At confession a fellow once said,
"My girlfriend is pregnant! I'm dead."
The priest thought for a while
Then replied with a smile,
"Stick to choir boys. They're better in bed."

13619 CLERGY - PRIESTS - PEDOPHILE   Don Moore   P0303

Father Parrish, an old Catholic priest,
On choir boy's asses would feast.
At the altar they'd see,
During his sodomy,
Six inches, the member of the Beast.

13620 CLERGY - PRIESTS - PEDOPHILE   Don Armadale

A boy in confession was puzzled;
Why telling his sins got him muzzled.
Explaned Father Shanley,
"This penance so manly,
Absolves you, provided your muzzled!"

13621 CLERGY - PRIESTS - PEDOPHILE   Peter Wilkins

I'm really beginning to tire
Of sick priests caught in a mire
Of half truths and lies,
That gather like flies
Around a big shitpile fire.

13622 CLERGY - PRIESTS - PEDOPHILE   Squat

The pedophile priest scandal's global;
Let's ship them all off to Chernobyl.
With drugs we'll sedate 'em,
And then we'll castrate 'em,
And render those sickos immobile.

13623 CLERGY - PRIESTS - PEDOPHILE   Observer

I think that all perverts in frocks
Should firstly be stoned in the stocks,
Then hung by their feet,
Castrated then eat
A fricassee of their own cocks.

13624 CLERGY - PRIESTS - PEDOPHILE   Cubmeister

They then should be locked up in jail,
Denied any chance to make bail.
As prisoners they're cleaner
'Cause without a weiner,
They won't even need a slop pail.

13625 CLERGY - PRIESTS - PEDOPHILE   Marlene Lewis

A priest who loved plump little boys,
In court, after kids made big noise;
Where they found the statute
Of limitations! Oh shoot!
He'll now stick with foam-rubber toys.

13626 CLERGY - PRIESTS - PEDOPHILE   Allen Wolverton

And Catholic priests? They could toy
All week with a rubber-doll boy;
Though God only knows if
They'd go for a "Joseph"
Or "Jesus" for ultimate joy.

13627 CLERGY - PRIESTS - PEDOPHILE

The Pope hasn't a prayer nor a hope
Of stopping his priests while they grope
At the backsides of boys
With secular toys,
Like dildoes and soap on a rope!

13628 CLERGY - PRIESTS - PEDOPHILE   Brian Belge

"Forgive me, I know I'd not oughter,
But vicar, I lust for your daughter."
You Catholic priests
Are no better than beasts;
Can't you wait till she's eight and a quarter?"

13629 CLERGY - PRIESTS - PEDOPHILE   Peter Wilkins

"All Fathers, give me your attention!"
(There are some things I'd rather not mention.)
"You're welcome down in Hell,
Where you'll find things are swell.
Except your cocks will now lack any tension.
(no statute of limitations for cleric pedophiles in Hell)

13630 CLERGY - PRIESTS - PEDOPHILE   Tom Patton   P0308

Said the devil, "I deeply abhor
All pedophile priests, and what's more,
There's no amount of time
That can erase the crime,
So the high court's limitation's ignore."

13631 CLERGY - PRIESTS - PEDOPHILE   Arnie Schoenbrun   P0308

It's just for the young girls I bang."

You look good in a dress.
Allelujah! Yours faithfully, Jack."

13910 CLERGY - VICARS - SERIES Peter Wilkins

"Oh Bishop," the Vicar replied,
"For years I've been trying to hide
My feelings for thee,
But now woman I be.
Allelujah! I'm happy inside."

13911 CLERGY - VICARS - SERIES Peter Wilkins

"Dear Bishop," the Vicar asserted,
"I'm thinking of how you once flirted
With me as I knelt,
And the passion we felt...
Allelujah! My clit has just squirted!"

13912 CLERGY - VICARS - SERIES Travis Brasell

"Dear Stanley," the Bishop confessed,
I do like the way that you're dressed;
But frankly, my joys
Are provided by boys;
Allelujah! But hadn't you guessed?"

13913 CLERGY - VICARS - SERIES Peter Wilkins

There was a young vicar named Jock
Who had something amiss with his cock.
Said the nurse with a frown,
"Well, you better lie down."
Said the vicar, "Prepare for a shock!"

13914 CLERGY - VICARS - SERIES Peter W

She took off the underpants clerical,
Saying ('mid laughter hysterical),
"Vicar, your dong
Looks decidedly wrong;
Unlike others, it's perfectly spherical!"

13915 CLERGY - VICARS - SERIES Peter W

"Although I am circular here,
And admit that it looks a bit queer,"
Said the vicar, "Down there
I have other things square;
Have you noticed my testicles, dear?"

13916 CLERGY - VICARS - SERIES Peter W

She burst into laughter once more
As she took a good look at the poor
Vicar's six-sided cubes,
Tucked away in his pubes;
Then she opened the surgury door.

13917 CLERGY - VICARS - SERIES Peter W

She shouted out, "Look what I've found!"
So her colleagues all gathered around.
And they stared at the vicar's
Odd bits, wet their knickers,
And laughingly fell to the ground.

13918 CLERGY - VICARS - SERIES Peter W

The commotion attracted a crowd
Of the public who guffawed aloud
With unbridled delight
At the curious sight
Of the vicar so strangely endowed.

13919 CLERGY - VICARS - SERIES Peter W

Then producers and camera crews
From the media (TV and News)
Got to hear of the fun
And came at a run,
Just to ask his opinion and views.

13920 CLERGY - VICARS - SERIES Peter W

The vicar looked up from his cock
And he said, "I don't care if you mock:
'Cause I've waited, my dears,
For a number of years
To quadruple the size of my flock.

13921 CLERGY - VICARS - SERIES Peter W

And now I have got your attention
(My sole and specific intention)
I hope you'll elect
To be part of my sect
And attend my religious convention."

13922 CLERGY - VICARS - SERIES Peter W

Remember the vicar called Jock
With his perfectly spherical cock
And his cubical balls?
Well he preached in St. Paul's,
And he cause the archbishop a shock.

13923 CLERGY - VICARS - SERIES Peter W

He said, "Now my teaching's begun;
I'll continue until I am done;
And my sermon today
Is that sex is OK;
Even do-it-yourself is quite fun."

13924 CLERGY - VICARS - SERIES Peter W

The fact that he preached onanism,
Created one helluva schism.
The bishop implored
Him, "Return to the Lord."
But he said "My religion is jism."

13925 CLERGY - VICARS - SERIES Peter Wilkins

The People, the Press, and TV
Heard his sermon and shouted with glee;
"We believe in you Jock!
Will you play with your cock
And your cubical balls for a fee?"

13926 CLERGY - VICARS - SERIES Peter W

"In order I don't make a loss,"
Said young Jock, "it's ten dollars a toss.
And I'll need half an hour
Between each milky shower."
And the People cried, "Jock, you're the boss!"

13927 CLERGY - VICARS - SERIES Peter W

He passed 'round a bucket or three,
And they threw in their ten dollar fee;
While his pockets he lined
With a contract he signed
For a "Jack with Jock" show on TV.

13928 CLERGY - VICARS - SERIES Peter W

"Now fondle your spherical root!"
Said the People, "You promised to shoot!"
But he ran from the scene
In a black limousine,
And escaped with the buckets of loot.

13929 CLERGY - VICARS - SERIES Peter W

Next day in a town far away,
There arrived a young vicar called Ray.
He appeared to be healthy,
Considerably wealthy,
And eager to preach every day.

13930 CLERGY - VICARS - SERIES Peter W

The vicar said "Pray to the Lord,"
Then preached; all the people grew bored.
It seemed he would speak,
For over a week,
And some snored, while others ignored.

13931 CLERGY - VICARS - SERIES

He then left the church and the pulpit,
His foot stepped in dung - out he pulled it.
His language was choice.
From his boot came a voice,
"Like you, rev, I'm just talking bullshit."

13932 CLERGY - VICARS - SERIES

True, reverends should please trim their words,
For if longer'n an hour and two thirds,
When homeward en route,
He'll find on his boot
Some smelly and sarcastic turds.

In January, which is cold and wet,
The vicar decided to see the vet.
He took his lapdog, Lucy May
And to the vet said, "Let us spay."
It's plain she will not pregnant get.

13934 CLERGY - VICARS - SERIES Frank

February is a shortish month, and ought
To be abolished, the vicar thought.
He sits all alone
On his porcelain throne,
Knows if he leaves, he'll be caught short.

13935 CLERGY - VICARS - SERIES Frank

In March the dear vicar goes wild,
And each virgin is given a child.
He says that December
Will help them remember
Virgin births, and when they were defiled.

In April, while taking a shower,
The vicar saw what he thought was a flower.
"Let us spray", he declaimed,
And the rose head was aimed
Up his arse, with the maximum power.

13937 CLERGY - VICARS - SERIES Prof M-G

In May when the vicar goes nuts,
He considers choir boys and their guts,
While they're kneeling they eat,
'Till they're all quite replete,
While he just attends to their butts.

13938 CLERGY - VICARS - SERIES Prof M-G

In June, when sunbathing nude,
The vicar did something quite crude.
Without even a "pardon"
He thrice used his hard on,
Three parishioners say he'll be sued!

13939 CLERGY - VICARS - SERIES Prof M-G

The vicar finds he must rely,
On the animals during July,
To obtain his oats;
Sees both sheep and goats,
And visits the pigs in their sty.

13940 CLERGY - VICARS - SERIES Prof M-G

August is an awkward month as naught seems to rhyme,
And vicars on holiday, if they have the time.
So come all you sinners,
We will all become winners,
Joining vicars screwing girls in the chorus line.

13941 CLERGY - VICARS - SERIES Frank

In autumn, in the month of September,
The vicar tries so, to remember.
The vows that he took,
While holding the Book,
Fail to discourage his member.

13942 CLERGY - VICARS - SERIES Prof M-G

The vicar reserves all October,
For trying just once to stay sober.
He knows he will fail,
And the first piece of tail,
He will drunkenly grab, and disrobe her.

13943 CLERGY - VICARS - SERIES Prof M-G

How dull and drear the month of November;
The vicar sits holding his member.
To help him to think,
He dips it in ink,
And writes what he needs to remember.

13944 CLERGY - VICARS - SERIES Prof M-G

Oh the charm of that voice from the pulpit,
Yet as varied in use as a tool-kit!
What astonishing range!
What power to change!
I would follow that voice through a bull pit!

There was an old lady of Cheadle,
Who sat down in church on a needle.
The needle, though blunt,
Penetrated her cunt,
But was promptly removed by the beadle.

A pleasant old lady named Tweedle
Went to church; and sat on a needle.
Though deeply imbedded
'Twas luckily threaded

There was a vainglorious Canon,
Disdained a mere eucharist fanon;
As mystical host

There was an abhorrent Archdeacon,

13961 CLERGY - ZOTHER Harold C Bibby

The deacon, unhappily wed,
Once smuggled a pig into bed.

New appointments Bill handles with vigor;
He quickly is pulling the trigger.
Compared to old Warren
And four years of snorin',
Ms. Albright has huevos much bigger.

I hope you don't think I'll be kicking,
'Cause on my great leader you're picking?
He thinks he's a rose,
But he's got a brown nose,
From all of his Clinton's arse licking.

Bill's appointments all fuel the debate;
We have suffered a horrible fate.
All are filled with much doubt.
He does not check them out.
It's the gang that just couldn't shoot straight.

On to China they'll go to confer;
Their agenda no man can deter.
An announcement at dawn
That the bags are all gone,
It's not luggage to which they refer.

The convictions create such a fear;
More are facing some problems, we hear.
They are after, it's said,
Willy's partner in bed,
Which makes Rodham think she's in the clear.

The rats in the White House all scurry
To hide things that make Clinton worry.
I will bet you a beer,
That when all the smoke clears,
The fall-guy will be Betty Currie!

14038 CLINTON - ASSOCIATES Jim Weaver Collection

I felt sorry for poor Betty Currie,
On her way to speak to the Grand Jury.
She could not disguise
The fear in her eyes.
What she knows causes some folks to worry.

Well, there isn't much doubt about that.
His statement rings true
Because I smell one too,
And the White House is right where it's at!

The quick fall from grace by Dick Morris.
But don't watch for a sob
From those after his job.
Just watch for a huge tug-of-war-us.

How "Dick" Morris was excellently laid.
The lady, a looker,
Was also a hooker.

And who pays for this dream in gift wrap?

14155 CLINTON - CRITICS Jim Weaver Collection

Came a joke from a guy clearly gay;
He was baiting his pal all the way.
Claimed Bill Clinton is "bi".
Now we get it, Oh my!
On each issue, he'll go either way.

14156 CLINTON - CRITICS Jim Weaver Collection

It's not that we do like that schnook;
We're sure that he's some kind of crook.
But the GOP
Conspiracy
Has used every trick in the book.

14157 CLINTON - CRITICS H Welchel

Sure the guy likes a good time
But we really don't think that's a crime.
What gives us the shits
Is those lame hypocrites
In charge of the GOP slime.

14158 CLINTON - CRITICS H Welchel

So the guy can't get an erection
That excapes Henry Hyde's detection.
After this, it is plain,
Even Saddam Hussein
Would beat those schmucks in an election.

14159 CLINTON - CRITICS H Welchel

This whole things beginning to smell.
It's not that we like Bill so well,
It's just that those Nazis
With all their cheap shotzis
Have dragged us through political hell.

14160 CLINTON - CRITICS H Welchel

They're all champing at the bit
To smear Mr Clinton with shit.
But the source of the odor
That most bugs the voter
Is the smell of a hypocrite.

14161 CLINTON - CRITICS H Welchel

David Brinkley cut straight to the core
When he said that Bill Clinton's a bore.
Speeches seem never-ending
While our ears he is bending.
The only thing worse would be Gore.

14162 CLINTON - CRITICS Jim Weaver Collection

Will the perks in the White House today,
Wither up, be withdrawn, blow away?
Will Clinton's carousing
End his public housing?
When he leaves, will the White House be Gray?

14163 CLINTON - CRITICS Jim Weaver Collection

The Demos say "Give him a pass."
Republicans say "He's too crass!"
All things Clintonoidal
Are so hemmorroidal;
They're really a pain in the ass.

14164 CLINTON - CRITICS Jim Schaefer

Henry Hyde tried to give the impression
That his sex life was in a recession.
He ruined her life,
Which killed his poor wife.
That's his "youthful [sic!] indiscretion".

14165 CLINTON - CRITICS

Henry Hyde is really a slime,
If lying about sex is a crime.
Recall the confession?
"Youthful indescretion!"
He was forty years old at the time!

14166 CLINTON - CRITICS MrMalo

Only forty? Why, that's just a child.
At that age, I had only defiled
Maybe one or two virgins.
'Twas later the urgin's
Began which keep driving me wild...

14167 CLINTON - CRITICS John Miller

"It's the handle by which you shall know me,"
Said Bill as he pictured lips foamy.
"My new CB moniker
Inspired by sweet Monica;
A Rabelaisian 'Heywood Jablowme'."

14168 CLINTON - CRITICS OgniGioia

A hundred years from today,
What will historians say
About the President,
And the country's descent
And the freedoms we let get away?

14169 CLINTON - CRITICS Jim Weaver Collection

But the worst one that I ever saw
That leaves a sour taste in your craw
Is a vile infestation
That's spread to the nation
From a town known as Hope, Arkansas

14170 CLINTON - CRITICS

Clinton's causes just don't stand a chance.
Too much heel in that constant tap dance.
Too much greed, too much lust,
And we simply can't trust
The dick he can't keep in his pants.

14171 CLINTON - CRITICS Ann Gasser P9408

I've never liked Clinton that much,
Or Hillary, either, that butch.
But clearly to see,
It's been plain to me
Bill's been solidly kicked in the nutch.

14172 CLINTON - CRITICS M David Tilson

You made a big blunder there, Billy,
Could not keep control of your willy.
Because of your lust,
We have lost all our trust,
And you've made the office look silly.

14173 CLINTON - CRITICS

Came the story from one bright observer,
At McDonald's Bill walked to the server.
Well he made the guy wince,
"What I'll have, my good prince,
Is a big Machiavellian Burger."

14174 CLINTON - CRITICS Jim Weaver Collection

I guess we're not really astute
To think Little Willie is cute.
But he does make us laugh,
And that's more than half
Of what stops us from starting to shoot.

14175 CLINTON - CRITICS

It's a law that will soon have renown;
We hope "Megan's Law" shuts perverts down.
But one thing Bill forgot,
For which soon he'll be hot,
We will know when his Willy's in town.

14176 CLINTON - CRITICS Jim Weaver Collection

John Miller, if you're ever hurtin',
For those political limericks you're spurting',
You've always a source.
Get off your high horse
And do Livingston, Hyde, and Dan Burton.

14177 CLINTON - CRITICS MrMalo

John Miller thinks Willy is sick
'Cause he likes stuffing face with his dick.
But Burton's quit yelling,
Since his past is so telling;
So much for HIS morals, the prick!

14178 CLINTON - CRITICS MrMalo

And Livingston now is a goner;
His wife had this all thrust upon her.
He lied and he cheated;
When confronted, retreated,
And then claims he's a man of honor.

14179 CLINTON - CRITICS MrMalo

Bill Clinton's against human cloning;
"Moral vacuum," we hear old Bill groaning.
(Well, he knows that first hand!)
They want human clones banned:
Are they Clinton clones thereby condoning.

14180 CLINTON - CRITICS John Miller

My condolences to the mosquito;
Had she made it, the feat would be neat-o.
Like many a chick,
She'd suck on his dick,
But she got a quick Clinton veto.

14181 CLINTON - CRITICS John Miller

Mr Miller has deigned to return
To the group with intention to burn
Poor Hillary Rodham,
On her patulous bottom,
For learning to work Billy's churn.

14182 CLINTON - CRITICS

Clinton promised new cops on the beat
To chase violence and crime from our streets.
What I want to know
Is, "Where did they go?
Did they all beat a hasty retreat?"

14183 CLINTON - CRITICS Jim Weaver Collection

Hillary Billary Socks,
The President's head's full of rocks.
His back's made of noodles,
His cat chases poodles,
His wife stirs a cauldron in frocks.

14184 CLINTON - CRITICS Jim Weaver Collection

"For my programs to work, I suspect,"
Said Bill Clinton, "I'll have to direct
That the Congress attend
To my plan to suspend
Operation of cause and effect."

14185 CLINTON - CRITICS John Sandler P9303

Hey Bill, lets keep things in proportion,
Should a cloning produce some distortion,
And the kid turns out mean,
You can wipe the slate clean,
With a post-partum, full-birth abortion.

14186 CLINTON - CRITICS John Miller

On plans for things foreign, Bill skimps.
Even the French call us wimps.
The critics now shudder;
No one holds the rudder.
We'd do better if we hired chimps.

14187 CLINTON - CRITICS Jim Weaver Collection

God must have had a good laugh
At Commandment number ten-and-a-half
Which read: "Thou Shalt Not
(or Impeachment's thy lot)
Comfort thy Rod in thy Staff."

14188 CLINTON - CRITICS

The President's sexual addiction
Has become a great nation's affliction.
Nobody wins
By rehearsing our sins,
While the country endures cruxifiction.

14189 CLINTON - CRITICS TuttaGioia

As dot after dot got connected,
The erstwhile enabler defected!
This once-loyal minion
Has changed his opinion:
Bill shouldn't have gotten elected!

14190 CLINTON - CRITICS

What Clinton has done was quite risky;
He gets uncontrollably frisky.
He may soon be out;
His future's in doubt.
Soon he may need a large glass of whisky.

14191 CLINTON - CRITICS Jayne

Elected not once but twice,
Some folks have thought him real nice.
But sad to say,
There is no way
He honors us with his vice.

14192 CLINTON - CRITICS Arden

As America sat down to dinner,
The Democrats lauded their winner.
The excuse, "Didn't inhale"
Went ever so well.
He should now say he didn't come in her.

14193 CLINTON - CRITICS Jim Weaver Collection

If Clinton mentions that bridge one more time,
I will scream to the heavens! (in rhyme)
I will rant, I will swear,
I may pull out my hair,
As I look for a tall tree to climb!

14194 CLINTON - CRITICS Jim Weaver Collection

The present White House occupier,
A frequent eye dabber and drier,
Squeezes out funeral tears
When news cameras are near.
He's America's number one crier.

14195 CLINTON - CRITICS Jim Weaver Collection

Citizens! You are now warned:
Your privacy rights have been scorned!
Orwells "1984"
Plus another twelve more
Herald a loss that will ever be mourned.

14196 CLINTON - CRITICS Jim Weaver Collection

In the land once the home of the brave,
George Washington turns in his grave.
For the people don't care
How their leaders got there,
Or the glory or vices they crave.

14197 CLINTON - CRITICS John Miller

If the American population
Would hope for a better relation
With those in high office,
Then it will not suffice
To pretend they are in elation.

14198 CLINTON - CRITICS Arden

With skill in the word parsing game,
Bill Clinton will have lasting fame.
And though he may brag
Of the "Slick Willy" tag,
It's PERJORATIVE, all the same.

14199 CLINTON - CRITICS Chris Papa

Well, Clinton survived the attack --
He's once again slipped through the crack!
So away he trots,
'Cause the rest of the pots
Were afraid to call that kettle black!

14200 CLINTON - CRITICS

I'm thinking of starting a push for
Putting Billy's dick up on Mount Rushmore.
First in whore, first in piece,
First to fuck someones niece,
And first in desire to gush more.

14201 CLINTON - CRITICS

For in this manner, they may
Ask questions all night and all day.
These statesmen so glum
Take it up the bum,
And it this you have no say.

14202 CLINTON - CRITICS

There once was a man named Slick Willy,
Who told the whole nation a dilly:
"I'm your President, folks."
But enough with the jokes,
Will you tell us who's president, really?

14203 CLINTON - CRITICS Jim Weaver Collection

Presidential MONONYM, a dilly,
Which few folks now think of as silly,
Describing the part,
As well as his art;
That "Red Neck" we now know as "Willy".

14204 CLINTON - CRITICS Chris Papa

Get off your fucking fat ass!
Sorry if that sounded crass.
At the last election,
His perpetual erection
Should have been rejected en masse.

14205 CLINTON - CRITICS Arden

Bill Clinton has spoken with pride
Of some bills he has happily signed.
But he seems to ignore
Many got to the floor
Because of a Republican landslide.

14206 CLINTON - CRITICS Jim Weaver Collection

If the Vast Right Wing were to conspire,
They sure wouldn't choose such a liar.
To conspire and be vast;
Right winged or right assed;
Why a jerk with his pants on fire?

14207 CLINTON - CRITICS

Look how they have stuck it to me;
Why can't they just let me be.
I'm sure I have read
It was Jesus who said,
"Don't flaunt your religiosity."

14208 CLINTON - CRITICS Dave

In the garden of earthly delight
Somebody has started a big fight.
There's blood on the wall
And that is not all,
There's something very dead on the right!

14209 CLINTON - CRITICS

A man once from Arkansas
Was seen all too often quite raw.
His national exposure
Should finally reach closure,
Unless Bill rises above the law!

14210 CLINTON - CRITICS Andy Onymous

We're often described as ironic,
Acerbic, sarcastic, sardonic.
Why are we so arch?
It's drycleaners starch,
Makes our casual cantankerousness chronic.

14211 CLINTON - CRITICS Tom Simon

I myself am thoroughly bummed;
Consider my nose to be thumbed
At the whole crew,
But scared what they'll do,
Before the whole problem is plumbed.

14212 CLINTON - CRITICS Karen

Now Slick is a real miracle man.
The polls show if anyone can,
He can stick it in double,
And come out of trouble,
It's a Right Wing conspiracy plan.

14213 CLINTON - CRITICS Jim Weaver Collection

Bill Clinton has said quite a lot,
And his listeners deserved what they got;
But at times he has lied,
And the things he's denied,
Convinced me he's still smoking pot.

14214 CLINTON - CRITICS Jim Weaver Collection

His wife says he's filled with shame
While besmirching his good family name.
We all know that Bill
Just loves a cheap thrill,
But his poor Granny's the one to blame.

14215 CLINTON - CRITICS Frank Petersohn

Our hero's been taken away;
Unresolvable conflict, they say;
With less chance than Lotto
Of upholding his motto:
"Truth, Justice ... The American Way!"

14216 CLINTON - CRITICS

Hoping to score him a goal,
Bill Clinton attended the Bowl.
But soccer moms booed him.
Had nobody clued him?
He ought to have taken a poll!

14217 CLINTON - CRITICS

Halloween brings out priates and fairies,
Plus a rash of strange monsters all hairy.
But for tricks and no treats,
Bill and Al have them beat;
They're the one that I think are most scary.

14218 CLINTON - CRITICS Jim Weaver Collection

A raving right-winger named Tibbs,
Sought to give Bill a poke in the ribs.
But with meter so poor,
He was naught but a boor,
And so Clinton sloughed off all the digs.

14219 CLINTON - CRITICS Joe Long

There is a great man named Bill
Who climbed to the top of the hill,
But he'd gotten ants,
And dropped his pants,
And the voices are getting shrill.

14220 CLINTON - CRITICS Joseph McEwen P9407

Somalia and Waco weren't pranks;
In shame, very high each one ranks.
How are these events tied?
In both, innocents died,
But in Waco our leaders used tanks.

14221 CLINTON - CRITICS Jim Weaver Collection

Come one, come all, follow me
Across the bridge to the next century.
Bring your cash or your card
'Cause you're getting hit hard
With a toll and a tax and a fee.

14222 CLINTON - CRITICS Jim Weaver Collection

In spite of my conservative leanings,
The re-election of Clinton's intriguing.
Imagine the fun
When I turn on C-SPAN
And watch the impeachment proceedings.

14223 CLINTON - CRITICS Jim Weaver Collection

In the future our grandkids will stare
At a portrait of Clinton somewhere.
He'll be holding a scroll
While he's taking a poll,
His wet finger held high in the air.

14224 CLINTON - CRITICS Jim Weaver Collection

If Congress decides to employ it,
And rather than censure, a coy hit,
Has Willy stripped bare,
And whip derriere,
Except that I'm sure he'd enjoy it.

14225 CLINTON - CRITICS Chris Papa

At the end, Ray and Starr had to simper;
Of evidence they had no glimmer.
They spent millions of bucks
Raking the muck,
But are finished sans bang, but with whimper.

14226 CLINTON - CRITICS Dr Limerick 03-20-02

The Clintons are now sinking fast;
His party is scared and aghast.
With tempers exploded,
The lifeboats are loaded;
The women and children are last.

14227 CLINTON - CRITICS Jim Weaver Collection

Saying she can't recall, she just shrugs;
Susan's covering up for the thugs.
New commercial is set;
It's a winner, you bet --
Children this is your brain while on drugs.

14228 CLINTON - DOPE Jim Weaver Collection

There are things they don't want you to know,
But you reap from that which you sow.
They've come to discover
A film undercover;
Roger Clinton buys coke for his bro.

14229 CLINTON - DOPE Jim Weaver Collection

A new twist to the Clinton mess
Revolves around Monica's dress.
Now they say that cocaine
May be found in that stain.
If there is, will Willie confess?

14230 CLINTON - DOPE Gearhart

Will he say it belongs to M L (Monica Lewinsky)
And deny his drug use until
A drug test confirms
That not just his sperm's
On the dress, but his coke as well?

14231 CLINTON - DOPE Gearhart

Doc Sam Houston has nothing to gain,
As Bill's medical questions remain.
Take a Little Rock trip;
Learn the truth and you'll flip,
'Cause he knows about Bill and cocaine.

14232 CLINTON - DOPE Jim Weaver Collection

I'm Clinton, I didn't inhale;
I spin a most marvelous tale.
I once tipped my hand
Against my homeland,
But mostly I've covered my trail.

14233 CLINTON - DOPE John Miller

By the White House, we're left in a quandary.
We've discovered their dirty drug laundry.
It's a crack staff indeed,
And we'll gladly concede
An obvious double entendre.

14234 CLINTON - DOPE Jim Weaver Collection

Thanks to Bill there is more crack and meth
That has ended so many kids' breath.
You need not be a sleuth,
To know where to find truth.
Talk radio scares him to death.

14235 CLINTON - DOPE Jim Weaver Collection

Their election was quite an event;
In the war on drugs, he put a dent.
With young people we find
Willy's really their kind.
Use of drugs is up eighty percent.

14236 CLINTON - DOPE Jim Weaver Collection

These kids will not make it to Yale,
And they love their smokes and their ale.
It seems he's not joking;
Bill teaches safe smoking,
And shows them how not to inhale.
(Bill Clinton did not inhale the one time he used pot - McW)
14237 CLINTON - DOPE Jim Weaver Collection

In the galley aboard Air Force One
Stands the President, having some fun,
With a stewardess, Gail,
Who knows how to inhale --
Till the oxygen masks come undone.

14238 CLINTON - DOPE

Bill is following through, we confess;
It's been very successful, we guess.
He had planned it so well,
Increased drug use will tell.
His compaign to the kids, just say yes!

14239 CLINTON - DOPE Jim Weaver Collection

His honor again they assail:
First, they claim that the steps had a rail.
And says Rush on his show,
"The Shark's party was slow
Until Bill finally learned to inhale."

14240 CLINTON - DOPE Jim Weaver Collection

When the White House physician inquired,
Bill panicked and had the guy fired.
His records were hidden,
The contents forbidden;
Would we find on cocaine he got wired?

14241 CLINTON - DOPE Jim Weaver Collection

Clinton's angry and ready to spit;
Saw a youngster with cigarette lit.
It looked kind of funny
So Bill produced money.
"Hey Kid, can I please have a hit?"

14242 CLINTON - DOPE Jim Weaver Collection

Once a Rhodie from Hope
Thought it within his scope
To make the government work.
My god, what a jerk!
And he said he never smoked dope!

14243 CLINTON - DOPE Jim Weaver Collection

Make quick changes, that skill has been honed.
Pass the coke, we know Willy has moaned.
We have heard the reports
Back and forth while he snorts,
And Slick Willy makes no turn unstoned.

14244 CLINTON - DOPE Jim Weaver Collection

Please pass this to Bill for a blast;
The White House has quantities vast.
They have no concern;
So what if we learn,
Drug tests ended, 'cause nobody passed.

14245 CLINTON - DOPE Jim Weaver Collection

You may criticize to no avail;
Clinton we try to unveil.
So decent so pure
And one thing for sure,
He smoked pot, but he didn't inhale!

14246 CLINTON - DOPE

Clinton, that sorry shit-ass,
Didn't inhale while smoking that grass?
Yeah, and O.J.'s no killer,
I've the hots for Phillis Diller,
And the Pope yells "Fuck You" during mass.

14247 CLINTON - DOPE Jim Weaver Collection

We elected a slimeball from Hope;
His supporters say we don't vote for Pope.
So far that slogan works,
But my goodness, you jerks,
We don't want a guy who scored dope!

14248 CLINTON - DOPE Jim Weaver Collection

Feeling his paramour's pain
And seeking no personal gain,
He showed in his fashion
Clintonic compassion
And offered to share his cocaine!

14249 CLINTON - DOPE

Dole says "Willy, you son of a pup!
No more cronies will give you heads up.
Though you still remain cool,
Over drugs we must duel.
Fifty paces then pee in the cup!"

14250 CLINTON - DOPE   Jim Weaver Collection

A slogan Bill needs for his edge,
So he'll really go out on a ledge.
From the dope charge he stalled;
His draft record recalled.
Some pot in each chicken's, his pledge.

14251 CLINTON - DOPE   Jim Weaver Collection

From smoking the kids should refrain.
Bill doesn't want them to complain.
But if quitting's too tough,
And their will's not enough,
His brother can get them cocaine.

14252 CLINTON - DOPE   Jim Weaver Collection

There's an Arkansas airport called Meena,
Which is in Mr. Clinton's arena.
Passing this domain
There was lots of cocaine,
For which he should be served a subpoena.

14253 CLINTON - DOPE   Popsicle   TP9806

To the house of Sharline, Willy ran;
They had powder so fun soon began.
With cocaine, had a ball,
Then he slid down the wall,
And fell down in the old garbage can.

14254 CLINTON - DOPE   Jim Weaver Collection

When they finally are clean, we'll rejoice.
Tell the truth and they silence your voice.
Don't pee in the cup;
We'll cover it up.
White House Drug test is multiple choice.

14255 CLINTON - DOPE Jim Weaver Collection

Through the hearings, these people have sailed,
Yet we know that the truth has been veiled.
They must think that we're blind,
And I'm sure that we'll find
That the whole fucking cabinet inhaled!

14256 CLINTON - DOPE Jim Weaver Collection

There once was a young man from Hope,
Who used to smoke lots of dope.
He just cannot see,
Falling for Lewinsky;
Will I vote for him again?...Nope!

14257 CLINTON - DOPE Navin

When the lid on the Filegate thing blew,
Clinton said it was a "SNAFU".
He put the blame on
Some low-level pawn,
And then swore that was all that he knew.

14258 CLINTON - FILES Jim Weaver Collection

Bill and Hillary are quiet as mice
As they follow their lawyer's advice.
In the meanwhile,
The FBI files
Have old Slick Willy's balls in a vice.

14259 CLINTON - FILES Jim Weaver Collection

What info did the White House compile
From those secretive FBI files?
And I wonder who'll wince
When they check them for prints?
Just the thought makes Republicans smile.

14260 CLINTON - FILES Jim Weaver Collection

Slick Will shall soon write his life story;
No doubt, touting his own self-glory.
But don't be surprised
If we're not apprised
Of the full and complete inventory.

14261 CLINTON - FILES Observer

When we watch them in action we're sick;
It's the evil First Lady and Slick.
No files were taken;
We must be mistaken;
It's a wascally wepubwican twick.

14262 CLINTON - FILES Jim Weaver Collection

We may soon smell the odor of scorch
As Bill's pants feel the FBI torch.
When the facts are disclosed,
And veiled wrongs are exposed,
All Bill's dogs will take off for the porch!

14263 CLINTON - FILES Jim Weaver Collection

To the party, it's just a few miles;
The young interns and pals were all smiles.
"In the vault we'll relax
With a keg and a fax.
Let's have fun with the FBI files."

14264 CLINTON - FILES Jim Weaver Collection

To break Rodham from jail, she'll try,
But the dimwitted aide went awry.
There's a file in the cake,
But there's one big mistake:
It's manila and says "FBI!"

14265 CLINTON - FILES Jim Weaver Collection

The White House is hoping that Mari
Keeps her cool and then cleverly buries
All the dirt underneath,
And lies through her teeth,
After burning all "logs" she can carry.

14266 CLINTON - FILES Jim Weaver Collection

Mari Anderson's gone underground.
What she know about Filegate's profound!
For the 6-month "log" gap
Has her caught in a trap,
And the Senate has sent out the hounds.

14267 CLINTON - FILES Jim Weaver Collection

The White House does not guarantee
Your file is safe from appointees.
They can go smugly through it,
Digging dirt as they do it,
Defiling your right of privacy.

14268 CLINTON - FILES Jim Weaver Collection

Clinton's lawyers are all on alert
As they frantically sweep up the dirt.
The fumes from the files
Promise proof of pure guile.
And the outcome will not be inert.

14269 CLINTON - FILES Jim Weaver Collection

Bill thought FBI files were grand;
A snafu and the fire is fanned.
But it's B.S. we see
From this slick S.O.B.;
S.O.L.'s where we currently stand.

14270 CLINTON - FILES Jim Weaver Collection

Queen of softballs, Ms. Walters remains.
It was candor that Ms. Rodham feigns.
She and Vince were just friends;
Well, that really depends;
Does a friend often screw out your brains?

14271 CLINTON - HILLARY Jim Weaver Collection

Flowers latest caused Rodham to rage;
Penthouse comments Bill tried to assuage.
And if you didn't hear,
It's about her big rear;
Rodham's butt was too big for the page.

14272 CLINTON - HILLARY Jim Weaver Collection

The whole nation watched as Al Gore
Sought political peace to restore.
While Gebhardt, and Durbin,
And Hillary Clinton
Were making their plans for '04.

14273 CLINTON - HILLARY Election 2000

What's the difference 'tween catfish and Rodham?
A few answers, we think that we've got 'em.
One is served on a dish
As a quite tasty fish,
And the other sucks slime at the bottom.

14274 CLINTON - HILLARY Jim Weaver Collection

Bill's researchers had each done his part;
So revealing the findings, please start;
What's the substance most cold;
Please announce it, be bold.
Not surprising, it's Hillary's heart.

14275 CLINTON - HILLARY Jim Weaver Collection

Here's a slogan that's sure to get hoots;
The term mother, now Rodham uproots.
If someone's berated,
A new slur's created.
Your caregiver wears combat boots.

14276 CLINTON - HILLARY Jim Weaver Collection

Compartmentalization's the key
To the Bill Clinton presidency.
There's a Monica box;
One for Congress and Sox,
And a matchbox for poor Hillary.

14277 CLINTON - HILLARY Prof M-G

Of dreams for the world, we've got 'em,
But most just sit back on their bottom.
Like a John Lennon dream,
Will you please join the team?
And envision a world without Rodham.

14278 CLINTON - HILLARY Jim Weaver Collection

Hillary is the family breadwinner,
Devoting her life to that sinner.
Having escaped jail,
She's on the campaign trail.
She's an excellent political spinner.

14279 CLINTON - HILLARY Tom Simon

We can see that upstream Rodham's swimmin';
The notes just appeared, she was brimmin'.
"I can tell you for sure
That the third floor's secure,
Excepting, of course, all Bill's women!"

14280 CLINTON - HILLARY Jim Weaver Collection

Spurned Hillary he faced with dread,
Couldn't make her in marital bed.
So he'd EXPIATE
A new job create,
And senator make her, instead.

14281 CLINTON - HILLARY Chris Papa

There were two celebrities named Hillary;
Both reached a peak, but one was a pillory.
He climbed atop Everest,
Whitewater let her never rest,
Her future faces heavy artillery.

14282 CLINTON - HILLARY H. Kleidman

No matter what November brings,
We can still be assured of one thing:
Clinton's star will sink lower
White Water ain't over,
And it won't be, till the First Lady sings.

14283 CLINTON - HILLARY Jim Weaver Collection

"We must skim off some money" she roared.
The option sneaked right past the board.
Yes, Ms. Rodham's the one
And we found what she'd done;
Funneled four hundred thousand to Ward.

14284 CLINTON - HILLARY Jim Weaver Collection

As the exorcist finished, you see,
'94 cleaned out much of D.C.
There are two more to nail
And then right will prevail;
Get the trainer and her chimpanzee.

14285 CLINTON - HILLARY Jim Weaver Collection

The Vatican crowd we watch swell;
We await what the Pope has to tell.
"Though her backers may faint,
I say Rodham's no saint,
And in fact, she is destined for Hell!"

14286 CLINTON - HILLARY Jim Weaver Collection

Willy's aim was not to lay blame;
Now with him Hillary will flame,
So he'll have to learn,
That when with intern,
To be a GRIG could lead to shame.

14287 CLINTON - HILLARY Darryl

As they close in on Rodham, she's scared;
Some money and passport she snared.
She picks color blanco
For her brand new Bronco;
With gun and disguise she's prepared.

14288 CLINTON - HILLARY Jim Weaver Collection

She never knew beans about cows;
The wherefores, the ways or the hows.
You could hardly describe
How Bill got his bribe,
And silk from the ears of her sows.
(Hilary made cow futures money)
14289 CLINTON - HILLARY Don Hart

"Hillary," said her Doc, "Who've you hugged?
You've got crabs." But Hillary shrugged,
And said, "I'll just tell Bill
I have what made Nixon ill.
It seems the Oval Office is bugged."

14290 CLINTON - HILLARY Theo Heller P9312

A pollster's no more than a mystic.
Their numbers are not realistic.
Clinton had the big win,
So why's Hillary in,
And Bill is now just a statistic?

14291 CLINTON - HILLARY Theo Heller P9306

For Italians she blessed them at Pisa;
On the morning show, she prayed with Leeza.
Now a habit she wears;
We're amazed how she swears;
She is Hillary Mother Teresa.

14292 CLINTON - HILLARY Jim Weaver Collection

Hillary's internet guru, named Tom,
Dropped an outrageous political bomb.
Trying to make his best guess
At her E-mail address,
He suggested: hillary.homely.com

14293 CLINTON - HILLARY Squeaky TP9807

On and on, we can hear Clinton rattle;
It's the deficit he's set to battle.
It is sort of funny,
His plan for our money
Is let Rodham invest it in cattle.

14294 CLINTON - HILLARY Jim Weaver Collection

Flight 800 had quickly met doom;
We are all asking why and by whom.
Vapor trail was seen.
What does all of this mean?
They've discovered it's Hillary's broom.

14295 CLINTON - HILLARY Jim Weaver Collection

My first term in the Senate will be
Just a step to the Presidency.
Yes, the Senate, my friend,
Is a means to an end.
Arkansas, please do not cry for me.

14296 CLINTON - HILLARY William N Nesbit

Bill wanted her trip to begin;
He had plans for engaging in sin.
INS had request;
Tighten borders your best;
Perhaps Rodham might not get back in.
(INS - Immigration and Naturalization Service)
14297 CLINTON - HILLARY Jim Weaver Collection

Not to say that Ms Hillary's a hag,
Or in places she's starting to sag.
Though she's tried to repair
The state of her hair,
She still looks like a carpet bag.

14298 CLINTON - HILLARY Frank Petersohn

I'll do Hillary without any fuss;
In a bed, on a truck, on a bus.
Bill can be there;
I really don't care,
While I do to her, what they do to us.

14299 CLINTON - HILLARY Jim Weaver Collection

Hillary, I do miss you so.
These days you are always on the go.
For your love I yearn,
(Come in Ms. Intern)
Stay well, dear, I'm busy, you know.

14300 CLINTON - HILLARY Frank Fazed

Hillary and Willie had a talk,
Of the kitten who wore no socks.
He had to confess
That it made quite a mess,
"But I never poked I just rocked"

14301 CLINTON - HILLARY

Here's what First Lady Hillary wore;
We admit it's a bit of a bore.
But this dress from the Gap
Offers crackle and snap:
The line forms seven blocks from this door.

14302 CLINTON - HILLARY

Hillary Clinton's obtuse:
She blames on some childhood abuse
Her Willie's sex life;
But with HER for a wife,
The President NEEDS no excuse!

14303 CLINTON - HILLARY

Evil Rodham's devoid of contrition,
So from state, there's a new proposition.
Stars and Stripes are unfurled,
She will travel the world
For a place that has no extradition.

14304 CLINTON - HILLARY Jim Weaver Collection

For memoirs, Hillary got eight mil.
They gave twelve to her husband Bill.
But remember them both,
When they were under oath,
Could recall nothing -- zip, nada, nil.

14305 CLINTON - HILLARY Al Bienstock

Since their membories have been erased,
On what will their memoirs be based?
Will the pages be blank,
Like each memory bank,
In their books about eight years of waste?

14306 CLINTON - HILLARY Al Bienstock

We all know that president Billy
Sure has an eye for a filly.
No woman is safe
Within miles of the place,
Unless she is ugly as Hillary.

14307 CLINTON - HILLARY Al Willis

Though he said it is a rarity,
There's this peculiarity:
Multiple offers
Of skin flute proffers,
Caused no spousal Hillarity. (sic)

14308 CLINTON - HILLARY Daniel Ford

Just what did the Great Lady do?
Her husband was sure that he knew:
Just jiving and shucking
She might have said fucking,
But she never would say fucking Jew.

14309 CLINTON - HILLARY

In the kitchen she never would cook;
It is clear that she's really a crook.
Here's a brand new snafu;
She's a plagarist too.
They learned Casper had written her book.

14310 CLINTON - HILLARY Jim Weaver Collection

Rosty thought stealing money was fun,
But in jail he will not see the sun.
At reporters he snaps
"You really are saps;
Wait till you learn what Rodham has done!"

14311 CLINTON - HILLARY Jim Weaver Collection

Bill and Hillary had big dreams of Camelot
But their sleazy ways tripped them and they got caught.
To escape with their skins,
They must drop their fake grins,
And make tracks to that place known as "Scam-a-lot."

14312 CLINTON - HILLARY Jim Weaver Collection

While Hillary's not a real looker,
The Prez can't be caught with a hooker.
To satisfy yearning
He's lately been learning
To just bite the bullet and schtoop 'er.

14313 CLINTON - HILLARY

Hillary's known as a leader,
Whose husband can't even please her.
She's screwing with Tipper,
Gilligan and Skipper,
But I think she's just a cockteaser!

14314 CLINTON - HILLARY T9712

For her country, she'd show off her might,
But marines would let Rodham fight.
He own motto she needs,
For attempted good deeds;
Semper Fido seems just about right.

14315 CLINTON - HILLARY Jim Weaver Collection

Ms Clinton, Hillary Hodham
Is now in the Senate from Gotham.
She has no seniority
Or any authority;
What a shock! It's the view from the bottom.

14316 CLINTON - HILLARY Dr Limerick 11-08-00

By Starr's marshals Ms. Rodham is tackled;
"Don't you dare put those on me", she cackled.
Much to our surprise
There is fire in her eyes;
She can still macarena while shackled.

14317 CLINTON - HILLARY Jim Weaver Collection

Are there other charges Starr will get 'round to?
New evidence to be had, something found to
Implicate the First Lady
In land deals so shady?
Maybe Hillary's now going down, too.

14318 CLINTON - HILLARY Tom Simon

Willy is soon gone away,
And then we'll have much less to say,
'Bout his morals lack.
Then we'll have to track
His mate, who is still in the fray.

14319 CLINTON - HILLARY Chris Papa

She had many tricks up her sleeve,
And believes we are all so naive.
Our values she mangled;
Her web became tangled,
When first Rodham chose to deceive.

14320 CLINTON - HILLARY Jim Weaver Collection

To Karachi where danger is near,
Went Rodham as she fought off fear.
But quickly she railed
About being veiled;
We'd prefer that she wear one right here.

14321 CLINTON - HILLARY Jim Weaver Collection

Rodham smugly was chanting "Four more!
I'm a socialist down to the core.
My threat isn't funny.
All you who have money
Be prepared to be mugged at the door."

14322 CLINTON - HILLARY Jim Weaver Collection

'Bout Tiananmen Square let's talk frank;
There were heroes whom we must all thank.
As one image lives clear,
Let's relive it, my dear.
Rodham, please stand in front of the tank.

14323 CLINTON - HILLARY Jim Weaver Collection

We all know she's behind lots of crime;
Up the Capitol Hill she will climb.
Rodham sits in the chair,
Do you solemnly swear?
"Why hell yes, I swear all of the time."

14324 CLINTON - HILLARY Polimerick Press P9704

She is talking to Ghandi, they note,
But his message sure got Rodham's goat.
"I'm a non-violent sort,
And I'm sad to report,
If alive, I would go for your throat."

14325 CLINTON - HILLARY Jim Weaver Collection

That disingenuous pair,
Who live in the White House with flair,
Sure could disremember,
From now 'til December,
When it came to saving their hair.

14326 CLINTON - HILLARY Chris Papa

The evidence can't be refuted;
Culpability can't be disputed.
"How could you?" She cried
And you should have lied
Saying "She snapped her thong just like you did!"

14327 CLINTON - HILLARY

China human rights problems now brew.
She considered the conference anew.
When deciding to go,
The new poll she must know:
We want to trade Rodham for Wu.
(Harry Wu, Chinese dissident)
14328 CLINTON - HILLARY Jim Weaver Collection

Hillary, of course, thinks that's not fair
Unless she also acts like a hare.
So she misses the love
Of her own lonesome dove --
Too bad Vince Foster's no longer there.

14329 CLINTON - HILLARY

Ambitious is "Senator" Hillary,
Expending election artillery;
A would-be Evita
(I call it excreta) --
O where is the old public pillory?

14330 CLINTON - HILLARY Armand Singer

As we hear her moanin' and bitchin',
We notice her eyes started twitchin'.
Rodham, you're not elite,
If you can't take the heat,
Then get your butt back in the kitchen!

14331 CLINTON - HILLARY - BITCH Jim Weaver Collection

A new plot hatched to end Clinton's breath,
A la Shakespeare in Lady Macbeth.
The police undercover
Had chance to discover,
Rodham's hired to bitch him to death.

14332 CLINTON - HILLARY - BITCH Jim Weaver Collection

Though she thinks Will Safire uncouth,
And is whining, like back in her youth,
In her polls is a dive.
More think Elvis alive
Than believe Rodham's telling the truth.

14333 CLINTON - HILLARY - BITCH Jim Weaver Collection

Slick Willy, you're making us gag;
Your plan is not in the bag.
You're giving a curse,
Now what could be worse?
Four years with Hillary on the rag!

14334 CLINTON - HILLARY - BITCH Jim Weaver Collection

We know better than her sweet facade;
Against Rodham, we need a jihad.
In the sky, watch it form;
We detect a great storm.
Time to hand her the lightning rod.

14335 CLINTON - HILLARY - BITCH   Jim Weaver Collection

There was a young woman named Rodham,
Whose friends didn't dare call her "Modom",
But for Willie's OK
On the health stuff she'd say,
If he wanted a girl, she allot 'em.

14336 CLINTON - HILLARY - BITCH

A fierce lady lawyer of Sodom
Found her man felt no joy till she'd prod him.
'Tween gut-kicks and kisses,
He'd groan, "Don't stop, Mrs..."
She'd hiss, "Don't say Clinton, it's Rodham"

14337 CLINTON - HILLARY - BITCH

Clinton's fall made him feel his own pain
And gave Gore a few hours to reign.
But Al had to brawl
With Bill's wife in the hall
Just to make her let go of the reins.

14338 CLINTON - HILLARY - BITCH   Jim Weaver Collection

She has shredded so you will not find
All the files she put out of her mind.
So beware of her smile,
Rodham's so low and vile,
One step up is a rodent's behind.

14339 CLINTON - HILLARY - BITCH   Jim Weaver Collection

Reponding to critics, Bill's bolder,
As Rodham gets tougher and colder.
With arrogance showing,
He loudly is crowing,
They've not built a jail than can hold 'er.

14340 CLINTON - HILLARY - BITCH   Jim Weaver Collection

She's all-knowing, the First Evil Witch;
Her support the fans won't ever ditch.
Add to her ESP,
PMS and you'll see,
Rodham's really a know-it-all bitch.

14341 CLINTON - HILLARY - BITCH   Jim Weaver Collection

In deceit no one else holds a candle;
So for Rodham, we have a great handle.
Guinness just made the call;
Her new plaque's on the wall:
"Undisputed First Lady Of Scandal"

14342 CLINTON - HILLARY - BITCH   Jim Weaver Collection

The mortician said, "I know what's best.
And Ms. Rodham, you're really a pest.
It's perverted and sick.
Don't you touch Foster's dick.
I will not let you lay him to rest."

14343 CLINTON - HILLARY - BITCH   Jim Weaver Collection

An employee may cause Rodham's doom;
She is set to escape on her broom.
For the first time she'll meet
He who caused all the heat;
Mr. Livingstone may I presume?

14344 CLINTON - HILLARY - BITCH   Jim Weaver Collection

Hillary and Bill they got hitched;
From Whitewater theft, they got rich;
As Prez, things got sticky
For Bill and his dickie,
So she'll end up Senator...er..Rodham.

14345 CLINTON - HILLARY - BITCH

"Please, dear Eleanor, join in my fight,
And bring all the answers to light."
Well Ms. Rodham, my dear,
We have wisdom up here.
Heaven knows mother Gingrich was right!"
(mother Gingrich called Hillary a bitch on TV)
14346 CLINTON - HILLARY - BITCH   Jim Weaver Collection

William Kennedy's comments are rich;
A hole in the ground's not a ditch.
He claims pigeons can't fly;
Three year olds don't ask why;
And Ms. Rodham's not really a witch.

14347 CLINTON - HILLARY - BITCH   Jim Weaver Collection

As Hillary mounted her broom,
She shrieked a foreboding of doom:
I'll sooner be dead
Than to share the same bed;
I'll be damned if I'll share the same room!

14348 CLINTON - HILLARY - BITCH

Willy's colorfully sharp as a tack;
There's a yellow streak right down his back.
Drugs cause red nose surprise;
Black bags under his eyes;
Off his blue balls Ms. Rodham will hack.

14349 CLINTON - HILLARY - BITCH   Jim Weaver Collection

Solving problems they heard was his niche;
Bill met players and owners quite rich.
He hurled Ms. Rodham
Right out on her bottom
When he misheard "Throw out the first pitch."

14350 CLINTON - HILLARY - BITCH   Jim Weaver Collection

The new White House dog was named Jade.
No longer does Socks have it made.
Came comment from Willy,
"I got this for Hilly."
Sir, you made a remarkable trade.

14351 CLINTON - HILLARY - BITCH   Jim Weaver Collection

She wants money, that's well understood;
Taxing all of it, if but she could.
Let's take from the rich
And give to the bitch;
That's enough of this damn Rodham Hood.

14352 CLINTON - HILLARY - BITCH   Jim Weaver Collection

The Chinese built Hillary a potty;
For 26 thou is ain't shoddy.
It's a golden ditch
Just for the First Bitch.
Chinese no lose face -- see 1st twattie!

14353 CLINTON - HILLARY - BITCH   Marsha Magee   TP9806

If you've ever seen Hillary's pan,
It's hard to place blame on the man.
But as to his member,
She cannot remember.
It's never been part of her plan.

14354 CLINTON - HILLARY - BITCH   Jim Weaver Collection

When Hillary said there'd be no
White males in the cabinet or she'd go.
An ex-lover named Flowers
Said, "Bill, use your powers,
Te hominum esse memento."
(remember you are a man)

14355 CLINTON - HILLARY - BITCH   FB

Hillary's often at odds with her Mister
And when Clinton sniffed "flowers", it pissed her.
But she takes it in stride,
Just swallowed her pride,
While she plots the return of "The Twister."

14356 CLINTON - HILLARY - BITCH   Jim Weaver Collection

We wonder, what's Hillary's role?
Then she says in a voice very cold,
"Unless it's proven true,
There's naught you can do.
I'm so glad I voted for Dole."

14357 CLINTON - HILLARY - BITCH   Anon

Ken Starr they attempt to deter
As witch hunt, his job they refer.
Comes as no great surprise,
Rodham has lying eyes;
The witch they are hunting is her.

14358 CLINTON - HILLARY - BITCH   Jim Weaver Collection

On Chung, they called her a bitch;
She's always attacking the rich.
This woman's frustrating
And more irritating
Than even the worst rectal itch.

14359 CLINTON - HILLARY - BITCH   Jim Weaver Collection

She tried a new twist, Hillary Rodham,
To keep Clinton home, she un-shod him.
He broke her padlocks
And just in his socks
He ached as he walked clear to Sodom.

14360 CLINTON - HILLARY - BOSS   Al Willis

Said Slick Willy to the former Miss Rodham,
"There's two balls here and I am who's got 'em.
Said she, "You dumb hick!
Though you haven't a prick,
And your balls are well trained 'cause I taught 'em."

14361 CLINTON - HILLARY - BOSS   Jeeves

A lawyer named Hillary C.
Was arrested for trying to be
A substitute president,
Not merely a resident
Of Hubby Bill's menagerie.

14362 CLINTON - HILLARY - BOSS   Kalkbrenner

Willy's bubble is ready to burst,
And the evil First Lady is cursed.
He is in her firm grip,
With her chain and her whip,
And no longer is Carter the worst.

14363 CLINTON - HILLARY - BOSS   Jim Weaver Collection

Both Bill Gates and Bill Clinton are "Bill".
Both are slicker than slick, if you will.
Though Bill Gates is the smarter
By two and a quarter,
He'd lack Hillary's help on the Hill.

14364 CLINTON - HILLARY - BOSS

About Hillary? What can I say?
We learn more about her each day.
She has the power
To make Clinton cower,
And the others stay out of her way.

14365 CLINTON - HILLARY - BOSS Jim Weaver Collection

The report seemed, at first, very odd,
But it soon got a favorable nod.
Most dylexics with sense
Have come off of the fence,
And are calling Ms. Rodham a "god"!

14366 CLINTON - HILLARY - BOSS Jim Weaver Collection

That she's tough, some guys just cannot face;
Fans say she can take any man's place.
Twice the pitcher threw wide,
And the umpire cried,
"That's four balls, Rodham go take your base!"

14367 CLINTON - HILLARY - BOSS Jim Weaver Collection

There once was a Prez from Hot Springs,
With a flair for affairs and hot flings.
His wife -- a ballbuster --
Was a real General Custer
Of health coverage's arrows and slings.

14368 CLINTON - HILLARY - BOSS Jim Weaver Collection

A socialist named Hilary Rodham
Planned our health care from top down to bottom;
With districts and councils
To take out our tonsils
And bureaucrats friendly as Saddam.

14369 CLINTON - HILLARY - BOSS Don Hart

There was a First Lady named Hillary
Who was caught in a sly peccadillo: She
Had sold Health Care stocks short,
And when dragged into court,
Was compelled to do time in a pillory.

14370 CLINTON - HILLARY - BOSS Don Moore P9405

Raw power is Rodham's great vice.
Don't get in her way, there's a price.
Over hill, over dale,
She has kicked Billy's tail.
Isn't megalomania nice?

14371 CLINTON - HILLARY - BOSS Jim Weaver Collection

There once was a lady named Rodham,
Got tired of being on the bottom.
She said, "I'll be danged!
Let Bill be hanged!
I'm going to be mistress of Sodom.

14372 CLINTON - HILLARY - BOSS Marsha Magee

Once again Bill's embroiled in great strife;
It's a pattern that shaped his whole life.
With her usual reaction,
Hillary went into action,
Acting more like a mother than wife.

14373 CLINTON - HILLARY - BOSS Jim Weaver Collection

At his 50th birthday, a roast;
Rodham's wearing the pants, she will boast.
Flowers readys her song;
Thoughts of Marilyn be gone.
"If she sings it, dear Willy, you're toast."

14374 CLINTON - HILLARY - BOSS Jim Weaver Collection

When the plane hit, officials were vexed.
It had left Clinton's aides quite perplexed.
But their ears really burned
When Ms. Rodham had learned:
In succession, that she was not next.

14375 CLINTON - HILLARY - BOSS Jim Weaver Collection

"Conspiracy!" Hillary cries,
"The fault of those right-winger guys!"
(Right-wingers want Gore?
Good Lord, tell me more!
Must be pinkos in right-wing disguise!)

14376 CLINTON - HILLARY - BOSS John Miller

Rodham's strong and gives males what for;
She's the woman the others adore.
But she's not elected;
Bill's always erected;
Can we all say political whore?

14377 CLINTON - HILLARY - BOSS Jim Weaver Collection

Now Hillary's entered the fray;
"A right-wing conspiracy", she'll say.
With this special spin,
They hope that they'll win,
And that Bill can continue to play.

14378 CLINTON - HILLARY - BOSS Dbled

She's a lady who's filled with such drive,
Who believes that we've swallowed her jive.
Now we've learned of her fraud,
And she's screaming abroad,
That we're not going to take her alive.

14379 CLINTON - HILLARY - BOSS Jim Weaver Collection

When the President moves to New York,
(The REAL one - all balls and no dork)
Do you think that she will
Get rid of her Bill,
Or apply to his arms extra torque?

14380 CLINTON - HILLARY - BOSS

Bill has proven that by his score.
So I think she'll show him the door.
With a kick in the ass,
And a ticket, coach class,
'Cause she doesn't need him anymore.

14381 CLINTON - HILLARY - BOSS

Now Hillary's known as a leader;
First president minus a peter.
Women knowingly nod
For a woman is God!
And the chief exec is a breeder!

14382 CLINTON - HILLARY - BOSS Oddo Vo Schlong T9710

Hillary Billary Socks,
They listen when She talks.
"Now listen to me,"
Said She to he,
"Or else I'll change the locks."

14383 CLINTON - HILLARY - BOSS Jim Weaver Collection

"On my honor, I solemnly swear,"
Said Bill Clinton, right hand in the air,
"Not to make any moves
Unless Hillary approves
Since she'd cut off my balls if I'd dare."

14384 CLINTON - HILLARY - BOSS John Sandler P9303

There once was a lady named Rodham,
Who demanded appointments and got 'em.
So by gender and race,
They all took their place,
In the Clinton's Gomorrah and Sodom.

14385 CLINTON - HILLARY - BOSS   Jim Weaver Collection

Exercising without a mishap,
The first couple's knees Doc will wrap.
Almost ready to go,
But the trainer must know
This time which one gets the jock strap.

14386 CLINTON - HILLARY - BOSS   Jim Weaver Collection

Fires burn and make cauldrons bubble;
Once again there's some trouble with Hubbell.
He taught Hill all the ropes,
So he knows how to cope,
And he charged his law firm at least double.

14387 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

At the White House they're getting excited;
Create spin, you're all hereby invited.
One receives most appeal,
Claims it's not a big deal;
There have been many First Ladies indicted.

14388 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

They called them the three musketeers,
And they were all Hillary's dears.
First Vince Foster's shot down,
Nussbaum's run out of town,
Now Hubbell must serve a few years.

14389 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Hillary wrote a term paper
About the Watergate caper.
It recently surfaced
And makes her nervous
Because of its very nature.

14390 CLINTON - HILLARY - LAWYER   Gearhart

Subpoenaed by Sub-committee,
Bill Clinton said, "Oh no--not me,
Nor my innocent daughter
Was involved in Whitewater--
But, maybe...perhaps...Hillary?"

14391 CLINTON - HILLARY - LAWYER   Beecher Smith   P9611

The First Lady may soon be indicted.
Her dealing are being spotlighted.
But we all know full well
She won't land in a cell,
And her wrongs will not ever be righted.

14392 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

You'll find that we all have been told
With clean hands, we are both good as gold.
Imagine the specter
Of her lie detector;
When hooked up, Rodham's head will explode.

14393 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Some question the First Lady's connection
To campaign funds for Bill's reelection.
But her careful replies
Will not reveal ties,
"I can't recall; I have no recollection."

14394 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Behind bars is where Hillary's headed;
It's a loan file that she has long dreaded.
They let this one by;
There's a tear in her eye.
"Why the hell wasn't Flowerwood shredded?"

14395 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

"It doesn't matter whatever you find,
I will cover Ms. Rodham's behind.
Though you're sure there's a smell,
If you think I will tell,
You are all out of your freaking mind."

14396 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Hill's real estate records had strayed,
While Bill at his office desk played.
UNBEKNOWNST to the two,
The files came to view
On White House hall table displayed.

14397 CLINTON - HILLARY - LAWYER   Elois

From her land deals much money she took;
At the records we never could look.
She made profits divine
In her dealing bovine.
It is clear the First Lady's a crook!

14398 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Because records could turn up the heat,
They're destroyed without skipping a beat.
When at first she awakes,
What's the food Rodham takes?
She, of course, recommends Shredded Wheat.

14399 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Al DeAmato has so far been vexed;
By Ms. Rodham he seems to be hexed.
Our fans have no equal,
They'll call for a sequel:
"It takes a subpoena" is next.

14400 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

Ms. Rodham, please help us along,
And we will be ending this song.
I hope you are willing;
Give records of billing.
Whoops, three years of records are gone.

14401 CLINTON - HILLARY - LAWYER   Jim Weaver Collection

In the White house, they're flipping their lids,
Extramarital stuff she forbids.
The choice for a baby
Is having sex, maybe,
Or adopt one of Bill's other kids.

14402 CLINTON - HILLARY - WIFE   Polimerick Press   P9704

Poor Hillary helps Clinton preach
Those values that no one should breach;
But Bill will assert
(While chasing Jen's skirt):
"Ignore my wife's figures of speech!"

14403 CLINTON - HILLARY - WIFE   Mark Levy   P9508

There once was a nymph, name of Rodham,
Who, with Bill, was traveling to Sodom.
Bill paused on the way
For a bit of foreplay,
But neglected Ms. Rodham's fine bottom.

14404 CLINTON - HILLARY - WIFE   Baker

Now Hillary's known as a leader.
It's hard to say who could succeed her.
Before her youth wanes,
And because of her brains,
With Clinton's consent, we should breed her.

14405 CLINTON - HILLARY - WIFE Al Willis

Good God! Are you out of your gourd?
One of HER's all the land can afford.
Export her and her man
To Hong Kong or Japan;
Keep them down to our size, Praise the Lord!

14406 CLINTON - HILLARY - WIFE John Miller

I'm Hillary, and I'll tell you for certain,
I'll stand by my man, though I'm hurtin' --
I don't care who he bones,
If he leaves me alone --
If not, then I'll bring down the curtain.

14407 CLINTON - HILLARY - WIFE Kaylin Brandon

The "Left" is in great consternation;
"Fix the Bill" or they'll be conflagration.
Rodham says with a chill,
When she talks, "Fix the Bill" ,
She speaks of her husband's castration.

14408 CLINTON - HILLARY - WIFE Jim Weaver Collection

When Lewinsky got down on her knees,
The Cattle Queen was not very pleased.
But she read with gusto
Kaczynski's manifesto,
And devised some new federal decrees.

14409 CLINTON - HILLARY - WIFE Mike Schneider

Wild Willy's actions don't BEHOOVE
A President that's in the groove.
He's glad Hillary's
No artilleries.
To check mate ain't just a chess move.

14410 CLINTON - HILLARY - WIFE   Darryl

Chelsea walks in the room very nice.
Daddy hugs her and kisses her twice.
Then to Rodhoam she's led;
Mommy pats her dear head.
"You're right, dad, she's colder than ice."

14411 CLINTON - HILLARY - WIFE   Jim Weaver Collection

As the bimbos Ms. Rodham recalls,
One more time and she says Willy falls.
"In empowerment tents,
If I catch such events,
I'll cut off your inaugural balls."

14412 CLINTON - HILLARY - WIFE   Jim Weaver Collection

At least now we know who is smart;
It sure isn't Bill, the old fart.
Who Hillary is screwing
Is not open to viewing,
'Cause she fucks 'em and cuts out their heart.

14413 CLINTON - HILLARY - WIFE   Cheryl

To Willy we notice frigidity;
Bovine dealings revealed her cupidity.
If you think Rodham's great,
You no longer need wait;
Please enter the room marked "Stupidity".

14414 CLINTON - HILLARY - WIFE   Jim Weaver Collection

Everyone here, please take note;
Hillary has got my vote.
Poor sorry lass,
Her husband's an ass,
But on him she seem to dote.

14415 CLINTON - HILLARY - WIFE Arden

Said the prez, "I'll pay debt without fail;
So though Hillary's pussy is stale,
Since the bitch stood behind me
When Miss Flowers maligned me,
I still eat her, but never inhale."

14416 CLINTON - HILLARY - WIFE John Sandler P9303

Viagra, the little blue pill;
"A Godsend," said Hillary to Bill.
"'Cause after your tricks
With those intern-type chicks,
You're able my pussy to fill!"

14417 CLINTON - HILLARY - WIFE Raceway

Now Hillary's known as a leader,
Yet she can't even find poor Bill's peter.
If she was a leader, she'd ask Bill to eat her;
When faced with this task, he replied in a flash;
"The dog is hungry, go feed her."

14418 CLINTON - HILLARY - WIFE Lorraine T9711

To clear up a point, Bill was glad;
"To call her First Lady is mad!"
As he said to the throng,
"You have got it all wrong!
It means she's the first one I had!"

14419 CLINTON - HILLARY - WIFE Moony TP9802

Once again Bill and his wife disagree.
He's so Hemmingway-esque we can see.
For one question she'll opt,
For whom the pants dropped.
"Do not ask dear, the pants drop for thee."

14420 CLINTON - HILLARY - WIFE Jim Weaver Collection

Hillary looked at him, countenance stern,
And said "Bill, a new leaf you shall turn."
He said "Love, to be frank,
I would much rather wank
Than be framed by another intern."

14421 CLINTON - HILLARY - WIFE

Once was a leader named Bill,
Who, always in search of a thrill,
Said, "I'll find a young intern,
Who won't mind a rugburn,
'Cause Hillary gives me a chill."

14422 CLINTON - HILLARY - WIFE Tim Thompson

The First Lady sighed as she sat,
"That Monica looks kind of fat.
She's hornier than me,
Indubitably,
But then, so is old Socks the Cat."

14423 CLINTON - HILLARY - WIFE

Buddy's going to be neutered, they say;
I read in the paper today.
Socks was given the saw
While in Arkansaw;
At Bill, Hillary's thinking that way.

14424 CLINTON - HILLARY - WIFE S C Saint

When Slick Willy jogs in the mall,
Hillary Rodham will soon get a call.
For when he stops to pee,
He's going to see
That her number's all over the wall.

14425 CLINTON - HILLARY - WIFE Jim Weaver Collection

Communing with ghosts on her roster,
Such as Eleanor, Ghandi, and Foster;
They seemed to advise,
On Bill, and his lies,
"Why not dump that lecherous imposter?"

14426 CLINTON - HILLARY - WIFE Don Hart

There was a First Lady named Hillary
Who remembered the days when the pillory
Was the punishment given
By husbands who'd driven
Their women to raid the distillery.

14427 CLINTON - HILLARY - WIFE John Peyton Cooke

An adulterous liar named Bill
Was possessed of a wife with a will
To reach the White House
On the back of her spouse,
And not on her knowledge or skill.

14428 CLINTON - HILLARY - WIFE Jim Weaver Collection

Now Bill has us all in a tizzy.
Man, has he ever been busy.
He's skirting the dirt
While flirting with skirts,
And Hillary still wonders, "Is He?"

14429 CLINTON - HILLARY - WIFE Rusty Smith

Bill really loves a good blow.
He's a liar; I'm sure that it's so.
Does Hillary buy it?
Or does she just keep quiet.
How he does it, I'd sure like to know.

14430 CLINTON - HILLARY - WIFE Navin

Our First Lady was taken aback
When the Court gave her hubby no slack.
Asked she of her mate,
"You still want to date?
Then I think you should hurry and pack."

14431 CLINTON - HILLARY - WIFE Jim Weaver Collection

She knows Bill's a philandering sinner;
Rodham's patience is getting much thinner.
She got his attention
When he heard her mention
That Ms. Bobbitt was coming to dinner.

14432 CLINTON - HILLARY - WIFE Jim Weaver Collection

I need to confess about Bill:
His spunk is a quite bitter pill.
I don't give him head
And seldom do spread.
I'd rather he jack and I jill.

14433 CLINTON - HILLARY - WIFE John Miller

They're calling the Prez, "The Big Zipper".
"New rock group?" asks Hillary, chipper.
"Well he does play the sax.
Tell the folks to relax;
We'll leave it to Al and to Tipper."

14434 CLINTON - HILLARY - WIFE Ystap TP9802

Now Hillary's known as a leader,
Because she sucks Bill's three-foot tweeter!
But Willy's lez wife
Is handy with that knife,
And his whang is no longer a meter!

14435 CLINTON - HILLARY - WIFE   Chilly Willy   T9711

There once was a DC whore,
Who talked daily to Ellenor.
She married a hick
Who thought with his dick,
And was a liar to his very core.

14436 CLINTON - HILLARY - WIFE   Jim Weaver Collection

Brinkley's comments created some strife,
But Bill told him it's just part of life.
"You just bobbled the ball;
My goof's biggest of all;
Asking Rodham if she'd be my wife."

14437 CLINTON - HILLARY - WIFE   Jim Weaver Collection

Not every mistreater's a louse,
For implicit in Hillary's grouse
Lies a message subliminal:
Mistreatment is criminal
(Unless the abuser's my spouse!)

14438 CLINTON - HILLARY - WIFE

Now Hillary's known as a leader,
And Slick Willy's salary feeds her.
Clinton runs 'round;
Hillary won't frown.
Where are the morals of Peter.
(Peter's morals - he was a fucking pervert! - McW)
14439 CLINTON - HILLARY - WIFE   T9710

He is evil but he's not a dummy.
It's clear he thinks his parter's crummy.
But before you pre-judge,
Here's a wink and a nudge;
Before Rodham, you might choose that mummy.

14440 CLINTON - HILLARY - WIFE Jim Weaver Collection

Bill Clinton in need of some quips
Trimmed his wife's hairy pussy with snips,
Then as Democrats cheered,
Showed the snatch with no beard.
"There's no bush!" she exclaimed. "Read my lips!"

14441 CLINTON - HILLARY - WIFE Phil Cannibal P9301

I doubt Billy boy will be gloating
At surviving the seas he's been boating.
These days there's no chance
He's been getting romance;
I bet Hillary don't do deep throating.

14442 CLINTON - HILLARY - WIFE

Hilly, who once would be queen,
Has somehow been squooshed in between.
Her husband, the clown,
Has most likely put down
Any chance at the "First Husband" scene.

14443 CLINTON - HILLARY - WIFE John Miller

For her he seems to have no respect,
But what the hell else to expect
From a former "hippie".
The '60's, you see,
Their happy home he sure did wreck.

14444 CLINTON - HILLARY - WIFE Arden

Mrs. Clinton did not look amused,
And appeared to be fairly short-fused,
When I saw her today,
Walking grimly away
From the guy who is being accused.

14445 CLINTON - HILLARY - WIFE Jim Weaver Collection

If ridicule you wish to avoid,
Mrs. C., don't be paranoid.
Just accept it's high time
Willy paid for SOME crime,
Of the many whose fruits you've enjoyed.

14446 CLINTON - HILLARY - WIFE John Miller

Tell me Hillary, sweet,
Why you enable Bill, the cheat.
He gives in to lust,
You can't even trust
The satyr to be a little discreet.

14447 CLINTON - HILLARY - WIFE Jim Weaver Collection

Bill said, "You have aroused me, my dear;
Makes me wish that the pole vault was near."
She said, "Willy, you dud,
With the size of your pud,
A small hurdle you'd not even clear!"

14448 CLINTON - HILLARY - WIFE Jim Weaver Collection

The media is having a blast,
Detailing Bill's hot sexual past.
I look at my husband dear,
And for Hillary shed a tear;
I'm not his first lady, but I'm last.

14449 CLINTON - HILLARY - WIFE Tom Simon

In public, a loving pair,
But when in their own private lair,
Does she say with a smirk,
"Bill, you fucking jerk!
I never expected to share!"

14450 CLINTON - HILLARY - WIFE Arden

An eagle whose wings have been clipped,
Wishes Monica'd been more tight-lipped.
The White House resident,
Who's not the President,
Would prefer that his nuts had been nipped.

14451 CLINTON - HILLARY - WIFE

"Slick Willy" should once in a while,
Behave in his own DOMICILE,
And share his sex life
With only his wife,
That lawyerly mistress of guile.

14452 CLINTON - HILLARY - WIFE Chris Papa

A statesmanly woman named Hillary
Said: "I'm pissed off with your peccadillory --
All this billin' and cooin'
With Monica Lewin --
Sky's givin' me terrible billary!"

14453 CLINTON - HILLARY - WIFE

When Bill and Hillary Slick
Made known their political clique
Of Lesbians and gays,
And folks with strange ways,
The world then became somewhat sick.

14454 CLINTON - HILLARY - WIFE Jim Weaver Collection

Meanwhile Bill's dear Hill-a-ree
Stands by her old man, yes-sir-ee.
She goes to great pain
To clearly explain
A mean right wing con-spir-a-cee.

14455 CLINTON - HILLARY - WIFE Scott Baldwin

Hill woke up Bill, a cheap shot...
"I'm just going to squat on the pot."
"You going for a pee?
Why alert me?"
"I want you to just save my spot."

14456 CLINTON - HILLARY - WIFE TuttaGioia

Shut Up, every right winger meanie;
Please just lay off our grand King and Queenie.
Her views are in fashion;
She has the compassion,
And even shares her husband's weenie.

14457 CLINTON - HILLARY - WIFE Jim Weaver Collection

To the Whitehouse West Portico greeter,
Said Bill, "The First Lady -- none's sweeter --
But remember that she's
Changed her name, if you please,
As you know, she is now Sharon Peter."

14458 CLINTON - HILLARY - WIFE Martin Wellborn P9807

Bill and Hillary left church to boos.
Bill walked fast, looking down at his shoes.
Notice that Hill
Had a look that could kill.
Who she'll kill, I'll leave you to choose.

14459 CLINTON - HILLARY - WIFE Annie Jay

Bill Clinton's the man of the hour;
So why does his wife have the power?
Lewinsky of course,
(Half woman, half horse)
No wonder Ms. Clinton's so sour!

14460 CLINTON - HILLARY - WIFE Star TP9806

Old Billy's in trouble in spades,
And Hillary's now quite afraid.
Guess her conscience requires
She quell her desires,
Now that hubby's spreading his AIDES.

14461 CLINTON - HILLARY - WIFE Rusty Smith

Bill Clinton is suffering malaise,
He's not getting much sex these days.
Says Hillary Rodham,
"Keep away from my bottom;
You've spent too much time with those gays."

14462 CLINTON - HILLARY - WIFE James M. Menger P9308

As Hillary stands by his side,
Bill claims the women have lied.
So from now to the end
She'll be his best friend,
For privilege, power and pride.

14463 CLINTON - HILLARY - WIFE Bob Birch P9804

Now don't get on Hillary's case,
A fine specimen of the human race.
No, she's not pretty
And hasn't much titty,
But she always tries to save face.

14464 CLINTON - HILLARY - WIFE Puff Adder

Mrs. C, like her hubby, is sly;
Feigns amazement we'd pick on her guy.
She says it is silly
To distrust Slick Willy,
Just because of one teensy lie.

14465 CLINTON - HILLARY - WIFE John Miller

Even though Bill and Hillary are wed,
I will bet they don't share the same bed.
And I'm sure she's aware
Of her husband's affairs
And that V.D. is very widespread.

14466 CLINTON - HILLARY - WIFE Jim Weaver Collection

There was a young pervert from Hope,
Who didn't inhale on his dope.
He said, "I forgot.
Last time I smoked pot,
Was when Hillary and I then eloped!"

14467 CLINTON - HILLARY - WIFE Marsha Magee

Executive Privilege we discern,
Keeps Starr from trying to learn
Just what the First Lady
Knows that is shady
About Paula and a certain intern!

14468 CLINTON - HILLARY - WIFE Sam Pittman

Over welfare, Bill Clinton's a hack.
Liberal buddies have launched an attack.
But if you think that's bad,
Chelsea's warning her dad:
"Just you wait until mommy gets back!"

14469 CLINTON - HILLARY - WIFE Jim Weaver Collection

Bill Clinton? Full of crap is he.
His success is because that we
As a nation complete,
Just stare at our feet,
Afflicted with great apathy.

14470 CLINTON - IGNORED Kasodrac

A world poll of Bill and Mon's frolics
Would result in "What a load of bollocks!"
Why not spend the time
Instead fighting crime;
The homeless; the hungry; alcoholics?

14471 CLINTON - IGNORED Kim and Sam

I have been browsing the net, merely lurking,
While my programming work I've been shirking.
And I see one refrain
Again and again,
From others who should have been working.

14472 CLINTON - IGNORED John Miller

"Oh, please let our President be!
He has led us to prosperity!"
(Now, surely these folks
Are just telling jokes?
They're not posting in sincerity?)

14473 CLINTON - IGNORED John Miller

Oh Lordy, Have they made my day!
I'd laugh if they'd show me the way,
Bill's led our finances
In glorious advances,
While keeping inflation at bay...

14474 CLINTON - IGNORED John Miller

Say banker and fat bureaucrat
Fail to keep this from all going flat.
Will folks act the same
As we go down in flame,
And blame the poor bastard for that?

14475 CLINTON - IGNORED John Miller

Today I am not very proud;
Last weekend I said right out loud,
"I'll bet the DOW
Drops half a thou..."
Well, it just went the range I'd allowed.

14476 CLINTON - IGNORED John Miller

Unless you want us to get stuck
With some moron who once drove a truck,
Let the man do his job,
And who's waxing his knob,
I, for one, do not give a fuck!

14477 CLINTON - IGNORED LadyJ

Man, I would give up ten bucks
Not to know who the President fucks.
From front or from rear --
I do not even care
If he sleeps with a truckload of ducks.

14478 CLINTON - IGNORED Nik Synytskyy

The question is one for grand juries
And for TV guys' whines, sighs, and worries;
While Starr serves a writ,
I do not give a shit.
I have my own life and it hurries.

14479 CLINTON - IGNORED Steevo

One feels sorry for President C.,
His private life fills our TV.
While you and I, say,
Can just rabbit away
In complete anonimity.

14480 CLINTON - IGNORED Birko

It seems Clinton bashers abound;
Still the polls say he's on solid ground.
It seems he can do
Anything he wants to,
And his polls, they still won't go down.

14481 CLINTON - IGNORED Gearhart

You have no right to complain
When those who govern remain,
If you didn't vote.
And on that note
I'll end this angry refrain.

14482 CLINTON - IGNORED Arden

Oh no! That Slick Willie again.
Tell me, what do we stand to gain
Knowing how he sleeps,
Who he fucks, how he sheets,
And if Monica's really his bane.

14483 CLINTON - IGNORED Nik Syntyskyy

Seems journalists can't find the news
Unless it involves "who did who".
It is not my biz
Who shot their jizz
And whether is sprayed or it oozed.

14484 CLINTON - IGNORED Gearhart

As Pres, Bill couldn't be hipper;
Over 50, and still works the zipper.
He wants to shout
"You won't kick us out!
If you do, it's Al Gore and Tipper!"

14485 CLINTON - IMPEACH Anon

My what a temper have we,
About impeachment I see.
But Bills to blame,
He had no shame;
Your anger is displaced on me.

14486 CLINTON - IMPEACH Sumerman

Throwing stones amidst their glass castles,
Tormenting us all with their hassles;
They're right, you know,
Old Clinton should go.
But GOD don't they all look like assh'les.

14487 CLINTON - IMPEACH MrMalo

Impeach the man from D.C.?
I've thought of a better decree.
If the Senate were smart,
A vote they'd impart:
Blowjobs for all from Lewinsky!

14488 CLINTON - IMPEACH Tony Ventura

Our Congress accepted the scoop
From America's favorite snoop.
Wild oats he's not sown;
Who cast the first stone
For that sanctimonious group?

14489 CLINTON - IMPEACH Cyber Geezer

It seems our esteemed Head of State
May be facing impeachment. Hey, Great!
'Cause the Congress, this fall,
Would be watched by us all
As they publicly all mass-debate.

14490 CLINTON - IMPEACH Spirit

Please do not be depressed;
The problem will soon be addressed
By a whole bunch of guys,
In the Gongress so wise,
Whose efficiency's always impressed.

14491 CLINTON - IMPEACH John Miller

The impeachment trial's over at last,
Resolved as the pundits forecast.
As the lawyers departed,
Someone let loose and farted
And left the whole Senate aghast!

14492 CLINTON - IMPEACH

If the Senate can legally avoid
A long trial, they will be overjoyed!
They'd rather give Bill a pass
Than spend weeks on their ass.
I suspect the key word is "hemorrhoid".

14493 CLINTON - IMPEACH

Why pick on poor Starr and poor Hyde?
No need to be rude, crude and snide.
Those unfortunate slobs
Are just doing their jobs;
Bet they're really quite human, inside.

14494 CLINTON - IMPEACH

The voices, hushed and intonious,
With harshest decree sanctimonious;
"Impeach him!" quoth Hyde;
"There's no doubt that he lied
About sex! And we judge him felonious."

14495 CLINTON - IMPEACH Disgusted

Bill! Jesus Christ, aren't you proud?
It looks like you might be allowed
To wiggle and squirm
So's to finish your term;
We'll continue, though under a cloud.

14496 CLINTON - IMPEACH John Miller

How could you dare to convict
And pass down a guilty verdict,
If deep in your soul
You've buggered a hole
Of someone you ne'er should have picked.

14497 CLINTON - IMPEACH Arden

I keep getting thie recurring hunch...
Politicians are such a lame bunch!
Impeachment or censure,
It's such a gut wrencher;
Forget it! Let's all go to lunch!

14498 CLINTON - IMPEACH Observer TP9901

A Republican Congressman, Hyde,
Wanted President Clinton deep-fried.
But come Nov, Y2K;
Grand Old Party will lay
Stone cold dead. Cause of death: Suicide.

14499 CLINTON - IMPEACH CB TP9901

For all Clinton lovers, this thought:
If Bill had stepped down, as he ought,
Then we'd all be blessed
With Gore ("second best"),
And the vote wouldn't have to be bought.

14500 CLINTON - IMPEACH

"No need for a trial!" so they spin.
They fear that their man cannot win.
For if there is a trial,
There is no denial;
Bill Clinton is guilty as sin!

14501 CLINTON - IMPEACH George Maschke

Bill's got troubles galore;
He not only lost his best whore,
His wife's gives him hell;
He'll soon be in jail,
appendg Hail to the Chief to Al Gore.

14502 CLINTON - IMPEACH Jim Weaver Collection

You know its their solemn duty
To cross-examine this cutie.
There has been some hints
They may find fingerprints,
If first they'd examine her booty

14503 CLINTON - IMPEACH Jim Weaver Collection

In bed, Bill's a great president,
Whose tool - I'll confirm it -- is bent.
Since he put it in double,
To save Monica trouble,
He's not guilty of coming -- he went.

14504 CLINTON - IMPEACH

Oh come now, Mister Henry Hyde;
So you got some on the side.
Affairs at forty-one
Are not exactly that young.
Your story is not bona fide.

14505 CLINTON - IMPEACH Ted

You wouldn't have told your mommy
Or your seargeant in the Army,
That it's just indiscreet
And not a sin to cheat;
That you only played Hyde the salami.

14506 CLINTON - IMPEACH Ted

In this, the great land of democracy,
We're about to hamstring the bureaucracy.
By going to trial
About sexual denial,
Seems to me, it's the height of hipocracy.

14507 CLINTON - IMPEACH MrMalo

Impeachment's a GOP ruse;
It's causing the public to snooze.
If every past Pres
Were thus stalked, I can't guess,
In the fallout, how many we'd lose.

14508 CLINTON - IMPEACH K R Swift TP9901

How did we deserve Mr. Hyde?
I ask you, all joking aside...
That fat mincing twit
And base hypocrite,
Excreting his humbug with pride.

14509 CLINTON - IMPEACH Tutta Gioia

Hyde -- hypocrite, politician --
Went off on this critical mission,
To dig up more slime
On what's not worth a dime.
It's a plot of the Christian Coalition.

14510 CLINTON - IMPEACH Karen

An Arkansas Clinton named Bill
Was re-elected by popular swill.
"Looks like he squeaked in,"
Said Bob Dole with a grin,
"But impeach him by mid-term, we will!"

14511 CLINTON - IMPEACH Jim Weaver Collection

Clinton is a big fat slob;
He's in danger of losing his job.
Thanks to Lewinsky and Starr,
His job can't go far,
And we now know the size of his knob.

14512 CLINTON - IMPEACH Danny

It is wrong what the RIGHT's tried to do,
But the LEFT abused Article Two;
Four, Six, Nine, and Ten
By the Liberal den
Have had a most liberal screw.

14513 CLINTON - IMPEACH John Miller

A Senator's vote to acquit
Is a curious statement, to wit:
I affirm wrong is right,
And I swear black is white,
And to lie under oat is legit!

14514 CLINTON - IMPEACH George Maschke

Soon the law schools shall teach
Lawyers to have process reach.
Candidates not elected
In case not selected
So they make evidence to impeach.

14515 CLINTON - IMPEACH

If you please, let us drop the pretense
('Cause your reasoning just makes no sense);
I don't mean to berate,
But if Bill lies so great,
From when come the House malcontents?

14516 CLINTON - IMPEACH Mike

Bill, please watch what your dick's in,
With wrong gals you sure have been mixin' --
Now Congress is moaning,
And you'll be atoning;
Impeachment is what they are fixin'.

14517 CLINTON - IMPEACH Tim Thompson

Monica thought Bill was quite dashing,
But lately he's been taking a bashing.
He'll say without fear,
"Impeachment's severe --
But I deserve a good tongue lashing."

14518 CLINTON - IMPEACH Kaylin Brandon

You Dems should be calming your fears;
Greet impeachment of Clinton with cheers!
A "Yea" vote on the floor
Just might put Al Gore
In power for nearly ten years.

14519 CLINTON - IMPEACH John Miller

If Clinton's to be tried for a crime
And in disgrace made to do time,
Before he's locked in,
Let those pure of sin,
Sit judgement, not those full of grime.

When the toothpaste gets out of the tube,
It was Haldeman, who was so shrewd
To observe years ago,
In another side show,
You can't get it back in the tube.

I had a nightmare weeks ago.
In the White House, Bill was to throw
Himself on the knife,
Causing great strife.
I woke up in tears, crying "NO!"

14522 CLINTON - IMPEACH Karen

There once was a Pres named Slick Willie
Who came from a state of hillbillies.
He made quite a reach,
And wound up impeached
Over an intern that acted silly.

14523 CLINTON - IMPEACH Jim Weaver Collection

A slick politician named Clinton,
Said, "Of all my sins, I'm repentin'.
Don't intend to resign,
But decision's not mine.
We don't own the house, we're just rentin'."

14524 CLINTON - IMPEACH Jumpin Jack

I know that you have been pining
For impeachment. I could tell by your whining.
But if Bill is such scum,
Then tell me how come
The Republicans all are resigning.
(December 1998)

14525 CLINTON - IMPEACH MrMalo

Well that's why this things being tried;
She claims what he has denied.
He could go to jail
For squeezing her tail;
I bet that fills the senate with pride.

14526 CLINTON - IMPEACH Jim Weaver Collection

There once was a fellow named Hyde,
Who slept with a lass not his bride.
"I confess it's the truth;
'Twas the folly of youth!
I was but forty-something," he cried.

14527 CLINTON - IMPEACH Donna lee Dom

Bill, you are buried in shit,
But most of us don't want you to quit.
Just show us some shame,
Restore pride to your name,
There's some stuff that you have to admit.

14528 CLINTON - IMPEACH Jim Weaver Collection

The Senate's redundant and rigid;
The cost now approaches six digits.
It's all such a bore;
Do we have to have more?
Temps no longer fugits, it fidgits!

14529 CLINTON - IMPEACH Island Singer TP9901

If Clinton is shown to the door,
There'll be pestilence, famine, and war!
And chaos will reign
So shall havoc maintain,
If Bill Clinton's replaced by Al Gore!

14530 CLINTON - IMPEACH George Maschke

I scoffed, as did most, at the few
Who spoke after Fall, 92,
And cried out, "Impeach!"...
Bill seemed out of reach;
I thought it was hopeless, that's true.

14531 CLINTON - IMPEACH John Miller

He seemed to possess a slick coating
Unaffected by lawsuits or voting.
The truth, if you will,
Slid right off of Bill,
'Midst Cuban cigars and smug gloating.

14532 CLINTON - IMPEACH John Miller

Slick Willie, I though, was too slick
For any indictment to stick,
But stray DNA
Was brought into play --
The truth came from Clinton's own prick!

14533 CLINTON - IMPEACH John MIller

So finally that Teflon's been breached.
He who though that he couldn't be reached
And scoffed at the law
Has been trapped by his flaw.
This liar has now been impeached.

14534 CLINTON - IMPEACH John Miller

The perjury I carefully detail,
Is in essence a very strange tale.
"He touched me there."
By definition unfair
And thus a President I derail.

14535 CLINTON - IMPEACH

"The Impeachment" has moved to the Senate,
And Clinton still thinks he can win it.
But Trent Lott wants to see
Inside Monica's "V"
To check if Bill's cock is still in it.

14536 CLINTON - IMPEACH Knott Wright TP9901

Now some say that I've overreached,
That the law of the land has been breached.
But there's no denying
That others are dying
To save me from being impeached!

14537 CLINTON - IMPEACH George Maschke

The President's sin and its wages
Will be judged by Congressional sages.
But let us compose
The jury of those,
Who never got blowjobs from pages!

14538 CLINTON - IMPEACH

...If so, then that most august forum
Quite likely won't muster a quorum.
The question at large is
What to do with the charges?
It's safest to simply ignore 'em.

With U.S. in its present state,
Starr does President CRIMINATE.
We'll just wait and see
What results may be;
Will impeachment be Willy's fate?

14540 CLINTON - IMPEACH Chris Papa

A reporter by the name of Beauchamp
Asked a New Yorker to teach him
Or at least give a hint on
Old W. Clinton,
And why the Senate tried to impeach him.

14541 CLINTON - IMPEACH Gerald Bosacker (?)

The House should impeach him with ease;
The trial in the Senate's a breeze.
Or would it be fine
If he'd simply resign.
(Too bad that he's not Japanese.)
(Seppuku implied I think - McW)
14542 CLINTON - IMPEACH John Miller

Ken Starr, you're really a maven;
You should be seeking safe haven.
Here come those bad cats,
All of them Democrats,
And their yowl is "Bill ain't misbehavin'."

The accusations could not be denied.
When asked about jizz,
He stumbled on "is";
The miserable truth was Bill lied.

14545 CLINTON - KEN STARR

Starr gets closer; Bill's cronies will sing,
So the Simpson defense he will bring.
Bill has made it an art;
No, not OJ but Bart.

Slick's China jaunt cost a gazillion.

Five more than Starr spent

14551 CLINTON - KEN STARR Marsha Magee TP9806

Miss Lewinsky, Miss Tripp and Ken Starr
Tried to take down the American Czar.

I'm Clinton, the Chief that you hail;
So far I have stayed out of jail.

A lawyerly voyeur named Starr
Pursued country matters too far.

The jury heard Starr and would spurn him;
Bill's freedom, their verdict could earn him.
But the judge overruled,
He was quite highly schooled,
And the judge replied, "Fuck it! Let's burn him!"

14564 CLINTON - KEN STARR Squeaky TP9807

Ken Starr has campaigned against smut;
His case is quite open and shut.
He claims to despise it
And loudly decries it,
And can't think of anything but.

14565 CLINTON - KEN STARR

He's claiming the president sinned
And hoping to have him skinned.
But if she never talks
And old Billy boy walks,
Then Kenny boy's dick's in the wind.

Did Mr. Starr take a leak
On Monica's dress or just peek?
If pot and kettle are black,

Private coercion we do not seek.

Does ANYONE mourn for that law?
It suffered from many a flaw.
Now a nice firing squad
Or a swift act of God,
Could've stopped all that nonsense we saw.

Political debate, I'll eshew,
At least until quaffing a few.
I don't give a fig

Well, I'll do that, but just out of deference.
I suppose that you think that your reference
To Starr has me pissed?
Hell, he won't be missed!
A WINNER would've been my strong preference!

14570 CLINTON - KEN STARR

"Starr-crossed lover", I like that.
Yes, the fire is close to Bill's fat.
He may be a hillbilly,
But he's still Slick Willie
And he still has one more turn at bat.

14571 CLINTON - KEN STARR S C Saint

I heard of a man named Bill;
He lives near the Capital Hill.
He whipped it out;

14572 CLINTON - KEN STARR Barticus TP9807

Ken Starr went hunting for scandal:
Every Savings and Loan he would handle!
But in losing his aims,
Was diverted by dames
And became Pat Robertson's pet vandal!

14573 CLINTON - KEN STARR Amador

Krinkle krinkle, little Starr;
How we wonder what you are.
Way above the rest, I guess.
Looking, looking for a dress.
Picky picky, you've gone too far.

14574 CLINTON - KEN STARR Joe Jester

There once was a man from Dakar,

They're talking now, all of Bill's ringers,
And Ken Starr's hearing some of the zingers.

What they see they don't like;
The Clinton's don't have enough fingers.

Ken Starr will soon open the doors
For professional prosecutors.
The questions around town
Are "What's going down?"
And "Will they cut straight to the core?"

Miss Lewinsky, Miss Tripp and Ken Starr
All met for drinks in Joe's Bar.
"Ken," Monica said,
"You take Bill to bed.
Linda can record from the car."

14578 CLINTON - KEN STARR

Mr. Starr, put away your trump card,
Or next time I'll bet it's played hard
By the liberal left,
On a Republican of heft,
To horrify many more than this bard.

14579 CLINTON - KEN STARR Jim Weaver Collection

Said Ken Starr with a tear in his eye,
Forty mill spent on much SCHWARMEREI
About a bared thong,
And private acts wrong,
And still in the polls he rides high.

14580 CLINTON - KEN STARR J'Carlin

Says Starr, "We need proof to win!
There's some left after every sin.
Subpoena the toilet!
Quick or he'll boil it!"
Go get 'em Ken; stick your nose in!

14581 CLINTON - KEN STARR MrMalo

"It's a serious case of depravity,"
Said Starr to old Clinton with gravity.
"Your dick was too small;
She'd not feel it at all;
You're charged with not filling her cavity!"

14582 CLINTON - KEN STARR Peter W

Encrusted dried sperm lines the box
(Excretions from Starr sniffing frocks)
Of a statute insidious
Put to uses invidious,
Which oozed toxic pus like the pox.

14583 CLINTON - KEN STARR

There once was a man named Starr
Who lusted for power afar.
When accounting expenses
He offended our senses,
And we could only go "Arrrr."

14584 CLINTON - KEN STARR

Now Starr wants to up the score;
"We just will discuss it no more.
The charge will be savage.
But with her batting average,
I'm sure she's played hardball before."

14585 CLINTON - KEN STARR MrMalo

"I'll admit," said a fellow named Starr,
"That a phallus is like a cigar;
But to lie to the nation,
And deny penetration,
Is stretching the truth just too far."

14586 CLINTON - KEN STARR Bob Birch P9811

Bill Jefferson Clinton must feel
He has been through a painful ordeal;
Not only has Starr
Asked about a cigar --
Now Buddy and Socks plan to squeal.

14587 CLINTON - KEN STARR Norm Storer

Had the issue from vertical dance
Fallen elsewhere in oval room trance,
The stain now on tweed,
The headlines would read,
KEN STARR SUBPOENAED MY PANTS!

14588 CLINTON - KEN STARR Joseph Palmer

Miss Lewinsky, Miss Tripp and Ken Starr
Took samples of Bill in a jar
An easier job
Then slobbing his knob
Because she swallowed all evidence so far!

14589 CLINTON - KEN STARR

Poor Willie is feeling such pain
Mea Culpas, again and again.
'Tis only 'cause Starr
Has feathers and tar,
To be used on the Internet plane!

14590 CLINTON - KEN STARR

An independent counsel named Starr
Was arrested for going too far.
He was searching for sin
From without and within,
And calling for feathers and tar.

14591 CLINTON - KEN STARR Brian

Ken Starr is searching for "Big Lie".
He's forcing Clinton to testify.
It's a serious task;
For sure Starr will ask,
"Tell us, did she taste like apple pie?"

14592 CLINTON - KEN STARR Jennifer Morales

I think Ken Starr can get a writ
Of labius corpus, to wit:
Let fall the chips
And bring us the lips;
We'd like a sample of spit.

14593 CLINTON - KEN STARR MrMalo

Thought Starr had a case, but he mustn't.
Thought Starr was smart, but he wasn't.
Thirty million bucks
To find out who Bill fucks?
It's cheaper to find out who doesn't.

14594 CLINTON - KEN STARR MrMalo

He was sick of being kept in suspense
And tiring of all the pretense.
So Starr got real huffy
When he saw her cheeks puffy,
And said, "You withheld evidence!"

14595 CLINTON - KEN STARR OgniGioia

Ken's poking his head through the doors
To ferret out all Billy's whores.
Subpoenas are flying
And who's next testifying?
The woman who washes the floors?

14596 CLINTON - KEN STARR MrMalo

If Ken Starr can prove Clinton's a spawner,
Then the President's surely a goner.
But did Kenneth neglect
To show proper respect,
By addressing the man as "You're on her."

14597 CLINTON - KEN STARR Larry Hollister

Look at that asshole, Ken Starr;
This time he went way too far.
There may be a dress
That should go to the press,
But those stains were not White Wa-tar.

14598 CLINTON - KEN STARR - DISLIKED M David Tilson

In Starr's zeal to calumniate
And warp every small tete-a-tete,
His credibility will wane;
He'll feel sympathy pain
When he gets the fickle finger of fate.
(calumniate - denigrate and slander a public official)
14599 CLINTON - KEN STARR - DISLIKED S C Saint

An idea that comes from Bill's staff;
It has merit; please do not laugh.

Bill Clinton's no saint, I am sure,
But this witch hunt is so much manure.
He just dipped his wick

Ken Starr is just jealous...the boor.

14602 CLINTON - KEN STARR - DISLIKED Terry Lynn

It's no matter if we like old Bill,
But we also have had our fill.

Afraid so, I've got a sinking feeling.

Miss Lewinsky, Miss Tripp and Ken Starr

Kept probing for muck wide and far.
He piled up the dirt
Bought with dollars and hurt,
Yet couldn't fill up a fruit jar.

14639 CLINTON - KEN STARR - SEARCH   Cyber Geezer

Seven years of investigation,
Deposition and deputation,
But all that they've got
Is that he's hot-to-trot!
No shit! So's three-fourths of the nation!

14640 CLINTON - KEN STARR - SEARCH   Jim Weaver Collection

Ken Starr in pursusit ASSIDUOUS,
Using tactics legal and insiduous,
Attempted to prove
And thence to remove
Bill, who he thought was invidious.

14641 CLINTON - KEN STARR - SEARCH   J'Carlin

Ken Starr is conducting a probe
Of interns all over the globe.
Democrats say, "Will you see
If you can find two or three
Whom Bill did not seek to disrobe?"

14642 CLINTON - KEN STARR - SEARCH   Everett Parker   TP9804

Kenneth Starr has been serving subpoenas
To some gals who've encountered Bill's penis.
They've revealed recollections
Of the Clinton erections,
And the warnings to "keep it between us."

14643 CLINTON - KEN STARR - SEARCH   Jim Weaver Collection

Clinton better think up something fast.
Starr is digging up girls from his past.
If the rumors are true,
There will be quite a few.
All together they'll make quite a cast!

14644 CLINTON - KEN STARR - SEARCH   Jim Weaver Collection

The probe of White Water won't stop.
Starr's team will not let the thing drop.
They plan to persist
And will follow each twist
As the path wends its way to the top.

14645 CLINTON - KEN STARR - SEARCH   Jim Weaver Collection

I really am tired of Ken Starr,
That idiot's gone way too far,
To imply and suggest
That some fine oral sex
Is just for teens in a car!

14646 CLINTON - KEN STARR - SEARCH   Wildman   P9803

When Ken Starr bids the Clintons farewell,
It will not put an end to their Hell.
Starr has gathered a crew
To see White Water through,
And they all have a good sense of smell.

14647 CLINTON - KEN STARR - SEARCH   Jim Weaver Collection

That investigation of Starr's a big mess;
Who's winning is hard to assess.
The team we implore,
Can't quite even the score,
And few know as much as the press.

14648 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

Does Ken think he's Elliot Ness,
With the authority that he could express?
Do you think when Starr vents,
He can scare the defense?
Hell, he acts like he's wearing a dress.

14649 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

His performance does hardly impress,
Those who think that the girl did undress.
Did Bill try to deceive her?
Few seem to believe her.
But why would she say it? No less.

14650 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

This whole effort could use some largess,
Any info would help him, I guess.
From Bill's liking of girls,
To the lives he unfurls,
But, I doubt Starr does this much possess.

14651 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

For the investigation to progress,
He should show some unselfishness.
Stop his verbal attacks,
And the leaking of facts,
'Cause he'll lose when defense smells duress.

14652 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

So it's onward prosecutors will press;
These guys won't be happy with less,
Than to please the Grand Jury,
With their side of the story.
Any win for new careers to caress.

14653 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

But the whole thing has begun to regress;
Starr should admit that he's lost it, unless,
The evidentiary phase,
Starts to garner him praise,
Overruling Clinton's move to suppress.

14654 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

Reminiscent of a game of chess,
Pretty much, but it causes more stress.
How long can we bear?
To continue's not fair.
Calling off all the dogs, we would bless.

14655 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

But alas, even Starr must confess,
Sooner or later, he's got to address,
That his image ain't funny,
Wasting taxpayers money.
My vote to end it is...YES!

14656 CLINTON - KEN STARR - ZSERIES Squeaky   TP9806

Pontius Pilate came under attack;
Kenneth Starr's on a parallel track.
Then the public outcry
Was a loud "Crucify!"
Now it's "Why not get off his back!"

14657 CLINTON - KEN STARR - ZSERIES John Miller 0295

That comparison is not fair nor fitting;
Starr has backing for what he is getting,
By those rabids who care
Who fucks who, when, and where.
I wonder just who's benefitting.

14658 CLINTON - KEN STARR - ZSERIES S C Saint

Slick Willie is far less to blame
Than Starr, who is seeking his fame.
The cost of the show,
At ten mill per blow,
Is clearly the crime we should flame.

14659 CLINTON - KEN STARR - ZSERIES H WHELCHEL

From that kind of thinking it's clear
You'd have felons with nothing to fear.
It costs lots of dough
To try them, you know.
(Starr's costing you less than a beer)

14660 CLINTON - KEN STARR - ZSERIES John Miller

To you this may come as a shock
But you've got to poke under the rock
In order to know
'Bout the vermin below...
(There's more crooked to Bill than his cock)

14661 CLINTON - KEN STARR - ZSERIES John Miller

Too much of a good thing can do
Such a terrible thing to you --
Too much titillation;
Premature ejaculation --
The evidence is there on your shoe!

14662 CLINTON - KEN STARR - ZSERIES Kaylin

Ken Starr still has been found
Looking for evidence all around.
If you run for office,
He'll ask if you boff us;
Us girls must all go underground!

14663 CLINTON - KEN STARR - ZSERIES Peter Wilkins

He does look for jizz in strange places --
On girls collars, and on their faces!
I don't know what he'd do
If he sees your shoe --
Clean it good! Don't leave any traces!

14664 CLINTON - KEN STARR - ZSERIES Peter Wilkins

My vocabulary is getting spacious;
I can say suborn and salacious.
I'm speaking Clinton-ese
(A form of legalese)
Because Bill found Monica bodacious!

14665 CLINTON - LEWINSKY Sumerman

Unbuckling her knee pads, Miss Monica
Went to Jordan for counsel at Hanukkah.
He advised, "Get a grip
On that bitch Linda Tripp,
Before she gives Bubba boobonica!

14666 CLINTON - LEWINSKY

Billy Beer and Bill's semen are drinks,
And it's all in the way that one thinks.
One comes in a can;
One comes from a man;
But both of them are made by dinks.

14667 CLINTON - LEWINSKY Spuddie

Of the reasons for gifts, we're advised:
She is Jewish, Bill Clinton surmised.
So he purchased this Monica
Some nice things for Hanuka,
And of course, proved he was circumcised.

14668 CLINTON - LEWINSKY David Finley

We thought "didn't inhale" as quite hollow
But what chutzpah he's got now to follow.
His dissembling's overt
With, "I didn't insert" --
Another cock and Bill story, to swallow!

14669 CLINTON - LEWINSKY FCA P9803

Descriptive moniker, COGNOMEN,
Like that of Frosty for snowmen,
Or poet Pinsky,
Or even Lewinsky,
Theough the latter is not a good omen.

14670 CLINTON - LEWINSKY Daniel Ford

Clinton's well-liked and quite hip,
But he'd have from the Nation one tip.
When young interns get
Their parts soft and wet,
He must keep control of his zip!

14671 CLINTON - LEWINSKY Jayne

Oh please; not that Monica who
Is still chewing the president's goo.
I've no wish to get stuck
Into Clinton's old muck;
I'd prefer to fuck creatures that moo.

14672 CLINTON - LEWINSKY

Miss Lewinsky received full immunity;
She can tell what she knows with impunity.
The deal that was struck
May bode ill for der schmuck,
And create party ire and disunity.

14673 CLINTON - LEWINSKY Jim Weaver Collection

If Shakespeare were writing today,
He'd throw his old quill-pen away.
He'd write limericks on-line,
Of dubious rhyme
'Bout Lewinsky's future dental decay.

14674 CLINTON - LEWINSKY Deep Goat

Said Bill, "I've committed no crime.
It's all my old pals doing time!
And if I confess
The Monica mess,
You're screwed; I'll just do it in mime!"

14675 CLINTON - LEWINSKY

Thank you, I should have been nicer,
But this sex scandal's really a spicer.
I'm feeling quite torn
Over all of the scorn,
Deserved by both Bill and enticer.

14676 CLINTON - LEWINSKY Jim Weaver Collection

Clinton has loudly asserted
That though with Lewinsky he flirted,
Just like the tale
That he didn't inhale,
He erected, but never inserted.

14677 CLINTON - LEWINSKY Gwyn Clark P9812

EROTOMANIA, 'tis often said,
Will end with a consequence dread,
Now story is blown,
And Monica flown,
Poor Willy is losing his head!

14678 CLINTON - LEWINSKY Chris Papa

There once was a gal named Lewinsky
Who played on a flute like Stravinsky.
'Twas "Hail to the Chief"
On this flute made of beef
That stole the front page from Kaczynski.

14679 CLINTON - LEWINSKY Bill Ward

We once had a Prez called Slick Willie;
As Chief Exec he was a dilly.
He raised his right hand,
And swore on the stand
That Monica hadn't gilded his lily.

14680 CLINTON - LEWINSKY Thomas Ratliff P0304

For an intern she's a hell of a girl.
Bill told her, "It's only a whirl,
And I'll never confess,
To this whole nasty mess,
If ever your lips do unfurl."

14681 CLINTON - LEWINSKY Jim Weaver Collection

If they make Miss Lewinsky confess
That a navy blue, souvenir dress
For Bill clinton she wore...
Then Vice President Gore
May quite soon be COMPLETELY vice-less.

14682 CLINTON - LEWINSKY Prof M-G T9801

The deep-throated gal from L.A.
Said, "I don't want the Pres to pay."
She just wanted more,
But Bill's pecker got sore;
So he gently just sent her away.

14683 CLINTON - LEWINSKY Harold

"Enough!" said the lawyer of Lewinsky,
"You media are one big buttinski.
Leave my client alone
Or get letters at home
From her new press agent, Kaczynsky!"

14684 CLINTON - LEWINSKY Rob Walworth

They quietly showed Monica the door,
And said "You shall come here no more.
Old Willy's too slick
To let you suck his dick,
Who needs you when he's got Al Gore?"

14685 CLINTON - LEWINSKY MrMalo

Bill said that he wouldn't be squirtin',
Till of Monica he was more certain.
But now the world knows,
How he comes and he goes,
And his presidency sure is hurtin'.

14686 CLINTON - LEWINSKY Tim Thompson

There was a young girl called Lewinsky,
Who caused as much stir as Kaczynski.
When on Kenneth Starr's lap
She confided, when trapped,
"Bill Clinton is hung like Nijinsky."

14687 CLINTON - LEWINSKY Robertson & Pacenti

Clinton's lawyers -- R. Bennet & Co.
Declare, "We'll immediately tro.
Charge that concerns
Having sex with interns,
With proof that he never did ho."

14688 CLINTON - LEWINSKY FCA P9803

Future kids will read only what's written
And the public has a habit of forgettin'.
Just a small footnote,
Not about her deep throat;
The same thing has happened in Britain.

14689 CLINTON - LEWINSKY Jim Weaver Collection

Mr. Clinton, at least, to this date,
Is the captain of our ship of state.
Since Monique, said Ms Tripp,
Went down with the ship,
'Twould've been safer to just master debate.

14690 CLINTON - LEWINSKY Steevo

When asked about details salacious,
Bill tells us why Monica's fellatious.
Her asshole is such
That the sides never touch,
And her pussy is even more spacious.

14691 CLINTON - LEWINSKY MrMalo

My name is Ms Lewinsky.
Mr Starr, you're a buttinsky.
I gave the president head;
So what, he wasn't dead.
Leave me be, leave me be, leave me be.

14692 CLINTON - LEWINSKY Sam

A certain young woman named Monica
Says the Prez was really quite fond of her.
She'll forever be linked
With Bill Clinton's dink,
As much as menorahs with Hanukkah.

14693 CLINTON - LEWINSKY Possum P9803

So Monica's going to rat,
Like the proverbial spoiled little brat.
They'll turn Carville loose
And he'll cook her goose.
Then she'll look like something you shat.

14694 CLINTON - LEWINSKY Puff Adder

Monica has lost weight, and how!
She looks less like a Holstein cow.
The secret to lost pounds
Is not out of bounds.
She's putting less in her mouth, now.

14695 CLINTON - LEWINSKY Anon

Mr. Clinton's a hardworking guy,
But he paused when Lewinsky came by,
Saying, "Please give me more of this
Sweet Oval Orifice --
Won't you eat lunch 'on the fly'?"

14696 CLINTON - LEWINSKY Stargazer P9803

She's a wily young thing, there's no doubt;
Says the Prez gave her plenty of clout.
As an intern, while hugging,
And later on bugging,
Conversations that made Hillary pout!

14697 CLINTON - LEWINSKY Ystap T9801

Monica tells all to the press,
What Bill did is still just a guess.
But we'll all soon find out
What the Pres is about
To do, to bail out of this mess!

14698 CLINTON - LEWINSKY Ystap T9801

There is a president named Bill,
With a liberal wife named Hill.
She will not bake a cookie,
And will give him no nookie,
But he knows that Monica will.

14699 CLINTON - LEWINSKY Jim Weaver Collection

Said Monica, feeling quite chipper,
As she undid the President's zipper,
"Well, it seems pretty clear
That what we have here
Is a lot more that Al feeds to Tipper.

14700 CLINTON - LEWINSKY Jim Schaefer P9803

"It's backwards!" the alien said, puzzled.
"On my world, the intern would be guzzled.
Here the intern's the eater --
But only his peter --
And it's critics the public wants muzzled!"

14701 CLINTON - LEWINSKY John Miller

Lewinsky's not looking too glum,
'Cause she's put in an order for some
Of the out-takes
Of the imprints she makes.
She says, "Someday my prints will come."

14702 CLINTON - LEWINSKY Irish

Pain in the ass was the sentiment,
Without a Monica condiment,
But I'd have preferred
Word use were demurred,
In favor of euphemistiment.

14703 CLINTON - LEWINSKY Daniel Ford

We all know Kaczynski is nuts,
But Lewinsky is Queen of the Sluts.
Her slightest mention
Gets the press's attention,
Absolutely no ifs, ands, or butts.

14704 CLINTON - LEWINSKY Frank Petersohn

Monica, as good as you get,
At least did not wear a LABRET,
Or Willy'd be sore,
As she knelt on the floor,
And etched tender tool there, you bet!

14705 CLINTON - LEWINSKY Chris Papa

Through his door I heard a loud groan,
While Monica was down on his bone.
It just makes me sick;
My intern won't suck MY dick;
He won't even answer the phone!

14706 CLINTON - LEWINSKY Jim Weaver Collection

Oh, Bill, please say it's not true,
This stuff about you and Ms. Lew.
"My peenie is bent,
Instead of coming, I went.
You can't even call that a screw."

14707 CLINTON - LEWINSKY M David Tilson

Being Prez is one hell of a prize,
So don't be too hard on these guys.
With four years to wait
The loser will hate,
Not hearing sweet Monica's sighs.

14708 CLINTON - LEWINSKY Frank

The definition of sex you can see
Is why Clinton is copping a plea.
"My lawyers concur
I had no sex with her,
While Monica had sex with me."

14709 CLINTON - LEWINSKY Thomas M Patton P9901

By his wife, for much blithery flack,
Bill's bottom was spanked at the back,
And told, "Don't trust a girl
With big hair in a curl,
And kneepads and a tongue slithery!" - WHACK!

14710 CLINTON - LEWINSKY

There once was a young man from Hope,
Who didn't inhale on his dope.
But Monica Lewinsky,
She made him feel frisky,
But now he does nothing but mope.

14711 CLINTON - LEWINSKY Gordon D Duffus

The president proved he could gauge
The moment to strike out in rage.
His "Wag the Dog" spin's key
To pushing Lewinsky
Right off of our nation's front page.

14712 CLINTON - LEWINSKY

Little Monica Lewinsky
Got a dribble or two on her chinsky.
Now Bill's in hot water
As quite well he oughter,
For giving her the old out and insky.

14713 CLINTON - LEWINSKY Jeff T9801

Some people really try hard to please.
One prompted a new word -- Lewinskys.
She grew up, some might say,
But it was just yesterday
She crawled around on her hands and knees.

14714 CLINTON - LEWINSKY Al Bienstock

At a gathering on Clinton's behalf,
They shared a quick hug and a laugh.
Someone heard him say,
"I like your beret,
And I think I'd like you on my staff."

14715 CLINTON - LEWINSKY Bluebird

As we strove to have rhyme-it controlled;
We didn't "ask not," we Donne broke the mold.
In the spirit of fun,
We assure everyone
It was Clinton on whom the belle told.

14716 CLINTON - LEWINSKY Esther Koch

Last night's TV gave me a kick;
Lewinsky was doing a shtick.
She's a nervy young dame
'Cause her one claim to fame.
Is her work on the president's dick.

14717 CLINTON - LEWINSKY Arnie Schoenbrun P0308

He pissed on Monica too?
Not only on me and on you...
And every state,
His daughter and mate,
And anyone else he could screw.

14718 CLINTON - LEWINSKY John Miller

At Monica's future I frown,
Even though she's had world renown.
She's had her fifteen.
(Andy knows what I mean.)
From here she can only go down.
(Andy Warhohl - everyone will be famous 15 minutes)
14719 CLINTON - LEWINSKY Rusty Smith

More and more complex it becomes.
Just where were Ms Monica's gums?
Does Hillary's gay plight
Give Willie the right
To go for some clandestine comes?

14720 CLINTON - LEWINSKY M David Tilson

Said the President to the intern,
"It's not only for you that I yearn,
It is merely that you
Were the first in the queue;
I'll get 'round to the others in turn."

14721 CLINTON - LEWINSKY Richard Long

So Monica's said she will talk,
In return, she'll most certainly walk.
It looks bad for Bill,
I'm sure he feels ill,
It'll teach him to padlock his pork.

14722 CLINTON - LEWINSKY Andrew Walker BBC

Did our Bill have sex with Lewinsky?
The Repubs sure would like to convince me
That Clinton spent Hanukah
Playing his whore-Monica --
A mouth organ fit for Nijinski!

14723 CLINTON - LEWINSKY Writerman P9803

This trash is starting to get smelly;
I can't believe what's on the telly.
Without stains on her suit,
Will the point become moot?
Or will Starr want to pump out her belly?

14724 CLINTON - LEWINSKY MrMalo

Hillary said, "Are you having a fling
With that thong-snapping, interney thing?
I saw stuff on your fly."
Bill said, "That's a damn lie!
A conspiracy of the right wing!"

14725 CLINTON - LEWINSKY William N Nesbit P0209

Monica may say t'was a hoax;
The joke was on all of you folks.
Now that she has the paper,
She's now free to caper;
So much for Starr's masterstrokes.
(sounds like immunity to me - McW)
14726 CLINTON - LEWINSKY Jim Weaver Collection

Miss Monica, that cute little raver,
When asked which dance she did savor,
Said, "I was in clover
Doing the Bossanova,
But was 'tripped' doing the boss a favor."

14727 CLINTON - LEWINSKY H Myers

It started on Capitol Hill
That the right went in for the kill,
Starr fell from the sky,
As slick Willie slid by,
And Monica went on the pill!

14728 CLINTON - LEWINSKY Bob Birch P9803

Smirked Clinton, that frolicking pup,
"Now Monica, this is no gup:
I don't ask you to lie,
We can fuck eye to eye.
And come to a boil standing up."

14729 CLINTON - LEWINSKY Armand E Singer P9808

I'm sorry this lim is quite risque,
But Willy is terribly frisky.
Now his Starr-crossed lover
Has been flushed from her cover,
He should stick to his Arkansaw whiskey.

14730 CLINTON - LEWINSKY Andrew Walker BBC

There once was a girl from VanMeter;
Her parents named her Fonda Peter.
If she were an intern,
She would so gladly learn
To play the game, swallow the leader.

14731 CLINTON - LEWINSKY Gearhart

Needing help in the form of a greeter,
Bill thought that the page looked much sweeter.
So with finger on chin,
Bill said with a grin,
"Let's play 'swallow the leader'!"

14732 CLINTON - LEWINSKY FGO TP9802

A Polish gal interned for Bill,
And soon she was eating her fill.
Said her friend, "Don't you fear
That some trouble is near?"
Said the girl, "No, I'm taking the Pill."

14733 CLINTON - LEWINSKY David Finley

Lewinsky and Bill had some fun,
But 'twas something they shouldn't have done;
Now Monica's speaking,
The story is leaking,
And Clinton is under the gun.

14734 CLINTON - LEWINSKY Cap'n Bean P9812

Monica naked you say!
I think I'll just wait till they play
The White House tapes
Of the oral rapes,
When Ken Starr leaks them some day.

14735 CLINTON - LEWINSKY MrMalo

The President's pecker grew long,
When he saw Monica's new thong.
He saw her tits too,
In her dress of blue;
Tell me how that could be wrong?

14736 CLINTON - LEWINSKY N S Pierce

Young Monica's surely quite sad;
She knows that Bill Clinton's a cad.
There isn't a doubt
That he waves it about,
And he must be as old as her dad!

14737 CLINTON - LEWINSKY Peter W

Said Clinton, "Please don't tell the Mrs.
About Monica and of her kisses.
Sure I'll parse every phrase
For the rest of my days;
I defy you to say just what is is."

14738 CLINTON - LEWINSKY Tom Patton

Now that the whole world has trashed her,
We'd like to know which one is faster:
Ken Starr with subpoenas
Or Bill and his penis.
If Ken plays it right, he can ask her.

14739 CLINTON - LEWINSKY MrMalo

Though Monica may be Willy's bane,
And the media gives us a pain,
What I wonder
Amid all the thunder,
Is -- just who stands to gain?

14740 CLINTON - LEWINSKY Ron Graves

There is a mad bomber, Kaczynsky,
And a tawdry intern, Ms. Lewinsky.
One blows you to hell;
One blows and won't tell!
I know to whom I'd give my room key.

14741 CLINTON - LEWINSKY Hungarian

Monica looks like a turd,
Which is just a four-letter word.
Why Bill would pick her
Causes my mind to blur.
(Notice I never used the F-word?)

14742 CLINTON - LEWINSKY S C Saint

An intern named Monica, 'tis said,
Was quite good at giving Bill head.
When the country found out,
The Prez he did shout,
"I wish I had jacked-off instead!".

14743 CLINTON - LEWINSKY Jim Weaver Collection

A final word on Monica.
She ought to change her moniker,
Then into music go.
And practice how to blow
A horn (French) or harmonica.

14744 CLINTON - LEWINSKY - CHIDED Irving Superior

Now here comes a long married lover
To tatter poor Monica's cover.
He said that she bragged
On the Leader she shagged.
What else do you think we'll discover.

14745 CLINTON - LEWINSKY - CHIDED   Frank Fazed

I just want to say from the start
That Monica Lewinsky's a tart!
She's had our old Billy
By the balls and the willy,
And so with cash he'll have to part.

14746 CLINTON - LEWINSKY - CHIDED   Funny Bone

Monica may be down the road;
In this case she's the focal node.
He could be in deep shit
If he diddled her clit,
While she huffed away on his choad.

14747 CLINTON - LEWINSKY - CHIDED   MrMalo

Monica's heard from Bob Guccione,
That open shirt, balding, big phoney.
Who said, "Here's two mill,
To pose for a still,
But then you must eat my baloney."

14748 CLINTON - LEWINSKY - CHIDED   Frank Fazed

Is Monica ANTHROPOPHAGUS?'
Zoftig young woman just off a bus,
In mode appealing,
Standing or kneeling,
Or even up there, on top of us?

14749 CLINTON - LEWINSKY - CHIDED   Daniel Ford

The girl was a bit starry eyed.
To get near to the lecher, she tried.
In the web, she's now caught
Over trinkets he bought.
Now wonder she's fit to be tied.
(Monica Lewinsky)

14750 CLINTON - LEWINSKY - CHIDED   Frank Fazed

No matter what comes of her fate,
When Monica told what she ate.
She assured her face
A prominent place
In history as "Forni-gate."

14751 CLINTON - LEWINSKY - CHIDED   MrMalo

Bill's mood now is not very sunny.
Says he, "I don't consider it funny!
So let's hear no more of this;
I gave at the orifice;
But Monica's collecting the money!"

14752 CLINTON - LEWINSKY - CHIDED

Monica's been through the ringer,
For diddling Bill Clinton's stinger.
But in Romania they say,
She must stay away,
Unless she does all, then we'll bring 'er.

14753 CLINTON - LEWINSKY - CHIDED

Why not the usual rants;
I'd expect to see congressmen dance
In Republican glee.
Do you think it could be
This girl's been in everyone's pants?

14754 CLINTON - LEWINSKY - CHIDED   MrMalo

When the sex scandal news was uncloaked,
I felt sorry for Monica's folks.
But when raising their daughter,
You'd think they'd have taught 'er,
Lawyer fees can make Daddy go broke!

14755 CLINTON - LEWINSKY - CHIDED   Jim Weaver Collection

There was a young lady named Monica,
Who played penis just like the harmonica,
Till near Capitol Hill,
She played one named Bill,
And the notes could be heard to Salonika!

14756 CLINTON - LEWINSKY - CHIDED   Orlando Joe   T9801

Mystery visits by "Mon" have folks buzzin';
It's been said there were over three dozen.
Maybe trips to Bill's study
Were just to see Buddy,
And she's just one of Bill's kissin' cousins.

14757 CLINTON - LEWINSKY - CHIDED   Jim Weaver Collection

"Be less brassy," his staff all advised.
Playing saxaphone is ill advised.
With a gin and a tonic-a,
She switched to whore Monica,
Which he played, as the media surmised.

14758 CLINTON - LEWINSKY - CHIDED   Res Ipsa

"Slick Willy," that SOBRIQUET fair,
Like when Clinton took to the air,
Denying the wrongs,
From snapping the thongs
To having "no sex" with great care.

14759 CLINTON - LEWINSKY - CHIDED   Chris Papa

So friends, with my rhyme so trite,
I say Starr's report has short-sight.
That those with big hair
Who wished life was fair,
Must always be treated with spite.

14760 CLINTON - LEWINSKY - CHIDED

Little old Monica Lewinsky
With Clinton and jizz on her chinsky,
Tried to deny
She'd had sex with the guy,
Saying, "He never once got it insky!"

14761 CLINTON - LEWINSKY - CHIDED   Gearhart

If true (like the press I'm just gropin')
Then Bill Clinton will surely be hopin'
That Monica, the slut,
Will keep her mouth shut,
When previously, she'd kept it wide open!

14762 CLINTON - LEWINSKY - CHIDED   H Myers   T9801

The victim is now perpetrater;
She thought pol would shed wife and mate her.
Instead she found out,
He just used his clout,
To have his way and penetrate her.

14763 CLINTON - LEWINSKY - CHIDED   Chris Papa

An adventurous intern named Monica,
Told Linda, Bill's love did astonish her.
"If I'd known all I'd get,
Was my underwear wet,
I'd have kept our relations platonic-er."

14764 CLINTON - LEWINSKY - CHIDED

At the White House, a young girl interned,
And her passion for Slick Willie burned.
But her ardor soon cooled,
As the media drooled,
While by Slick she was publicly spurned!

14765 CLINTON - LEWINSKY - CHIDED   Michael W Johnson

There in the staid White House limbo,
Stood Willy with arms held akimbo.
No need to hold on,
As "no-sex" Don Juan,
Was pleasured by raven-haired bimbo.

14766 CLINTON - LEWINSKY - CHIDED   Chris Papa

Do not feel bad for Miss Lewinsky;
She's been offered $2 mill to show skinsky.
Penthouse wants her nude,
And with her attitude,
I'll bet she can take one on the chinsky.

14767 CLINTON - LEWINSKY - CHIDED   MrMalo

Our Monica's jetted off now
To India. They love her, and how!
Those randy Hindus
Have named vindaloos
After her, she's their new sacred cow.

14768 CLINTON - LEWINSKY - CHIDED

I know what he did was not nice,
But many a man has that vice.
He sure found some shame
With that Monica dame,
But she had intent to entice!

14769 CLINTON - LEWINSKY - CHIDED   Maggie

Monica look like she's finding
It's hard to be pristine and shining;
She set out to snare
Bill in his own lair,
And now all she'd doing is whining!

14770 CLINTON - LEWINSKY - CHIDED   Ystap   T9801

When Monica serves the Chief Crum,
She usually murmurs, "Yum-yum."
If you have plenty power,
She'll come to your bower.
I had a hunch she would succumb.

14771 CLINTON - LEWINSKY - CHIDED   Al Willis   P9805

Collection may be her main reason
For hunting the men out of season.
She's keep score,
But she's not a whore;
She freely puts out 'cause it's pleasin'.

14772 CLINTON - LEWINSKY - CHIDED   Karen

Monica's morals did slip
When she swallowed the presidential tip.
She thought she'd go far
And be a big star,
But instead, poor Monica did Tripp.

14773 CLINTON - LEWINSKY - CHIDED   H

The intern wished to be upward bound;
She needed a plan that was sound.
She hadn't a clue
As to what to do;
She decided, I'll just sleep around.

14774 CLINTON - LEWINSKY - CHIDED   Puff Adder

It's been days since the sweet Miss Lewinsky
Went to see Kenneth Starr, the butt-in-ski.
But why does she balk
And refuse to talk?
Could it be that her story is thinski?

14775 CLINTON - LEWINSKY - CHIDED   MrMalo

Lye soap's what that girl should use
In her mouth, or be singing the blues.
It gives me the willies
'Cause I've heard that Billy's
Stuff tastes just like ten-year-old shoes.

14776 CLINTON - LEWINSKY - CHIDED   Cheryl

The job was a stroke of fate,
Though not at the usual rate.
In an unpaid status,
She performed the job gratis,
But you could say the tips were great.

14777 CLINTON - LEWINSKY - CHIDED   MrMalo

Monica, how far will you go
To get on Springer's talk show?
You're trailer-park trash
With a mountain of cash
And the new queen of fellatio!

14778 CLINTON - LEWINSKY - CHIDED   H

Monica was like a sea breeze;
A young girl with a great pair of knees.
Though she'd not swallow well,
She must have been swell.
Her fee: "Ninety grand job, please."

14779 CLINTON - LEWINSKY - CHIDED   Jennifer Morales

There once was a gal from L.A.
Whose deep throat was used without pay.
When it was found,
Her book would be bound.
We know who used who, today.

To add to his eternal shame,
In playing his dangerous game,
Forget that we see
Infidelity;
He's given cigars a bad name!

14781 CLINTON - LEWINSKY - CIGAR   Chris Papa

He really deserves touch of shame,
For actions done after the blame.
He reacted like worm
With truth, not a germ,
And even gave cigars a bad name.

14782 CLINTON - LEWINSKY - CIGAR   Chris Papa

Sex can be wonderfully AERIOUS
Or like canker sore or tooth carious.
But when it is done
With weird cigar fun,
I'd call it a wee bit nefarious.

14783 CLINTON - LEWINSKY - CIGAR   Chris Papa

Clinton keeps his cigars and much more
When visits of State are in store.
Mr Arafat pondered,
If his stogie had wandered
From Monica's own humidor.

14784 CLINTON - LEWINSKY - CIGAR

There was a counsel named Starr,
Who some say he went too far,
To avenge Mister Nixon;
He put the fix on
Bill and his famous cigar.

14785 CLINTON - LEWINSKY - CIGAR   Nick Markov

Poor Bill Clinton felt quite BEREFT,
The moment that Monica left,
What solace he'd get
From cigar all wet,
Once wielded by her soft hands deft.

14786 CLINTON - LEWINSKY - CIGAR   Chris Papa

A slave to his sexual hankerings,
For interns and odd hanky-pankerings,
Bill put his cheroot
Into Monica's chute,
She blew him, of all things, some chancre rings.

14787 CLINTON - LEWINSKY - CIGAR

Monica went shopping at the store;
Bill needed fine cigars, she bought more.
The new way he teased.
Oh my! How it pleased.
She's the presidential humidor.

14788 CLINTON - LEWINSKY - CIGAR   Tom Patton   P9811

Bill said Monica went a bit far
On all fours with her privates ajar.
But her next little thing
Would have pleased any king --
She said, "Insert that fucking cigar!"

14789 CLINTON - LEWINSKY - CIGAR   Al Chaplin   P9901

Monica is going way too far
By using Doppler enhanced sonar.
In case it is mugged,
Her pussy is bugged,
To take a picture of the cigar.

14790 CLINTON - LEWINSKY - CIGAR Tom Patton P9811

Actions of Monica are bizarre,
But this one, I'm afraid, is subpar.
At the moment she came,
She shouted the name
Of another big fellow's cigar.

14791 CLINTON - LEWINSKY - CIGAR Tom Patton P9811

Hail Monica - woman of grace,
Put a cigar in a different place.
Then she left it in her fixture,
While Bill took her picture,
'Cause it looked like Fidel Castro's face.

14792 CLINTON - LEWINSKY - CIGAR Lee Malone

A prosecutorial zealot named Starr
Has spent 45 million thus far,
To prove the President's agenda,
Included Monica's pudenda,
And an illegal Cuban cigar.

14793 CLINTON - LEWINSKY - CIGAR Davy Tartar P9811

The pundits in D.C. are clacking
About President Clinton's off-jacking.
Is Lewinsky a whore?
Or a cigar humidor?
In her box, Bill's Coronas she's stacking.

14794 CLINTON - LEWINSKY - CIGAR

Ms. Lewinsky, according to Starr,
For a phallus, used Clinton's cigar.
Now to most common folk
It seems that the bloke
Has been probing the matter too far.

14795 CLINTON - LEWINSKY - CIGAR   Crazy Legs

Poor Clinton's no more top banana;
His heaven is empty of manna.
It's a downfall bizarre
But Lewinsky's cigar
Was purchased in Castro's Havana.

14796 CLINTON - LEWINSKY - CIGAR   Armand Singer   P9811

Monica's not at all photogenic
And she seems just a bit schizophrenic.
But although she's obscene,
Her lungs are quite clean;
Her cigars were non-carcinogenic.

14797 CLINTON - LEWINSKY - CIGAR   Bob Mornington

Something about this whole mess,
(The lust, the cigar, and the dress):
It hastens the day
When sex is passe,
And fewer may need to possess.

14798 CLINTON - LEWINSKY - CIGAR   H WHELCHEL

She smoked a cigar like no male,
But I have a mind for detail.
I asked without guile
As I gave her a smile,
"You smoked, but did you inhale?'

14799 CLINTON - LEWINSKY - CIGAR

You've heard of Yuri Gararin?
'Twas space he decided to star in.
But that Lewinski dame
Achieved much greater fame,
By sticking Bill Clinton's cigar in.

14800 CLINTON - LEWINSKY - CIGAR

Special Prosecutor Kenneth Starr
Discovered Bill Clinton's cigar.
When the band is finegled
By Monica's kagel,
It tastes better than a "Cuban" by far!

14801 CLINTON - LEWINSKY - CIGAR

Why Monica, love your blue dress!
It seems a part of it is a mess!
Whose cigar were you smoking?
Fondling and stroking?
Wait, don't tell me, let me guess!

14802 CLINTON - LEWINSKY - CIGAR

Slick Willy was speaking of Monica
While sipping on his gin-and-tonica.
"If you think that cigar
Was going too far,
Wait 'til you hear 'bout the harmonica.

14803 CLINTON - LEWINSKY - CIGAR Chris Clark

There's a guy in the White House who sends
Little presents to all of his "friends."
But his humidor's lid
Is nailed shut, it is said,
Until his term of orifice ends.

14804 CLINTON - LEWINSKY - CIGAR

In reports from attorney Ken Starr,
There's a tale of a Clinton cigar;
That the thing was inserted
Sounds oddly perverted,
But in Washington, just about par.

14805 CLINTON - LEWINSKY - CIGAR   Tim Thompson

Bill's a generous man, not by half,
When he offers cigars to his staff.
He said "Though I'm no surgeon,
I could see she's no virgin,
So I shoved it up just for a laugh."

14806 CLINTON - LEWINSKY - CIGAR

Miss Lewinsky, Miss Tripp and Ken Starr
All had sex one day in a car.
Poor Bill was sure missed,
And Monica was pissed
'Cause Kenneth forgot the cigar.

14807 CLINTON - LEWINSKY - CIGAR   Cinful

In the Whitehouse an incident took place;
Bill Clinton is left in disgrace.
His cock shaped cigar
Didn't burn down that far;
Left a deposit on Monica's face.

14808 CLINTON - LEWINSKY - CIGAR

According to what Monica's written,
Thong undies helped Bill C. get smitten.
That dildo cigar
Is no more bizarre,
Than Charles' wannabe tampon in Britain.

14809 CLINTON - LEWINSKY - CIGAR   Esther Koch

That cigar, that Bill Clinton gave her,
Was not meant as something to savor.
He thought it quite dry,
And so asked her, "Why
Don't you try to improve the flavor?"

14810 CLINTON - LEWINSKY - CIGAR   Jim Weaver Collection

When I read the report of Ken Starr,
One thing struck me as bizarre:
When the economy's weak,
Why on earth should you seek
To moisten and so waste a cigar?

14811 CLINTON - LEWINSKY - CIGAR   Bob Mornington

The President fucked his girlfriend;
That cigar was really the end.
He made a big mess
On Monica's dress,
And he'll never have sex again.

14812 CLINTON - LEWINSKY - CIGAR   Karen

Said Willie, "My love for cigars,
For myriad ladies boudoirs,
And MELLIFLUOUS tongue
Of an intern quite young,
I shall not cite in my memoirs!"

14813 CLINTON - LEWINSKY - CIGAR   Observer

He'll light up but won't take a puff;
To smoke it is not just enough.
He thinks it is swell;
He doesn't inhale.
"Use your cigar for much better stuff."

14814 CLINTON - LEWINSKY - CIGAR   Roy White

Bill Clinton could not go as far
As making Monica a star.
He was then content
To have her, knees bent,
While he puffed on her scented cigar.

14815 CLINTON - LEWINSKY - CIGAR

Mr Clinton said, "Yes, Mr Starr,
I admit that I used a cigar.
But in my defense,
Thought my thing was immense,
It didn't go in very far!"

14816 CLINTON - LEWINSKY - CIGAR   Cap'n Bean   P9902

The misuse of a good cigar,
With intern who went very far,
Earned old "Slick Willy"
The strong OBLOQUY,
As lap dog to stern Kenneth Starr.

14817 CLINTON - LEWINSKY - CIGAR   Chris Papa

They have several, so who knows where
Willy can escape his mare,
With young colt to play,
Use cigar risque,
And make use of his PIED-A-TERRE.

14818 CLINTON - LEWINSKY - CIGAR   Chris Papa

Why Monica, love your blue dress!
Too bad that Bill made such a mess.
You are no humidor.
If he'd smoked that ci-Gore,
You could have stayed out of the press.

14819 CLINTON - LEWINSKY - CIGAR   Marty and Croc

Monica thinks she's a dish
And all that Billy could wish.
She has a new trick,
She sucks on his dick,
And makes a cigar smell like a fish.

14820 CLINTON - LEWINSKY - CIGAR   AABBA Bob

Says Clinton, "I'll never surrendah!
Must get on with the country's agenda!
For my next brilliant stroke,
I will light up and smoke,
The cigar that was in her pudenda!"

14821 CLINTON - LEWINSKY - CIGAR   Jim Schaefer

Miss Lewinsky and Clinton went far
With their sexual acts most bizarre.
But the substitute phallus
I thought was quite callous,
As you can't light a soggy cigar.

14822 CLINTON - LEWINSKY - CIGAR   CyberCelt   TP9901

The latest Revelations From Starr
Involve Bill, Monica and a cigar.
She did stuff the old stogie
Like sausage in her hoagie,
While Bill jacked off and watched from afar.

14823 CLINTON - LEWINSKY - CIGAR   Puff Adder

Old Bill said "What's the use,
It won't light, it's so soaked up with juice."
But then he said "Doggone it,
I can still suck on it -
Unless it's been in your caboose!"

14824 CLINTON - LEWINSKY - CIGAR   Lee Malone

He warned her, "It might leave a scar
If you let it burn down too far.
It may burn your clit
If you leave that thing lit;
That's no way to smoke a cigar!"

14825 CLINTON - LEWINSKY - CIGAR

When Monica visited Bill,
The heat could be sensed on the Hill.
But by Bill's definition,
He needs no contrition --
The cigar is unlighted still!

14826 CLINTON - LEWINSKY - CIGAR   Conan Librarian   TP9901

In a Monica-Bill groping match,
He stuck a cigar in her snatch.
That slight bit of friction
Began her addiction --
Now Monica's wearing the patch!

14827 CLINTON - LEWINSKY - CIGAR   Tim Thompson

When Prez gives a shiny BIJOU,
It won't mean sincere "I love you",
It's inhaling far,
Or well-packed cigar,
Doing things it was not meant to do.

14828 CLINTON - LEWINSKY - CIGAR   Chris Papa

In this Clinton-Lewinsky debacle,
Starr's thorough, 'cause Monica's frock'll
Be brought into court
(On account of the ort) --
And, yes, even the President's cock'll.
(ort - scrap, leftover)
14829 CLINTON - LEWINSKY - DRESS   Knotweed

So in order to ease his distress,
His dick she did fondly caress.
But when she did suck it,
Poor Bill said "Oh fuck it!"
And shot his load over her dress.

14830 CLINTON - LEWINSKY - DRESS

Excuse me, but I digress;
With this evidence, just a big mess.
For after four years
I confirm your worst fears,
I've gotten a badly stained dress.

14831 CLINTON - LEWINSKY - DRESS

When it's stained, you should burn Old Glory;
With a dress it is the same old story.
If his mess remains
Leaving ugly stains,
Burn it quick before it becomes hoary.

14832 CLINTON - LEWINSKY - DRESS   Tom Patton

Slick Willie may have to confess,
To get himself out of this mess.
If he'd only screwed
Miss L. in the nude,
He wouldn't have come on her dress.

14833 CLINTON - LEWINSKY - DRESS   Mushroom

Bill Clinton, it seems, was quite reckless
When giving Monica a "pearl necklace."
Some pearl drops
Dripped leaving spots;
Her dress is, like Bill's rep, far from speckless.

14834 CLINTON - LEWINSKY - DRESS   Gearhart

For three years she kept an old dress,
Which was stained with Bill's sticky mess.
Something's not right,
But I think that she might
Have sucked off each guy in Congress.

14835 CLINTON - LEWINSKY - DRESS Karen

I think I am just going to scream,
If I read one more lim on that theme
About Monica's dress
Always rhyming with mess..
Now as novel as last night's wet dream.

14836 CLINTON - LEWINSKY - DRESS

If I were a liberal of fame,
And I soiled the dress of a dame,
And the DNA might
Give proof to the right,
I'd put that damn dress to the flame.

14837 CLINTON - LEWINSKY - DRESS Bob Birch P9811

This news just came over the wire:
Slick Willy is still under fire.
A lesson he's learned;
When passions burn,
Make sure flames consume the attire.

14838 CLINTON - LEWINSKY - DRESS Gearhart

Whatever you do in US,
Please, do not screw the Pres.
He is feeling lame
From exhaustion and shame,
After coming on that wretched dress.

14839 CLINTON - LEWINSKY - DRESS Nik Synytskyy

The President may not be so great,
And you may not let him past your gate,
But one thing we know,
As the dress will show,
Old boy Clinton can ejaculate.

14840 CLINTON - LEWINSKY - DRESS   Jennifer Morales

Why Monica, love your blue dress!
Spread your legs for a frontal caress!
I can't get a boner,
So I'll use this corona
Oh! ...And darling, please clean up the mess!

14841 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

While Clinton's willy was spurtin',
Should he wipe it off on the curtain?
Or should he make a mess
On Monica's dress,
And be found out for certain.

14842 CLINTON - LEWINSKY - DRESS   Mushroom

Could the congressmen all be Bill clones?
Did Monica jump all their bones?
Then maybe the goo
On that dress of blue
Is her collection of clones that she's blown.

14843 CLINTON - LEWINSKY - DRESS   Karen

He certainly made a fine mess
On Monica's lovely blue dress.
Didn't he think he
Should cover his dinkie,
While delivering the Lewinsky address?

14844 CLINTON - LEWINSKY - DRESS

It seems that they tested the dress,
Which turned out quite clean. Who would guess
That Bill had a knack
To cover his track.
He was careful to not leave a mess.

14845 CLINTON - LEWINSKY - DRESS   Frank Fazed

Willy, that Arkansas rogue,
Has been to DISEMBOGUE
His many spew
On dresses of blue,
A color no longer in vogue.

14846 CLINTON - LEWINSKY - DRESS   Norm Brust

When Willy went wild with young whore,
He left certain DNA SPOOR;
Impeachment was long,
But Democrats strong,
His continued term would assure.

14847 CLINTON - LEWINSKY - DRESS   Chris Papa

I'd not be in the President's shoes.
Why, just one little drop of his ooze
From an overwrought weiner
Changed Clinton's demeanor:
From that blue dress, he now wears dress blues.

14848 CLINTON - LEWINSKY - DRESS   Spirit

The topic Bill hoped to suppress,
Has returned to cause him great distress.
It was hidden away,
To preserve DNA.
The return of the semen-stained dress!!!

14849 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

"Why Monica, love your blue dress!
But that stain is so hard to assess!"
Said she, "'Twas immaculate,
Till Handsome's ejaculate
Dribbled on it, I confess!"

14850 CLINTON - LEWINSKY - DRESS

Republicans think things can't be sweeter.
There's Ken Starr to turn up the heater,
With reports to the press
Of Bill's come on her dress,
Of that Presidential First Eater.

14851 CLINTON - LEWINSKY - DRESS   Frank Fazed

Willie and Monica wallered;
On the White House Seal she was collared.
It left quite a mess
On her pretty blue dress;
Had it been love, she'd a swallered.

14852 CLINTON - LEWINSKY - DRESS

Despite Willy's besotted wit,
In face of smoothly slotted fit,
He knew and did confess
He wanted that blue dress
The moment that he spotted it.

14853 CLINTON - LEWINSKY - DRESS   Daniel Ford

Was it a whole different matter?
Dismissed as being tabloid tatter;
Was the president wearing,
The dress she was sharing;
Crossdressing while spilling his batter?

14854 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

Why Monica, love your blue dress!
Boy, did your boss make a mess!
Didn't pay for the cleaning,
His job lost its meaning,
And his wife still is terrible at sex!

14855 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

Dear Monica, I have to confess
We have made such a terrible mess.
How would we know
When you gave me a blow,
It would end up all over your dress?

14856 CLINTON - LEWINSKY - DRESS   Speckle Bird   TP9901

Slick Willy, though feeling quite gingery,
Didn't disturb Miss Monica's lingerie,
But he made a big mess --
Not just on her dress --
Adding an intern to insult and injury.

14857 CLINTON - LEWINSKY - DRESS   FCA   P9803

Why Monica, love your blue dress!
The one that you never get pressed.
The baby's breath spray
Of your Clinton bouquet --
Or did a bird shit on your chest?

14858 CLINTON - LEWINSKY - DRESS   Oddo Von Schlong   TP9901

The stain on blue dress was the bomb
That shattered the Capitol's calm;
It brought no disgrace
To Willy's red face,
Who'd done it for fun, without qualm.

14859 CLINTON - LEWINSKY - DRESS   Chris Papa

Our Exec denies any jizz
From hitting the young intern Ms.
Says Bill, "If her dress

It's from my proclivity to whiz."

14860 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

This is news you don't want to miss;
Better listen carefully to this;
You'd never guess.
The stain on her dress
Turns out to be presidential piss.

14861 CLINTON - LEWINSKY - DRESS   Jennifer Morales

Who can tell what next follows;
In this mudhole where Ken Starr wallows.
If in searching her dress,
They find stains...What a mess!
For Bill's sake, I sure hope she swallows.

14862 CLINTON - LEWINSKY - DRESS   MrMalo

Why Monica, love your blue dress!
I know why the stain causes stress.
You need to be neat
When chewing Bill's meat,
For Ken Starr will subpoena the mess.

14863 CLINTON - LEWINSKY - DRESS

There once was an intern named Monica,
Whose practiced skill on harmonica
When applied to the President,
Made her dry-cleaner hesitant,
That his spots would come out in the laundrica.

14864 CLINTON - LEWINSKY - DRESS

It's time to go, Monica dear.
Oops, DISEMBOGUED on you, I fear.
But Hillary calls,
And my Peace Prize stalls.
Let the cleaner get that stain clear.

14865 CLINTON - LEWINSKY - DRESS Chris Papa

To the public he would not confess,
But clue that he'd been in sex mess,
UNBEKNOWNST to Bill,
Was his careless spill
Had left spot on "love mouth's" blue dress.

14866 CLINTON - LEWINSKY - DRESS Chris Papa

And "love mouth" did unzip her lip
To nemesis, by name of Tripp.
Who told the press
Of Bill's excess,
And caused Ken Starr with joy to flip.

14867 CLINTON - LEWINSKY - DRESS Elois

Bill's problems would be so much less
And America's too, don't you guess?
Just one little condom
Applied to his small dome.
But it wouldn't have made such good press!

14868 CLINTON - LEWINSKY - DRESS Vince Kasten

Now Linda, she heard of these lovers,
Decided to blow off the covers.
She knew of the mess
That stained the blue dress;
Around her house, the media hovers.

14869 CLINTON - LEWINSKY - DRESS

There once was a boy named Bill
Whose penis just wouldn't keep still.
He made a big mess
On Monica's dress
And all over Capitol Hill!

14870 CLINTON - LEWINSKY - DRESS   Gina B   P9803

An ambitious young man from Hope
Was never reluctant to grope.
But he messed up a dress,
So he had to confess.
But he'll still not admit to the dope.

14871 CLINTON - LEWINSKY - DRESS

The President said "One more quickie,"
Unfurling his prodigal dickie.
"Watch out for my dress!
I don't want a mess!"
Said Monica, getting all sticky.

14872 CLINTON - LEWINSKY - DRESS   OgniGioia

These limericks are really quite lame,
But I guess that it's Clinton I blame;
Had he fucked just his wife,
For once in his life,
Or at least missed the dress when he came.

14873 CLINTON - LEWINSKY - DRESS   Robert Wiley

Why, Monica, love your blue dress!
And of course you know I'm the Pres.
With my come on your face,
You're a national disgrace,
So use it to clean up that mess!

14874 CLINTON - LEWINSKY - DRESS

Bill Clinton said "Al, it's not silly
For interns to wear aprons, frilly;
Protection of dresses
From stains and such messes
Is vital for presidents, really!"

14875 CLINTON - LEWINSKY - DRESS   Travis Brasell

I doubt Billy boy will be gloating
At surviving the seas he's been boating.
But I'd say best guess is:
They pass laws to make dresses
Come equipped with a Teflon type coating.

14876 CLINTON - LEWINSKY - DRESS

Monica did acts so obscene
In a place where they both were not seen.
Oh she did confess
But just like her dress,
Bill Clinton would never come clean.

14877 CLINTON - LEWINSKY - DRESS   Thomas M Patton   P9901

President Willy who thought as a preener,
Dreaming of women and weiners,
"Isn't it rich,
That the dirty bitch,
Had never hear of the dry cleaner."

14878 CLINTON - LEWINSKY - DRESS   Richard Long

There once was a White House aide,
Who for some of her duties was paid.
But the one she liked best,
Left a stain on her dress;
Even if she never got laid!

14879 CLINTON - LEWINSKY - DRESS   Tom C

Bill's in trouble now, that seems for sure,
As new evidence comes to the fore.
When Ken showed him that dress,
Clinton claimed, under stress,
That he'd not come across it before.

14880 CLINTON - LEWINSKY - DRESS

Why Monica, love your blue dress!
The Pres upon it made a mess!
His aim should have been better,
While dictating that letter,
Else he wouldn't have had to confess!

14881 CLINTON - LEWINSKY - DRESS   Steel Bishop   TP9901

Had Monica focused on cock,
He wouldn't have sprayed that new frock.
But she tickled his scrot
Of that randy old goat,
And forgot to maintain her lip-lock.

14882 CLINTON - LEWINSKY - DRESS   OgniGioia

And then there's the stain on the dress,
That's put Bill under some stress.
Should he deny it,
The facts sure imply it;
Her mouth couldn't hold the excess.

14883 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

Said Bill to the gal he befriended,
"Your dress is torn and should be mended.
So take it off quick
But do mind my prick."
...Except that is not how it ended.

14884 CLINTON - LEWINSKY - DRESS   Bob Mornington

I think Clinton will get through just fine;
Though it's true he stepped over the line.
This sucking of dick,
Is making me sick,
And I'm glad that blue dress wasn't mine.

14885 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

I think Monica has ADD!
'Cause "Swallow!" was the decree.
He'd ask and he'd ask
But she'd not stay on task,
Hence her dress all sticky with debris.
(ADD - attention deficit disorder)
14886 CLINTON - LEWINSKY - DRESS   OgniGioia

When her dress had been caught in the door,
And the coffee fell down to the floor,
Bill helped mop up the mess.
Then he sent a new dress,
And advised, "Please don't spill anymore."

14887 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

Slick Willie is under duress
DNA on a little blue dress
Scientifically speaking
It wasn't Starr's leaking
That got Willie into this mess!

14888 CLINTON - LEWINSKY - DRESS

There was an intern from DC
Who went with the Pres on a spree.
Said her mother, "I guess
That stain on your dress,
Means he didn't go in where you pee!"

14889 CLINTON - LEWINSKY - DRESS   John Miller

Old Billy Clinton's a mess,
There's stains on Monica's dress.
And I'm sure you will find,
That there's some left behind,
On the carpet. Now will he confess?

14890 CLINTON - LEWINSKY - DRESS   Mushroom

Of course, good old King Cole
Was a most careful old soul.
Though he called to be piped,
He would never have wiped
His come on the dress of his moll.

14891 CLINTON - LEWINSKY - DRESS   Bob Mornington

Old Bill almost lost his fine shirt
From a stain left on Monica's skirt;
But will he recall
What started it all,
And the trouble from one little squirt?

14892 CLINTON - LEWINSKY - DRESS

The Constitution provides civil redress
Should a Benedict Arnold impress
A public too unwise
To notice disguise.
All I've got is this damn dress.

14893 CLINTON - LEWINSKY - DRESS

Monica brought about lot's of stress,
When she told of a stain on her dress.
But we're the first ones
To say she had the runs;
Her panties were a smelly old mess.

14894 CLINTON - LEWINSKY - DRESS   Jennifer Morales

Monica, in tears, went to Betty;
Her wisdom helped keep the girl steady.
"Bill's leak on this dress,
I'll leak to the press!"
"Just remember: Kopechne and Teddy."

14895 CLINTON - LEWINSKY - DRESS David L

"Stained Constitution," you say?
Can you tell me just where and what way?
It's not like that dress;
Even under duress,
Can you prove it without DNA?

14896 CLINTON - LEWINSKY - DRESS Jim Weaver Collection

A president down on his luck,
An intern who's brimming with pluck,
A dress with a stain...
The tapes that remain...
And the public not giving a fuck.

14897 CLINTON - LEWINSKY - DRESS Joseph Palmer

On hearing the Presidents distress,
Young Monica couldn't care less!
"I'd much rather fuck
As described in my book,
Than clean out semen from my dress!"

14898 CLINTON - LEWINSKY - DRESS

Lewinsky scares Bill to his soles,
Since his story is now full of holes.
Because of the dress,
He'll have to confess
That Monica got a Rise in the Polls.

14899 CLINTON - LEWINSKY - DRESS Frank Petersohn

Republican Aussies be shamed;
My anger cannot now be tamed.
At least a good Royal
Never would soil
A dress with his come when he camed.

14900 CLINTON - LEWINSKY - DRESS   Bob Mornington

A limerick she does not deserve
But Monica Lewinsky has nerve!
I read in the press
That Bill ruined her dress
But she then threw him quite a curve.

14901 CLINTON - LEWINSKY - DRESS

A D.A. who'd just passed the bar
Told Monica, "Come as you are.
There's no need to dress.
We don't want to mess
With evidence you can show Starr."

14902 CLINTON - LEWINSKY - DRESS

That sloppy young girl from L.A.,
It seems she had plenty to say.
She saved the dress
In spite of the mess,
So perhaps Clinton will have to pay?

14903 CLINTON - LEWINSKY - DRESS   Harold

There once was a gal from L.A.
She loved to suck the Pres all day.
He dripped on her dress,
But she saved it, we guess.
Why she did this, she just didn't say.

14904 CLINTON - LEWINSKY - DRESS   Harold

Although my prick's small as a beak,
My semen could fill a small creek!
No wonder I guess,
Some drooled on the dress.
I'd saved up that wad for a week.

14905 CLINTON - LEWINSKY - DRESS John Miller

Lewinsky now claims that Bill's mess
Left a permanent stain on her dress.
From the bend I believe
It must be on the sleeve,
But that won't be made public, I guess.

14906 CLINTON - LEWINSKY - DRESS John Miller

How did Slick get into such a mess?
I got sick hearing him confess.
He can't undo it;
Monica blew it;
DNA evidence all over her dress.

14907 CLINTON - LEWINSKY - DRESS Sumerman

The spermatozoa-soaked dress
Finally led our dear Pres to confess.
Monica's best by far;
Flowers' close - no cigar;
And the first lady couldn't care less

14908 CLINTON - LEWINSKY - DRESS

And speaking of that dress, I fear
Young Monica's gone a bit queer.
If my clothing stain
'Twas big, I'd not refrain
From tossing it, not keeping it near.

14909 CLINTON - LEWINSKY - DRESS Arden

If Monica had a good head,
She'd settle for Kleenex, instead
Of "hanker-for-chief",
Who took "good head" brief,
But never had sex, so he said.

14910 CLINTON - LEWINSKY - DRESS   Chris Papa

You know about lust, don't you sire?
Uncontrollable heated desire?
Dresses stained in hot passion,
Even those of high fashion,
Are best shredded and thrown in a fire.

14911 CLINTON - LEWINSKY - DRESS   Bob Birch   P9811

There once was a Hermit Wee Willie,
Whose sex life was really quite silly.
With this one and that,
The stories were flat,
Till a stained dress showed up from some Jilley

14912 CLINTON - LEWINSKY - DRESS   Jim Weaver Collection

Will the stained dress of Lewinsky
Be analyzed like the shack of Kaczynski?
For Presidential spuz,
Is the Washington buzz.
Who put on his face that silly grinski?

14913 CLINTON - LEWINSKY - DRESS   Mike Schneider

The President was under DURESS,
To our Congress he would not confess.
He told them what "is" is
Really none of their biz,
Just a problem caused by a soiled dress.

14914 CLINTON - LEWINSKY - DRESS   Gene

Oh what a terrible mess!
The lawyers are all in distress.
Monica went to her knees,
So that Bill could be pleased,
And now there's a spot on her dress.

14915 CLINTON - LEWINSKY - DRESS   D E Clegg

The lawyers resort to coin toss
To see who will tell the boss,
The stain isn't jizz,
But it's certainly his;
It's MacDonalds Big Mac special sauce.

14916 CLINTON - LEWINSKY - DRESS   MrMalo

The White House is under great stress
From the salacious Monica mess.
Bill could put out the fire --
Easy, call her a liar --
Except for the stain on her dress...

14917 CLINTON - LEWINSKY - DRESS   CB   T9801

She skates on thin ice like Lipinsky,
Making use of the males like Kaczynski;
A stain on her dress,
Made Clinton confess;
Adjudged star of this mess is Lewinsky.

14918 CLINTON - LEWINSKY - DRESS   Joel D Ash

That dress during sex that was soiled,
Should never be scrubbed, burned or boiled:
For this would erase
All trace of disgrace,
And Starr in that case would be foiled.

14919 CLINTON - LEWINSKY - DRESS   Joel D Ash

On Miss Monica's dress it was plain
That Bill's semen thereon did remain.
So excited was Starr
At this finding bizarre,
His saliva was found on the stain.

14920 CLINTON - LEWINSKY - DRESS   Al Chaplin   P9901

As she was grasping his bum,
Bill said, "Please swallow my come".
But all of the mess
Did drip down her dress;
Now Ken Starr says he's a crum.

14921 CLINTON - LEWINSKY - DRESS   VZTB

White House tapes were Nixon's downfall,
Iran-Contra plagued Reagan, et al.
But who would have thought
That Bill would be caught
With a dress that's two sizes too small!

14922 CLINTON - LEWINSKY - DRESS   Frank Petersohn

Said Bill Clinton to young Ms. Lewinsky,
"We don't want to leave clues like Kaczynski.
Since you look such a mess,
Use the hem of your dress,
And wipe that stuff off of your chinsky.

14923 CLINTON - LEWINSKY - DRESS   Martha Thorrens

A comely young aide name Lewinsky,
Blew up more men than Kaczinsky.
With her little blue dress
She cleaned up the mess
With the hem; she wiped off her chinski!

14924 CLINTON - LEWINSKY - DRESS

An adenoid, I've heard, sure enhances
An intern's most oral advances.
Just ask poor old Bill;
He's sure had his fill
Of Monica's bended knee stances.

14925 CLINTON - LEWINSKY - ORAL

The young intern was heard to have said,
"Mr. Clinton took me to bed."
Bill denied it of course,
"Just consider the source,
And besides, it was all in her head."

14926 CLINTON - LEWINSKY - ORAL Popsicle TP9807

Bill's life is now ruled by his prick
And his antics have made the world sick.
Arafat sat and waited,
His navel contemplated,
While Monica sucked on Bill's dick.

14927 CLINTON - LEWINSKY - ORAL

I'm sick of this Monica dross;
I couldn't give a shit or a toss.
But did the old scrubber
Make Bill wear a rubber,
Or did he just ask her to floss?

14928 CLINTON - LEWINSKY - ORAL Peter W

Monica, cute and well-thatched, who
Delivers on broadloom unmatched woo,
Says, "I'm not in this place,
With my lips to embrace,
Bill's schtick, but whom it's attached to."

14929 CLINTON - LEWINSKY - ORAL

Says Clinton: "This bullshit must cease!
I feel like I'm preaching to trees!
A sex act is moral
As long as it's oral,
So Monica, get back on your knees!"

14930 CLINTON - LEWINSKY - ORAL   Jim Schaefer

So Bill's a perverted maggot?
Sees a willing mouth, he has to gag it?
I say good for him,
It's better than quim;
Don't you think? Or are you a faggot?

14931 CLINTON - LEWINSKY - ORAL   MrMalo

Lewinsky and Clinton have shown
That Kaczynski must surely have know:
That an intern is better
Than a bomb in a letter,
Given the chance to be blown.

14932 CLINTON - LEWINSKY - ORAL   David Dieckmann

Dick Morris says Hillary's shy,
But she often gives head to her guy.
So little Lewinsky,
While wiping her chinsky,
Says, "Where the bitch sucks, there suck I."

14933 CLINTON - LEWINSKY - ORAL   Stargazer   TP9802

The President sat quite alone
By the Whitehouse's video-phone.
Admitted the fact
Of an inappropriate act,
In which more than his cover was blown.

14934 CLINTON - LEWINSKY - ORAL

Our Bill is a fun sort of bloke,
Who rather than give her a poke,
Let Monica chew it,
But later she blew it,
When in Tripp, her greed she awoke.

14935 CLINTON - LEWINSKY - ORAL

Don't know if a virgin's on scene,
How many before and between,
Just Monica knows,
Account blow-by-blows,
All hidden behind private screen.

14936 CLINTON - LEWINSKY - ORAL Chris Papa

If you crossed a young intern, Lewinsky,
With a man by the name of Kaczynski,
The blow jobs you'd get
Would be dynamite! Yet,
You might not have any fore-skin-ski!

14937 CLINTON - LEWINSKY - ORAL N Ferguson

She brought her knee pads to DC,
Seeking opportunity,
To make her memoirs
Regardless of laws,
And no thought for morality.

14938 CLINTON - LEWINSKY - ORAL Karen

What is that thing in her nose?
In Monica's nose, d'you suppose?
Is it a blot,
Or maybe just snot?
Poor Bill can't aim well with his hose.

14939 CLINTON - LEWINSKY - ORAL

I've not looked at the girl's dental work;
Does semen make enamel berserk?
Does it turn teeth yellow?
Or turn gums to Jello?
Or just leave a satisfied smirk?

14940 CLINTON - LEWINSKY - ORAL   Cheryl

Bill says there was no penetration,
But Monica says with elation,
"He wanted me bad,
So I said, 'Don't be sad,
We'll just cure all your ills with fellation!'"

14941 CLINTON - LEWINSKY - ORAL   Ystap   T9801

Miss Lewinsky, when questioned, said, "I'm
Only guilty of deafness, not crime.
When he said, 'Just a minute,
Please put a sock in it.'
I thought he said 'cock' at the time!"

14942 CLINTON - LEWINSKY - ORAL   H Myers   TP9802

Says Clinton, "It ought to be noted
That it's me for whom you all have voted.
So knock off the chatter
On the Monica matter;
So what if I have been deep throated?"

14943 CLINTON - LEWINSKY - ORAL   Jim Schaefer

Surely they won't interview her!
They'd be putting that girl on a skewer.
Make her tell the whole nation
Details of fellation,
And just how old Billy would do her.

14944 CLINTON - LEWINSKY - ORAL   MrMalo

Once was a young intern named Mon,
Who went to the White House to spawn.
If given the chance,
She'd have tugged down Bill's pants,
And blown him right there on the lawn.

14945 CLINTON - LEWINSKY - ORAL Tim Thompson

O woebegone Hope's favorite son!
Your days as our leader seem done.
It sure is a bummer,
Done in by a hummer
Internally - pardon the pun!

14946 CLINTON - LEWINSKY - ORAL

Lewinsky's at the end of her rope;
Her future has little hope.
After presidential dick,
What's her next trick?
Going down on the Pope?

14947 CLINTON - LEWINSKY - ORAL Jim Weaver Collection

With Bill Clinton's own proclamation
On TV to all of his nation,
"My conduct's not right!";
With Monica's bite,
It ended in ejaculation!
(ejaculation proclamation)
14948 CLINTON - LEWINSKY - ORAL GTJacket

Young Monica's feminine wiles,
Slick Willie completely beguiles.
For sheer oral pleasure,
None else took her measure,
A true fellatrix nonpareil!

14949 CLINTON - LEWINSKY - ORAL Michael W Johnson

Says Monica, that neat little vixen,
"I like him a lot more than Nixon.
He's much nicer and cuter,
As I toot on his tooter.
He's so happy when I get my licks in!"

14950 CLINTON - LEWINSKY - ORAL

There is a young lady named Monica
Who plays on the President's harmonica.
It's long and hard work,
But there is a nice perk,
She gets the whole week off at Hanakah!

14951 CLINTON - LEWINSKY - ORAL   Jim Shaefer   P9803

Some of Clinton's friends are found dead.
Linda Tripp says she was filled with dread.
But let us fixate
Upon Zippergate,
And think about Bill getting head.

14952 CLINTON - LEWINSKY - ORAL   Anon

Poor Monica never knew it,
But Tripp who was privy to it,
Just couldn't be trusted.
Now Monica's busted...
Had a good White House job and she blew it.

14953 CLINTON - LEWINSKY - ORAL   MrMalo

History might have WATERSHED,
When in 90's, Clinton had said,
"I'm sorry for strife,
Though I have a wife,
That Intern can sure give great head!"

14954 CLINTON - LEWINSKY - ORAL   Chris Papa

Bill now has finally owned up;
That gal upon semen did sup.
And with a new dress on
She had indigestion
And gagged and forgot to mop up.

14955 CLINTON - LEWINSKY - ORAL Bob Mornington

Adulterous? Bill says it's not.
His pecker was not in her pot.
"She just had a taste;
'Twas all 'bove the waist.
Unlike Paula, this youngster was hot."

14956 CLINTON - LEWINSKY - ORAL Frank Fazed

Miss Lewinsky, Miss Tripp and Ken Starr
Were talking one day in a bar.
"Lewinsky, you sucked,
Now old Willie is fucked!
The question now is just how far?"

14957 CLINTON - LEWINSKY - ORAL

"Alaska?" said Miss Lewinsky,
"With sleds and snow and huskies?
I don't need to race
In a cold frozen place,
'Cause I did a rod down in D.C."

14958 CLINTON - LEWINSKY - ORAL Possum

We all have to make our own beds;
Now Monica sleeps with the Feds.
But Starr catches hell,
If the girl doesn't tell
What went in through those ruby reds.

14959 CLINTON - LEWINSKY - ORAL MrMalo

That horny old President Billy
Was caught doing something so silly.
Now the Democrats sob
And he's losing his job,
All 'cause Monica sucked on his willy.

14960 CLINTON - LEWINSKY - ORAL

Why is he so begrudged?
Is his reputation so smudged?
I won't waste a sob
On a White House blow job.
Judge not lest ye be judged.

14961 CLINTON - LEWINSKY - ORAL MrMalo

I don't understand all the stink
Of Monica and the President's dink.
It's all very silly;
Like Milli-Vanilli,
All that she did was lip-sync!

14962 CLINTON - LEWINSKY - ORAL Mike M TP9802

The Internet suffered a meltdown;
Seventy million clicked when Willy felt down.
Satellites whirled
In reverse - Cyber world
Imploded - 'cause Monica knelt down!

14963 CLINTON - LEWINSKY - ORAL Marsha

Kaczynski would give us the chills
When using his bomb making skills.
With small wads of nails
Sent in bombs through the mails,
But Lewinsky got large wads of Bill's.

14964 CLINTON - LEWINSKY - ORAL

Monica lost weight, Oh Wow!
She looks less like a Holstein cow.
Secret's not out of bounds
To lose all those pounds;
She's just putting less in her mouth!

14965 CLINTON - LEWINSKY - ORAL Anon

The Encyclopaedia Brittonica
Ain't as long as those tapes of Monica
Spilling her guts
About licking Bill's nuts.
It's nice that she's not owned a Konica.

14966 CLINTON - LEWINSKY - ORAL MrMalo

The Prez says that he didn't do it.
His attitude seems to be "Screw it!"
But he knows the scandal
Was too hot to handle
And it looks as if Monica blew it!

14967 CLINTON - LEWINSKY - ORAL Jim Schaefer TP9802

Asks Starr like a biblical prelate
"Ms. L., were you paid, did you fellate?"
She says, "Facts as those
I will never disclose
In a court, not Supreme, not Appellate."

14968 CLINTON - LEWINSKY - ORAL

Poor Bill and Monica are rushin'
And he fails to take care where he's gushin'.
Who'd have thought such depravity
Would bring so much gravity
Into the national discussion.

14969 CLINTON - LEWINSKY - ORAL MrMalo

We know 'cause of Monica-gate,
That the girl likes to flirt and fellate.
But despite all her charm,
It's caused her great harm,
And she may never get a real date.

14970 CLINTON - LEWINSKY - ORAL

Bill Clinton was tempted to sin.
He claims he did not put it in.
But he put it, the cad,
Where nature forbade,
Just north of her chinny-chin-chin.

14971 CLINTON - LEWINSKY - ORAL   Al Willis   P9803

If she wants to stay out of the limelight,
I suggest that next time she not bite.
Leave like a rock,
The President's cock,
And she'd not be embroiled in this fight.

14972 CLINTON - LEWINSKY - ORAL   Arden

Our President's really a menace;
As a statesman, he's still an apprentice.
The story of Bill;
Monica he did drill
In the teeth, but not like a dentist.

14973 CLINTON - LEWINSKY - ORAL   Mike Hunter

There was a young intern named Monica,
Who took a short trip to Salonika.
That's pretty far south;
When she opened her mouth,
It wasn't to play the harmonica.

14974 CLINTON - LEWINSKY - ORAL   Popsicle   TP9806

Slick's lawyers are out splitting hairs;
Blow jobs are not really affairs.
He who receiveth
No sex achieveth.
Oops! Thirty-six boxes of Nair!

14975 CLINTON - LEWINSKY - ORAL

For the Pres, oral was preferential;
The scene didn't look presidential.
The Chief was quite pleased,
To have her on her knees,
For a shot that would prove consequential.

14976 CLINTON - LEWINSKY - ORAL   Jim Weaver Collection

"Want a blow job?" she elided,
As into her mouth she guided
The tumescent tool
Of the horny first fool,
And on into history they glided!

14977 CLINTON - LEWINSKY - ORAL

In the grand White House edifice
There's a scandal to rival Oedipus.
In a most chancy game
Our own Billy came
In Monica's oval orifice!

14978 CLINTON - LEWINSKY - ORAL

I am not impressed one bit
With the ease with which you have bit.
But I do like to watch
Your nose in Bill's crotch.
I'd say it's a near perfect fit.

14979 CLINTON - LEWINSKY - ORAL   MrMalo

The evidence I should have condensed,
Could be subject to plain common sense:
Monica blew him
But was that really screwin'?
And I never did straddle that fence.

14980 CLINTON - LEWINSKY - ORAL

Lewinsky, Bill thought he should train her,
Though fellatio should be a no-brainer.
But why she saved that gob
From her famous blow job,
Makes Kaczynski look saner and saner.

14981 CLINTON - LEWINSKY - ORAL   Frank Petersohn

They can put a positive spin
In the semen on Monica's chin.
I'm shocked and disgusted,
He cannot be trusted,
But deep down I do envy him.

14982 CLINTON - LEWINSKY - ORAL   Navin

The President has a big problem,
And it's one that is likely to hobble 'im.
Despite his denial,
If it comes to trial...
She has been known to gobble 'em.

14983 CLINTON - LEWINSKY - ORAL   MrMalo

Sweet Monica, she blew off our leader;
Thought his dick might be a repeater.
She swallowed his mess
Or 'twould sully her dress.
That way she hept history neater!

14984 CLINTON - LEWINSKY - ORAL   Sam Pittman   TP9802

Bill felt like a little out 'n' insky,
So he called in Miss Monica Lewinsky.
He left a small drip
Just below her lip,
Right on her chinny-chin-chinsky!

14985 CLINTON - LEWINSKY - ORAL Jim Weaver

It's a subject that never will bore;
All foibles from vast human store.
As big sigh I heave,
I just do believe
A President should stand for more.

14986 CLINTON - LEWINSKY - ORAL Chris Papa

Said Bill to the girl on her knees,
"For an intern you know how to please.
And I know that you're bummin'
'Cause I stop short of comin',
But let's say that we're shooting the breeze."

14987 CLINTON - LEWINSKY - ORAL Tim Thompson

Who cares if the world is awry,
He'll focus his thoughts on his fly,
And wallow in muck,
As long as the suck,
Doesn't count as real sex for this guy.

14988 CLINTON - LEWINSKY - ORAL Chris Papa

Said Bill, "It is true, I've confessed.
Lewinsky was more that a guest.
And though she was silly
To play with my willy,
She sucked but she didn't ingest."

14989 CLINTON - LEWINSKY - ORAL Mike Forth

There was Monica sexy and ripe;
She'd listen to his every gripe.
He: I can't go to far
So lets use a cigar!
She: I think I'll just suck on your pipe!

14990 CLINTON - LEWINSKY - ORAL

Monica wishes she'd had a machine,
To help keep her dress nice and clean.
And as for old Billy,
Since she sucked his willy,
He's become a political has-been!

14991 CLINTON - LEWINSKY - ORAL Tiddy Ogg

A fair maiden from California
Made a president say "Can I bone ya?"
But she was too clever;
She sucked on his lever,
Until big Bill said "Ha-La-Lu-Ya!"

14992 CLINTON - LEWINSKY - ORAL

As storms of this scandal did gather,
The Democrats asked "what's a matter?
This is no crime
It's not sex, and that's fine!"
(As long as it's our man their after.)

14993 CLINTON - LEWINSKY - ORAL

She believed he would never mislead her.
As his intern, he then guaranteed her
She'd get (on his behalf)
Many "perks" from his "staff",
On her knees, playing "swallow the leader".

14994 CLINTON - LEWINSKY - ORAL K Starr P9803

Clinton just had to meet her;
He thought that no one was sweeter.
They had sex on the phone,
And when they were alone,
They played games like 'Swallow the Leader'.

14995 CLINTON - LEWINSKY - ORAL   D D Hays

Hillary's Willie faces
An impeachment no one embraces
Willie cried, "Never did it"
"Because she just spit it,
On the White House Seal through her braces."

14996 CLINTON - LEWINSKY - ORAL

For Monica, Starr is rapacious,
Replaying those tapes most salacious,
"Here's immunity,
To set your tongue free,
And tickle my Staff most bodacious."

14997 CLINTON - LEWINSKY - ORAL

Recent history makes a clear case
That the world is a dangerous place.
They can put you on trial
For a simple denial
Of coming in some young girls face.

14998 CLINTON - LEWINSKY - ORAL   MrMalo

Will history books find it fitten'
Posterity reads Bill was smitten
By Monica L?
Or will books never tell
'Cause in history, oral's unwritten.

14999 CLINTON - LEWINSKY - ORAL   Prof M-G

Lewinsky of Beverly Hills
Wanted some sexual thrills.
She went eastward to meet
Some new todgers to eat,
And ended up sucking old Bill's.

15000 CLINTON - LEWINSKY - ORAL   Arden

Seems Billy boy just made toast
Of Kenny's impeachment boast.
With Monica's cooking;
A new talk show booking;
Hard to say who sucks the most.

15001 CLINTON - LEWINSKY - ORAL   Jim Weaver Collection

Old Bill wanted to give Monica a try
And hastily unzipped his fly.
He whitewashed her tonsil
And then gave her council;
"It's OK to tell a white lie."

15002 CLINTON - LEWINSKY - ORAL   Jim Weaver

A chubby young Washington chick
Was nibbling the President's dick.
After a single great spasm,
He reached orgasm,
And she knew why that Willie was Slick.

15003 CLINTON - LEWINSKY - ORAL

Though Monica made Bill her friend,
Sad tragedy struck in the end.
But that other day?
I've heard it this way:
She wiped off her chin with a grin.

15004 CLINTON - LEWINSKY - ORAL   H Whelchel

It's publicity that's Monica's steal
And poor old Bill can't appeal.
Look him in the eye,
"Did you ask her to lie?"
"No Sir, I asked her to kneel!"

15005 CLINTON - LEWINSKY - TECHNIQUE

Lewinsky gives blow jobs just dandy,
Treating Bill like a stick of hard candy.
Kaczynski's on trial
But Monica can smile
For Bill's DNA comes in handy.

15006 CLINTON - LEWINSKY - TECHNIQUE Lynn Mostafa

One thing a girl knows without doubt,
When a lady's cavorting about,
She carries a tissue,
In case there's an issue,
The dry cleaner cannot get out.

15007 CLINTON - LEWINSKY - TECHNIQUE MrMalo

The steel mill found her so appealing,
Monica found her fate sealing;
Defying precedent
Named her vice president,
And put her in charge of annealing.

15008 CLINTON - LEWINSKY - TECHNIQUE Tom Patton P0111

Now the Whitehouse is reeling;
From impeachment there is no appealing.
He could lose his job
If when polishing his knob,
He reached down and copped him a feeling.

15009 CLINTON - LEWINSKY - TECHNIQUE MrMalo

Bill Clinton from far Arkansas
Had a back that was terribly sore.
He said with a frown,
Monica, get on down,
While I stand with my back to the door.

15010 CLINTON - LEWINSKY - TECHNIQUE

It's true -- Bill is quite a joker,
Not an inhaler, but a toker --
But 'twas his latest sin
That at last did him in --
M., and the way he would poke 'er!

15011 CLINTON - LEWINSKY - TECHNIQUE

That Bill Clinton's a slippery eel
And his evasion skills are unreal.
When Ken asked, "Did you try
To make Monica lie?",
Bill said "No, I just asked her to kneel."

15012 CLINTON - LEWINSKY - TECHNIQUE

Miss Lewinsky, come check my baloney!
And make like Kaczinsky and blow me!
Just nibble the tip
And don't make a drip;
Or I'll tell all the people you're phoney!

15013 CLINTON - LEWINSKY - TECHNIQUE Rob Robertson

An intern for Bill at the White House
Evidently knew how to "go south".
That's all fine and good,
If only she would
Now learn how to keep a closed mouth.

15014 CLINTON - LEWINSKY - TECHNIQUE Wildman P9803

There once was a woman named Monica
Who blew Bill Clinton on Hannukah.
When questioned in court,
Her answer was short:
"I played it like a harmonica."

15015 CLINTON - LEWINSKY - TECHNIQUE Lims For Year - 01

Says Monica, that cute little tease
"On the job I sure try hard to please,
And it pays little money,
And my mouth tastes so funny,
And besides that, it's ruining my knees!"

15016 CLINTON - LEWINSKY - TECHNIQUE Jim Schaefer P9803

Though Monika is a bit dumb,
She's not irreversibly numb.
Her method of sex,
Conception does hex.
Her sextory's better than some.

15017 CLINTON - LEWINSKY - TECHNIQUE Elois

The first thing Bill said without doubt
About Monica and goings on 'down south';
Unwittingly audacious
In a manner loquacious,
"Ah, now the tart opens her mouth!"

15018 CLINTON - LEWINSKY - TECHNIQUE The Friar T9801

Monica went over to see,
And several differences found she.
For the English State head
Did not take her to bed,
And she bowed down on only one knee.

15019 CLINTON - LEWINSKY - TECHNIQUE Res Ipsa

"Miss Lewinsky, let's revise", said Doc Routh --
There's his member and your cavity down south --
There's your mouth and this pill --
Repeat, if you will --
I PUT JUST THE PILL IN MY MOUTH!"

15020 CLINTON - LEWINSKY - TECHNIQUE FCA P9803

Presidential oral acts came to pass
With Lewinsky, a chunky young lass.
But Bill didn't lie,
And he'll tell you why:
It ain't sex if you don't poke her ass!

15021 CLINTON - LEWINSKY - TECHNIQUE Frank Petersohn

Young Monica, tempting and plump,
Wanted Billy to pat her fat rump.
She pulled off her thong
And fondled his dong.
Poor Hillary! Bitch Goddess chump!

15022 CLINTON - LEWINSKY - TECHNIQUE

"I'm afraid they will put me in jail.
She promised she wouldn't inhale.
I said she could kiss it;
That's not too illicit.
I kept it away from her tail."

15023 CLINTON - LEWINSKY - TECHNIQUE M David Tilson

There once was a President Bill
From an intern, he got a big thrill.
She chewed on his bone,
But he wasn't alone:
For she'd done half of Capitol Hill!

15024 CLINTON - LEWINSKY - TECHNIQUE

Monica is Willy's bane,
With stuff that can drive him insane,
The 'poison' instilled,
By young lady skilled,
Who insufflates now and again.   (breathes upon)

15025 CLINTON - LEWINSKY - TECHNIQUE Chris Papa

Says Monica to him: "Just between us
Is it possible someone has seen us?"
But the Pres says "Why no!
On your knees - get set - go!"
And slips her the Presidential penis.

15026 CLINTON - LEWINSKY - TECHNIQUE

There was a young girl from Hornatio,
Half the age of the Prez by ratio.
As an intern unpaid,
She'd hoped to get laid,
But the Prez only wanted fellatio.

15027 CLINTON - LEWINSKY - TECHNIQUE Jared Henry

An intern, not yet twenty-six,
Found she could do wonders with dicks.
Though she had no spouse,
She found the White House
A place to perform all her tricks.

15028 CLINTON - LEWINSKY - TECHNIQUE Scandalous Limerix

She told Bawbwa Wawters her story --
Said she's in love, not just whore-y!
But she told all her friends,
Now we see how it ends --
But here comes her moment of glory...

15029 CLINTON - LEWINSKY - ZSERIES

For her book went on sale the next day,
What a coincidence? No way!
Though the interview was free,
She got such publicity --
Everyone wanted to hear what she'd say!!!

15030 CLINTON - LEWINSKY - ZSERIES

Her performance truly was stellar,
When she talked about that Clinton feller --
Who wishes they'd never met,
But he cannot forget,
'Cause her book will be a best-seller!

15031 CLINTON - LEWINSKY - ZSERIES

Have you seen the new HUCKSTER this week?
For Jenny Craig food she does speak!
She looks thin and sweet!
So tailored and neat,
A career she's determined to seek!

15032 CLINTON - LEWINSKY - ZSERIES   Maggie

I wonder just how it will go;
She lives in a fish bowl...you know.
She can't run away.
Her fame's here to stay,
But the media is really her foe.

15033 CLINTON - LEWINSKY - ZSERIES   Maggie

For the rest of her life they will wait,
Just sitting right outside her gate!
They'll report each pound
That goes up or down!
Poor Monica! Her weight is her fate!

15034 CLINTON - LEWINSKY - ZSERIES   Maggie

There once was a President, Billy,
Who thought it was perfectly silly,
The Law should obstruct
What he wished to be sucked,
In his office near Capitol Hilly.

15035 CLINTON - LEWINSKY - ZSERIES   Douglas Anderson

His intern, a Jew named Lewinsky,
Agreed and played tunes on his skins-key;
A knock on the door
Nearly gagged the young whore,
Alarmed by the brazen butt-in-sky.

15036 CLINTON - LEWINSKY - ZSERIES   Douglas Anderson

Pearly juice on her face dribbled slimy,
On her dress in a mess, it was grimy,
She gargled that day
In a strange sort of way,
"It's been fun, but your fiver won't buy me!"

15037 CLINTON - LEWINSKY - ZSERIES   Douglas Anderson

Months later the story unfolded,
Dear wifey and daughter both scolded,
But the country agreed
That the Pres had his need,
So get on with your lives, you've been tolded!

15038 CLINTON - LEWINSKY - ZSERIES   Douglas Anderson

Bet that's why she squealed, did the girl;
If his pecker were bigger, she'd twirl
The thing in her mouth,
Then make it go south,
And say, "Bill, give my pussy a whirl!"

15039 CLINTON - LEWINSKY - ZSERIES   Cheryl

But when she saw Bill's tiny winky,
She grimaced at the tiny dinky.
"I'll just have a lick;
I'm no stupid chick;
With book rights, I'll buy me a minky!"

15040 CLINTON - LEWINSKY - ZSERIES   Cheryl

She's away now, on her book tour --
A strange thing it seems, for sure --
If it brought her such pain,
You'd think she'd refrain
From publicity, but oh no!, not her!

15041 CLINTON - LEWINSKY - ZSERIES

She's on to things bigger and better;
Bet Billy will not soon forget 'er --
She so over-sexed,
Hard telling who's next --
Shall we take bets on which one will get 'er?

15042 CLINTON - LEWINSKY - ZSERIES

Yes, Monica's over here signing
Her book, and she's wining and dining.
She's at Harrods, no less,
In her pretty blue dress,
With that stain on it still brightly shining.

15043 CLINTON - LEWINSKY - ZSERIES

She asked me to buy her trash book,
So I unzipped and said "Take a look.
If you do to me,
What you did to Bill C.
Then maybe I might." She just shook...

15044 CLINTON - LEWINSKY - ZSERIES

The girl said "You're out of luck.
I'm fussy about who I will suck.
Were you heir to the throne,
Then I might chew your bone,
But from you I will not make a buck."

15045 CLINTON - LEWINSKY - ZSERIES

The moral is: take a good look,
Next time that you're baiting your hook.
Make sure that's a worm
In your hand there, that squirms,
Or your pecker you'll lose in the brook.

15046 CLINTON - LEWINSKY - ZSERIES

Monica said "Daddy mine,
I had a very good time,
Licking and sucking
But never no fucking,
So my reputation's just fine!"

15047 CLINTON - LEWINSKY - ZSERIES   Arden

"Daughter, you silly fool!
It's time that you followed this rule:
Spread wide on the bed
Your legs for his head,
So he can partake of your jewel."

15048 CLINTON - LEWINSKY - ZSERIES   Arden

"But daddy, he has such a cock,
So solid and strong like a rock.
It fills my mouth
Within and without;
So, please now get over your shock!"

15049 CLINTON - LEWINSKY - ZSERIES   Arden

'Twas Monica's sweet siren song
That led old Slick Will to go wrong.
She batted her eyes
And wiggled her thighs,
And gave him a peek at her thong!

15050 CLINTON - LEWINSKY - ZSERIES

Then lured by the siren song singer,
This, in turn, then caused him to linger.
The rest is no mystery,
What happened is history;
It led to the wagging of finger!

15051 CLINTON - LEWINSKY - ZSERIES

Bill Clinton sat through depositions;
And was asked 'bout erectile conditions.
"Do you have a strange cleft?
Does it bend to the left?
Does it work best in certain positions?"

15052 CLINTON - LEWINSKY - ZSERIES kj

John Lewinski, it's widely reported,
On tapes where her voice was recorded,
More calm than nervous,
Slipped by Secret Service
To engage in matters most sordid.

15053 CLINTON - LEWINSKY - ZSERIES kj

Where will this strange saga end?
Will we learn if Bill's wank has a bend?
Or do we even care,
Just what he does there,
Or with whom, where or why, how or when?

15054 CLINTON - LEWINSKY - ZSERIES kj

I suspect it is all a facade;
Bill gives us a wink and a nod.
Whoever he's doing,
We all get a screwing
From his politics, if not his rod!

15055 CLINTON - LEWINSKY - ZSERIES   kj

It's too bad it got on the dress, dear,
Now make sure of the evidence, clear,
And wash nice and clean,
So somebody mean.
Can't trace DNA back to here.

15056 CLINTON - LEWINSKY - ZSERIES   Chris Papa

I know they're not appropriate lines,
But I'm worried about censure and fines,
And impeachment stuff,
The Senate plays tough,
If it gets some factual signs.

15057 CLINTON - LEWINSKY - ZSERIES   Chris Papa

So please dry your face, mustn't kiss;
I can't touch your bod, my dear miss.
All juries I'll vex,
'Cause this isn't sex.
Though it don't get no better than this!

15058 CLINTON - LEWINSKY - ZSERIES   Chris Papa

I'm Clinton, the Nation's First Cheat;
I can diddle the man on the street
Into truly believing
I'm only deceiving
'Bout girls I've invited to eat.

15059 CLINTON - LIES   John Miller

All the chickens are loose from their coop
And the White House has flies in its soup.
Manure and flies
And huge bald-faced lies
Are designed to make all of us dupes.

15060 CLINTON - LIES Jim Weaver Collection

D'Amato says "Come and engage us."
Lack of memory's truly outrageous.
Al's not very amused;
They are all dazed and confused.
Alzheimer's, we find, is contagious.

15061 CLINTON - LIES Jim Weaver Collection

The Liars list astronomical,
One dude with truth comical.
I dare to surmise
Just where the truth lies,
Below the belt anatomical.

15062 CLINTON - LIES Marsha Magee

It is not 'cause he lies, that you're blue
In the face, or because of his screw-
Ing unfaithfully...no.
You hate bill -- now I know!
Because he lies better than you!

15063 CLINTON - LIES John Miller

It's a record of crime he'll bequeath;
From Bill's foot, we'll soon crawl from beneath.
Between truth and the lie,
Is a big gap, Oh my!
As the one between Letterman's teeth.

15064 CLINTON - LIES Jim Weaver Collection

Clinton said "I know how hard you've tried,
But you do not have proof that we've lied.
My record's not blighted.
We've not been indicted."
(But neither were Bonnie and Clyde)

15065 CLINTON - LIES Jim Weaver Collection

I'm old now (though long in the tooth)
But remember one time in my youth
When both were quite young,
By some slip of the tongue,
The Clintons both spouted the truth!

15066 CLINTON - LIES

Teaching values, on parents rely;
Just be truthful and don't falsify.
With parents deceptive
Forgive the invective,
Who'll teach Chelsea that she shouldn't lie.

15067 CLINTON - LIES Jim Weaver Collection

Many years he's hidden what he did,
The illegitimate son he hid.
It's that kind of shame
That gave him the name --
President Clinton the cum back kid.

15068 CLINTON - LIES Tom Patton

Clinton's campaign is coming undone.
He has problems he cannot outrun.
The deeds he produced
Have come home to roost.
He'll go down wrapped in webs that he spun.

15069 CLINTON - LIES Jim Weaver Collection

The camel's back just got its last straw.
There are two things that just rub me raw.
The source of my cries
Are all those damned lies,
And Clintons contempt for the law.

15070 CLINTON - LIES Jim Weaver Collection

If it's true what the pollsters all say,
Bill Clinton will carry the day.
With our cash and his lies,
He'll have purchased the prize,
And his cronies will have the last bray.

15071 CLINTON - LIES Jim Weaver Collection

I'm tired of old Billy Boy's bleating,
As well as his lying and cheating.
This shameless, moral cretin
Won't quit till he's beaten;
He's a guy who deserves a defeating.

15072 CLINTON - LIES Jim Weaver Collection

When Bill said he didn't inhale,
Who knew that that lie would turn pale.
Now he strongly asserts
That he didn't insert;
What next big lie will our Chief hail?

15073 CLINTON - LIES Gearhart

The speeches, debates and the patter,
Add up to a whole bunch of clatter.
When our minds are quite numb
We'll be sufficiently dumb
So to us the truth simply won't matter.

15074 CLINTON - LIES Jim Weaver Collection

Bill feels pain as he tries to inspire us,
And he finds hiring liars desirous.
Those who come to him clean
Soon turn nasty and mean,
As they all catch the ebola virus.
(ebola virus is bad)

15075 CLINTON - LIES Jim Weaver Collection

When Billy first heard of the draft,
He toked him a weed and he laughed.
"I'll tell them I'm dead --
Or like mama said,
I'll escape in a Whitewater raft!"

15076 CLINTON - LIES Marsha Magee

The people who know me the best
Understand why it's Bill I detest.
I simply despise
A man who tells lies
While he secretly feathers his nest.

15077 CLINTON - LIES Jim Weaver Collection

Bill's good at the old game of shells,
And the many smooth stories he tells;
Things legal, just barely,
Forthcoming, quite rarely,
And full of the fishiest smells.

15078 CLINTON - LIES Jim Weaver Collection

White Chief's trouble breed like jack rabbit.
Forked tongue seem to be Clinton habit.
Forget beads and trinkets!
When buffalo stink, it
Smell better than Wild Bill or Babbit.

15079 CLINTON - LIES Marsha Magee

As we know, the Pres didn't screw;
He's said so, so it must be true.
And if I could tell lies
As good as that guy's,
I'd have Gates's fortune times two!

15080 CLINTON - LIES John Miller

It sounds more like clamor and din
Of those voters who got taken in;
That Bill Clinton's so good
Of a liar, he could...
Oh my God, so you voted for him!?!

15081 CLINTON - LIES MIke

Bill Clinton views truth with contempt;
To hide it, he makes no attempt.
The assortment of lies
From the mouth of this guy
Shows that somehow he thinks he's exempt.

15082 CLINTON - LIES Jim Weaver Collection

The odds of impeachment are long,
With the public opinion so strong.
But when Bill tells you lies
Looking straight in your eyes,
Two thirds of the public is wrong.

15083 CLINTON - LIES John Miller

Trial's over, as brought by Ken Starr.
The vote was close, but no cigar.
His office, black and tarry,
The Pres says he's sorry.
Why of course, Mr Clinton, you are.

15084 CLINTON - LIES Frank Petersohn

So we have a sex predator Prez;
We can't believe anything he says.
He strays far and wide
For sex on the side;
After all the guys wife is a lez.

15085 CLINTON - LIES

At dodging the truth, Bill's a pro.
It's a trick that he learned long ago.
When the questions get rough,
He just sticks to his bluff
And hopes we won't see his nose grow.

15086 CLINTON - LIES Jim Weaver Collection

Bill leaves himself open wide,
With women, and deals on the side.
And you can just bet,
We ain't seen nothing yet --
We'll all see how much he has lied.

15087 CLINTON - LIES Arden

I really regret it a lot,
But I thought I would never get caught!
Yet I do not regret
Having said "I forget..."
I distinctly recall I forgot!

15088 CLINTON - LIES George Masche

There see, another word new,
Describing things Willy will do.
A truth teller, NOT,
Just look what we've got,
Bad President law must pursue.

15089 CLINTON - LIES Chris Papa

Choose a slogan for Bill and his mate,
That's befitting this great head of state.
Because they're so sleazy,
This one's real easy:
If you enter, leave truth at the gate!

15090 CLINTON - LIES   Jim Weaver Collection

Miss Lewinsky, with lawyer in tow,
To shield Bill, will accept every blow.
Did either or both
Tell lies under oath?
That's the thing that we all want to know.

15091 CLINTON - LIES   Jim Weaver Collection

To lyin', cheatin', and thievin';
'Cause liars are so worth believin'.
Cheatin's applauded
And thieves have been lauded --
We elect them as presidents even.

15092 CLINTON - LIES   MrMalo

As with Hoffa, a crook of my youth,
His supporters use methods uncouth,
To attack his attackers
And back up his backers,
And not give a damn for the truth.

15093 CLINTON - LIES   Jim Weaver Collection

Some Sundays, Clintons do church attend;
It looks like marriage on the mend.
But the man is a cheat,
Liking bitches in heat.
Do you think all of this, is pretend?

15094 CLINTON - LIES   Tom Simon

Obfuscation by Willy's been mastered;
Jean Lewis they thought they had plastered.
Oh my, what she wrote
Over these words you gloat?
Of course, he is one lying bastard.

15095 CLINTON - LIES Jim Weaver Collection

If your speaking in "Clintonese",
Words twist and turn in the breeze.
You never say die,
If caught in a lie,
Just piss off the old Taiwanese!

15096 CLINTON - LIES Marsh Magee TP9807

My conscience in working uncouth
Has taken ten years off my youth.
With a thought that's so awful,
It should be unlawful:
What if Bill's telling the truth?

15097 CLINTON - LIES John Miller

Explanations truthless, MENDACIOUS,
Remain false, though somewhat more gracious
Than baldly lying
Or even trying
To hide the spots of acts fellatious.

15098 CLINTON - LIES Daniel Ford

Though President's answers fallacious,
On matters that are quite salacious,
Suggest he's a liar,
The tag that is higher,
Just say he's merely MENDACIOUS.

15099 CLINTON - LIES Chris Papa

A closer look at the checks verify
Some appear to be signed by the same guy.
And suspicions were stirred
By the same misspelled word
And suggest something's definitely awry.

15100 CLINTON - LIES Jim Weaver Collection

It ain't the economy stupid!
It ain't about Willie and Cupid!
It's about the truth shading
And all of us wading, in
BS so deep you can't scoop it!

15101 CLINTON - LIES

Bill must testify; he can't escape.
They will film him while up at the Cape.
Reputation precedes,
So a title it needs;
It is "Sex, Lies, and Videotape!"

15102 CLINTON - LIES Jim Weaver Collection

Many husbands, intent upon cheatin'
Have pleaded some "Top-Secret meetin'".
But few have the temerity
To claim "National Security"
As an alibi, that one can't be beaten!

15103 CLINTON - LIES

I'm sorry that sex is the reason
He's in trouble, I wish it were treason.
It isn't the sexing
Anyone should find vexing,
But lying is never in season.

15104 CLINTON - LIES John Miller

Though it sometimes is hard to perplex,
On our brainwaves Bill has put a hex.
Please help me understand,
Crushing smokes in his hand,
He fights lying and drug use and sex.

15105 CLINTON - LIES   Jim Weaver Collection

I wish that I had a buck
For every lie from that fuck.
I'd have more dough
Than Ross Perot,
But I've never had that much luck.

15106 CLINTON - LIES   Gearhart

This man from Hope is into pandering;
Using the 'hot line' for phone sex bantering.
And will Bill tell lies
Right into your eyes,
When declaring he's not into philandering.

15107 CLINTON - LIES   MrMalo

Even I'd lie in his place,
But I'd never keep up with his pace.
I'd wiggle and squirm
As I'd swear or affirm,
And I never could keep a straight face.

15108 CLINTON - LIES   John Miller

When the Clinton's are caught in a goof,
They ignore it by staying aloof.
Then comes the pouting,
And finally the shouting,
"Oh Yeah! You don't have any proof!"

15109 CLINTON - LIES   Jim Weaver Collection

A promise Bill makes just for fun,
Is changed before his speech is done.
Maybe we heard it wrong,
'Cause it lasts just as long
As a Big Mac aboard Air Force One.

15110 CLINTON - LIES Jim Weaver Collection

An attorney's most priviliged client,
On perjury charges defiant,
Contritely with pride,
Said, although he'd not lied,
On his word, you should not be reliant.

15111 CLINTON - LIES Prof M-G TP9901

A few turns with interns is a sort
Of innocent animal sport;
So underneath he may lie
Side or top, he may try,
But it's kinky to lie to the Court.

15112 CLINTON - LIES Jim Weaver Collection

At lying, Bill Clinton's quite deft;
Of humor, he's completely bereft.
If he undergoes surgery
To excise his purjury,
There just won't be anything left.

15113 CLINTON - LIES Popsicle TP9807

William J, you're a hell of a guy,
Dodging scandals so slickly and sly.
As each one unfolds
You move up in the polls,
And your numbers improve with each lie.

15114 CLINTON - LIES

Some of Bill's friends were appalled
To hear him deny he got balled.
It's better than cancers
To get out the answers,
Or off to the jail he'll get hauled.

15115 CLINTON - LIES M David Tilson

The Right compares Clinton to Nero.
His sex life, they say, counts for zero.
The crime, they decide,
Is that the man lied.
(And Oliver North is their hero?)

15116 CLINTON - LIES

You may call it a donkey, alas,
But defense of the crooks cannot pass.
To respond to your spin,
Here is where you begin;
Is that your party's symbol's an ass.

15117 CLINTON - LIES Jim Weaver Collection

Now Hillarys mad as a hornet!
'Cause Bill was screwing a strumpet.
But Bill had his day;
He made them all pay;
His perjury charges, he'd trump it.

15118 CLINTON - LIES

Clouds of doom block the White House sunshine,
Casting shadows on those who've been lyin'.
Our two heads of state
May soon get the gate.
If they had any class, they'd resign.

15119 CLINTON - LIES Jim Weaver Collection

"Factually challenged" is a kind way of saying
You can't trust a Democrat's braying.
Telling lies with each breath,
Scaring old folks to death;
It's their style of "political haying".

15120 CLINTON - LIES Jim Weaver Collection

Why, sure the Republicans feed
Off of lies, that's just natural greed.
But Bill makes so many
They aren't worth a penny;
Empty calories, poor fare indeed!

15121 CLINTON - LIES Jim Weaver Collection

The President having seen action
Thought he'd had full satisfaction
Then the news of the day
And an urge made him say,
"I want to retract my retraction."

15122 CLINTON - LIES

It's amazing that Clinton still tries
To pull the wool over your eyes.
When we finally awoke,
And got rid of the smoke,
We could see clearly through all the lies.

15123 CLINTON - LIES Jim Weaver Collection

On abroad or a broad, there's no doubt
He's wasted executive clout
For each sordid affair
For bombs bursting in air;
LIE-a-BILL it's yet to run out.

15124 CLINTON - LIES Esther Koch

Would Billy Boy grope while he'd schvanze her?
Will history forever esconce her
As the queen of baloney
Or true testimony?
More after a word from our sponsor!

15125 CLINTON - LIES MrMalo

Team Clinton is spinning at top speed;
Starr and Congress got a bad nose bleed.
"Proving perjury's tough.
Bill's suffered enough!"
We'll not get spun but pureed.

15126 CLINTON - LIES Sumerman

Bill Clinton's no man of conviction;
Avoiding truth is a lifelong affliction.
Mixing lies with the facts,
We can never relax.
To him, truth is stranger than fiction.

15127 CLINTON - LIES Squeaky TP9806

Let's try counting the lies that they tell;
Some think the first couple are swell.
If you've not had your fill,
And you still believe Bill,
Here's some swampland that I'd like to sell.

15128 CLINTON - LIES Jim Weaver Collection

Liasons, Bill Clinton recalls,
As his ass into court Ken Starr hauls.
Now Billy is shitting.
It's probably fitting,
Testimony means swear on your balls.

15129 CLINTON - LIES Jayne

In this country you don't need to lie,
When the court says you must testify.
"Taking the Fifth"
Is a Bill of Rights gift --
But Clinton would rather be sly.

15130 CLINTON - LIES   John Miller

Clinton's slicing his words like a surgeon,
Tying to stem the lies that burgeon.
The person deposed,
What's next, I suppose,
He'll say he's a technical virgin.

15131 CLINTON - LIES   Frank Petersohn

When the truth and falsehood collide,
It does not push Bill Clinton off stride.
For a guy who's so smart,
He cant' tell them apart.
But I don't really think he has tried.

15132 CLINTON - LIES   Jim Weaver Collection

Judge Thomas was said to have lied,
And Packwood was chased till he flied.
Condemnation so hearty
Depends on your party,
Since Willie still gets a free ride.

15133 CLINTON - LIES   Publius   TP9901

I somehow just don't give a shit
If Clinton is getting some clit.
It's the charges of perjury
That brought the grand jury,
And I am just tired of it.

15134 CLINTON - LIES   Gearhart

In the U.S. (or even Missouri),
You're sure to invoke the court's fury,
If you take a chance
On illicit romance,
THEN LIE UNDER OATH TO A JURY!

15135 CLINTON - LIES Jim Weaver Collection

On Clinton's story, I'm not sold;
Nor on his defense, thought quite bold.
But I believe the guy
Asked no one to lie.
For my money, I think they were told.

15136 CLINTON - LIES Tom Simon

If age seventy is "long in the tooth",
Why is fifty considered "a youth".
If based upon lies,
How can clever man wise?
What we need is a bridge to the truth.

15137 CLINTON - LIES Jim Weaver Collection

There was a guy named Bill,
Who had a steadfast will,
He thought it was hip,
To undo his zip,
Now he awaits a starry grill.

15138 CLINTON - LIES

Telling truth, if only Bill would;
Since a youngster, this guy's been a hood.
His pants are on fire.
Says Kerry, "As liar,
Willy's proven unusually good."

15139 CLINTON - LIES Jim Weaver Collection

Deposition is one way of prying,
To unearth crimes from which you've been shying.
But if you did commit it,
Simply do not admit it.
It's up to them to prove you are lying.

15140 CLINTON - LIES Jim Weaver Collection

I'm Clinton, the master of lies;
I can look you straight in the eyes
And question what "is"
'Cause I'm a whiz
At fooling you gullible guys.

15141 CLINTON - LIES John Miller

Droning on about sexual predators,
Those republicans need a few editors.
Then they cut to the tape
And I sit there agape,
And think who would not fuck that head o' hers?

15142 CLINTON - LIES - ZSERIES

I guess they just don't fucking get it;
Don't they realize how long they'll regret it?
She polished his knob;
So he got her a job;
Would they do the same? You bet it!

15143 CLINTON - LIES - ZSERIES

When every cheap two-bit queenie,
Who sucked on some GOP weenie,
Comes out of the closet
With a semen deposit,
They'll resign; that's the end; its finis.

15144 CLINTON - LIES - ZSERIES

Hell, we don't give a shit about that
Until some hypocritical rat,
Like that predator Hyde,
Says the president lied,
About whether he fingered her twat.

15145 CLINTON - LIES - ZSERIES

Now henry, come on, man, get a life!
For that we have all of this strife?
He lied to us all?
Perhaps we should call
And find out what you told your wife?

15146 CLINTON - LIES - ZSERIES

Their whole case is so ineffectual;
The transcripts are too fucking textual.
The video blows,
All it ever shows
Is that Monica is some kinda sexual.

15147 CLINTON - LIES - ZSERIES

Its break time; they now take a breather.
I sit back and think how I'd teethe her.
But then what about
If the wife found out?
Hell I wouldn't tell any one either.

15148 CLINTON - LIES - ZSERIES

In the interests of scandal avoidal,
When one prefers oral to coital,
One should not be so reckless
As to leave a pearl necklace;
Ones aim should be more adenoidal.

15149 CLINTON - LIES - ZSERIES

Ken Starr is so free with our money
To prove Bill is into strange cunny.
"So who give a shit,
You big hypocrite,
That his dick's always reeking of tunny?"

15150 CLINTON - LIES - ZSERIES OgniGioia

That his dick stinks in not the surprise;
It's the record of intrigue and lies.
So who gives a shit?
We ought to, you twit.
So endure such a schmuck's hardly wise.

15151 CLINTON - LIES - ZSERIES John Miller

The point you seem to have missed,
That seems to be just the jist.
Not the action alone
That caused us to moan,
What came after is what gets me pissed.

15152 CLINTON - LIES - ZSERIES Gearhart

The witness tampering and lying
Are the things that Starr is prying,
To bring up and out
A felony, no doubt.
To impede Starr, Clinton is trying.

15153 CLINTON - LIES - ZSERIES Gearhart

My friend, you are perfectly right.
For no matter how bad Clinton's plight,
And how grievous his sin,
I still think he'll win,
And make M's accusations look slight.

15154 CLINTON - LIES - ZSERIES Andrew Walker BBC

But there is just one consolation,
Which we'll reach after due contemplation.
Future students of history,
Will clear up the mystery,
Of his sordid and flawed reputation.

15155 CLINTON - LIES - ZSERIES   Andrew Walker BBC

But I'm not here to bash all the Yanks,
They're my friends and I give them my thanks.
But what makes me quite sick,
Is the thought of this hick,
With his dick hanging out of his pants.

15156 CLINTON - LIES - ZSERIES   Andrew Walker BBC

I am sorry to sound so uncouth,
For the problem is not sex but truth.
Telling lies to the court,
It not the world's favorite sport;
What example to set for our youth!

15157 CLINTON - LIES - ZSERIES   Andrew Walker BBC

I try just as hard as I can,
But with Bill I am just not a fan.
His palms seem more sticky
Than those of Tricky Dicky.
Would you buy a used girl from this man?

15158 CLINTON - LIES - ZSERIES   Andrew Walker BBC

We knew from the start that he lied.
"I had to", the President replied,
To spare Chelsea deep shame
And the disgrace of her name.
A victim-less crime you espied.

15159 CLINTON - LIES - ZSERIES   M David Tilson

In all the world this could unfold
In only America, I'm told.
Where lawyers can take
A blow job and make
Trash of our good Constitution.

15160 CLINTON - LIES - ZSERIES M David Tilson

The Founding Fathers, you see,
Were even smarter than me.
For a balance of power
To keep peace in the bower,
Was the way that they meant it to be.

15161 CLINTON - LIES - ZSERIES M David Tilson

No to me, it remains a mystery,
Why now at this time in our history
That a judicial fringe
Could go on a binge
And play politics with the judiciary.

15162 CLINTON - LIES - ZSERIES M David Tilson

I think its become like Vietnam
The price of a win has become
So horrifically blue,
I will offer a clue:
Both sides say they've won and move on.

15163 CLINTON - LIES - ZSERIES M David Tilson

His enemies all like to boast
We had to do this to make toast.
With this goal forthright
They've lost the foresight,
To want it no matter what cost.

15164 CLINTON - LIES - ZSERIES M David Tilson

For God's sake, I plead with Ken Starr
To stop his disgrace of the bar.
For history will say
For the rest of our days
That he was the real White-wa-tarr!

15165 CLINTON - LIES - ZSERIES M David Tilson

If your crimes were one tenth of his'n,
You'd surely be rotting in prison.
You'd sit there in jail,
Not even make bail,
And stay 'till the dead had all risen.

15166 CLINTON - LIES - ZSERIES John Miller

If my crimes were equal to his,
Lying about where I spent jizz,
The D.A. would say,
Prosecution?...No Way!
We're not in the muck-raking biz.

15167 CLINTON - LIES - ZSERIES Tutta Gioia

Is the President still on the make?
Can he eat it and still have his cake?
Or was this young nipper
Ever in Bill's zipper?
We'll find out right after this break...

15168 CLINTON - MEDIA MrMalo

Tom Brokaw and Jennings and Rather
Aboard ship were fated to gather.
They played Anchors Aweigh
When they fell in the bay.
Thank God we're all through with their blather.

15169 CLINTON - MEDIA OgniGioia

On some subjects I'll speak philosophic;
For some causes I'm quite philanthropic.
When scanning the news,
I get the blues
Cause everyone's on the same topic.

15170 CLINTON - MEDIA Gearhart

Now can politics ever be the same?
Who wants to play in this cruel game?
Hot a Hyde or Burton,
Reputations are hurtin';
The media and Ken Starr are to blame.

15171 CLINTON - MEDIA Sumerman

Clinton treats the campaign like it's chess,
Sending pawns out to clean up the mess.
And when Bill's speech is done,
He takes off at a run,
To avoid meeting up with the press.

15172 CLINTON - MEDIA Jim Weaver Collection

With respect, we must humbly refuse
To limerick on the state of the news
Of this sexual arrangment.
(Damn good entertainment...
Not a subject we'd normally choose)...
(fake BBC disclaimer)
15173 CLINTON - MEDIA Kim & Sam

The Senate now Clinton is fearing;
Technology seems most endearing.
The new v-chips he'll use
In attempts to confuse.
Perhaps he can block out the hearing?

15174 CLINTON - MEDIA Jim Weaver Collection

Ross Perot, even though he's pintsize,
Is running and hopes for first prize.
Bob Dole smells defeat;
Clinton's fast on his feet;
He'll run (to Mc-D for french fries.)

15175 CLINTON - MEDIA Jim Weaver Collection

Did the girl drive bill to distraction
With a promise of oral action?
Is she lying? Who knows?
Did it all come to blows?
Will we have to print a retraction?

15176 CLINTON - MEDIA Skumbunny

We want truth but the press merely shrugs.
They think readers are stupid as slugs.
Our anger is swollen;
The country's been stolen
By a group of those Arkansas thugs.

15177 CLINTON - MEDIA Jim Weaver Collection

Of anger, Bill sure has a fistful;
His plan has become clear as crystal.
He is set for a duel
With that Safire fool;
Let's vote who gets Hamilton's pistol.

15178 CLINTON - MEDIA Jim Weaver Collection

The U.S. Senate has just started pokin',
Into claims campaign laws have been broken.
Those who try to impede,
And intentionally mislead,
Will find out that Fred Thompson's not jokin'!

15179 CLINTON - MEDIA Jim Weaver Collection

The news media's left-leaning slant
Persuades those with the brain of an ant
To ignore what is true,
Till they haven't a clue
That their king is a giant eggplant!

15180 CLINTON - MEDIA   Jim Weaver Collection

With a twist of words, you've been punned.
When smacked back in school, you were nunned.
Now between you and me,
Here's a phrase from TV;
When screwed over, you say you been "chunged".
(Connie Chung got Newt's mother to call Rodham a bitch!)
15181 CLINTON - MEDIA   Jim Weaver Collection

Tripp's tapes meant those holding press passes,
Could talk dirty; preach to the masses,
Till the last polls told them no.
Bill Clinton is our ho,
Now they're left with their heads up their asses.

15182 CLINTON - MEDIA

Helen Thomas, from the D.C. Press Corp,
Fired the question Bill couldn't ignore:
Is the White House for sale?
Bill Clinton turned pale.
Helen can't buy Bill's act anymore.

15183 CLINTON - MEDIA   Jim Weaver Collection

The Clintons both live with elation,
While the public is kept under sedation,
By the media which tries,
With it's incessant lies,
To keep them from incarceration.

15184 CLINTON - MEDIA   Popsicle   TP9807

The circus goes on unabated,
As new charges are allegated.
Never the facts;
They're all grinding an axe.
Quote: Inside sources have stated...

Hillary dickery dock,
They're sucking your husband's cock.
The clock struck three,
It's on TV.
Hillary dickery dock.

15186 CLINTON - MEDIA Steven Martin Cohen

Clean or dirty, jokes show to the eyes,
What details often tend to disguise.
So it's easy to see
(They protest in DC?)
Bedfellows, not so odd, sex and lies.

15187 CLINTON - MEDIA

In his pants, the press should not be;
That principle is clear to me.
From his pants, they would stay
If he kept it put away,
Instead of out for the women to see.

15188 CLINTON - MEDIA Mike Hunter

At Willy, the press won't stop beaming;
With stories of Bill they are dreaming.
Though they put up a fight,
They're brought into the light,
Albeit, they're kicking and screaming.

15189 CLINTON - MEDIA Jim Weaver Collection

I think the whole thing is a fable,
And the liberal press will enable
A blockage of views
And call it the News;
Look, this guy's source is his table.

15190 CLINTON - MEDIA Anon

Bill's reign should be short if not sweet;
Going down in glorious defeat,
At the hands of the press;
Rife with liberals, I guess
And a system in moral retreat.

15191 CLINTON - MEDIA John Miller

Bill stammered and tried hard to frame
An answer to shift all the blame.
Much to his dismay
The Press had a heyday,
Till Bill finally limped off looking lame.

15192 CLINTON - MEDIA Jim Weaver Collection

In the war to be "King of the Polls",
The news media sold out their souls.
Elections aren't games!
They should be ashamed!
New reporters should examine their goals.

15193 CLINTON - MEDIA Jim Weaver Collection

When I watch network newscasts today,
I know I can't trust what they say.
They've developed a knack
Of mixing fiction and fact.
When you mix white and black, you get grey.

15194 CLINTON - MEDIA Jim Weaver Collection

It's not that we all have desire
To see politicians on fire,
It's just that the news
Has no way to cruise,
Unless it can steep us in mire.

15195 CLINTON - MEDIA KJR

Another new legal dance
Around an illict romance.
The worst of this mess
Is the fact that our press
Has its nose in the President's pants.

15196 CLINTON - MEDIA MrMalo

If a camera is pointed Bill's way,
He slips into his role right away.
To the press, he can lie.
At a funeral? He'll cry.
"Photo ops" are his game-winning play.

15197 CLINTON - MEDIA Jim Weaver Collection

What next? It's not easy to guess;
More sheet sniffing leaks to the press.
The power judicial
Is quite prejudicial,
When politically used to distress.

15198 CLINTON - MEDIA M David Tilson

Bill's experiencing something brand new:
The press isn't bowing on cue.
Clinton can't get much spin
With his Teflon worn thin.
They're getting wise but it's long overdue.

15199 CLINTON - MEDIA Jim Weaver Collection

Now, lovers of Clinton, don't flame;
From Clinton News Network this came
With a "Breaking News" banner,
Which then in some manner
Was erased. Well, now, ain't that a shame?

About Clinton's adulterous fling.

Bill and Al are beginning to sweat.
They've been caught doing things they regret.
With the press closing in,

Why do that when they feast cheek to jowl
At the trough with vile despots,
While the press calls it "cheap shots",

15212 CLINTON - MEDIA John Miller

I'm Clinton! Time's man of the year!
An honor I've earned, that is clear.

Slick Willy, at golfing's a klutz;
His short game is driving him nuts.
He's not very old,
But he's often been told
That there's something wrong with his putz.

Thoughts on Bill's sexual exploits are mixed,
With the whole nation's focus transfixed.
Why don't we call a cab,
And send Bill and his Lab
To the vet and have both of them "fixed"?

I'm sick of the vague, euphemistic
"Distinguishing characteristic."
Is it splotched? Is it bent?
All we know is she meant
She can tell between some dicks and this dick.

They said stairs were the reason Bill Clinton
Was arrested from golfin' and sprintin'.

Clinton's gravely voice is a clue
That his rasp is not due to the flu.
It could be allergies

"Slick Willie! Look out!" yelled his host.
But the Slickster was drunker than most.
Slick Willie mis-stepped.
More confused; less adept.
Now a stiffer right knee he can boast.

Would Clinton submit to castration?
To relieve his sexual frustration?
Or would he claim innocence,
No weapon his defense,
Impotent in a united nation?

The bell rings, she questions who is it,

Over problems he found hard to mull,
Bill was feeling so listless and dull.
As the doctor looked close,

Would Clinton submit to castration?
I ask for the good of the Nation!
With his balls down the potty,
He'd less likely be naughty,
And the White House could get some aeration.

His headaches Bill came to despise,
So a plan, Doc had quickly devised.
A lobotomy's done,
But he's still having fun;
Not removed was the part that tells lies.

Of Bill's records we've seen but a few;
Tells the public they're not for review.
He will keep under wraps
Rectal problems, perhaps.
He's an asshole, so tell us what's new.

15252 CLINTON - MEDICAL/PHYSICAL Jim Weaver Collection

There seems to be a bit of a flap
About where medical records are at.
I'll bet Bill's afraid
To reveal he got laid,

That he was found in a bed
With a guy who is called Phillip Morris.

15362 CLINTON - MORALS Tom Patton P9902

The White House is quaking in terror;
They can't run away from their error.
Though they hide it and spin it,
Thw White House can't win it.
Old Bill should have learned to play fairer.

15363 CLINTON - MORALS Jim Weaver Collection

Public opinion will never decide
Wrong is right, 'though it has often tried.
Here's one who won't buy it;
You can't justify it --
Wrong will always be WRONG, never right!

15364 CLINTON - MORALS Jim Weaver Collection

Our country is in steep decline;
The White House is losing its shine.
Its image is hurt
By Arkansas dirt
And muck from the resident swine.

15365 CLINTON - MORALS Jim Weaver Collection

I am not a complete fan of Bill,
But politically he's king of the hill.
He's holding his own
Even sans saxaphone,
But his morals are just run-of-the-mill.

15366 CLINTON - MORALS Jim Weaver Collection

There once was a great man in power,
Who had an intern clean his tower.
He made quite a mess;
It put stains on her dress.
We hope she at least took a shower.

15367 CLINTON - MORALS www.blounded.com

Several months went by; she was still sucking,
And the system the man was still bucking.
She got attached to him;
To him 'twas a whim.
After all, it's not like they're fucking.

15368 CLINTON - MORALS www.blounded.com

The girl had been calling a friend
Who was not quite a friend in the end.
She recorded the speech
For a publisher leech,
And to Kenneth a copy she'd send.

15369 CLINTON - MORALS www.blounded.com

Mr. Starr was having a hassle,
For he'd come off as Mr. Asshole.
Three long years he'd been fishing;
For clues he was wishing;
Seems the Prez was locked tight in a castle.

15370 CLINTON - MORALS www.blounded.com

Then one day in the season of winter,
The castle door had started to splinter.
Seems a man, name was Drudge
Had discovered some sludge.
The news raced 'round the world like a sprinter.

15371 CLINTON - MORALS www.blounded.com

Seven months and the man still denied it;
Had a press conference where he implied it.
Had his own definition;
A brilliant logician;
He did not quite have sex, but he'd tried it.

15372 CLINTON - MORALS www.blounded.com

The nation was shocked and appalled;
For his head the Republicans called.
But for all we'd scream and shout,
We'd not want him out.
It was sex in which we were enthralled.

15373 CLINTON - MORALS www.blounded.com

Judge Starr's stuff came out one early morn;
Looked less like law; more like cheap porn.
Congress had been waiting;
Now they were masturbating,
Visualizing her blowing his horn.

15374 CLINTON - MORALS www.blounded.com

So you know all about the scandal;
We hope that of it you've a handle.
We tune in every day,
Wasting our lives away;
To this, fiction cannot hold a candle.

15375 CLINTON - MORALS www.blounded.com

Clinton's White House career has been reckless.
Is he out-of-control or just feckless?
When confronted with sin,
He can't help but dive in.
Scandals hang 'round his neck like a necklace.

15376 CLINTON - MORALS Jim Weaver Collection

"We the people" have welshed on shame,
Enabling repenters to get back in the game,
Sexual Obsession.
It's our confession
We face Hell and laugh at the flame.

15377 CLINTON - MORALS Sumerman

Clinton's world has turned cloudy and dark,
As the Congress now circles like sharks.
If I were a crony,
(Especially old Tony)
I'd make a point to stay out of parks.

15378 CLINTON - MORALS Jim Weaver Collection

I'm appalled when I hear women say,
"When a president gropes, it's OK.
And you shouldn't be picky
If he asks for a quickie.
To avoid it, stay out of his way."

15379 CLINTON - MORALS Jim Weaver Collection

In the White House, said Willie, "I fear
It is time to quit showing my gear.
But I get such a kick
From exposing my dick,
That I should stick it out one more year."

15380 CLINTON - MORALS Al Chaplin P9911

Bill's main wishes and thoughts are about
A tall station in history, no doubt.
With high praise from the nation,
And some sexless fellation --
To get either, he must stick it out.

15381 CLINTON - MORALS William N Nesbit P9911

Women claim there's a mole on Bill's butt,
And Big Macs have created a gut.
Now much to his shame,
Comes Sally to claim:
In her negligee he likes to strut.

15382 CLINTON - MORALS Jim Weaver Collection

Dan Lasater loves having kicks;
Under oath he adds this to the mix.
All the charges are nil;
There's no favors from Bill,
Except for those teenager chicks.

15383 CLINTON - MORALS Jim Weaver Collection

Yes, it matters what Clinton inhaled
And how many loose women he's nailed.
Presidential recreation
Affects the whole nation.
When faced with temptataion, he failed.

15384 CLINTON - MORALS Jim Weaver Collection

We used to be strong, but no more.
Our honor's been sold out the door.
World friends are dismayed
At the mess that we've made.
We can all thank the Clintons and Gore.

15385 CLINTON - MORALS Jim Weaver Collection

They say Little Willie was bent
On finding ways to circumvent
Just about every law
In Hope, Arkansas --
So on to the White House he went!

15386 CLINTON - MORALS John Miller

F. O. P. bosses just made a "sale":
"Union votes" to help Clinton prevail.
But rank and file aren't amused.
They resent being used
By those who might end up in jail.

15387 CLINTON - MORALS Jim Weaver Collection

An ethical life is divine,
And yes, would that more'd toe the line.
So petition your member
Of Congress. Remember
The ethics we follow are mine.

15388 CLINTON - MORALS Knotweed

Nervous tongues are now starting to wag
As new scandals throw up bright red flags.
Adding fuel to the fire,
Clinton's laundry grows higher,
Overworking the White House Maytag.

15389 CLINTON - MORALS Jim Weaver Collection

Slick Willy was a PLOCE whiz,
Who sparkled with smart legal fizz;
Most memorable line,
Legacy define,
"Depends on what 'is' means as 'is'."

15390 CLINTON - MORALS Chris Papa

Grand juries make Bill bristle quick;
Ken Starr is sure that it will stick.
Bill's placement in history
Is now not a mystery;
He'll be known as "Old Whistledick!"

15391 CLINTON - MORALS

There is a White House on the hill,
Inside residing the fool named Bill,
Who thinks with his pants,
Overlooking the chance
He would get caught, and probably will.

15392 CLINTON - MORALS

The issues were always complex;
On the 60's Bill often reflects.
To join the parade,
He had his sign made:
Can you help me 'cause I'll work for sex.

15393 CLINTON - MORALS Jim Weaver Collection

The country, when asked about Bill,
Said, "We'd rather pick one who will
Be true to his mate,
Not create Zippergate
But who is like that on the Hill?"

15394 CLINTON - MORALS Scandalous Limerix P9804

The adoption idea is keen;
New youngster for Bill and his Queen.
With the counselor he jests;
Woody Allen suggests
That he gets one about seventeen.

15395 CLINTON - PEOPLE Jim Weaver Collection

Sanchez said to the press yesterday,
Bob Dornan should just go away.
"He'd not got it somehow
That I'm in the House now.
I've moved in and I'm planning to stay!"

15396 CLINTON - PEOPLE Jim Weaver Collection

I am well known to "get around";
My popularity often lost then found.
An amiable dope,
I come back to Hope
Just to put one more friend in the ground.

15397 CLINTON - PEOPLE Jim Weaver Collection

In the New York Times, she wasn't kind;
Tell us who got to Maureen Dowd's mind?
Bill's the young golden boy
And those in his employ
Must clean up what he leaves behind.

15398 CLINTON - PEOPLE Jim Weaver Collection

In his costume, far too much he drank;
He's one "buttman" the Demo's don't thank.
He won't last very long;
The whole concept was wrong,
Because he followed Congressman Frank.

15399 CLINTON - PEOPLE Jim Weaver Collection

Dick Morris is ready to squeal.
He's signed a big Random House deal.
Will he trade Clinton's neck
For a book and a check?
How much will he really reveal?

15400 CLINTON - PEOPLE Jim Weaver Collection

The Dick Morris-Prostitute muss
Kicked up a new Democrat fuss.
But it cleaned up real quick
When they found out that Dick
"Absorbed heat" and, was therefore, a plus.

Patrick Knowlton says, "Time to embark
On a journey to make light what's dark.
The truth has been smothered.
I'll sue those who covered
For the guys who dumped Vince in the park."

15402 CLINTON - PEOPLE Jim Weaver Collection

Bill can sit there with face very stony
And purport that the truth is baloney.
But surprise has not come;
Maybe we're not so dumb.
They've proven the Foster note phoney.

15403 CLINTON - PEOPLE Jim Weaver Collection

They must think gays are docile as lambs;
In the White House they suffered more slams.
Since the gloves caused chagrin,
Here's the story they'll spin:
They were offering rectal exams.

15404 CLINTON - PEOPLE Jim Weaver Collection

Henry Waxman steps up to rebut,
Right after a shampoo and cut.
"Though they might be evil,
Let's stop the upheaval.
If the Clinton's are crooks, well so what?"

15405 CLINTON - PEOPLE Jim Weaver Collection

In college I sucked on a joint,
But my lesson I'd already loint.
To stay out of jail,
I didn't inhale,
So I DIDN'T do drugs, see my point?

15406 CLINTON - PEOPLE John Miller

From combat, I kept myself free;
I was being a scholar, you see.
Well sure, I flunked out;
You expect me to shout
"Hey Draft Boaard. I'm done. Come get me?"

15407 CLINTON - PEOPLE John Miller

After college I went beyond frugal,
Working scams with some cons (not McDougal)
And learned to beguile
With a Pepsodent smile,
And for fun played some gigs with my bugle.

15408 CLINTON - PEOPLE John Miller

My hero, Bill Clinton's more grand
Once Hillary took him in hand.
Liberal allies
And guile and slick lies
Made him Number One Con in this land.

15409 CLINTON - PEOPLE John Miller

Not once: Unbelievably, TWICE,
This showman and master of vice
(With the help of the press
And some payoffs, I guess)
Put his stay in the White House on ice.

15410 CLINTON - PEOPLE John Miller

While obscurely I live out my days
Proving petty crime isn't what pays.
But avoiding disaster,
I follow the master,
And fully adhere to his ways.

15411 CLINTON - PEOPLE John Miller

You can have all the joys that you seek,
When the meaning of words you can tweak.
So I won't go to jail
For that under-aged quail,
That I DIDN'T have sex with last week.

15412 CLINTON - PEOPLE John Miller

But now the law has gone fuzzy;
What we're doing's OK 'cause my scuzzy
Made a godawful mess
Outside on the dress,
Which proves I was not in you, was I?

15413 CLINTON - PEOPLE John Miller

Now I carefully brush my white hair;
I don't fart when I sit in a chair.
Look you straight in the eye
When I tell you a lie,
And don't fuck when I have an affair.

15414 CLINTON - PEOPLE John Miller

In Chicago Bill Clinton kicked tail;
He met up with an angry female.
She said, "Willy you suck!"
She's hauled off in a truck.
First Amendment be damned, she's in jail!

15415 CLINTON - PEOPLE Jim Weaver Collection

Slick Willy's a son of AK,
Where the boys all like rolls in the hay
With their sisters and daughters,
And piggy hindquarters,
Beating all you can get there for pay.

15416 CLINTON - PEOPLE John Miller

What can be said of the sexes
In Arkansas accurately reflectses,
But substitute dogies
For them there hoggies,
And you could be talking about Texas.

15417 CLINTON - PEOPLE MrMalo

In the summer of 1998,
Bill Clinton faced Monicagate.
And staunch by his side,
Jesse Jackson as guide,
Who had sins of his own to relate.

15418 CLINTON - PEOPLE Dr Limerick

James Carville, with antics bizaarre,
Gloves on, mouth in gear, set to spar,
Has climbed into the ring,
And has started to swing.
He wants to knock out Kenneth Starr!

15419 CLINTON - PEOPLE Jim Weaver Collection

What a bulldog, or is she a mutt?
She's a talking, head partisan nut.
As Ann Lewis denies
What we all know are lies,
She and Barney kiss slick Willy's butt.

15420 CLINTON - PEOPLE Jim Weaver Collection

Miss Lewinsky, Miss Tripp and Ken Starr
Were out for a night in a bar.
With Trippy onlooking,
Ken and Mon started cooking,
Smartly spewing right into a jar!

15421 CLINTON - PEOPLE Whacked TP9901

Out to prove that Bill Clinton's a liar,
Starr thinks that his tack is surefire.
He gives it good chance
That when Clinton last danced,
He fell over the Linda Tripp wire.

15422 CLINTON - PEOPLE Jim Weaver Collection

Are we sure that Ms. Linda Tripp
Does not use handcuffs or a whip?
Not to be mean,
But is she a drag queen?
She should shut up and button her lip.

15423 CLINTON - PEOPLE Arden

McDougal thought Bill would produce
A pardon to get him turned loose.
But Bill got cold feet
And let Jim take the heat.
Now the heat's on the Gander and Goose!

15424 CLINTON - PEOPLE Jim Weaver Collection

Bill and Hillary have been relying
On McDougal to keep them from frying.
But as Jim faces jail,
His loyalty's grown stale.
He says he'll expose Clinton's lying.

15425 CLINTON - PEOPLE Jim Weaver Collection

Ms. Sanchez is caught in the mess
As supporters are forced to confess.
She would not have won
Without fraud they have spun.
The vote hangs on a thousand or less.

15426 CLINTON - PEOPLE Jim Weaver Collection

Craig Livingstone has no contrition.
Six months missing, he's under suspicion.
We're dropping our jaw;
He is swearing he saw
A Rosemary Woods apparition.
(Rosemary Woods - Nixon secty who may have screwed tapes)
15427 CLINTON - PEOPLE Jim Weaver Collection

For Bill, two-way race is no fun;
Perot is to blame that he won.
In the ring, Chicken Ross,
It's your hat, time to toss.
I double dog dare you to run!

15428 CLINTON - PEOPLE Jim Weaver Collection

Now I wonder what Sanchez will do
If fraud allegations prove true.
Will she cut short her stay
And just "go away"?
Or throw a fit, hold her breath, and turn blue.

15429 CLINTON - PEOPLE Jim Weaver Collection

Disrespect for Marines toppled Lister,
Who resigned before Clinton dismissed her.
Her true feelings exposed,
Sara's future slammed closed.
She went home knowing nobody missed her.

15430 CLINTON - PEOPLE Jim Weaver Collection

The latest White House Romeo
Is about to reel in lots of dough.
I'm sure Bill won't mind
That Dick's book deal was signed
In secret, almost five months ago.

15431 CLINTON - PEOPLE Jim Weaver Collection

There once was a young White House aide,
Whom Slick Willie easily made.
Her steamy blow jobs,
Made him come in great gobs.

On display, let's go see what they've built;
We have heard lots of blood has been spilt.
Names are all sewn with care;
Of Bill Clinton beware.
It's the Arkansas suicide quilt.

15433 CLINTON - PEOPLE Jim Weaver Collection

Linda Tripp says "It couldn't be ironicker,
That Slick Willy would end up like Honeker.
I've now blown the whistle
On where he puts his gristle,

15434 CLINTON - PEOPLE H Myers T9801

As Bill's cronies all sit down to dine,
A new plan they must quickly design.
"They have challenged our hand;
We do not understand.
In Arkansas this stuff worked fine."

15435 CLINTON - PEOPLE Jim Weaver Collection

There are some in high places afraid
That Web's loyalty is starting to fade.
Evidence is compelling;
Web knows more that he's telling.
Is he rethinking deals that he made?

15436 CLINTON - PEOPLE Jim Weaver Collection

They left for the midwest by air;
Today there's no sign of a scare.
Old Bill started blushing
When Al started gushing;
I thought Al would bend over right there.

"Just go on groping girls," they all say
In polls that reported today:

He's now better liked than the Pope!

15439 CLINTON - PRAISED Frank Petersohn

How does Bill still make all these gals swoon?
Though he abuses 'em night and noon?
If he'd bottle that charm,
He could charge us an arm
And a leg, and be rich very soon!

15440 CLINTON - PRAISED Jim Weaver Collection

Don't fall for the time-honored trap
Of spouting out nothing but crap,
Like those Yankess and Rebs
Who profane like young debs,
When talking of that Clinton chap.

"One more monument's what the folks need!
After all, mining's based upon greed.
If we keep the coal there,

15442 CLINTON - PRAISED Jim Weaver Collection

Bill's distracted, he says, by detractors
Disturbing Democratic benefactors;
But recession's not looming,
The economy's booming,
Urged on by some SERIOUS factors.

15443 CLINTON - PRAISED John Miller

They said it was the worst of slimes.
He said, "It is the best of times.
The economy's up.
I've got a new pup.
Have I committed some crimes?"

Did the people in Utah have a say
About the land that was stolen away?
Or did they lose all their rights

With an "executive order" power play?

15445 CLINTON - PRAISED Jim Weaver Collection

Don't you love the American Way,
Where Freedom and Justice hold sway?
Until guilt is proved
You're an innocent dude,
Unless you're elected today.

15446 CLINTON - PRAISED Sumaq

His private behavior is shameless;
His public policy, aimless;
Though his deeds are ignoble,
His outlook is global,
So he will remain ever blameless.

Those who came to hear Clinton topside,
Thought the Grand Canyon trees had all died.
But park rangers declare
The trees are still there.
For photo ops, they just tied them aside.

There once was an affable gent
Who had quite a liberal bent.
But the voters turned right,
So he changed overnight
To a new and improved President.

15449 CLINTON - PRAISED Jim Weaver Collection

He may tell one hell of a lie;
He may not measure up to your eye.
Though it may be uncanny,
You can bet your sweet fanny
That man gets more pussy than I!

15450 CLINTON - PRAISED MrMalo

We the people are loathe to convict him,
So instead this is how we depict him.
Paula Jones is a slut;
Kenneth Starr peddles smut;
And Bill Clinton's their innocent victim!

15451 CLINTON - PRAISED George Maschke

I'll miss old slick Willy, for sure,
And legacy that will endure.
'Twill be but a bore
With Bush and Al Gore,
Who'll lead lives impossibly pure.

15452 CLINTON - PRAISED Chris Papa

Forgetting great men would be callous,
So we honor their fame without malice.
But a pillar would seem,
To unerringly mean,
We'd memorialized Bill with a phallus.

15453 CLINTON - PRAISED

Jesus Christ, Superbiz, don't you know
That the folks in this group love Bill so?
If you tell Clinton jokes,
Then these very same folks
Will turn up the flames 'till you glow.

15454 CLINTON - PRAISED

Clinton is loved in the poll;
Who cares if he's found a hot hole.
The economy's great.
Just lay off jail bait,
Or repubs will put us back on the dole.

15455 CLINTON - PRAISED H Bomb

I voted for Bill and how!
I'd vote the same again now!
The issue, no doubt,
That I care about
Is Jones...not Paula, but Dow!

15456 CLINTON - PRAISED Richard H

The leader of my Fatherland
Has taken a powerful stand;
As the danger still grows
I'm sure that he knows
That he holds the match in his hand ...

15457 CLINTON - PRAISED

I've heard Clinton cheated and lied,
Now it seems like his butt will be fried.
No wars have been fought,
Our children get taught,
So hell, I'll stay on his side.

15458 CLINTON - PRAISED Jim Weaver Collection

Some are in favor of Bill,
And some wish his guts would spill.
But I'm truly disgusted
With how he's been busted.
And wish congress and news hounds to hell

15459 CLINTON - PRAISED Jim Weaver Collection

The Queen just received a new fax
From Madame Tussauds. Here the facts:
"Done Bill's balls and his dick;
They're life-size and real slick;
But now Ma'am, we've run out of wax!"

15460 CLINTON - PRAISED

By chicanery, swindle, and scheme,
Bill's achieved the American dream.
Though his greatest success
Is on Monica's dress,
Aren't you proud to be part of his team?

15461 CLINTON - PRAISED

Maybe the poll situation
Could use some investigation.
CNN sources say
Something different each day.
Their numbers need reconfirmation.

15462 CLINTON - PRAISED Gearhart

His reign was just odd theater great,
And whether you liked him or hate,
He did provide fun
To limericks we spun,
'Bout bawdy red-neck Chief of State.

15463 CLINTON - PRAISED Chris Papa

Western earth-movers and shakers
Drooled over millions of acres.
But at the last minute
The land went off-limits;
Now they're whining, like spoiled bellyakers.

15464 CLINTON - PRAISED Dr Limerick

So now Utah folks feel
Clinton grabbed their rich land in a steal.
Then signed rights away
In Arizona that day,
Not in Utah, where they'll feel the raw deal.

15465 CLINTON - PRAISED Jim Weaver Collection

"Though Bill Clinton's out wooing all classes,
He'll never be one of the masses,"
Jerry Brown claims. "It's true,
Because he'll always view
The whole world through Rhodes Scholared glasses."

15466 CLINTON - PRAISED A. N. Wilkins P9205

If Utah's job base should dive,
It's OK 'cause her votes equal five.
And since those five are lost,
Just let them pay the cost,
As they angrily buzz in their hive.

15467 CLINTON - PRAISED Jim Weaver Collection

So Clinton has declared "Off Hands"
A huge tract of scenic South lands.
If only he'd been there
Years ago to declare:
"The National Park of Sundance."

15468 CLINTON - PRAISED Jim Weaver Collection

Even after these years of such pain,
And the pressure that's cooking his brain,
When it's all said and done,
And the last race is run,
Slick Willy will rise once again!

15469 CLINTON - PRAISED Jim Weaver Collection

When Clinton came on, they said WOW!
We'll get that crook yet...And how!
But after this long,
With all he's done wrong,
You'd think they'd have something by now!

15470 CLINTON - PRAISED Jim Weaver Collection

King Clinton has done it again
As he rules with a stroke of his pen.
To hang onto his throne,
Utah miners can groan.
Who care about plain citizens?

15471 CLINTON - PRAISED Jim Weaver Collection

Some times it all seems so clear;
I cannot do better, I fear.
But of Bill they're still fond
This side of the pond,
And I really find that kind of queer.

15472 CLINTON - PRAISED John Miller

You get government that you deserve,
So Clinton was twice asked to serve.
As our President
With cock straight or bent,
He'd doing it with lots of nerve.

15473 CLINTON - PRAISED Arden

On Inaugural Day we can see
Some events that won't be on TV.
There's Rodham's subpoena,
Bill's drugs come from Mena,
And Al Gore is humping a tree.

15474 CLINTON - PRESIDENT Jim Weaver Collection

Impeach him, Republicans are beggin';
Slick Willie is not even shaken.
Paula Jones case is dead;
Not much more to be said.
At least he's not senile like Reagan.

15475 CLINTON - PRESIDENT Navin

Though detente has provided relief,
There's a threat that could cause the world grief.
We must act right away;
There's no time for delay.
Buzz the Marriott, we need the chief.

15476 CLINTON - PRESIDENT Jim Weaver Collection

If Bill wants Barbra Streisand to sing,
He must give her permission to bring
Her current white Knight
To spend the whole night
In the White House, like a Queen and a King.

15477 CLINTON - PRESIDENT Jim Weaver Collection

Four more years we are getting from Bill.
After eight years we should have our fill.
But with lawsuits to handle
And Whitewater's scandal,
Perhaps there's a 'Fool on the Hill.'
(Beatles song)
15478 CLINTON - PRESIDENT Limerick Man

Aides told him, it's time for a rally.
"Make your choice, sir, there' no time to dally."
With big boobs on his mind,
He says he's inclined
For a visit to "Silicone" Valley.

15479 CLINTON - PRESIDENT Jim Weaver Collection

"I think the Republicans stink!"
Said Bill Clinton. "And what's more, I think
That Perot is a jerk;
That his plan just won't work,
And that Dole is a chicken-heart fink!"

15480 CLINTON - PRESIDENT Oliver M

For the Kansan don't shed any ears,
In the Senate he had some good years.
But Clinton can smile,
'Cause he'll win by a mile,
And soon can announce "FOUR MORE YEARS!"

15481 CLINTON - PRESIDENT Quilis

If leaving the church they were booed?
I'd say that it was very rude.
But knowing the facts
They would give him the axe...
Typical Christian attitude!

15482 CLINTON - PRESIDENT Mr Malo

Through Congress, his budget plan sailed
With all those good points it entailed.
But when it was read,
So many then said,
Bill Clinton had surely inhaled.

15483 CLINTON - PRESIDENT Jim Weaver Collection

The budget fills Bill with distress;
With his party, he's now in a mess.
As the GOP chugs
Willy's shoulders he shrugs,
Then runs after the budget express.

15484 CLINTON - PRESIDENT Jim Weaver Collection

"I am warning you, do what I say,
Or I promise there's hell that you'll pay.
Cale and staff I want gone;
They have been here too long.
And p.s. Tell them have a nice day."

15485 CLINTON - PRESIDENT Jim Weaver Collection

There once was a President named Clinton,
Who'd rather go joggin' than sprintin'.
But a leisurely pace
Might still win this race,
If it's Dole that Perot votes are stintin'.

15486 CLINTON - PRESIDENT Walter Rollin

He's a sore in the mouth like a canker;
And his party is speaking with rancor.
It's each man for himself;
They'll put Bill on the shelf;
His coat tails are now a great anchor.

15487 CLINTON - PRESIDENT Jim Weaver Collection

With Bill's lying, my blood pressure peaks;
He won't answer or take our critiques.
So for your protection
From his interjection,
You should condom your ears when he speaks.

15488 CLINTON - PRESIDENT Jim Weaver Collection

There once was a Pres named Bill
Who had his fat hand in the till;
With money he'd pay
For a three-dollar lay,
From the seclusion of Capitol Hill.

15489 CLINTON - PRESIDENT Jim Weaver Collection

He had a big bitch of a wife,
Who'd stab her friend's back with a knife.
Now the Pres, he did fear
That Mrs. Bobbit slept near.
So he'd not slept a wink in his life.

15490 CLINTON - PRESIDENT Jim Weaver Collection

Now the Pres, who was seen as a glutton
For steak and potatoes and mutton,
Made his appetite clear,
That job loss was no fear;
Who would, with their hand on the button?

15491 CLINTON - PRESIDENT Jim Weaver Collection

Now his grumpy old foe was Bob Dole,
Who constantly dug his own hole,
With rantings and ravings
And GOP cravings,
Met reality head-on at the poll.

15492 CLINTON - PRESIDENT Jim Weaver Collection

Now the Pres, who plays a mean sax,
To some, he may seem a bit lax.
At his inaugural address,
He'd eye all in a dress
And even a few who wore slacks.

15493 CLINTON - PRESIDENT Jim Weaver Collection

Bill wanted to show he's efficient
In things foreign, so very proficient.
But in troubles he's mired,
And the missles were fired
Because his own weapon's deficient.

15494 CLINTON - PRESIDENT Jim Weaver Collection

Bob warned us, alone on the floor,
'Cause an oath to his country he swore.
With their far-leftist goals,
We would lose all our souls,
And be forced to turn over the store.

15495 CLINTON - PRESIDENT Jim Weaver Collection

It's not worth my spare time to note
If Bill is a lamb or a goat.
Despite all your fears,
He's there two more years.
On Clinton we'll not again vote.

15496 CLINTON - PRESIDENT Frank Fazed

Not Billy, 'cause that is the law,
But another from Hope Arkansas
Might have held the White House
Except that her spouse
As First Husband's a little too raw.

15497 CLINTON - PRESIDENT John Miller

To Hillary Clinton said Bill,
"I think we can stay on the Hill.
'Cause tired old Dole
Dug himself a hole,
And the Whitewater thing, a cheap thrill."

15498 CLINTON - PRESIDENT Andrew Wright

Bill Clinton ran well for president,
And became the White House resident.
But his troubles piled
'Cause his friends ran wild,
But he also had much precedent.

15499 CLINTON - PRESIDENT Joseph McEwen P9407

Let's all sing "Hail to the Chief."
He's just trying to get some relief.
If Hillary doesn't mind,
We should all get behind
Him and quit giving him all this grief.

15500 CLINTON - PRESIDENT Rusty Smith

Though bein' tempted for many a time
To get rid of old Billy-boy's slime
In a violent way,
I am sorry to say;
I've denied me this pleasure sublime.

15501 CLINTON - PRESIDENT

Bill was always a polished debater,
Now he plans to be gun confiscator.
All you gun nuts aren't wrong
And you won't have them long
Unless you're a felon or traitor.

15502 CLINTON - PRESIDENT Jim Weaver Collection

In Montana Bill must draw a line;
Stop the hate talk, let's all be benign.
While he's up on the horse,
Thought of danger, of course,
But don't worry, he has not a spine.

15503 CLINTON - PRESIDENT Jim Weaver Collection

There once was a Clinton named Bill,
Who lived up on Capitol Hill.
He sold out the White House
And cheated on his spouse,
Then tore up his knee in a spill.

15504 CLINTON - PRESIDENT kj

Time has come for a lesson to teach
That they really are not out of reach.
For one hour each day
Join our protest display;
And at noon, headlights on to impeach!

15505 CLINTON - PRESIDENT Jim Weaver Collection

The man who resides where the buck stops,
Was arrested, and told by the fed cops,
"These little white slips
Are for two many flips,
Alternating with too many flops."

15506 CLINTON - PRESIDENT Cybergeezer

From here I just judge by his works,
And not by his lurks and his perks.
The world has felt safer;
He's no gung-ho strafer;
It's only the "GOP'S" that he irks.

15507 CLINTON - PRESIDENT

And those who mistakenly think
That Presidents never should drink
Give way to their lusts
Or fiddle with trusts
Or sometimes to visit a shrink

15508 CLINTON - PRESIDENT

For this is the way of the world;
Through my years I have seen it unfurled;
For leaders are takers
And cover-up fakers.
Their standards are twisted and curled.

15509 CLINTON - PRESIDENT

And all of it is just perception
And not really any deception.
We believe what we're told
In headlines quite bold;
It depends on the press's reception!

15510 CLINTON - PRESIDENT

The leader's the dominant male
Beside him our prowess must fail
All ladies desire
To share in his fire
He naturally gets lots of tail.

15511 CLINTON - PRESIDENT

We keep hoping for their abdication;
When they leave there will be jubilation.
It's in evil they toiled,
So the White House was soiled.
The first thing will be fumigation.

15512 CLINTON - PRESIDENT Jim Weaver Collection

Hey, get a load of this, folks!
Bill Clinton's the butt of more jokes
In all history
On late-night TV,
Than all other top-ranking blokes!
(Source: Center for Media and Public Affairs)
15513 CLINTON - PRESIDENT John Miller

When the Congress and Bill meet to chat
About budgets, they end in a spat.
But a new game's beginning
And in the first inning
They'll make Bill take the first turn at bat.

15514 CLINTON - PRESIDENT Jim Weaver Collection

The White House is great and it's evident
That a lot can be learned from its resident.
If you practice your drawl,
And no morals at all,
Someday you too can be President.

15515 CLINTON - PRESIDENT John Miller

Future Historians will laugh
Assessing my Presidency's path.
Campaigner without peer,
But no mandate, that's clear;
For I got less than half of a half.

15516 CLINTON - PRESIDENT Jim Weaver Collection

Some of our country's youth are hell bent;
Now they've found what fellatio meant.
They said, "That old line's trite.
We don't want to be right.
We would much rather be President!"

15517 CLINTON - PRESIDENT Loren C Fitzhugh P9901

An orthopod fixed up the knee,
While the Senate checked out DNC.
Show me the money,
The numbers look funny,
Said Al Gore and friend Hillary.

15518 CLINTON - PRESIDENT kj

It cannot be denied he's a worm;
Come closer, we see Willy squirm.
Whether pro-life or not,
You'll like this a lot.
Late abortion of his partial term.

15519 CLINTON - PRESIDENT Jim Weaver Collection

Clinton's gala that's now being planned
Will be presidentially grand.
After cruising the snacks
Bill may bring out his sax
And ask to sit in with the band.

15520 CLINTON - PRESIDENT   Jim Weaver Collection

If he wins, Bill can climb off the fence.
There will be no more need for pretense.
Like it or not,
We'll see what we bought,
And find out what we're all up against.

15521 CLINTON - PRESIDENT   Jim Weaver Collection

On the messenger some place the blame.
We fight back and hope this will inflame.
A real Clintonologist
And licensed Proctologist
Have a subject that's really the same.

15522 CLINTON - PRESIDENT   Jim Weaver Collection

To the gays, Bill has told many lies;
Frisco visit, there's fire in their eyes.
You can feel the rage;
They are rushing the stage;
Bill, get set for a rectal surprise.

15523 CLINTON - PRESIDENT   Jim Weaver Collection

"Forget history," said someone of note,
"And your bound to relive it," unquote.
The last several years
Have rekindled my fears
Of how easily we're made the goat.

15524 CLINTON - PRESIDENT   John Miller

That Clinton's one hell of a chap.
Monica's dress? A mishap.
But when he gets off his balls,
Behind terrorist walls,
They get much more than stains on their lap.

15525 CLINTON - PRESIDENT Bob Mornington

"Now hear this, y'all," said the President.
"We'll exclude all talk that is dissident.
We'll smoke out the Far-Right,
With the Doles we will fight,
Then seal up the leaks in the residence."

15526 CLINTON - PRESIDENT Mike O'Conner

Poor Bill's now a figure of fun;
Though as president, second to none.
But listen, you guys
Just a word to the wise;
If you cross him, your days they are done.

15527 CLINTON - PRESIDENT Hamwic

There's a guy who is quite influential,
In fact he is quite presidential.
Though the Press tries to ruin
With tales of his screwing,
In the White House he's still residential.

15528 CLINTON - PRESIDENT Raymond Davies

Bill's done many things that aren't lawful;
Big decisions are clearly quite awful.
He'll go South and then North,
Change his mind back and forth,
And his brand new symbol's a waffle.

15529 CLINTON - PRESIDENT Jim Weaver Collection

"For social injustice, I'm sure
High taxes will serve as the cure,"
Said Bill Clinton. "They'll bitch,
But I'll take from the rich
The wealth that they've filched from the poor."

15530 CLINTON - PRESIDENT John Sandler P9303

"To cure economic austerity,"
Said Clinton with phony sincerity,
"I've discovered a way
To make larceny pay--
By taxing you into prosperity."

15531 CLINTON - PRESIDENT John Sandler P9308

Hillary, Billary, Socks,
With the Clintons, the White House really rocks.
Can the Nation come to grips
With the spirit of "Read My Lips,"
We fill in the "Amount you owe" box.

15532 CLINTON - PRESIDENT Jim Weaver Collection

Bill's new obfuscation's a doozy!
So he left to go dance the Watusi.
If he's boiled in a pot,
In some African spot,
We'll know cannibals just ain't too choosy.

15533 CLINTON - PRESIDENT Marsha Magee

"In memory of the Bambino,"
Said a baseball umpire from Reno.
"We screamed the first call
When Bill tossed the first ball,
And Pat tossed out the first Latino.
(Pat who? Buchanan? Which spic?)
15534 CLINTON - PRESIDENT Loren C. Fitzhugh P9606

That he's crooked we all would agree,
And quite soon some surprises we'll see.
Events become clearer
As Bill bumps the mirror,
He looks up and says "Pardon me!"

15535 CLINTON - PRESIDENT Jim Weaver Collection

I guess I don't have enough time
To put it all together in rhyme.
What Starr's taken from me
Will be in history,
As the ultimate Whitewater crime.

15536 CLINTON - PRESIDENT Dave

Netanyahu wants treatment that's fair,
And with Willy, he's ready for bear.
FBI leads the way
And they're not shy to say,
"Our own Yahoo awaits you in there."

15537 CLINTON - PRESIDENT Jim Weaver Collection

Angry women and minorities aren't pleased
So Bill Clinton can't help feeling squeezed.
To get them off his neck,
Prop 209 he'll reject,
And just hope their demands are appeased.

15538 CLINTON - RACE Jim Weaver Collection

When we voted and 209 passed,
Equal treatment was within our grasp.
But a judge did not like it
And decided to strike it.
I think we've been bit by an asp.

15539 CLINTON - RACE Jim Weaver Collection

At midnight the streets fill with crooks.
Now Bill want's them out shooting hooks.
They're not firing a gun.
While slam-dunking is fun,
Whites and Asians are hitting the books.

15540 CLINTON - RACE Jim Weaver Collection

Bill again showed his bright yellow streak
Under cover of darkness last week.
He will work to suspend
209 for his friends,
He revealed Friday night in a squeak.

15541 CLINTON - RACE Jim Weaver Collection

GSA would not pay uptown rent,
So to a Harlem office Bill went.
That is so apropos
Because, as we all know,
Bill says he's first Black President.

15542 CLINTON - RACE

Racial strife is a media attraction.
TV news thrives on violence and action.
Newsmen stir up the hate
Then they stand back and wait
And watch for the arrival of Jackson.

15543 CLINTON - RACE Jim Weaver Collection

If their chances for futures are waived,
Oakland's black students may not be saved.
It sure seems ironic,
And almost demonic,
Ebonics could keep them enslaved.

15544 CLINTON - RACE Jim Weaver Collection

The news media just loves to stir
Corporate pots to dig up racial slurs.
They're creatively lax
Publicizing the facts.
Cameras roll when the big fight occurs!

15545 CLINTON - RACE Jim Weaver Collection

The traffic was honkin' and snarlin',
As Bill Clinton took new digs in Harlem;
His plans are obscure,
And probably impure,
But no doubt, he's the media's darlin'.

15546 CLINTON - RACE Dr Limerick

Bill Clinton was smilin' and gleamin'
In a blue suit made by Hickey-Freeman,
And custom made shoes,
But just look at that 'do'!
It's true! The man's really a demon!

15547 CLINTON - RACE Jenni Saqua

The sex taboo's gone without trace,
But a new one has taken its place,
Where you better not raise
(Not even in praise!)
Any hint on the subject of race.

15548 CLINTON - RACE John

Bill consumed far too many at Hooters,
And told secrets to some of his rooters.
You know boys will be boys
And my most favorite toys
Are my basement Big Brother computers.

15549 CLINTON - SECRETS Jim Weaver Collection

Those wise guys who hold up Congress,
Just love to poke this sore mess.
They don't know their butt
From a hole in the gut;
In this country, they cause such distress.

15550 CLINTON - SECRETS Karen

Bill's circle of friends is still growing.
Foreign interest show no sign of slowing.
In a note to Khadafi:
"Let's meet and do coffee."
Beside java, what else will be flowing?

15551 CLINTON - SECRETS Jim Weaver Collection

The President dodges and flinches,
As scandals tighten 'round him by inches.
His mind's occupied
Trying to save his own hide,
Leaving others to feel all the pinches.

15552 CLINTON - SECRETS Jim Weaver Collection

Why isn't Bill Clinton more curious
About White House activities spurious.
The evidence shows
He already knows.
Otherwise he would no doubt be furious.

15553 CLINTON - SECRETS Jim Weaver Collection

Many men ponder Clinton's effect
On the females he seems to collect.
Well, here's what I think:
Bill is pudgy and pink,
"Just a child" Moms forgive and protect.

15554 CLINTON - SECRETS Jim Weaver Collection

As he watches his future turn dim,
They'll be hanging Bill out on a limb.
His troubles aren't pretty;
He'll find even Liddy
Would refuse to be quiet for him.
(G Gordon Liddy, Watergate conspirator)

15555 CLINTON - SECRETS Jim Weaver Collection

When the fund-raising iceberg floats by,
You can see just the part that rides high.
The rest of the floe
Lies hidden below
In the murk, out of view of the eye.

15556 CLINTON - SECRETS Jim Weaver Collection

What the heck's going on at Long Beach?
Just how far does the treachery reach?
There is no excuse
For this power abuse.
We demand that it STOP with a screech.

15557 CLINTON - SECRETS Jim Weaver Collection

Now the spotlight is pointed their way
But the White House has little to say.
They cloak their warships
With "bi-partisanship"
To avoid a melt-down expose!

15558 CLINTON - SECRETS Jim Weaver Collection

We all know deep in our guts,
That a White Water deal has been cut.
The crooks will go free
If they all will agree
To mark time and to keep their mouths shut.

15559 CLINTON - SECRETS Jim Weaver Collection

The handwriting's now on the wall.
The sword is poised ready to fall.
To avoid giving answers
About White House "cancers"
The only trick left is to stall.

15560 CLINTON - SECRETS Jim Weaver Collection

The reports of a John Huang defection
Will not stimulate White House affection.
If the base of Bill's throne
Is torn down, stone by stone,
Mr. Huang may need full-time protection.

15561 CLINTON - SECRETS Jim Weaver Collection

I think most of us can agree
The White House must be panicky.
They scramble about
Hoping we won't find out
The stuff they don't want us to see.

15562 CLINTON - SECRETS Jim Weaver Collection

There was once was a man from Arkansas
Who had secrets not everyone saw.
But it's still not evident,
Even though he is president,
That Clinton's not wanted by the law.

15563 CLINTON - SECRETS Lawrence Craft

The media has had plenty enough
Of Clinton's escapades in the buff.
Was it all an act
To cover the fact
That someone stole nuclear stuff?

15564 CLINTON - SECRETS Anon

White House visitors taking a stroll
In the garden should watch out for holes.
You will not find slugs
Or othere bad bugs
But the lawn has been riddled by "moles".

15565 CLINTON - SECRETS Jim Weaver Collection

If Senator Dodd has his way,
He'll derail the DNC expose.
If there's nothing to hide,
Why not just step aside?
What secrets are hidden away?
(DNC - Democratic Nation Committee)

15566 CLINTON - SECRETS Jim Weaver Collection

With their eyes closed, they say Bill is fine;
"He's protecting those freebies of mine."
But I say to you fools,
You are Slick Willy's tools,
And your head's where the sun never shines.

15567 CLINTON - SECRETS Jim Weaver Collection

Using loopholes, Bill glides like an eel,
All over the world, making deals.
He enters the lairs
Of both tigers and bears.
U.S. assets are served with each meal.

15568 CLINTON - SECRETS Jim Weaver Collection

The White House computer debut
Has proved our suspicions were true.
The Big Brother hacks
Are digging up facts.
Is the Watch Bird at work watching you?

15569 CLINTON - SECRETS Jim Weaver Collection

A computer could help in detecting
The secrets that Clinton's protecting.
If there's no Watergate
In Clinton's home state,
They'll need rapid Whitewater inspecting.

15570 CLINTON - SECRETS Larry Dahl

There lives a president namd Bill,
Who fucked us all, while on the hill.
We thought it was strange,
But his opponents are deranged.
What great advertisements for the Pill!

15571 CLINTON - TIRADE Jersey City

A win for the radical right?
Now it's Al Gore they must fight.
And it's highly unusual
If not unconstitutional,
To use feds on the Prez in the night.

15572 CLINTON - TIRADE M David Tilson

I'm Clinton, I'm bad through and through,
And there's plenty of folks know that too.
But they are afraid
(Or else have been paid)
There's damn little they're apt to do!

15573 CLINTON - TIRADE H Welchel

With "bipartisanship" ready to sail,
Democrats snubbed their place at the rail.
Their petulant balk
Left them back on the dock,
Voices raised in an indignant wail.

15574 CLINTON - TIRADE Jim Weaver Collection

They have now hit a big wall of stone,
To delay and obstruct and postpone;
Avoid in any way
The reckoning day
When they'll have built Willie a throne.

15575 CLINTON - TIRADE Puff Adder

Whereas both of the Clintons are crass,
And if tested on truth, they can't pass.
A new broom has swept clean --
What a refreshing scene --
The White House graced with Bush family class.

15576 CLINTON - TIRADE

I'm Chelsea, and I feel so sad,
To have such a creep for a dad --
It's all over T.V.
For the whole world to see,
And laugh, 'cause the country's been had!

15577 CLINTON - TIRADE Kaylin Brandon

Then they looted the White House with zeal;
It was just, they thought, part of the deal.
From the White House collection,
Make any selection --
It's not beneath the Clintons to steal.
(republican lie)
15578 CLINTON - TIRADE

Tricky Dick has been made to look sick
By Billy, the King of the Slick,
Who by actions demeaning,
Has given new meaning
To the term that applies, "Crooked Prick!"

15579 CLINTON - TIRADE John Miller

Brave Willy! You didn't inhale,
So I guess then can't put you in jail.
I'm so glad your creed
Embraces the weed;
I'm sure your crusade will prevail!

15580 CLINTON - TIRADE John Miller

Will anything grow from this fuss?
Will the taxpayers benefit thus?
(Will Bubba in jail
Do unto his tail
As he and his crew do to us?)

15581 CLINTON - TIRADE Jim Weaver Collection

Democrats are now feeling the squeeze
As their base begins showing unease.
But Clinton just scoffs
As he brushes blame off.
He explains, "Every dog has its fleas."

15582 CLINTON - TIRADE Jim Weaver Collection

Here's a tip that I can't make much plainer:
"Beware the deceitful campaigner."
We need a great man,
With a sold game plan,
Not a giant-sized empty container.

15583 CLINTON - TIRADE Jim Weaver Collection

Here at home, Mr. Clinton's indicted,
But the crimes he has done won't be righted.
Folks think our good times
Somehow justify crimes
So the voters are far from delighted.

15584 CLINTON - TIRADE John Miller

So the victories were won at great cost.
We proceed, for the die has been tossed.
But the truth tends to stun;
Battles were won,
In both cases the war appears lost.

15585 CLINTON - TIRADE John Miller

When Bill Clinton is down at the poll,
And his campaign is out of control,
A victim comes forward
And falls on his sword
To make sure Clinton reaches his goal.

15586 CLINTON - TIRADE Jim Weaver Collection

I'm Clinton, the President;
The liberals think I'm heaven-sent.
I can do with my schwantz
Whatever I wants;
Like my dick, you can all go get bent!

15587 CLINTON - TIRADE H Welchel

In order to float their own boat,
The Democrats must have your vote.
If you give it away,
They'll be here to stay.
They'll grab all of us by the throat.

15588 CLINTON - TIRADE Jim Weaver Collection

The goal Clinton seized on since birth,
Was to wield the most power on earth.
He pulled out all the stops
In his climb to the top.
In the long run, just what was it worth?

15589 CLINTON - TIRADE Jim Weaver Collection

His handlers are always astute,
And Bill has now gained in repute.
It was always his aim
And now Clinton can claim
I am relevant, I was with Newt.

15590 CLINTON - TIRADE Jim Weaver Collection

There once was a ignorant mob,
Who supported a political slob.
But with hardly a dent
Above forty percent,
He now has the president's job.

15591 CLINTON - TIRADE Jim Weaver Collection

Just out of the hot rumor mill:
"FBI to investigate Bill!"
(For aspersions quite snide,
To get under Hyde's hide,
And intimidate those on the Hill.)

15592 CLINTON - TIRADE John Miller

We are tired of the hawing and hemming.
What we want is a "big spending" stemming.
Liberals lead us along
With a false-noted song.
Aren't you tired of just being a lemming?

15593 CLINTON - TIRADE Jim Weaver Collection

Though his plate overflowed -- his third --
Bill's dinner was meatless, I heard.
To the fowl, now belated,
He felt almost related,
A lame duck soon to be a jailbird!

15594 CLINTON - TIRADE Paul VerNooy T9712

Liberals are in for a scare,
'Cause Slick Willie just isn't aware
That raising our tax
And spending the max,
Will leave our economy bare.

15595 CLINTON - TIRADE Jim Weaver Collection

The problem has been, all along,
That so many of the "liberal" throng
Try to rationalize,
And make up "white" lies,
Until they can't tell right from wrong!

15596 CLINTON - TIRADE John Miller

Clinton thinks we're a bunch of dumb sheep,
Whose votes can be bought off real cheap.
It's time that he learned
The main flock has turned.
It's time to shear Little Bo Peep.

15597 CLINTON - TIRADE Jim Weaver Collection

Clinton's White House will be overthrown.
He's about to be pushed off the throne.
One pawn of the king
Is getting ready to sing.
And it may or may not be Livingstone.

15598 CLINTON - TIRADE Jim Weaver Collection

We took it as Ms. Rodham cackled;
Big Government they've never tackled.
We've been tricked and manured,
And these years we've endured;
Perhaps the next four, they'll be shackled.

15599 CLINTON - TIRADE Jim Weaver Collection

Clinton must not get much sleep.
Facial furrows and bags appear deep.
As much as he tries,
He just can't disguise
That mistakes he has made won't be cheap.

15600 CLINTON - TIRADE Jim Weaver Collection

Hillary Billary Socks,
The President's head's full of rocks.
He wants us to pay
More in taxes today.
Guess I'll have to wear holes in my socks.

15601 CLINTON - TIRADE Jim Weaver Collection

Hey Bill, the truth can't be ducked;
In '96 the Dems will be bucked.
If not on the chin,
And the bastards are in,
The Nation will truly be fucked!

15602 CLINTON - TIRADE Jim Weaver Collection

It's certain that I've had my fill
Of Hillary Clinton and Bill.
Though the thought's hardly witty,
I think it's a pity
Their mothers weren't both on the pill.

15603 CLINTON - TIRADE John Miller

Democrats are now shaking with fear
As they sense that a meltdown is near.
A new witness signed on;
Wiggle-room is all gone;
Their prize bull has been changed to a steer.

15604 CLINTON - TIRADE Jim Weaver Collection

I'm Clinton, and I can't be chucked;
From office I cannot be plucked.
The fate of the nation
Precludes condemnation --
(Monica ain't the only one I've fucked!)

15605 CLINTON - TIRADE Kaylin Brandon

A senate bid for old Bill is in reach;
And history has something to teach.
A senator/president
Has a great precedent;
The last was another they won't impeach.

15606 CLINTON - TIRADE Frank Petersohn

Is it worse to play fool with a judge
Or go on TV with your fudge?
Now Willie's done both --
Though his lies are loath,
I still George and Ron more begrudge.

15607 CLINTON - TIRADE H Whelchel

Clinton's been neither crowned nor ordained,
But his reign has been far from restrained.
When folks wake up tomorrow
They will find to their sorrow,
Who's in line to receive the royal pain.

15608 CLINTON - TIRADE Jim Weaver Collection

Democratic resolve we applaud;
But their perception is flawed.
Together like glue,
Disregarding what's true;
Their conclusions are really quite odd.

15609 CLINTON - TIRADE Squeaky

Bill's facade is starting to slip.
The veneer is now hanging in strips.
As each layer peels 'way,
We find only clay,
And there isn't an inch without chips.

15610 CLINTON - TIRADE Jim Weaver Collection

Clinton can't figure out what went wrong;
The "people" aren't singing his song.
Well, here is the gist:
The "people" are pissed!
And are set to give Clinton the gong!

15611 CLINTON - TIRADE Jim Weaver Collection

"I do not need to hear one more word."
Quoth the erudite senator Byrd.
To show his true fabric,
The veteran maverick

Affirming his power to pervert
Whilst donning his purple-hued shirt,

Far be it from me to pervert us,
But some things just aren't gonna hurt us.
People in foreign lands
Shake their heads 'stead of hands,
When they see us point out how Bill's serviced.

'Though to me it does not seem that bad,
Some people in this country get mad.
All the talk in this nation
Of elected flirtation,

But this school-yard talk certainly ain't.
What we should be achieving,

Clinton's pal Panetta tries stalling;
In court, his pals, Ken Starr is hauling.

Democrats have played footloose and fast,
Throwing "bombs" but were caught in the blast.

We're caught in a web we have spun.

Bowing his head in despair,

15620 CLINTON - TIRADE George Maschke

Bill's sex-life? Hey, who gives a shit?
Who cares if he can't keep it zipped?
But selling the country

15729 CLINTON - VOTERS John Miller

I'm Clinton, the Chief of State;
I cheat on my country and mate.
Should anyone choose
My ass to accuse,
It's THEM all the voters will hate!

15730 CLINTON - VOTERS John Miller

Clinton says, with his sly baby grin,
"A majority's needed to win.
So I won't fret this Fall.
If I can't fool them all;
If I fool more than half, I'll get in!"

15731 CLINTON - VOTERS Charlotte

His party thought Bill so dynamic;
The slaughter put them in a panic.
Many Demo's in town
Had careers just shut down.
Bill's nickname is now the Titanic.

15732 CLINTON - VOTERS Jim Weaver Collection

Amendments aren't one of his jobs;
Such proposals are up to the slobs
Up there on the hill,
Reflecting the will
Of the States or constituent mobs.

15733 CLINTON - VOTERS John Miller

To some, Bill's a marvelous chap.
They blindly fall into his trap.
When all things shout, "Beware!!"
They simply don't care.
Their brains must be down for a nap.

15734 CLINTON - VOTERS Jim Weaver Collection

"Clinton cares about you" because he
Needs your vote and knows you hold the key.
If your vote he does sway,
Be assured, you will pay,
When he goes on a power-drunk spree.

15735 CLINTON - VOTERS Jim Weaver Collection

Harlem is Bill's PIED-A-TERRE,
White House is Bush's stolen share.
His wife is there too,
In the bedroom blue;
The Supreme Court elected them there.

15736 CLINTON - VOTERS Larry

The election is over at last.
By now all the votes have been cast.
It's the end of "Act Two",
But the play isn't through.
Clinton's third act will be unsurpassed!

15737 CLINTON - VOTERS Jim Weaver Collection

When a politician struts like he's God,
That's a clue that his mission is flawed.
And if he has a sly smirk,
He's a bonafide jerk!
Vote him out! Put an end to his fraud!

15738 CLINTON - VOTERS Jim Weaver Collection

While courting a new piece of tail,
Talk of weather is turning Bill pale.
"I'm not scared of lightning,
And monsoons aren't frightening,
But I'm really afraid of that Hale!"
(Hale-Bopp comet)
15739 CLINTON - WOMEN Jim Weaver Collection

There was a young fellow named Clinton
Who kept all his pearly whites glintin',
Bedazzling the misses,
Receiving the kisses
He gave them while they were still squintin'.

15740 CLINTON - WOMEN Cybergeezer

Rodham threw many objects that night;
They engaged in a outrageous fight.
She postpones the attack,
When Bill swears he'll cut back.
Their agreement is called "Bimbo Light".

15741 CLINTON - WOMEN Jim Weaver Collection

She wanted so bad to consort,
Knowing Willy liked sexual sport.
She is sure to applaud
With Ms. Rodham abroad.
That's today's Clinton bimbo report.

15742 CLINTON - WOMEN Jim Weaver Collection

Bill's position he's made very clear;
He loves watching a hard-as-steel rear.
On his desk is a sign
Truman-esque by design;
It says simply "The Bimbo Stops Here!"

15743 CLINTON - WOMEN Jim Weaver Collection

There protecting young Chelsea from knowing,
But knowledge of Daddy is growing.
His problems are double,
Yes, Willy's in trouble.
She's joined in her mommy's lamp throwing.

15744 CLINTON - WOMEN Jim Weaver Collection

Young Chelsea's reported to wail,
"How come my dad gets all that tail?
My security man
Is with me in the can.
But my offers to screw him all fail."

15745 CLINTON - WOMEN Cole

Hussein will now fear insurrection.
Clinton now worries about the election.
Saddam saw family leave;
Here's a thought to perceive:
They're concerned about Chelsea defection.

15746 CLINTON - WOMEN Jim Weaver Collection

Though he thought he was in it for fun,
Soon the scandal he couldn't outrun.
There is wide-spread belief
Our Commanader-In-Chief
Got "debriefed"; now the secret's undone.

15747 CLINTON - WOMEN Knight45a

A man who would not be attacked,
To critics would firmly react.
In his trousers, he erred,
And the subject was bared,
But he strongly defended his act.

15748 CLINTON - WOMEN Albin Chaplin 3024-2428

At the visit he had with the Pope,
A young lady, Bill thought he could grope.
The Pontiff could tell
He was destined for Hell;
Not a Cardinal gave Willy a hope.

15749 CLINTON - WOMEN Jim Weaver Collection

Slick Willy was anxious to mate her,
But having some fun, he'd first bait her.
So he picked up a spud,
And then stuck in his pud,
Proclaiming that he's our dick tater.

15750 CLINTON - WOMEN Jim Weaver Collection

In the White House, there's some tattletale,
Who is selling some lies by retail.
As I entered the room,
I did smell perfume,
But I left, and I didn't inhale!

15751 CLINTON - WOMEN Al Willis T9710

On Prop 187 he'll speak;
Plug up the borders and stop the leak.
But the thought on Bill's mind
Was to later unwind;
Proposition he'd make to Monique.

15752 CLINTON - WOMEN Jim Weaver Collection

"If it's true" Patty Ireland rants,
"I'll be taking a much different stance.
If he grabbed Paula's rump,
I'll demand of the chump,
Drop your office like you dropped your pants."

15753 CLINTON - WOMEN Jim Weaver Collection

All hail to the chief, our Slick Willy.
Albeit his thoughts are quite silly.
For his future bound bridge
Crosses Whitewater Ridge,
And he still has an eye for a filly.

15754 CLINTON - WOMEN Jim Weaver Collection

Rodham thinks that adoption is best;
Says her dear husband's needing his rest.
But the truth should be known,
He was not there alone
When he took the fertility test.

15755 CLINTON - WOMEN Jim Weaver Collection

A young diner, Bill thought he could dupe;
So upon her he quickly did swoop.
She was not in the mood;
His pants got in her food;
She screamed, "Waiter, a fly's in my soup!"

15756 CLINTON - WOMEN Jim Weaver Collection

An American Pres called Billy,
Had some problems controlling his willy.
"Oh Doctor!" he said,
"I know I am wed!
But pray tell, are your red panties frilly?"

15757 CLINTON - WOMEN Jayne

Bill Clinton makes some women flip.
His charm makes their hearts race and skip.
This strange lunacy
Is a mystery to me.
My advice: "Get a life! Get a grip!"

15758 CLINTON - WOMEN Jim Weaver Collection

The path Clinton chose for his life
Has produced a rich harvest of strife.
Bill is feeling harassed
By gals from his past,
And last, but not least, his own wife.

15759 CLINTON - WOMEN Jim Weaver Collection

An idea I'd like to advance
Concerns Bill's political dance.
When asked why they'll vote
For a randy old goat,
Women say, "Just give him a chance."

15760 CLINTON - WOMEN   Jim Weaver Collection

For convictions and justice we pray
And the time's getting closer each day.
We may get rid of Bill
But there's one bitter pill,
Albert Gore's just a zipper away.

15761 CLINTON - WOMEN   Doug From Upland   P9706

Our President Clinton, Slick Willie,
Is nuts about babes, genus filly.
Accused, he denies it;
Step forward, who buys it;
As disclaimers go, that's a dilly!

15762 CLINTON - WOMEN   Armand E Singer   471

We have seen he is not worth his salt,
And they're all trying to pass off the fault.
"Though from Hilly I hid,
The worst thing I did
Was have sex in the Madison vault."

15763 CLINTON - WOMEN   Jim Weaver Collection

Pollsters point to a huge gender gap,
Female votes falling into Bill's lap.
Are they deaf, dumb and blind?
Have they all lost their minds?
Don't they know they've stepped into a trap?

15764 CLINTON - WOMEN   Jim Weaver Collection

If Hussein is attacking today,
Miss Muffet, Bill calls right away.
Had his way with her twice,
And then takes her advice;
Now his options with Kurds he will weigh.

15765 CLINTON - WOMEN Jim Weaver Collection

Bill Clinton's unbreakable habit
Is pretending that he's a rabbit.
He makes like a bunny
If it's dark or sunny --
If there's a chance for sex, he'll grab it.

15766 CLINTON - WOMEN

Why Clinton should be under threat,
Is a mystery deep in the net.
It was Melanie
Whom the felony
Was committed with, thats the bet.

15767 CLINTON - WOMEN

When Bill attends church we are sick;
To be moral he cares not a lick.
While pretending to pray,
He is wishing someday,
In the pew he could nail that chick.

15768 CLINTON - WOMEN Jim Weaver Collection

Celebrate celibate journey,
Avoid the nightmare returnee,
And as should have Willy,
Avoid ditzy dilly,
Without the need of an attorney.

15769 CLINTON - WOMEN Daniel Ford

Bill met Maxine Waters with police;
She hit him with her big valise.
'Cause he made a pass
At her big flabby ass;
We get it: No justice, no piece.

15770 CLINTON - WOMEN Jim Weaver Collection

Said a proper young lady named Minton,
"I won't do those vile things you are hintin'.
You should know it is so
That my "no" means just "no",
As defined by our leader Bill Clinton."

15771 CLINTON - WOMEN

The girls to whom Bill takes a shine
Are exposed to much more than his line.
But whether clothed or quite bare,
He's always full of hot air
And he never sends out Valentines.

15772 CLINTON - WOMEN Jim Weaver Collection

'Tis the purpose of special commissions
To investigate errors and omissions,
But the spokeperson said
That the President's bed
Is reserved for nocturnal emissions.

15773 CLINTON - WOMEN Bob Birch P9803

Just give 'em six inches; they will
Take it the way over the hill.
They're trouble you know;
They don't like to let go.
Hey, just ask old President Bill.

15774 CLINTON - WOMEN

With a drink, Willy watched Bush's doom.
He rubbed her and smelled her perfume.
The night of election
He got an erection,
But Rodham was not in the room.

15775 CLINTON - WOMEN Jim Weaver Collection

Susan M. has Bill over a barrel.
All the knowledge she has isn't sterile.
And if she's a smart cookie,
She will say, "OK, Snookie,
Pardon me or your future's in peril!"

15776 CLINTON - WOMEN Jim Weaver Collection

Where Willy goes, dead bodies follow,
And in lies they continue to wallow.
Their own hole they dig;
Now the scandal's so big,
Linda Lovelace could not even swallow.

15777 CLINTON - WOMEN Jim Weaver Collection

Dirty Old President Bill,
The reason he ain't screwin Hill'?
Well he knows that he oughta
But have you seen his daughter?
One's bad enough, but two? Fuckin' hell!!

15778 CLINTON - WOMEN

The press carries Bill Clinton's water;
About Rodham, it looks like we've caught 'er.
Now a poll of the press
Causes Willy distress;
None would trust Bill alone with their daughter.

15779 CLINTON - WOMEN Jim Weaver Collection

Now stories in DC are rife,
With rumors of Bill's private life.
Trouble is brewing;
He won't stop his screwing;
And none of it's with his dear wife.

15780 CLINTON - WOMEN   Jim Weaver Collection

At dodging the truth Bill is shrewed.
No tall tale will he ever exclude.
About Emperor's Clothes,
We know Willy has those;
In a trooper car, he's always nude.

15781 CLINTON - WOMEN   Jim Weaver Collection

If they prove Bill Clinton did breed
A 13 year old with his seed,
Will he admit
(This time, no shit)
That he's now another mouth to feed.

15782 CLINTON - WOMEN   Tom Patton

Bill was up to his old tricks;
The Pope found a soul he can't fix.
"When they're done confessing,
And after your blessing,
Let's go hustle a couple of chicks."

15783 CLINTON - WOMEN   Jim Weaver Collection

Twenty one years ago his best man
Warned him, "Willy, run fast as you can!"
His advice was ignored,
But he's never been bored,
Hatching many a pants-dropping plan.

15784 CLINTON - WOMEN   Jim Weaver Collection

I think there is something alarming
That so many perceive Bill as charming.
Just what does it take
To recognize a snake?
Are his theatrical ploys that disarming?

15785 CLINTON - WOMEN Jim Weaver Collection

We've a major-league President, Bill,
With a pitch for which players would kill.
He can get to first base
At a blistering pace,
And can score standing perfectly still.

15786 CLINTON - WOMEN Cyber Geezer

Willy Clinton with latest poll rating,
Found ego and weenie inflating.
He thought "Paula be damned!
The election's in hand!
And I'm off for some second-term dating!"

15787 CLINTON - WOMEN Jim Weaver Collection

A presidential young stud named Billy
Required an occasional "filly".
Guarding him was scary-a-lot
When he sneaked to the Marriott
To secretly service his willy.

15788 CLINTON - WOMEN Don Hart

"Now the voters just don't give a damn
What an absolute bounder I am.
They don't care," Willie said,
"Who I take to my bed,
So I'm back in the saddle! SHAZAM!"
(SHAZAM - changed Billy Batson into Capt Marvel - McW)
15789 CLINTON - WOMEN William N. Nesbit P9609

New wisdom Slick Willy's imparted;
Family values, the course he has charted.
He's sincere as can be,
You can take it from me.
Several families we know that he's started.

15790 CLINTON - WOMEN Jim Weaver Collection

To prove she is no tattletale,
Miss Susie McDee went to jail.
But she is no dunce.
In a couple of months,
She'll be out with a story for sale.

15791 CLINTON - WOMEN Jim Weaver Collection

As the White House story goes stale,
Sue McDougal still shields Clinton's tail.
Though the phone does not ring,
She refuses to sing,
As she faces more birthdays in jail.

15792 CLINTON - WOMEN Jim Weaver Collection

Once Bill's sign-off of over and out
Comes to pass, a jubilant shout
Will erupt from the quarters
Supplying escorters,
Who'll make sure he'll get going without.

15793 CLINTON - WOMEN Esther Koch

Of duct tape, you speak with respect.
It will repair any defect.
Tape Clinton's fly shut,
So he cannot rut;
See if it has an effect.

15794 CLINTON - WOMEN Marlene

"Just follow the yellow brick road!"
Congress will scrap the Tax Code.
Godzilla's a wussie,
Bill gave up pussy,
And Al Gore's not really a toad.

15795 CLINTON - WOMEN Marsha Magee TP9806

We know Bill chases skirts like a fool.
The first lady stays far from his tool.
Let's stop the deceit;
Did they really meet
Sharing a woman in school.

15796 CLINTON - WOMEN Jim Weaver Collection

Said the Prez, "I've been caught, I confess.
There's no doubt that I made a big mess.
Though place to doff is
Not the oval office,
It was clear I was under duress!"

15797 CLINTON - WOMEN Observer

He'll be needing their votes for a win;
At the Ford Plant, he spoke with a grin.
"Put some astroturf here,
I'll grab that lady's rear;
We'll be taking your truck for a spin.

15798 CLINTON - WOMEN Jim Weaver Collection

One day Clinton was horny and spunky;
Told an aide that he wanted her monkey.
His organ went limp
When she brought in her chimp.
He decided he wasn't that funky.

15799 CLINTON - WOMEN Jim Weaver Collection

Clinton's lines are a casual addition
For eager young gals with ambition.
They understand when he nods,
"I want girls with nice bods,
Who will drop to their knees in submission."

15800 CLINTON - WOMEN Jim Weaver Collection

His critics, Bill Clinton's berating,
But some in the press, keep on baiting.
Charges cut like a knife
That he'll pardon his wife.
"It depends at the time, who I'm dating."

15801 CLINTON - WOMEN Jim Weaver Collection

A girl from 9-0-2-1-0,
Came to D.C to find men to blow.
She padded her knees
To be at full ease.
At 1-6-0-0, who can know?
(90210 - zip code Bev Hills, 1600 Penn Ave - White House)
15802 CLINTON - WOMEN Scandalous Limerix

It is said that Bill's equally fond
Of young women, both brunette and blonde.
How many said "Yes"
Is anyone's guess.
It's not hard to catch perch in a pond.

15803 CLINTON - WOMEN Jim Weaver Collection

If it's true what the "talking heads" say,
It was women who carried the day.
They love billing and cooing
And succumbed to Bill's wooing.
He conned their votes and was gone the same day.

15804 CLINTON - WOMEN Jim Weaver Collection

For his party the guests Bill selected,
Then Flowers showed up unexpected.
As she walked in the door,
You could hear Rodham roar,
"You're a dead man if it is erected!"

15805 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

All our women he staunchly empowers;
For females his sympathy towers.
As the kindest of men,
Bill's most sensitive when
It is Spring, and he waters the Flowers.

15806 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

Though Gennifer's love was illicit,
Her story was bold and explicit.
She can still remember
Bill's undersized member,
And how she won't really miss it.

15807 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

The leader of all superpowers,
Likes B.J.'s and long golden showers.
Then later he disses
The interns he kisses,
And lounge singers that he deflowers.

15808 CLINTON - WOMEN - G FLOWERS   Irish

Hillary Billary Socks,
The first lady wears the jocks.
Gennifer said,
That he's good in bed,
But the voters don't care about cocks!

15809 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

She seemed to be just a dumb filly,
To the eyes of old silly Willy.
To her, it seemed odd
That he'd grab her bod;
Kiss her, and grope Willy-nilly!

15810 CLINTON - WOMEN - G FLOWERS   Everett Parke

Many times, a man in high power
Had affairs with a woman named Flowers.
But this he denied,
And he lied and he lied,
Then again, he lies every hour.

15811 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

John Hickey received some nice flowers
From Clinton, the man of great powers.
This would be eclectic;
He's shown he's dyslexic.
He meant to give hickeys to Flowers.

15812 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

Hillary Rodham spent hours,
Developing Bill Clinton's powers.
But she really got miffed
When she bought him a gift,
And he said that he's rather have "Flowers!"

15813 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

The new gardener wore overall pants,
Giving tips on removing the ants.
Then he wanted to know
What Bill most liked to grow?
Clinton winked, bragging Flowers he plants.

15814 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

Bill Clinton and Gennifer Flowers
Found excitement in Quapaw Towers.
For skills with the mouth
In zones of the south,
Each respected the other ones powers.

15815 CLINTON - WOMEN - G FLOWERS

Clinton says, "It is just like back when
They found out I'd been seeing Gen.
Send your dollars and cents
To pay my defense,
And I'll try not to screw up again.
(Gen - Genifer Flowers, bimbo)
15816 CLINTON - WOMEN - G FLOWERS   Ann Gasser   P9408

As you elected Washington's New Kid,
I promise to expurgate Cupid.
But if I can't tend my "Flowers,"
What'll I do with my hours?
(Crowd response) "THE ECONOMY, STUPID!"

15817 CLINTON - WOMEN - G FLOWERS   John Roberts   P9301

Rodham's prints on the folder, so what?
Please just stop it, Conspiracy Nut.
An exam just took place;
We see Willy's red face,
'Cause his prints were on Gennifer's butt.

15818 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

Now Clinton has a President's powers,
And keeps all the President's hours.
But his lawyers all know,
It's really all show.
He's running for Gennifer Lowers.

15819 CLINTON - WOMEN - G FLOWERS   Anon

Bill Clinton, he thinks he's Bon Jovi,
Though his pecker is clearly no trophy.
Since Flowers implied
He not only lied,
But he's also hung like an anchovy.

15820 CLINTON - WOMEN - G FLOWERS

'Tis said that poor Bill Clinton cowers
At talk of his sexual powers.
One should never pillory
Long suffering Hillary;
She surely did not sniff the Flowers.

15821 CLINTON - WOMEN - G FLOWERS   Theo Heller   P9301

Bill Clinton now passes the hours
Dreaming of expanding his powers,
While the Public does say
They can't wait for the day
Till he spends all his time tending Flowers.
(Genifer Flowers - bimbo suing Bill for sexual harassment)
15822 CLINTON - WOMEN - G FLOWERS   Tom Patton   P9505

What lesson can stop Bill's trasitions?
He's one of our better magicians.
A lady named Flowers
Tied Bill down for hours,
To keep him from changing positions.

15823 CLINTON - WOMEN - G FLOWERS   Jim Weaver Collection

An intern who went to the Hill
Was told by none other than Bill,
"It tickles my fancy
To pull down my pants, see?
Your job now depends on your skill."

15824 CLINTON - WOMEN - INTERNS   Scott Baldwin

Hormones got the best of Slick Bill;
He forgot place, in search of a thrill.
And an intern will use
For games that he'd choose,
That lead to a DNA spill.

15825 CLINTON - WOMEN - INTERNS   Chris Papa

An intern, very chubby and cute,
Blows seductively on the skin flute.
We find, somewhat later,
Our Pres is a satyr,
In a White House of much ill repute.

15826 CLINTON - WOMEN - INTERNS   Jim Weaver Collection

Lincoln's bedroom's now yours for a fare;
With the truth, he's been known to split hairs.
But you'll have to admit
That he sure did his bit
Taking care of intern-al affairs.

15827 CLINTON - WOMEN - INTERNS   Rob

An intern while giving some head,
Sucked so hard that she almost turned red.
Bill then said "Hee-Haw!
And please watch your jaw!"
But she wouldn't desist 'til he bled.

15828 CLINTON - WOMEN - INTERNS

A philandering President named Bill,
Was married to a lawyer named Hill.
He played on the side,
And repeatedly lied,
'Cause his female intern said "I will"

15829 CLINTON - WOMEN - INTERNS   Jim Weaver Collection

Oh Father! I have a confession!
Hope it doesn't cause you depression.
I applied as intern
For the Prez, and I've learned
My lips have made quite an impression.

15830 CLINTON - WOMEN - INTERNS Stephen Ross

There once was an intern who said,
"I've been in the President's bed.
And three times a day
Bill Clinton would say:
'Come here, baby, give me some head.'"

15831 CLINTON - WOMEN - INTERNS Speckle Bird TP9901

Poor old Bill is feeling randy,
And his Hill just isn't handy.
He needs to get laid,
So he grabs an aide.
Soon he's feeling fine and dandy.

15832 CLINTON - WOMEN - INTERNS Jim Weaver Collection

For Clinton, vacation's a dame.
But this year it wasn't the same.
This winter instead,
Went to Hilton Head,
Thinking Hilton's the new intern's name.

15833 CLINTON - WOMEN - INTERNS Tom Patton

Would Clinton submit to castration?
Nope - cause he loves the sensation,
Of slapping his nuts
On the chins and the butts,
Of all the interns in the nation!

15834 CLINTON - WOMEN - INTERNS

Clever Billy with passion quite vast,
Used to talk about making it last.
When he chanced to discern
A young nubile intern,
Now he does it quite often -- and fast.

15835 CLINTON - WOMEN - INTERNS   Arthur Deex   P9807

Said an intern to President Clinton,
(Who was only subtlely hintin'),
"You used no protection,
No, it's not an infection...
But some baby boots I'll be knittin'!"

15836 CLINTON - WOMEN - INTERNS   Anon

Said Bill to a certain Ms. Willey,
"In the winter, my office is chilly.
But we could get hot
If you touch the right spot...
Just be quiet or Hilly will kill me.

15837 CLINTON - WOMEN - K WILLEY   Marsh Magee

Said Clinton to Kathleen Willey,
"You sure are a fine looking filly!
Put your hand on my dick
And massage it real quick,
And you'll see why they call me Slick Willie!"

15838 CLINTON - WOMEN - K WILLEY   Jim Schaefer

In August or was it November?
Ms. Willey, he couldn't remember!
But in March, he's quite sure
That his actions were pure.
"I did not have her fondle my member!"

15839 CLINTON - WOMEN - K WILLEY   Everett Parke

And then there is poor Kathleen Willey,
A good-looking, destitute filly.
Her boss took his chances
And made crude advances.
Her tale, under oath, is a dilly!

15840 CLINTON - WOMEN - K WILLEY   Jim Weaver Collection

Ms. Willey said, "Bill seeks to ruin me --
Next thing you know, he'll be suin' me!
I was looking for work,
When I wrote him, the Jerk!
Was I better off with him wooin' me?"

15841 CLINTON - WOMEN - K WILLEY   Everett Parke

A president, fondly called Billy,
Denied ever fondling Willey.
He said, "She's a liar.
My pants were on fire,
And her hand was conveniently chilly."

15842 CLINTON - WOMEN - K WILLEY   Inbron

The spin that's been spun about Willey
Is now coming undone, willy-nilly.
When all's said and done
And the last spin's unspun,
The threads all lead back to Slick Willie.

15843 CLINTON - WOMEN - K WILLEY   George Maschke

Lying trippingly on the tongue,
Willey's testimony smelled like cow dung.
She told twelve of her peers
That she harbored great fears,
So the jury, like Clinton, was hung.

15844 CLINTON - WOMEN - K WILLEY   Frank Petersohn

Slick Willie -- all girls he would oogle
With his honor exceedingly frugal.
He wooed Mrs. Willy
And then he got silly,
And thought maybe Susan McDougall.

15845 CLINTON - WOMEN - K WILLEY

Kathryn Willey is the latest name
In our prexy's hall of dame.
She says she was groped;
He might even have poked.
Is Free Willy the name of the game?

15846 CLINTON - WOMEN - K WILLEY   Larry M

Despite slanders, Bill's seeking for heaven;
He forgives at least seven times seven.
This trash babe who insists
For twelve years they had trysts,
When she knows it was merely eleven.

15847 CLINTON - WOMEN - K WILLEY   Jim Weaver Collection

A beltway insider named Willey,
Went to ask for a job from her Billy.
But fondling his knob,
HE cried, give me a job!
For quid without quo, dear, is silly!

15848 CLINTON - WOMEN - K WILLEY

In the case of Kathleen Willey,
To say that she's lied is silly.
The man has no shame;
He's entirely to blame.
Yes, I'm talking about President Billy.

15849 CLINTON - WOMEN - K WILLEY   Puff Adder

In hindsight, it looks pretty silly
To base a talk show on this filly.
Bill Clinton's a heel
For copping a feel,
Was all they got from One-Note Willey.
(Kathleen Willey talk show radio lasted two weeks)

15850 CLINTON - WOMEN - K WILLEY   Dr Limerick 05-07-02

"Willey Whacks Willy's Willie,"
As headlines, that would be silly.
If what Starr knows
Goes "Thar she blows!"
Willy won't be laughing, will he?

15851 CLINTON - WOMEN - K WILLEY   Marsha Magee

Presidential accuser Ms Kathleen Willey
Charged unwanted advances from Billy.
But the witness lied
And won't be retried.
Just what is the logic here, really?

15852 CLINTON - WOMEN - K WILLEY   Frank Petersohn

We knew she's learn sooner or later,
That deep down, the GOPers all hate her.
Then we all can unite
On the left and the right,
In contempt and disdain for a traitor.
(Linda Tripp)
15853 CLINTON - WOMEN - L TRIPP   Dr Limerick

She egged him on with her charms,
And wriggled right into his arms.
She promised him bliss
With her first little kiss
Then Linda Tripped the alarms.

15854 CLINTON - WOMEN - L TRIPP   Jim Weaver Collection

To Starr, with his jihad embargoed,
Said Linda, "To have him Sukarno'd
Here's a tape cut in Hell,
What a book deal I'll sell,
With more chutzpah than Benedict Arnold."

15855 CLINTON - WOMEN - L TRIPP

Says Ken, "Ms Tripp, I admire your stealth,"
(Between jobs for great cigarette wealth)
"Satan's not the right icon,
In what state was the mike on?
To be certain, I'll tape it myself."

15856 CLINTON - WOMEN - L TRIPP

It seems there's this lady named Tripp,
Who has a face that could sink a ship.
She got Monica's ear,
And voiced her worst fear,
That for HER, Bill would never unzip!

15857 CLINTON - WOMEN - L TRIPP Jim Weaver Collection

There was a young woman called Tripp
Who just couldn't button her lip.
She vented her fury
In front of the jury,
And Monica's secrets let slip.

15858 CLINTON - WOMEN - L TRIPP

His wife and his daughter are sad
And I must admit it looked bad,
But dear Linda Tripp
That mean nasty snip,
Had no business taping! Egad!

15859 CLINTON - WOMEN - L TRIPP Maggie

A sneaky informant named Tripp
Provided her fans with this tip:
"Hot scandals may hover
Behind a case cover,
And other things men can unzip."

15860 CLINTON - WOMEN - L TRIPP Jim Weaver Collection

Tripp will be prosecuted, no doubt,
For recording about Bill the Lout.
Though she knew the law,
No problem she saw.
Now her luck has just tapped out.

15861 CLINTON - WOMEN - L TRIPP Frank Petersohn

When interviewed, young Miss Lewinsky
Knew nothing of Hawking or Minsky.
But this she knew surely,
And stated securely:
Ms. Tripp is a great big butt-insky.

15862 CLINTON - WOMEN - L TRIPP Jeff Iverson

A conservative lady named Tripp,
Same ilk as the Majority Whip,
With recorder on play
Is now on display...
As with icebergs, could just [lust?] be the tip!

15863 CLINTON - WOMEN - L TRIPP Bob Birch P9803

It's the saga of Kenny the Starr,
Who, in some people's eyes, went too far.
He created a flap
Using Tripp for a trap,
And a tape for a tap from afar.

15864 CLINTON - WOMEN - L TRIPP Larry Hollister

Miss Lewinsky complained, her brow wrinkling,
That her words were on tape? Not an inkling.
At her tale you might scoff
But it soon would take off
From a Tripp to a Starr, in a twinkling.

15865 CLINTON - WOMEN - L TRIPP   Larry Hollister

There once was a Prez named Bill;
With his joint, a girl's mouth did fill.
He thought he was hip,
Until Linda Tripp
Got him in trouble with Capitol Hill.

15866 CLINTON - WOMEN - L TRIPP   Puff Adder

Old Willy's getting yen from Chinese,
But says he's not influenced by these.
If you're currying favor,
He's a yen that won't waiver;
A Geisha playing skin flute on her knees.

15867 CLINTON - WOMEN - ORAL   Hungarian

It seems there's a man in Brazil,
Who's invented a cocksucking pill.
If you simply add water,
It does what wives oughter;
He should send some to President Bill.

15868 CLINTON - WOMEN - ORAL   MrMalo

There once was a hermit named Bill
Who kept a dead whore on the hill.
"All the others who've kneeled
In the end have all squealed,
But I don't think a dead one will."

15869 CLINTON - WOMEN - ORAL   MrMalo

The business of the President is
To shoot some more of his jizz
Down throats patriotic,
(Now ain't that erotic,)
Before taking off in a tizz.

15870 CLINTON - WOMEN - ORAL Arden

"Capistrano has nothing we lack."
We heard that from Willy the hack.
"I'm looking for action;
There's no satisfaction
Till Excelsior swallows come back!"

15871 CLINTON - WOMEN - ORAL Jim Weaver Collection

Just who is the king of the hill?
Sure we all know that it's Bill.
When Bill takes a rest,
If some gal has a quest,
To oblige, her mouth he does fill.

15872 CLINTON - WOMEN - ORAL

The president went to Nantucket,
Raising cash for his wife by the bucket.
He said with a grin,
"When I couldn't get in,
I'd find me an intern to suck it."

15873 CLINTON - WOMEN - ORAL

All of this fuss now is silly;
Next year he'll be happy with Hilly;
Back doing his best
For the great power of the west,
And finding women to suck on his willy!

15874 CLINTON - WOMEN - ORAL Conner MacLeod

I'm under a terrible hex,
I can't get enough oral sex.
But this president's no fool,
He can change all the rules.
So the laws of adultry, I flex.

15875 CLINTON - WOMEN - ORAL D E Clegg

For his haircut Bill hired a stripper;
He wanted his look to be hipper.
All the planes had to wait;
They were held at the gate;
Her hair got stuck deep in his zipper.

15876 CLINTON - WOMEN - ORAL Jim Weaver Collection

I once met this girl from down under
The President's desk. You might wonder
Would scandal have blown up
If Clinton would own up?
Ken Starr would have nothing to plunder!

15877 CLINTON - WOMEN - ORAL Shakespeare Young Brother

Bill Clinton sits there on his throne,
While poor Hillary sleeps all alone.
His name ain't Horatio,
But he just loves fellatio;
He loves to hear young interns moan.

15878 CLINTON - WOMEN - ORAL Popsicle TP9806

He said, "Wear a highly starched dress,
For I can't help but make a big mess,
And we'll do it so often,
The fabric might soften."
Impeccable logic, I guess.

15879 CLINTON - WOMEN - ORAL Bob Mornington

Clinton says "I love Hollywood!
I've helped every star that I could!
So let's have a big hand
For Chief Justice Streisand,
Who, by the way, gives head real good!"

15880 CLINTON - WOMEN - ORAL Jim Weaver Collection

When asked if they'd wet Willie's pen,
Most ladies replied, "Not again!"
But some said they'd miss it,
And might even kiss it,
Provided he'd let THEM say when.

15881 CLINTON - WOMEN - ORAL Jeff Iverson

It was all a big mixup, you know;
And I think we should all let it go.
Bill mixed up his facts;
He thought she said Sax;
"Wrap your lips round the end, love, and blow!"

15882 CLINTON - WOMEN - ORAL

They say Bill is overly fond
Of girls who will lick his wand.
Now the scandals defame him,
But I can't say I blame him,
Though for blow jobs I much prefer blonde

15883 CLINTON - WOMEN - ORAL Jim Weaver Collection

The forefathers of this great nation
Must turn in their graves in frustration,
When the evening news
Is the President's spooge,
And details of his oral fixation!

15884 CLINTON - WOMEN - ORAL

For the job he said, "I'll test you ma'am."
To Bill's office she went like a lamb.
At first she was beaming,
But then she was screaming,
When she learned of his oral exam.

15885 CLINTON - WOMEN - ORAL Jim Weaver Collection

Said a President thought to give pecks
To areas other than necks,
"Although it's most sultry,
It isn't adultry;
I'm not even sure that it's sex!"

15886 CLINTON - WOMEN - ORAL Jared Henry

There once was a grey wolf named Clinton,
Quite good at unzipping and hintin'.
Told a young girl to kiss it --
She tried to dismiss it --
Seems she'd never seen such a bent one!

15887 CLINTON - WOMEN - ORAL Marsha Magee

Slick Willie Winkie runs through the town
Pushing skirts up and girls down.
Likes them sweet and young;
Licks them with his tongue,
While Hillary wears a big frown.

15888 CLINTON - WOMEN - ORAL Marlene

I'm not sure why they'd need your protection
From wee Willie Clinton's erection.
Elaborate, please.
Are your girls on their knees,
Snapping thongs in wee Willie's direction?

15889 CLINTON - WOMEN - ORAL

It is not in my nature to lie,
And Bob Bennet explained to me why:
When she acts while I stand,
With her lips or her hand,
Legal meanings of sex don't apply.

15890 CLINTON - WOMEN - ORAL William N Nesbit P9805

Says Clinton, "You may be misled
By some of the things you have read.
It was kindly affection
That brought an erection.
Poor girl! It went straight to her head!"

15891 CLINTON - WOMEN - ORAL Jim Schaefer TP9807

Slick Billy said, "I will prevail.
The relationship did not entail
Genital friction.
The charges are fiction.
She sucked it but didn't inhale."

15892 CLINTON - WOMEN - ORAL Irish

I must say if I were the Prez,
And married to some bi or lez,
I'd line them all up;
My spunk they would sup;
No matter what Mr Starr says.

15893 CLINTON - WOMEN - ORAL H Whelchel

So this is the qualification
To be leader of this great nation?
Just take your pick
Of who'll suck your dick,
And quietly keep your relation.

15894 CLINTON - WOMEN - ORAL Arden

Politicians, it seems, always knock
The Pres when he gets a sucked cock.
But they would not look askance
If offered the chance;
They'd form a line around the damn block!

15895 CLINTON - WOMEN - ORAL John Chastaine

Hillary dickery dock,
Bill can't control his cocK.
The clock struck eight,
It's time to fellate.
Hillary dickery dock.

15896 CLINTON - WOMEN - ORAL Steven Martin Cohen

There's Travelgate up on the Hill;
Paula Jones case remains with us still.
Now the press gets aboard,
Something he can't afford;
A really bad hair week for Bill.

15897 CLINTON - WOMEN - P JONES Jim Weaver Collection

Bill's lawyers, today, feeling doughty,
Said "Paula should not be so haughty!
She can't claim protection
Against his affection --
Before that, her life-style was naughty!"

15898 CLINTON - WOMEN - P JONES Everett Parke

I don't mean to burst your bubble;
They're all crooked but that's not the trouble.
It ain't that it's bent;
That's not what she meant;
It's the fact that the fucker's bent double!

15899 CLINTON - WOMEN - P JONES Jim Weaver Collection

She declined Clinton's presidential erection,
Because under closer inspection,
And absolute fright,
Bent left 'stead of right!
This is the real cause for rejection.

15900 CLINTON - WOMEN - P JONES   Jim Weaver Collection

"Miss Jones," Clinton said, with affection,
"Oh please, won't you lick my erection?"
But Paula, so silly,   (But Donna, the tart,)
Misunderstood Willy,   (Misunderstood Hard)
And thought he said: "Wreck my election."
(Said Gary, "My dear," with affection,
15901 CLINTON - WOMEN - P JONES   Martin Wellborn   P9408

This weird bimbo who turned on the heat,
Has chutzpah a guy cannot beat;
I am saving my breath,
She should be thrilled to death
That I asked her to come to my suite!

15902 CLINTON - WOMEN - P JONES   Ann Gasser   P9408

The Prez and Paula were to meet;
Pres neglected to watch his big feet.
He tripped and he fell,
The knee it took hell,
And Paula, she suffered de feat!

15903 CLINTON - WOMEN - P JONES   WLP

The thing Paula's critics don't see
Is that she was a state employee.
If the boss wants to play,
Must she yield and obey?
Should a lecher be let off scot-free?

15904 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Bill Clinton said, "Lookie here, guys,
That Paula is telling you lies.
Return her brassiere
And then come back here.
Don't forget to bring back some French fries."

15905 CLINTON - WOMEN - P JONES   Al Willis   T9707

Bill chose Paula Jones from the flock
And sent word that he wanted to talk.
Paula wrongly assumed
She'd be safe in the room.
Can a chicken be safe from a hawk?

15906 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Bill Clinton has lust in his heart,
And Paula is only a part
Of the ones he undressed
And never confessed.
For records, he has a fine chart!

15907 CLINTON - WOMEN - P JONES   Al Willis   T9801

So, a bent-pecker expert are you,
Having handled a number or two;
Paula's got nerve
To claim that this curve
Should cause a diplomatic SNAFU.

15908 CLINTON - WOMEN - P JONES   Jim Weaver Collection

At times, the Yank leader named Clinton,
Would pretend that his dickie had lint on.
Pulling out his whang bent, he
Feigned dusting it gently.
But Paula knew what he was hintin'.

15909 CLINTON - WOMEN - P JONES   Jim Weaver Collection

The evidence really is ample,
But on Paula the feminists trample.
Even Betty Friedan
Says that Bill's just a man;
It's hypocracy's greatest example.

15910 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Is Paula Jones speaking the truth?
Should we hire more than one sleuth?
Was Clinton just smitten
By this sexy kitten?
And will we find out in our youth?

15911 CLINTON - WOMEN - P JONES   Dennis B.   T9707

Bill asked Paula to come to his suite,
And hopefully showed her his meat.
"Don't cause me no fuss,
Just give it a buss.
You look like a girl that's discreet."
(she is ugly in face, voice and manner - McW)
15912 CLINTON - WOMEN - P JONES

We know how the old story goes,
The import of appearance grows.
In the spotlight's glare,
No more need to stare;
Paula Jones will get a new nose.

15913 CLINTON - WOMEN - P JONES   Frank Fazed

Clinton spied Paula Jones; he was stirred.
A state trooper was sent with the word:
"You should be elated,
A new job's been created,
And chicks with big hair are preferred."

15914 CLINTON - WOMEN - P JONES   Jim Weaver Collection

"Your Honor," said Ms. Paula Jones,
"On the pretense of answering his phones,
He asked me to watch
While he unzipped his crotch,
And he then tried to jump on my bones."

15915 CLINTON - WOMEN - P JONES   Martin Wellborn   P9709

A high-ranking southern corn pone
Must be feeling a chill in his bones.
He faces deposin'
And may end up frozen,
From exposure, cold shoulder and Jones.

15916 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Is Paula Jones speaking the truth?
Bill's memory's dulled by vermouth.
We'll remind the old Guv
That was Lust, never Love.
Willie never get over his youth?

15917 CLINTON - WOMEN - P JONES   Poet Lariat   T9707

Paula worried that she would be fired.
"Just forget it," at first she desired.
If he had admitted,
Still no crime's committed;
A minimum size is required.

15918 CLINTON - WOMEN - P JONES   Jim Weaver Collection

After telling us, "Never, no never!"
Paula posed in the altogether.
From naked in Penthouse
She can dress for the courthouse,
But she's shed credibility forever.

15919 CLINTON - WOMEN - P JONES   Dr Limerick

Paula was poor from buying sunblock,
So she called Michael Jackson's doc.
Her old snot chute
Resembled a flute,
But she still is a laughingstock.

15920 CLINTON - WOMEN - P JONES   S C Saint

How he cried when he lost the election;
Cried and cried until he had no erection.
So he took Paula Jones
Shook her all to the bones,
And since then, she enjoyed his protection.

15921 CLINTON - WOMEN - P JONES   Sarita Montial   T9801

Before Clinton had even met her,
He sent out a trooper to get her.
Paula's visit was brief,
But brought grief, not relief.
Though he tries, we know Bill won't forget her.

15922 CLINTON - WOMEN - P JONES   Jim Weaver Collection

The Paula Jones case was dismissed,
But she's only just one on the list
Of those claiming Bill's rod,
Is exceedingly odd.
But in her case, it didn't get kissed.

15923 CLINTON - WOMEN - P JONES   Jim Weaver Collection

That Paula, he thought, was some filly;
When pants dropped, she thought him quite silly.
But then later she'd file
And he sure lost his smile.
He should never have whipped out old Willy.

15924 CLINTON - WOMEN - P JONES   Jim Weaver Collection

From Bill's speech we are glad to report,
Comes a line with which we will have sport.
"Nothing big comes from small";
We don't doubt it at all.
That what Paula will prove in the court.

15925 CLINTON - WOMEN - P JONES Jim Weaver Collection

The press has described a love bower;
But I stayed all alone, just an hour.
I hope Paula recants;
(Well, I did drop my pants;
I was just on my way to the shower.)

15926 CLINTON - WOMEN - P JONES Al Willis T9710

The next weeks could become a nightmare
As Bill Clinton is forced to prepare
For the Paula Jones case,
And then comes face to face
With the gal he showed his underwear.

15927 CLINTON - WOMEN - P JONES Jim Weaver Collection

"At sympathy, I am well-trained,
So when Paula uncouthly complained
Of a pain in her ass,
I never harass.
I just offered to feel where she pained."

15928 CLINTON - WOMEN - P JONES David Finley P9610

Paula says she'll describe what she saw,
As the governor stood in the raw.
His crude invitation
Did not need translation.
What he needed was a right to the jaw!

15929 CLINTON - WOMEN - P JONES Jim Weaver Collection

"I gave Paula Jones a direction
To help me bring off my election.
But my Arkansaweese
Sounding somewhat Chinese,
Brought a blush to the poor girl's complexion."

15930 CLINTON - WOMEN - P JONES Arthur Deex P9608

"You must know I've an enemies' list.
So you all better cease and desist.
Paula Jones? This could cost her;
Don't forget old Vince Foster.
You have seen what transpires when I'm pissed."

15931 CLINTON - WOMEN - P JONES William N. Nesbit P9610

"To Ms. Jones, I said, 'I'm not a pro,
But they call me a virtuoso
With my sax instrument.
Yes, I'm quite competent.
Take it out and let's give it a blow.'"

15932 CLINTON - WOMEN - P JONES William N. Nesbit P9610

"In my garden, where weeds tend to grow,
I made Paula an offer, to hoe.
I recruited her for
A hoe job, nothing more;
Entry level; fringe benefits, though."

15933 CLINTON - WOMEN - P JONES Tom Patton P9610

"I swear to God, on my mother's bones
That I didn't touch Ms. Paula Jones.
I reject and dismiss
The idea I'd kiss.
I save my lips for the saxophones."

15934 CLINTON - WOMEN - P JONES Tom Patton P9610

Said Paula to Governor Clinton,
"That screwing for which you've been hintin'?
Well you won't get it yet,
But you sure can bet
That you will when you start presidentin'."

15935 CLINTON - WOMEN - P JONES   Arthur Deex   P9406

"Paula Jones, lying nude, made me pale.
I refused her brash offer of tail.
He legs spread a bit
And I licked on her clit.
But I swear that I didn't inhale!"

15936 CLINTON - WOMEN - P JONES   Al Chaplin   P9610

"I've got real astro turf in my pad.
So I truly thought she might be glad,
When I said, quite discreetly,
'Come up, you can meet me.'
I don't know why Ms. Jones is so mad."

15937 CLINTON - WOMEN - P JONES   `illiam N. Nesbit   P9610

In spite of all her moans and groans
I deny ever meeting Paula Jones.
I do solemnly swear
That I was never there.
Someone must have made one of those clones.

15938 CLINTON - WOMEN - P JONES   P9610

"Here's what happened. I swear that it's true.
What I asked the state trooper to do
Was, 'Go tell her, said I,
This old room's really high.
Come on up and enjoy a great VIEW."

15939 CLINTON - WOMEN - P JONES   William N. Nesbit   P9610

She says Clinton's pecker is bent,
Though she doesn't know which way it went.
Did it grow, on a whim,
To be crooked like him?
(Or am I misjudging the gent?)

15940 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Paula Jones plans to see the case through.
Willy did it, I'll prove it to you.
I've seen his private part
On which he displays art:
Tiny hanmmer and sickle tattoo.

15941 CLINTON - WOMEN - P JONES   Jim Weaver Collection

"Your Honor, please don't think me funky--
That one puff hasn't made me a junky.
It's all a mistake.
I just asked her to take
Some candy and play with my monkey."

15942 CLINTON - WOMEN - P JONES   Arthur Deex   P9609

Paula Jones will again have to wait
If Bill side-steps another court date.
In the end, we will find,
Justice is indeed blind
To the plight of unwilling playmates.

15943 CLINTON - WOMEN - P JONES   Jim Weaver Collection

It's said Paula Jones thinks she's scored,
'Cause a leftward veer can't be ignored.
But a list to the port
Couldn't stand up in court,
With port as common as starboard.

15944 CLINTON - WOMEN - P JONES   Prof M-G

When Bill's henchmen said, "Paula, Hey you!"
Follow us, Not much for you to do."
Little did she know
Something was 'bout to grow,
When she entered that "room with a view!"

15945 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Rued Bill Clinton: "That Miss Such-and-such
Would have meant no sworn lies to retouch,
If I'd settled my part
With Miss Jones at the start,
And it wouldn't have cost half as much.

15946 CLINTON - WOMEN - P JONES   Prof M-G

When Bill Clinton was feeling the spirit,
He craves feminine company to cheer it.
He chose Paula one day
But she said, "No way!"
Left the room and refused to go near it.

15947 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Miss Jones had a seductive flavor
That Clinton just wanted to savor.
She he sent down his goon
To bring her to his room,
But she screamed and denied him the favor.

15948 CLINTON - WOMEN - P JONES   Jim Weaver Collection

There once was a White House intern,
Who Clinton's attentions did earn.
While fucking her silly,
It seems that Slick Willie
Forgot about Paula's return.

15949 CLINTON - WOMEN - P JONES   Michael W Johnson

The Clintons have spent all their dough,
Because of that slut, Paula Jo.
She might have been worth
What she asked for, at first,
If she only was willing to blow!

15950 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Clinton's lawyers now work to dispel
Paula's claims that emit a foul smell.
Bill has given the job
To his pal, "Uncle Bob",
To avoid a courtroom "Show and Tell".

15951 CLINTON - WOMEN - P JONES   Jim Weaver Collection

"She entirely misread what I meant.
My intentions were most innocent.
I said, 'You strike me as
A keen lover of jazz--
Let me show you my sax instrument.'"

15952 CLINTON - WOMEN - P JONES   William N. Nesbit   P9610

A governor requiring some head
Told a lady before she had fled,
"Oh, Please, don't dismiss it!
At least, would you kiss it!"
But she sued the poor bastard instead!

15953 CLINTON - WOMEN - P JONES   Don Hart

There once was a beautiful slut,
Who enjoyed playing games on her butt,
But then she got old,
And seldom got rolled.
Said her lawyer, I'll sue for a cut.

15954 CLINTON - WOMEN - P JONES   Joseph McEwen   P9407

It has been reported I erred.
It was not Ms. Flowers who stared.
Ms. Jones was the checker
Of Billy's wee pecker
When at her, his member he bared.

15955 CLINTON - WOMEN - P JONES

The Jones case points up Clinton's flaws,
And has grown in importance because
The voters want facts.
Did he solicit sex acts?
Bottom line: Does he smirk at our laws?

15956 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Bill Clinton thought he could compel
Sexual favors from state personnel.
He sought to cavort
By dropping his shorts,
Not expecting Miss Jones to rebel.

15957 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Governor Willy's face got quite red,
When he said, "Paula, give me some head."
He pulled down his pants,
And expected romance,
But Miss Jones sued his dumb ass, instead.

15958 CLINTON - WOMEN - P JONES   Jack Qualman

When Paula observed his Big Pickle
His politics looked more than just fickle.
His tool was quite weird,
With a little gray beard,
And tattoos of a Hammer and Sickle.

15959 CLINTON - WOMEN - P JONES

"Ms. Jones says that I made a pass,
And being unsuccessful did harass.
It's an insult and disgrace
To say this to my face:
After all, my technique is world class."

15960 CLINTON - WOMEN - P JONES   Tom Patton   P9610

So Paula Jones case bit the dust,
In spite of the Preesident's lust.
Though we know what he did,
He's our best "Comeback Kid" --
Until the boom times turn to bust.

15961 CLINTON - WOMEN - P JONES   CB   TP9804

When Clinton and Paula did meet,
He asked her to kneel at his feet.
She said, "You're the Gov.
And I know you need love,
But your meat is too crooked to eat!"

15962 CLINTON - WOMEN - P JONES   Ray Hemphill   TP9804

Paula knows what she saw on that night;
To be proving her claim, what a sight.
So the line up is set;
She'll spot which one she met.
Number three, turn your head to the right.

15963 CLINTON - WOMEN - P JONES   Jim Weaver Collection

Clinton told her, "I'm glad that I met ya'."
At the Marriot she said, "I'll let ya'."
She was stunning and dark,
So Bill asked as a lark:
"Ubangi?" and she said "You betcha!"

15964 CLINTON - WOMEN - P JONES   Doug from Upland   T9707

His pecker is like any other;
Most all are bent one way or t'other.
The real question isn't
If it's bent or 'tisn't;
It's whether it was kept under cover!

15965 CLINTON - WOMEN - P JONES Jim Weaver Collection

Miss Jones saw the man's tool;
It's more that she learned in school.
He'd not get a blow job;
She wanted a nose job.
End of the tale. April Fool!

15966 CLINTON - WOMEN - P JONES Sam Pittman TP9804

Now Hillary's known as a leader,
And Bill is a pure bottom feeder.
His touch, it ain't bad,
And his mood ain't too sad,
But poor Paula just wants Bill to need her!

15967 CLINTON - WOMEN - P JONES Kevin Drizen T9711

The judge took her foot off the throttle;
Slick Bill's evil ways he will coddle.
So the case is on hold.
They hope Paula will fold
And the weenie is back in the bottle.

15968 CLINTON - WOMEN - P JONES Jim Weaver Collection

Paula said, "There's really no use
In claiming that this is a ruse.
I'm not merely hintin',
I'm swearing that Clinton
Wears pants with a zipper that's loose."

15969 CLINTON - WOMEN - P JONES Everett Parke

Al Gore says our planet is stewin';
Our ecology's going to ruin.
But the source of this heat
Is Bill Clinton's meat,
And all of the screwin' he's doin'.

15970 CLINTON - WOMEN - SCREWING   Jim Weaver Collection

Says an announcement on Clinton's behalf --
"His popularity's gone right off the graph.
There's no sign of it dimmin',
Especially from women
Who would like to be put on his staff."

15971 CLINTON - WOMEN - SCREWING   FCA

Now Bill, don't look so glum;
We all know that you got you some.
Just stick to the tale;
Say you didn't inhale;
Say you screwed her but you didn't come!

15972 CLINTON - WOMEN - SCREWING   G Kelly

King Henry had already shown
What Clinton now wished he had known.
A guillotine is better
For a stain on a sweater,
When the truth must never be known.

15973 CLINTON - WOMEN - SCREWING   Anon

There once was a slicker from Hope,
Who did not inhale his dope.
He stuck in his schlong,
Were it did not belong,
And now's at the end of his rope.

15974 CLINTON - WOMEN - SCREWING   Doug Obrecht

The President, bursting with pride,
Made public his energy guide;
Do not fuck in great haste --
There is far too much waste.
Fuck slow as you lay on your side.

15975 CLINTON - WOMEN - SCREWING   Albin Chaplin   3024-2240

It was big, but not quite a tsunami;
At Bill's victory speech, it was balmy.
Bimbos thought it was swell
At the Excelsior Hotel,
In his suite he played hide the salami.

15976 CLINTON - WOMEN - SCREWING   Jim Weaver Collection

Bill Clinton has promised that life,
When he's prez, will be stripped of most strife,
But doesn't it follow
His pledges are hollow,
If he's willing to cheat on his wife?

15977 CLINTON - WOMEN - SCREWING   John Sandler   P9204

Said Bill to the stewardess, "Quiet.
The john is where I'd like to try it.
With plane at full throttle,
Just twiddle my twaddle;
If Hillary wakes, I'll deny it!"

15978 CLINTON - WOMEN - SCREWING   Marsha Magee

Viagra, the little blue pill,
A favorite of President Bill;
He randomly screws
Anything that moves,
Gennifer, Monica or Hill'"

15979 CLINTON - WOMEN - SCREWING

Since Clinton's sex drive's in a parch,
He has soaked his limp dick in some starch.
This weekend there's fun,
Who will be number one,
Among those in "The Million Mom March?"

15980 CLINTON - WOMEN - SCREWING

The President swore to the sky
He'd never asked someone to lie,
But the chance was then missed
To request that he list
Positions he'd told them to try.

15981 CLINTON - WOMEN - SCREWING Scandalous Limerix

Asked the poll, "Would you answer yes when
Asked for sex in the President's den?"
Here's how the poll went:
87%
Told the pollsters, "No, never again!"

There once was an Arkansas candidate;
As President, he wanted to circulate.
He gave it to Flowers,
And other meowers,
To prove that he was not celibate.

Slick Willie, out seeking a score,
Met a ragged, diseased D.C. whore.
She gave him a lay
Without any pay;
Now she autographs books at the store.

There once was a man named Slick Willy
Who tried to make love to each filly.
He took every chance
To drop down his pants
And show off his left-hooking dilly.

Bill Clinton has now started dating,
And Hillary sure finds it frustrating.
But to us, it's no matter,
'Cause we love a tomcatter;
That boy has a penchant for mating.

15986 CLINTON - WOMEN - SCREWING   Al Willis   P9610

Clinton's legacy is now in doubt;
Not knowing what his office is about.
By example you lead,
Was never his creed.
With a poor start, he just petered out.

15987 CLINTON - WOMEN - SCREWING   Tom Simon

For the Chief, it's a red letter day;
I think the red letter is "A".
But don't poke a rod
In the CO's wife's bod,
Slick Willy was just there today!

15988 CLINTON - WOMEN - SCREWING   Marsha Magee   TP9807

One can tell the wheat from the chaff,
If church-going Bill makes you laugh.
Like the 23rd song,
Which Bill got all wrong:
He comforts his rod in his staff.

15989 CLINTON - WOMEN - SCREWING   Annie Jay

Getting caught really makes Bill irate.
His number one rule on a date:
If limo be rockin',
You'd better be knockin'.
How fitting for our head of state.

15990 CLINTON - WOMEN - SCREWING   Jim Weaver Collection

There was a young lady named Titehouse,
Who lived all alone in a lighthouse.
She had an obsession
To see Congress in session,
But was fucked on her way through the White House.

15991 CLINTON - WOMEN - SCREWING   Albin Chaplin   3024-2337

The Prez felt his bent pecker surgin';
He'd screw a knothole or a sturgeon.
He snuck in, while hard,
A nearby lumber yard,
'Cause he heard that the lumber was virgin.

15992 CLINTON - WOMEN - SCREWING   Frank Fazed

There is this White House folk lore,
'Bout dear old Clinton and Al Gore.
Gore's duties were light,
And he'd just check every night:
"Now pal Billy, just what is the score?"

15993 CLINTON - WOMEN - SCREWING   Gunjan Saraf

Bill said, "I swear I'm mystified;
Anyone would think I lied.
Besides, if I did it,
I'd never admit it.
Oh shit! All the witnesses died!"

15994 CLINTON - WOMEN - SEXUAL   Marsha Magee

Of all this talk I am sick;
So much coverage on just one dick.
Before you know
He'll have another go;
That's why they call him slick!

15995 CLINTON - WOMEN - SEXUAL Jen

All the moms whose kids like soccer,
Have had to face up to a shocker:
Gals who enter Bill's lair
Will find no easy chair,
Just a broken down old bentwood rocker.

15996 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Oh give us some leaders at home,
Who won't from the hearth-fires go roam,
Seeking titilation
Far beyond their station,
Just hoping to hear a hormone.

15997 CLINTON - WOMEN - SEXUAL Daniel Ford

I'd have more respect for the heel
If he said "Yeah, I had her. Big deal.
That's between me and my wife,
It's not my public life --
Let's discuss issues that are real."

15998 CLINTON - WOMEN - SEXUAL Kaylin Brandon

In Chicago Slick Willie will want
To go on the prowl for some cunt.
It really won't matter
If she's thinner or fatter,
But he would like her big in the front.

15999 CLINTON - WOMEN - SEXUAL Cole

News Flash! From the President's id.
I just didn't do what I did.
I swear on my life,
'Twas old Billy Blythe!
He does stuff and then remains hid.

16000 CLINTON - WOMEN - SEXUAL Marsha Magee

Would Clinton submit to castration?
Would anything less cause cessation?
As long as he sees
A girl on her knees;
We'll just have to wait for cremation.

16001 CLINTON - WOMEN - SEXUAL Ray Hemphill TP9804

A politician from old Little Rock,
Had screwed every cunt in the block.
The troopers did lie
For Arkansas's horny guy,
But he caught clap and they cut off his cock.

16002 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Old Bill ain't no dumb Gus;
He'll try to bamboozle us,
Like pot he'd not inhale,
He'll tell us all a tale
All about coitus interruptus.

16003 CLINTON - WOMEN - SEXUAL Joe McGee

Clinton's ship sails along in retreat;
Captain Billy, you've been indiscrete.
Hands off those udders;
Tend to the rudders,
And try to control the first meat!

16004 CLINTON - WOMEN - SEXUAL John Griffin

When it comes to Bill's sexual flings,
Will the troopers keep quiet or sing?
Come clean with the facts,
Or cover Bill's tracks?
Do they fear what their stories may bring?

16005 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Into the closet Bill slips,
And with passion, his member she grips.
With climax anew,
He says "Ooo ooo ooo ooooooo."
Pretty much like a cow with no lips.

16006 CLINTON - WOMEN - SEXUAL Friar

Bill's scandal is quickly expanding,
So with journalists grandly demanding,
"Did you tell her to lie?"
His simple reply
Is "No." -- Meaning they did it standing.

16007 CLINTON - WOMEN - SEXUAL Jerry Nordal P9805

Come on all you people, admit it.
I know that you know that he did it.
You're as sly as they come,
But you know that he's scum,
And I'm not going to let you forget it.

16008 CLINTON - WOMEN - SEXUAL Mike Hunter

A man of well known affection,
Decided to stand for election.
A blonde got his vote;
She bent and they note,
Poor Bill had attained an erection.

16009 CLINTON - WOMEN - SEXUAL Bellal

With experience so grandiose,
And such shining examples up close
And a leader so coy,
You can bet every boy
Will be great -- if they don't overdose.

16010 CLINTON - WOMEN - SEXUAL

That Sally was sure lots of fun.
To think that she was once a nun.
She once was a saint,
But, trust me, she ain't,
And now she's on Air Force One!

16011 CLINTON - WOMEN - SEXUAL Al Willis TP9802

My God! Can you stand the foul swill
'Round the White House and Capitol Hill?
With this smoke, are there fires?
Are those ladies ALL liars?
Just ask what I think fits the Bill.

16012 CLINTON - WOMEN - SEXUAL Annie Jay

A single instance I can ignore,
Or once being caught with a whore.
But it appears our Pres Billy
Can't control his old willie,
And has been fondling at least three or four.

16013 CLINTON - WOMEN - SEXUAL Lars

Now we have Clinton the greenie,
With nothing upstairs in his beanie.
A character midget
Who's still chasing Gidget,
And fooling around with his weenie.

16014 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Stuck under Bill Clinton's armpit
Was a G-string of fine silken knit.
"What's that?" questioned Hill,
To which replied Bill,
"It's a patch, 'cause I trying to quit!"

16015 CLINTON - WOMEN - SEXUAL Friar TP9804

Not once did I ask you to lie.
I'll admit that I opened my fly.
John Thomas was bent,
`nd now we are spent.
Go get us some burgers; I'll buy.

16016 CLINTON - WOMEN - SEXUAL Al Willis P9805

The President, as we know well,
Was savaged for trysting a belle.
No one really knew,
But if it were true,
He'd been through both heaven and hell.

16017 CLINTON - WOMEN - SEXUAL Scandalous Limerix

The story's beginning to break;
They've given this thing the wrong take.
It's that old line again,
"Let me feel your pain",
She just happened to have a toothache.

16018 CLINTON - WOMEN - SEXUAL MrMalo

There once was a young man from Hope,
When asked if he poked her, said "Nope!"
If the GOP hang him,
I'll have to say Dang him!
He's the one that gave them the rope.

16019 CLINTON - WOMEN - SEXUAL MrMalo

They're making poor Buddy an "it."
Let's jog our thinking a bit.
The one they should neuter
Is the one with the "hooter"
That's keeping him in all the shit.

16020 CLINTON - WOMEN - SEXUAL Marsha Magee

He cried when he lost the election;
He just couldn't take the rejection.
He showed them his hose,
But he wasn't chose
As President of Big Erections!

16021 CLINTON - WOMEN - SEXUAL Mike M T9801

Yes, Bill feels the world is ag'in him,
And the press is just waiting to skin him.
But the world wouldn't care
About Bill's underwear,
If only he'd just stay in 'em.

16022 CLINTON - WOMEN - SEXUAL MrMalo

Incontinence though sad, invites scorn;
It's a horrible burden you've borne.
If you need BVD's,
Take three dozen of these;
Bill Clinton's -- they've hardly been worn.

16023 CLINTON - WOMEN - SEXUAL MrMalo

Old Bill got his start in Arkansas,
Not knowing where to put his handses.
Now he just chills
'Cause all his old thrills
Are holding open their pantses.

16024 CLINTON - WOMEN - SEXUAL Rusty Smith

Long ago Clinton brashly deduced
That his sex life sure needed a boost.
Now he's getting the bills
For all the cheap thrills.
Clinton's chickens have come home to roost!

16025 CLINTON - WOMEN - SEXUAL   Jim Weaver Collection

The Prez says this whole rap is bum,
(We know perjury's dumber than dumb)
But he's really quite tense
For his final defense
Is to testify: "I didn't come!"

16026 CLINTON - WOMEN - SEXUAL   CB   P9803

"I swear to defend and uphold
With all of my body and soul
This Land, under God...
(Wow, that chicks got some bod!
With big tits -- sitting there behind Dole!)

16027 CLINTON - WOMEN - SEXUAL   Theo Heller   P9212

In the White House there's nothing to fear,
For in spite of the things you may hear,
Events aren't complex.
Bill had telephone sex
And developed an infected ear.

16028 CLINTON - WOMEN - SEXUAL   Loren C Fitzhugh   P9803

As King Bill nightly paces his tower,
His conquest of the White House tastes sour.
For he's never alone,
Always watched by his crone,
And the ghosts of Miss Jones and Miss Flowers.

16029 CLINTON - WOMEN - SEXUAL   Jim Weaver Collection

The problems, not just Paula Jones,
And also those Sweetwater loans;
Republicans jabbing;
And Hillary crabbing;
And William's erogenous zones.

16030 CLINTON - WOMEN - SEXUAL Irving Superior P9709

Bill was caught once in bed
With a lady and hands in the red.
When asked where he stabbed her,
He said he just grabbed her
And fingered her pussy instead.

16031 CLINTON - WOMEN - SEXUAL Bellal

I doubt Billy boy will be gloating
At surviving the seas he's been boating,
For he had the temerity
To leave for posterity
Come-stains on the Whitehouse wainscoting.

16032 CLINTON - WOMEN - SEXUAL

When with troopers, our Bill chews the fat,
On the Bible, he often does chat:
"More precious than rubies
Are young girls with big boobies,
Or at least it is something like that."

16033 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Is this country the greatest, or what?
Our Presidents tell us a lot;
Some heroes, a charmer,
A fine peanut farmer,
And a slick connoisseur of young twat.

16034 CLINTON - WOMEN - SEXUAL John Miller 0262

Your daughter thinks Willy is hipper
And he can inspire like the Gipper.
But from what is now known
Would you trust them alone?
Of course, with a lock on his zipper.

16035 CLINTON - WOMEN - SEXUAL   Jim Weaver Collection

Some feel that our Prez has been slandered,
That to sleaze-thirst, the media's pandered.
But I'm at a loss,
Why a Mafia Boss
Would be held to a far higher standard.
(John Giotti convicted statutory rape)
16036 CLINTON - WOMEN - SEXUAL   John Miller

Whenever Bill gets an erection
Does it bend in a constant direction?
Or maybe the dangle
And probable angle
Depends on magnetic deflection.

16037 CLINTON - WOMEN - SEXUAL   Peter W

Marsha Scott, Bill thought, had a great body,
And her morals, like his, were quite shoddy.
Bill's an old star trek fan;
Captain Kirk was his man,
Often shouting "Beam me aboard Scotty!"

16038 CLINTON - WOMEN - SEXUAL   Jim Weaver Collection

My limericks are series of ravings,
On President's misbehavings,
Much more than just sex,
Stability wrecks,
All due to his lusty cravings.

16039 CLINTON - WOMEN - SEXUAL   Chris Papa

I'm wondering just what it would take
To convince you old Bill's on the make.
If we got a snapshot
Of her hand on his cock,
Would you say it was just a mistake?

16040 CLINTON - WOMEN - SEXUAL Mike Hunter

Said the president, somewhat distraught,
When surprised at a young lady's twat,
"There were times, I'm afraid,
When mistakes have been made --
But a voyeur for certain I'm not.

16041 CLINTON - WOMEN - SEXUAL Albin Chaplin 3024-2963

Poor Billy boys hopes are dim;
His chances in future are slim.
Still president yet
But these days I bet,
Even I get more pussy than him.

Whipped cream is a favorite of Willie.
He pleases each Paula and Millie.
Grape jelly if fine,
And even red wine.
And once, he tried out piccalilli.

16043 CLINTON - WOMEN - SEXUAL Al Willis

Said an aide to Bill Clinton one day
"The abortion bill came through today.
Tell me what I should do?
Would you like to read through?"
Said Bill, "Go ahead, and just pay!"

16044 CLINTON - WOMEN - SEXUAL The Friar P9803

Continuing talk of the pillow
And lathering intern willow
Are to tail painful,
Following baneful
Presidential peccadillo.

16045 CLINTON - WOMEN - SEXUAL   Daniel Ford

That which poisons is truly BANE,
As Willy's peccadillo train
Taints us all with trash,
When we joke and bash,
Forgetting more lofty goal strain.

16046 CLINTON - WOMEN - SEXUAL   Daniel Ford

New alligations abound;
There's evidence yet to be found.
I don't know how it ends,
But I'll tell you this, friends,
That thing of his sure gets around.

16047 CLINTON - WOMEN - SEXUAL   MrMalo

I don't mean to be an old grouch,
But Bill doesn't have much in his pouch.
I picture his winky
To be somewhat dinky;
That it's true, many women can vouch!

16048 CLINTON - WOMEN - SEXUAL   Annie Jay

Some limericks link Clinton, the clown,
With the Son having greatest renown.
They're a whole different class,
(Though when it comes to ass --
They both rode one, right into town).

16049 CLINTON - WOMEN - SEXUAL   John Miller 0300

Asked a survey of women, not men,
"Would you have sex with the Prez in his den?"
Sixty-eight wouldn't say;
Thirty-one said "I'm gay!"
Six hundred said "Never again!"

16050 CLINTON - WOMEN - SEXUAL H Myers

It's the whole damn country Bill's lousing,
And not just the girls he's unblousing.
Yet it could be worse,
For he might write verse,
Instead of seeking new housing.

16051 CLINTON - WOMEN - SEXUAL Rusty Smith

If all of the White House Floors
Were cleaned by nothing but whores,
Then Bill and his tool
Would wholeheartedly drool,
And semen would splatter the doors.

16052 CLINTON - WOMEN - SEXUAL Joe Zanchi

There once as a hermit named Bill
Who kept a dead whore on the hill.
There's no fear she'll talk,
And she doesn't balk;
Sometimes he shares her with Hill.

16053 CLINTON - WOMEN - SEXUAL Skumbunny

In an old Arkansas cabbage patch,
Horny Bill was hoping to catch
A cute southern doll
Who'd say with a drawl,
"C'mon, lemme show ya mah snatch!"

16054 CLINTON - WOMEN - SEXUAL Everett Parke

The Clintons have spent all the dough
On whom, and on what, I don't know.
But I bet it is Bill
Who's over the Hill,
And is looking for somthing to "GO".

16055 CLINTON - WOMEN - SEXUAL Friar T9801

I have never asked someone to lie.
I just couldn't. I'd much rather die;
But if women are willing
To stand up to their 'Billing',
Who would argue about it? Not I.

16056 CLINTON - WOMEN - SEXUAL Bill Taylor P9808

"You question my ethics? That's aggrievin'.
To tell her to lie'd be deceivin'.
I just wouldn't lie;
I'd much rather die.
I stood up for what I believe in!"

16057 CLINTON - WOMEN - SEXUAL Tom Patton P9805

With Executive Privilege invoked,
Truth is more easily cloaked.
Bill's aides need not show
What they really do know;
Which lass was stroked and which poked.

16058 CLINTON - WOMEN - SEXUAL Everett Parke

Though married, Bill still likes to date;
It's apparently OK with his mate.
But his penchant to stray
Led to full-blown decay.
Now his backside is caught in Tail-gate!

16059 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Bill advises, "Don't seek to encumber
My record with the exact number
Of my indescretions --
They're small imperfections;
The public would much rather slumber!"

16060 CLINTON - WOMEN - SEXUAL Everett Parke

There once was a Presidential Dud
Who enjoyed his pleasures of pud.
When asked by Ken Starr,
"Who do you think you are?"
Came Bill's reply, "I'm the First Stud!"

16061 CLINTON - WOMEN - SEXUAL Frank Petersohn

Can't pity the President's plight;
It's sure self-inflicted, all right.
A sexual vandal,
He'll always court scandal,
To conservative critics' delight.

16062 CLINTON - WOMEN - SEXUAL Michael W Johnson

A presidential young stud named Billy,
Required an occasional "filly".
It was scary-a-lot
When to the Marriot,
He would "secretly service" his willy.

16063 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Months ago Bill appeared on TV
And waggled his finger at me.
Then with eyes fairly flashing,
Gave us all a tongue lashing,
For questioning his sexual sprees.

16064 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

While married to Hillary, Billy
Had escapades that you'd call silly.
In bed he would thrash,
With base trailer trash,
Or some other sexy young filly!

16065 CLINTON - WOMEN - SEXUAL

On Bill's collar, the hair wasn't brown;
She confronted him outside of town.
Please Hilly meet Gidget;
I know she's a midget;
At least I am trying to cut down."

16066 CLINTON - WOMEN - SEXUAL   Jim Weaver Collection

"His sexual appetite's voracious,"
Says John Doe, unusually loquacious.
"But his libidinous activities
Are his personal proclivities --
It's the equivocation that makes me vexatious!".

16067 CLINTON - WOMEN - SEXUAL   H Myers   T9801

The tour guide had shown where the spies
Had discovered the staff hitting highs.
"And this," he intoned
"Is where many have moaned,
And the place where the President lies."

16068 CLINTON - WOMEN - SEXUAL   Scandalous Limerix

I don't think that I'd like to share
A portion of Bill's underwear.
For while it is true,
They're likely 'most new,
You just don't know who has been there.

16069 CLINTON - WOMEN - SEXUAL   MrMalo

The aides gathered 'round with their skipper.
Fighting problems, they tried to be chipper.
As they held hands to pray,
Came the theme for the day:
"Go out and win one for the zipper."

16070 CLINTON - WOMEN - SEXUAL Jim Weaver Collection

Old Al started singing Bill's praises:
"He's a man whom no rumor fazes."
Now that Kenny's been routed,
Will Al Gore be outed,
Since we don't care with whom Bill liaises?

16071 CLINTON - WOMEN - SEXUAL MrMalo

The President of the U S of A,
In the path of temptation did stray.
The historic White House
Hasn't seen such a louse,
Since the days of old JFK.

16072 CLINTON - WOMEN - SEXUAL UB P9803

What's okay for President Bill,
Perhaps will give others a thrill.
Is it perjury?
Or just some sex worry?
The whole mess just gives me a chill.

16073 CLINTON - WOMEN - ZSERIES Marlene

People say that you've pulled a "Bill Clinton."
You will know just what they are hintin';
A scandal you've made;
You are now clice'd.
They know why your eyes are a-glintin'.

16074 CLINTON - WOMEN - ZSERIES Marlene

"To Bill" takes a whole different meaning:
(It might not be money they're gleaning.)
"How many hours did you Bill?"
"Billing gives me a thrill!"
Toward Billing, H might be leaning.

16075 CLINTON - WOMEN - ZSERIES   Marlene

Someone might get Billed in the tub.
You must be careful where you rub!
"Has this water chilled?
My God, I've been Billed!
I have to go home for a scrub."

16076 CLINTON - WOMEN - ZSERIES   Marlene

I was Billed by "Carpet and Floor";
The carpenter Billed me once more.
I've Billed for three days;
I must mend my ways,
Since my bits are really quite sore.

16077 CLINTON - WOMEN - ZSERIES   Marlene

You'll probably think me a dumb cluck;
If so, it is just my bad luck.
Don't take me to task,
I really must ask...
Were you ever Billed by a duck?

16078 CLINTON - WOMEN - ZSERIES   Frank Fazed

Not billed by a duck -- I've been goosed!
Found out where the nasty ones roost.
The geese have been billed.
They were, therefore, thrilled,
To give a human being a good boost.

16079 CLINTON - WOMEN - ZSERIES   Marlene

This Billing has spread 'cross the land;
You could be Billed at the cabstand.
I was Billed by mail.
He was Billed in jail,
And that guy was just Billed by hand.

16080 CLINTON - WOMEN - ZSERIES   Marlene

Ms Steinam's a radical feminist.
You'd think that she'd really be pissed.
Bill asked for a blow;
The woman said "No!"
After all, he didn't insist.

16081 CLINTON - WOMEN - ZSERIES   Puff Adder

The feminists have a new rule.
You can unzip and show them your tool.
But if they resist,
Just don't insist.
And everything going to be cool.

16082 CLINTON - WOMEN - ZSERIES   Puff Adder

This new rule is going to be great.
At work just don't hesitate.
Just make your best pass,
Even grab for her ass,
But try twice and you'll face a sad fate.

16083 CLINTON - WOMEN - ZSERIES   Puff Adder

Well boys, this new rule is nice.
But I'll give you a little advice.
You can grab at her tit,
But if she has a fit,
Just step back and be cool as ice.

16084 CLINTON - WOMEN - ZSERIES   Puff Adder

A word to the wise should suffice.
For abusing the rule, there's a price.
Be right up front,
Make a move for her cunt,
But just one now, do not do it twice.

16085 CLINTON - WOMEN - ZSERIES   Puff Adder

That trailer-trash called Paula Jones
(With a history of jumping men's bones)
Has hit some pay-dirt.
Pray God she'll revert
To a trash-heap of losers...unknowns!

16086 CLINTON - WOMEN - ZSERIES   Tutta Gioia

There's one thing I still just can't figure:
Her nose is four inches or bigger.
How could she blow
A guy we all know
Is only three inches long <...snigger>.

16087 CLINTON - WOMEN - ZSERIES   Karen

But isn't the Prez's thing bent?
Then I guess you can see how it went.
They engaged in their sport
With her nose off to port
With her cheek on his thigh, quite content.

16088 CLINTON - WOMEN - ZSERIES   John Miller

While dining on fine wine and lobster,
A doctor, who's hardly a mobster,
Was heard to lament,
"After what I've spent,
My daughter is the White House Knobster."

16089 CLINTON - WOMEN - ZSERIES   Jim Schaefer   TP9807

Said the daughter, "I am what I am.
I did it for my Uncle Sam.
Yes, he camae down my throat
But that's it/unquote,
'Cause he never got into my clam.

16090 CLINTON - WOMEN - ZSERIES   S C Saint

Kathleen wrote these letters in praise;
Not a word of Bills lecherous ways.
"Oh Bill! You're my man!
I'm your number one fan!
I'll do anything if it pays!"

16091 CLINTON - WOMEN - ZSERIES   MrMalo

She says its the unkindest cut;
Now they're making her out as a nut.
But it just isn't true.
What they're trying to do
Is to show she's a gold digging slut.

16092 CLINTON - WOMEN - ZSERIES   MrMalo

Would she offer herself for enjoyment?
For the sake of a gainful employment?
Would she polish his knob
For a government job?
This is all yet to be detoiment.

16093 CLINTON - WOMEN - ZSERIES   MrMalo

As soon as she has passed the door,
Broke, she knows she has to whore.
Please President Billy
I'll suck on your willy,
For a job as ambassador.

16094 CLINTON - WOMEN - ZSERIES   MrMalo

Just try to think back a long way
And imagine just what you would say,
If asked on TV,
Were you having a spree?
I know that I'd lie every day!

16095 CLINTON - WOMEN - ZSERIES John and Liz

So maybe he fibbed to his court
Was that court doing all that it ought?
Or trying to get
A democrat yet,
By checking up just on his sport.

16096 CLINTON - WOMEN - ZSERIES John and Liz

A man who when asked, would just say,
"I'm having a quiet little lay."
And hurt his wife's heart.
That's not a good part
For any world leader to play.

16097 CLINTON - WOMEN - ZSERIES John and Liz

At a fence, trying sex exercises,
Bill tried knotholes of various sizes.
A goose, thinking "Worm!"
Got a beak full of sperm --
Ain't life just chock-full of surprises?

16098 CLINTON - WOMEN - ZSERIES PeterW

So Bill took up 'fencing' for kicks;
Of knotholes he screwed ninety-six.
But for knothole abuse
There is not an excuse,
Because knotholes are not holes for dicks.

16099 CLINTON - WOMEN - ZSERIES PeterW

Old Billy boy is now on a roll --
He's found a new place for his pole.
It just goes to show
The thing we all know --
He'll screw anything with a hole!

16100 CLINTON - WOMEN - ZSERIES Kaylin

Billy will now try to bed
Any old hole, living or dead.
In that case, take care
To arrange you hair,
To cover that hole in your head.

16101 CLINTON - WOMEN - ZSERIES MrMalo

With Jones the lawyers did define
Sex to such a fine line,
That they only can tell
Whether that upon which I dwell
Is worthy of even a fine.

16102 CLINTON - WOMEN - ZSERIES

And her claim you may recall,
The Judge said it must fall,
For he gave her a promotion
And nary a commotion
About her refusal to ball.

16103 CLINTON - WOMEN - ZSERIES

It's a fact, Paula Jones keeps replying,
Which Clinton of course keeps denying.
She said she could see
On his gross anatomy,
A mark that would prove she's not lying.

16104 CLINTON - WOMEN - ZSERIES Ray Gessler

Now I think her story's untrue
And most of the people would view
That fact with some doubt --
More claims would come out,
For if true, there would be quite a few.

16105 CLINTON - WOMEN - ZSERIES Ray Gessler

As leader of this great nation
I would spare you from such degradation
Put me in that chair
And I'll take better care
Where I shoot my ejaculation.

16106 CLINTON - WOMEN - ZSERIES Jim Weaver Collection

The first thing I'd do is pass laws
To keep girlfriends from flapping their jaws.
Word gets back to the wife;
They'd get 20 to life;
I bet that one would stick in their craws

16107 CLINTON - WOMEN - ZSERIES Jim Weaver Collection

I'll lead you if you will follow;
My promises won't ring hollow.
No stains on her coat!
Just give me your vote,
And I'll make it a crime not to swallow

16108 CLINTON - WOMEN - ZSERIES Jim Weaver Collection

You could be jumping to conclusions;
Kathleen might be selling delusions.
I'm not too appalled
At a sexual assault,
That doesn't leave scrapes and contusions.

16109 CLINTON - WOMEN - ZSERIES MrMalo

She looks to be very beddable;
I bet she would even be edible.
But her past is bizarre
And she's fallen far.
She's really not too fucking credible.

16110 CLINTON - WOMEN - ZSERIES   MrMalo

She claims she was groped by the toad,
But I've seen cunts like her by the load.
You try touchy-feely;
That's when they're squealy,
Not four or five years down the road.

16111 CLINTON - WOMEN - ZSERIES   MrMalo

There once was a gal named Willie;
The story she told was a dilly.
She'd never complained
But now Clinton is framed.
Is she a friend of Bill's family? Not really.

16112 CLINTON - WOMEN - ZSERIES   Harold Heidler

She wrote letters of sweetness and light,
Pleading for a Christmas invite.
Bill wanted a clown,
So she was turned down.
Her seeking revenge isn't right.

16113 CLINTON - WOMEN - ZSERIES   Harold Heidler

Believe now a Willey so free,
Upset with his actions in '93?
He fondled her boob,
Put her hand on his tube;
Now she's making the rounds on TV.

16114 CLINTON - WOMEN - ZSERIES   S C Saint

It's been five years after this disgrace,
When she wanted to slap his face.
She's now quite a bore
For an ugly old whore.
It's good Bill didn't come in her face.

16115 CLINTON - WOMEN - ZSERIES S C Saint

Since tales about villains we bruit, (publicize, tout)
Girls on tracks wait big train's "toot-toot",
That dark plot is foiled,
The transgressor boiled,
"The seeds of crime bear bitter fruit!"

16116 CLINTON - WOMEN - ZSERIES Chris Papa 2/20/98

That's the bad guy in the dark suit,
Who's smoking an evil cherroot,
And stroking mustache,
A "Snively Whiplash,"
With morals like "Willy the Cute."

16117 CLINTON - WOMEN - ZSERIES Chris Papa 2/20/98

It started in bad manner, so,
When intern in office would go,
"I've got you, my lass!,
Now give me some ass,
Or better yet, make it a blow."

16118 CLINTON - WOMEN - ZSERIES Chris Papa 2/20/98

"Unhand me now, please, CEO,
Respect for us poor girls, please show.
My mother has said,
I shouldn't give head,
To someone that I barely know."

16119 CLINTON - WOMEN - ZSERIES Chris Papa 2/20/98

Around Oval Office they flew,
And then, before anyone knew,
He grabbed helpless maid,
Whose disgust displayed
His chance for some lovin' was through.

16120 CLINTON - WOMEN - ZSERIES   Chris Papa 2/20/98

With rage he did fly in a stew,
And lifted her, as if on cue,
In manner sinister,
Throw, administer,
Her, to GOP taping crew.

16121 CLINTON - WOMEN - ZSERIES   Chris Papa 2/20/98

"We've got him with the smoking gun,
But then if our country is run,
By clod Albert Gore,
There is really, 'what for',
So why don't we let him have fun."

16122 CLINTON - WOMEN - ZSERIES   Chris Papa 2/20/98

They loaded their tapes into sacks,
And emptied the ones held in racks.
To Blair House they tore,
And knocked on the door,
And took smiling Veep to the tracks.

16123 CLINTON - WOMEN - ZSERIES   Chris Papa 2/20/98

The right wing conspiracy ends,
They've saved our great nation, my friends,
And White House sweethearts,
Can play their grand parts,
In setting new sexual trends.

16124 CLINTON - WOMEN - ZSERIES   Chris Papa 2/20/98

Keep cheerful, don't worry, don't vex;
Have a few simple medical checks.
Hope your doctor won't say,
"Well you did it, okay.
Now with whom do you think you had sex?"

16125 CLINTON - WOMEN - ZSERIES

If he does, then he should have suggested
You get yourself DNA tested.
(Won't work I'm afraid
If you didn't get laid,
And the evidence now you've ingested.)

16126 CLINTON - WOMEN - ZSERIES

Old Beau Brummell had pure "camp" in mind.
He regarded high fashion a kind
Of a hodgepodge of hats,
Loud, bright, garish cravats,
Which are now thought of as "ties that blind."

16319 CLOTHES - DRESSES - SKIRTS Arthur Pattaffy

A middle aged lady named Winnie
Ate little, and she became skinny.
Wearing a very short dress
She looked a real mess;
She should never be seen in a mini!

16320 CLOTHES - DRESSES - SKIRTS   Arthur Pattaffy

If there's one thing that I always knew,
It's that nothing compares with a shoe.
I have fifty pair;
They're stored everywhere.
A bit greedy, but what can I do?

16321 CLOTHES - FEET   Al Willis

Their quite tongues never protest,
Though their souls are sorely pressed.
Twin brothers they,
Carrying loads all day:
Stand empty when finally at rest.

16322 CLOTHES - FEET   The Limerick Book   P8606

The crooner, biographers said,
Shunned golf shoes, wore sneakers instead.
This fact has good ground,
For his locker, they found,
Held no foot-wear save one Bing-sized Ked.

16323 CLOTHES - FEET   Bob Giandomenico   P9602

My beautiful feet now I mourn,
They're covered with callus and corn.
The Birkenstock fit
Is appalling; I quit,
And into the trash can they've gorn.

16324 CLOTHES - FEET

You've had more luck with their gear
Than what I have ever had, I fear:
Plantars warts and bromodrosis, (not in my unabridged)
Ingrown toenail and maduromycosis (foot fungus)
Are the diseases I got from the footwear.

16325 CLOTHES - FEET

Fantastically dressed for a ball,
Went Cindy, the best of them all,
With Birkenstock shoes,
Her choice she did choose,
For Charming, she heard, he did call...

16326 CLOTHES - FEET

And Prince Charming? He's equally dressed,
Much better than all of the rest,
With long flowing locks,
He wore Birkenstocks,
And danced with only the best.

16327 CLOTHES - FEET

Moreover, behold what all wore!
Extravagant silks and much more,
Tuxedos and suits,
High Birkenstock boots,
The kinds that great princes adore!

16328 CLOTHES - FEET

The tables were loaded with shoes,
For princes and barons with clues,
For queens and great kings,
Who wore diamond rings
Who loved their great Birkenstock shoes.

16329 CLOTHES - FEET

The Bishop arrived on a sleigh,
And came in without a delay.
For angels foretold
How Charming would hold
That Cindy and have her today.

16330 CLOTHES - FEET

And he would have both of them swear
To marry together and share,
And live their whole life
As husband and wife,
In Birkenstocks, best of shoeware.

16331 CLOTHES - FEET

Now Matthew, you've got a brown shnozz,
From praising these overpriced Shozz.
The name Birkenstock
Gave me a big shock;
We don't have that kind here in Oz!

16332 CLOTHES - FEET

A gay lost his boots in a game
Of soccer (and futbol's the same).
He had bared both his feet
For relief from the heat;
Thos pecs, shorts and thighs were to blame!

She sells pretty shoes,
No one can refuse,
And at night she cavorts like a bunny.

16335 CLOTHES - FEET Al Willis

Who liked to make love to his shoe.
He said with a hoot,
(As he came in his boot)
"Tomorrow I'll try a size two!"

A fanciful dresser from Rome
Wore socks that caused people to groan.
On red and one blue,
Each bright in its hue,
And a pair he had like it at home.

16337 CLOTHES - FEET Albin Chaplin 3024-2773

Pointy-toed boots are the rage
For galloping over the sage,
Or dancing or walking
Or sitting or talking...
And boots don't wear out, they just age.

16338 CLOTHES - FEET Cow Sheep Petersen Rhodes

Cowboy boots aren't meant for walking!
They're just for standin' there talking,
Or used when they ride
To keep feet inside
The stirrup, when cows they are stalking.

16339 CLOTHES - FEET

A cowboy who wore fancy boots
Went calling one night on his toots.
But his high heels and all
Made him stretch up too tall;
They had to sit down to rub snoots!

16340 CLOTHES - FEET S Omar Barker P0209

Or such fearsome attacks,
For 'twas less dangerous than his socks are.

The difference made problems arise.

That will fit, so I wear
A pair which two half pairs comprise.

Designs shoes in which ladies cram
Their insteps and toes
In ultra-sheer hose
And cost THREE hundred dollars a gam

16343 CLOTHES - FEET Arnie Schoenbrun P0401

They feel like your foot's in a vise,
But they make ladies' figures look nice.
They tilt a girl's mass
To display tits and ass,
So maybe they ARE worth the price.

16344 CLOTHES - FEET Arnie Schoenbrun P0401

One day when I went to the races,
I discovered a knot in my laces.
But when I found out,
It was too late to shout,
And I fell down the steps on my faces.

In a frock at the Prom, she was queen,
(Don't think competition's not keen)
She was rated a ten
By the erudite men,
Though they censured her stockings of green.

16349 CLOTHES - FEET VOL 5

My dear Robin Kay, your feet, sweet
Smell swell, they don't stink 'cause you're neat.
The trouble with heels
Is that they leave weals
When you kick someone in the seat!

16350 CLOTHES - FEET   Sam Shaffe   P8802

She shines up the toes
Of her black-patent, spiky-heeled shoes.

16352 CLOTHES - FEET   Robin K. Willoughby P8710

So loose was the wife of young Merritt,
He felt he no longer could bear it.
As he picked up her slipper,
He remarked not too chipper,
"This old shoe, if it fits, I will wear it."

16353 CLOTHES - FEET   Albin Chaplin   3024-0543

Or are you the kind who likes streaking?"

16354 CLOTHES - FEET   Edwardian Leer 019

There's a zephyr-like breeze in the trees,

(You may jeer, I don't mind
But in Rome you will find,
It's the size of my shoes, if you please.)

Then he lifted his leg
And dampened the hem of my togs.

16359 CLOTHES - FEET Bill Wall

As the breeches-buoy swung toward the rocks,
Its occupant cried, "Save my socks!
I could not bear the loss
For with scarlet silk floss,
My momma has embroidered their clocks."

16360 CLOTHES - FEET Edward Gorey

I'm mechanically apt myself, toots.
I've constructed some seven league boots --
An invention that begs
For 3.5 league legs,
Or a terrible groin pain up-shoots.

16361 CLOTHES - FEET Lucy

Perhaps I should stick to consuming
And stop on inventiveness pluming.
Myself, I'm ahead
Of my time, it's been said.
Other say that I need padded-rooming.

16362 CLOTHES - FEET Lucy

There's nothing so shocking as socks
Worn by shepherds while tending their flocks.
Soiled by six weeks of lunches
And stuff that my hunch is,
Got spilled when they got off their rocks.

16363 CLOTHES - FEET

There was a young lady of Stormaway,
Who by walking, her shoes had all worn away.

If only I find
That it's taken that horrible corn away."

16364 CLOTHES - FEET

As she drove to the meeting one night,
One lone shoe appeared off her right.
Then a couple blocks more,
Saw a shoe to the fore.
Seemed a match -- must be losing her sight.

16365 CLOTHES - FEET Hilde na Beag

While driving back home the same route,
She stopped twice to relieve her doubt.
The shoes matched -- were a pair,
And a size she could wear.
She smiled as she wore them about.

16366 CLOTHES - FEET Hilde na Beag

I often seen shoes in the street,
Discarded in both cold and heat.
Which means that out there
In public somewhere,
Some fool's running 'round with bare feet.

16367 CLOTHES - FEET Observer

I once heard the stocking top say,
To pantie-hose as they both lay
In the laundry bin: "I
Climb right up her thigh.
So near and yet so far away."

16368 CLOTHES - FEET Tiddy Ogg

"Don't fret," said the pantie-hose gusset.
"Though pussy's nice, dont make a fuss. It
Ain't all so fair.
An asshole's up there,
And gee, when it farts, how I cuss it."

16369 CLOTHES - FEET Tiddy Ogg

As I bent down to tie up my shoe,
As I find that I often must do,
I found one sock black --
Alas and alack!
'Cause the other sock surely was blue!

16370 CLOTHES - FEET

Rimbly, a socksmith from Chad,
Was caught up in a new fad.
To wear socks on your head
Or your mum will drop dead.
To me this is crazy and sad.

There was an old man who was sitting
Beneath the Acropolis, knitting.

As he tore his old favorite socks off.

Held her nose, and said "What the hell!
I'll do my part!"
And then blew out a fart!
We both stink , so now I can't tell!"

A centipede from Syracuse
Played 2nd base for the Blues.
He was two hours late
Reporting to the plate,
After tying all of his shoes.

16376 CLOTHES - FEET Bob Polecat

You women, I fear it's bad news,
I do not like feminist views;
My ideal for feet
Is a broad who's in heat
And too horny to take off her shoes.

16377 CLOTHES - FEET Ed Potts P8802

The army of Mexico goes
Into battle with naught on their toes.
Miguel stopped their boos
With an issue of shoes,
So they cheered him with "Viva Zapatos!"

16378 CLOTHES - FEET Fred Cohen P8412

The best kind of shoes that I like
To use in the pluggin' of dykes
Are those worn by duffers
With toe-shielding scuffers,
And grippers on bottom called spikes.

16379 CLOTHES - FEET

What companies make wooden shoes?
Where does the wood come from? And whose?
What kind is the best
To carve out and test,
Or for making the comfort that soothes.

16380 CLOTHES - FEET Matthew Montchalin

Is it hazelwood, cherry, or oak,
Or something else, if I mispoke,
That makes a good shoe
Like rubbery glue,
Lest pebbles get through and then poke.

16381 CLOTHES - FEET Matthew Montchalin

A good story is probably there,
Of wooden shoes fashioned so fair,
Of buying and cutting,
Of nailing and shutting,
And bossing them, so I would swear.

16382 CLOTHES - FEET Matthew Montchalin

And marketing, making the sale,
And trafficing them by mail.
For demand must be high,
To sell and to buy
Shoes made of wood bound by the nail.

16383 CLOTHES - FEET Matthew Montchcalin

The only material that's good
To tailor a "klomp" for your foot,
That's less likely to split
And handmade for good fit,
Is knot free and dry willow wood.

16384 CLOTHES - FEET Matthew Montchalin

Though custom-made will cost you more,
Never buy these "klompen" at the store.
They are made for tourists
But the locals and purists
Reject them -- your feet soon get sore.

16385 CLOTHES - FEET Matthew Montchalin

What prices do "klompen" command?
Much higher when they're made by hand?
Or higher depending
On steaming and bending
And fitting with belts and a band.

16386 CLOTHES - FEET Matthew Montchalin

What is it that costs people more,
The markups when sold at the store,
Or lifespans that last
Or things solid brass,
Or salesmen you meet at the door?

16387 CLOTHES - FEET Matthew Montchalin

Proudly to her he did show
Bagpipes where his willy should go.
But she fainted dead away
When she heard him say,

16412 CLOTHES - KILTS Bridget W. Curran

I'm packing my kilt and my sporran
And flying to cities quite foreign.
Been gargling so
That my accent won't show,
For it helps with the r's in g'morrrrrrn.

16413 CLOTHES - KILTS

And saying farewell to my neighbor,
Sweet Katie's young mater.

There was a young laddie whose kilt
Had a strange sort of angular tilt.
For beneath it he kept
A large ferret which slept
In a nest he had specially built...

...By using his thick pubic hair,
Which he knitted with infinite care,
So his ferrety pet
Could keep out of the wet
And the rain and the sleet around Ayr.

16417 CLOTHES - KILTS

Once he hid a mongoose by mistake.

The young laddie's pole for a snake.

16418 CLOTHES - KILTS

Even I won't keep cats in my kilt;
Though the jockstrap has never been built
To protect from that kind;
I don't mind if I find
A vixen or two 'neath my quilt.

16419 CLOTHES - KILTS

Id say that there isn't much chance
Of me losing the means of romance.
It don't take much brains
To know one should take pains
To keep animals out of ones pants.

16420 CLOTHES - KILTS

'Cause at twenty below
They need something, you know,
To keep off the frost from Old Priapus.

16421 CLOTHES - KILTS Hugh Oliver 79b

16422 CLOTHES - KILTS

There once was a Scotsman, well built.
His skirt was an old worn-out quilt.
But a hole in the middle
Solved the big riddle;
The Scots are bare-ass 'neath their kilt!

16423 CLOTHES - KILTS Laurence Craft

(For this one I'm gonna feel guilty.)
It depends upon how one is built, Re:
The large require skirts,
While a kilt is for squirts,
And I'd rather you'd skirt me than kilt me.

16424 CLOTHES - KILTS

A hard-on that wilts? Oh no please!
I'm begging you, down on my knees.
Please take off the kilt
'Tis for boxers you're built
For I just think that they take the cheese!

16425 CLOTHES - KILTS Jim Weaver Collection

It's boxers you think take the cheese?
Some guys in jockeys will please
The gals who do look,
But boxers I took,
To let my "boys" swing in the breeze.

16426 CLOTHES - KILTS Jim Weaver Collection

Two things about wearing a kilt:
It's definitely handily built
For fucking a lass,
But a breeze up the ass
Makes a hardon rapidly wilt.

16427 CLOTHES - KILTS Mr Malo

I once met a Scotsman named Milt
And asked what was under his kilt.
Upon lifting his skirt,
Found a budgie named Bert
Who was stuffing his pecker with millet.

16428 CLOTHES - KILTS

The thing about wearing a kilt,
It tends to reveal how you're built.
If she brushes her arm
Across the alarm,
The sporran lights up and says "Tilt!"

16429 CLOTHES - KILTS Bill Wall

A Scot I knew was named MacGraber,
Beneath his kilt wielded a caber,

In July I ordered the kilt.
'Twould be sixty days 'fore 'twas built.
Now it's been half a year,
And it still isn't here.
The shopkeeper's feeling no guilt!

16431 CLOTHES - KILTS Liam na Beag

Now is that a skirt or a kilt?
Depends on just how they are built.
A blanket with pleats
Lets check out the treats;
Peek under without any guilt.

Up to Edinburgh (Scotland you know)
In the company kilt."
I'm afraid I might wilt
And start suffering frost-bite below.

16439 CLOTHES - KILTS

Oh sure, you may snigger and scoff
But I fear that my balls will drop off;
Then my peter will shrink
And turn blacker than ink
And I'll never again have a boff.

16440 CLOTHES - KILTS

I'm thinkin' a mitten or muff
Will keep you from shrinkin' your stuff
Is there's no volunteer
In the group we have here,
Who will lend you the scruff of her puff?

16441 CLOTHES - KILTS

I hope so! I'm sitting here thinkin'
Of hot little snatches for sinkin'
My willy when chilly
And hope there's a filly
Who'll keep my old pecker from shrinkin'.

16565 CLOTHES - PANTIES Jim Weaver Collection

His hankering for girls was unquenchable,
Though his old pollywog was insensible.
So Angus McGloam
Just lolled around home,
Lustfully fondling some fluffy unmentionable.

16566 CLOTHES - PANTIES Jim Weaver Collection

I once knew a Chappie called Randy;
He kept womens' underclothes handy.
They were not for his guests;
Frequently he jests.
In a bikini he likes drinking brandy.

16567 CLOTHES - PANTIES Arthur Pattaffy

There was a shy girl made of plastic
Whose figure was really fantastic.
But one sunny day
She melted away
Still clutching her knicker's elastic.

16568 CLOTHES - PANTIES Funfax Limericks P9705

A battle-scarred knight named Sir Wade
Great courage and strength had displayed.
He collected his forces,
Some on foot, some on horses,
And embarked on a panty crusade.

16569 CLOTHES - PANTIES Al Chaplin 3024 P9812

Hey No and a Hey Nonny No;
Packing bags, once again here I go.
Surreptitiously hidin'
These panties to slide in,
At bedtime while dreaming of Flo.

16570 CLOTHES - PANTIES

Hey girls, is it true? You admit,
If you wriggle around as you sit,
That the smaller your pants
Then the greater the chance
Of them getting caught up in your slit?

16571 CLOTHES - PANTIES Peter Wilkins

It sounds like you're conducting polls
On how us girls cover our holes.
If you ask our lovers
About manhole covers,
Then "scanty" or "sexy" are goals.

16572 CLOTHES - PANTIES Joie de Vivre

I suppose you researched M & S,
Where the sizes and shapes can distress;
There's such an array
Of pants made today;
In the interests of science, I'll confess.

16573 CLOTHES - PANTIES Joie de Vivre

Though partial to thongs and to G's
(Whose style and scantiness please.)
Lycra high legs are best
In the comfort test;
No tweaking or tugging, you see!

16574 CLOTHES - PANTIES Joie de Vivre

The M & S shop nearest me
Has positioned the girls' lingerie
Near the shirts and the suits
And the gentlemen's boots,
So I've studied the merchandise, see.

16575 CLOTHES - PANTIES Peter Wilkins

There's bloomers in cotton (I know,
They're not very sexy, but so
Very practical, yes?
And you have to confess
That they cover much more than they show.

16576 CLOTHES - PANTIES Peter Wilkins

Apart from the bloomers so fair,
I agree with you, M & S wear
Isn't all that it's made
Out to be; I'm afraid
That their underwear's lacking in flair.

16577 CLOTHES - PANTIES Peter Wilkins

Now G-strings and thongs I suppose
Are okay but they over-expose.
I prefer on a wench
Something silky and French,
To send shivers right down to my toes.

16578 CLOTHES - PANTIES Peter Wilkins

That's exactly just why I don't wear 'em;
I just go around with my bare bum.
Underneath my clothes,
I'm naked, you know;
It's so much more easy to share some.

16579 CLOTHES - PANTIES Karen

That is true, but a pussy bare
Gets quite cold when you sit on a chair,
That is made of metal;
Stings like a nettle,
So I covered mine with silky hair.

16580 CLOTHES - PANTIES Petunia

A pussy with soft silky hair
I agree is much better than bare;
Fore it makes me go weak
When those curlycues peek
'Round the legs of those panties you wear.

16581 CLOTHES - PANTIES Peter Wilkins

I wear those big cotton bloomers;
They're loose for prevention of tumors.
The people who claim
That cotton is tame --
They're just running 'round spreading rumors.

16582 CLOTHES - PANTIES Marty

But that's what I mean when I say
That huge bloomers are practical, eh?
For those knee-tremblers thrilling
And oh-so-fulfilling
At any old time of the day.

16583 CLOTHES - PANTIES Peter Wilkins

Je m'appelle Chantal Desormeaux,
I have all my bosoms on show.
Ma petite undairwair,
Leaves my soft derriere
Quite free for les touches, yes, no?

16584 CLOTHES - PANTIES Chantal

Here's where I must now confess
To wearing huge bloomers, oh yes.
Up my ass they don't ride
And you move them aside
After lifting my skirt or my dress.

16585 CLOTHES - PANTIES Arden

Those panties of yours are divine
At enchanting your derriere fine;
And that small patch of wet
At the front of them, Pet,
Sends a shiver the length of my spine.

16586 CLOTHES - PANTIES Peter Wilkins

The Vassar girls cooked up a girdle
Of plastic as tough as a turtle.
Between these and locked knees,
And their B.A. degrees,
It's a wonder the bitches get fertile!

16587 CLOTHES - PANTIES G1664

A willing young chick named Cervantes
Cried, "Sure, you can feel in the panties!
I'd of course draw the line
If the panties were mine,
But these aren't my panties... they're Aunty's!"

16588 CLOTHES - PANTIES Grand Prix Lim 263

A flying First Lady Named Nancy
Changed clothes when it tickled her fancy.
"They're especially nice
When I keep them on ice,"
She said, as she thawed out her pantsy.
(Nancy wife of Ronald Reagan)
16589 CLOTHES - PANTIES Jerry Thomas P8303

By nineteen and forty, plus deuce,
Girls' bloomers were not still in use;
Your years must be old,
But with memories of gold;
Well flashed by fresh, tender young cooze!

16590 CLOTHES - PANTIES

Coed's panties a young college male
In the fifties considered a grail.
The guys came in swarms
To the young women's dorms
And stole pants where they couldn't get tail.

16591 CLOTHES - PANTIES A. N. Wilkins P8802

He keeps stealing my pantyhose.
Why does he want mine, you suppose?
He's been robbing banks
And says he give thanks
Because mine don't flatten his nose.

16592 CLOTHES - PANTIES Marlene Lewis

There was a young fellow named Deke
Who said, "There is one job I seek.
That's to work in the plants
That produce ladies pants.
I could pull down two hundred a week."

16593 CLOTHES - PANTIES Bob Giandomenico P8802

My eyes are so deep you will drown,
They're a wonderful deep shade of brown.
But it's such a lark,
And usually dark,
When I'm with you with panties pulled down.

16594 CLOTHES - PANTIES Jayne

Those knickers so lacy and red
Have found themselves over my head.
With my stick and aplomb,
She applies hot lip balm,
While she panty-wipes up my cheese spread.

16595 CLOTHES - PANTIES Randog

Rose's are red. Violet's, blue.
White are the panties covering Sue.
So when the winds blow
And up the skirts go,
Men passing by will quickly salu---.

16596 CLOTHES - PANTIES Irving Superior P9803

A young student nurse named McFlickers,
Was watching the rugby at Twickers.
When her team got a try,
She would jump very high,
And the crowd could see all of her knickers.

16597 CLOTHES - PANTIES Arthur Deex P9609

I'm old and I'm lonely, but if
All you girls sent your panties, I'd sniff.
'Cause your hot little snatches
Cause little damp patches,
Which makes my old pecker get stiff.

16598 CLOTHES - PANTIES Peter Wilkins

My stars, it's now half-past two;
I misread the header, no clue.
Thought it said "Damn Patches"
So I got out my matches.
Thought Pete wanted a smoke, not twat goo.

16599 CLOTHES - PANTIES Cheryl

Now I know how to make some fast dough.
I just won't wash my panties no mo'.
For fifteen ninety-nine,
It's a taste so divine,
Guaranteed to make certain things grow.

16600 CLOTHES - PANTIES Cheryl

Well, this should throw you for a loop;
My wife's drawers are LOADED with goop.
There's a horrible blotch
That rots out the crotch;
You could boil the things and make soup.

16601 CLOTHES - PANTIES MrMalo

'Bout panties? Most people would share 'em.
They'd happily send you a pair of 'em.
You could sniff them, all right,
From morning till night --
The problem: they simply don't wear 'em.

16602 CLOTHES - PANTIES Kaylin Brandon

Thanks for your panties, my dear.
They haven't been washed in a year.
They're rather disgusting
But help with my lusting,
By cranking my dick up a gear.

16603 CLOTHES - PANTIES Peter Wilkins

Those patches I sniff up my nose,
Send shivers from head to my toes.
The general effect
Makes my pecker erect,
So please send more panties like those.

16604 CLOTHES - PANTIES Peter Wilkins

How many do you want in the set?
A lovely selection you'll get.
There's nylons and cottons,
And crotchless bare bottoms,
And you'll keep them so very wet!

16605 CLOTHES - PANTIES Arden

Said the president, hiding a frown,
"In a sea of inflation we'll drown,
But I see a bright light;
Some relief is in sight.
I hear panties are still coming down."

16606 CLOTHES - PANTIES Albin Chaplin 3024-2966

You guessed it, I've had an attack;
My panties are wedged up my crack.
I can't fart or fuck,
'Til I get unstuck.
I might use this old hammer Jack.

16607 CLOTHES - PANTIES Carol

A certain young lady named Lily
Likes knickers -- light, pink, and frilly.
In winter she wears
Maybe three or four pairs,
To keep her from feeling too chilly.

There once was a young man named Paul
Who went shopping one day at the mall.
But this was Pretoria;
(No Secrets Victoria)
He ended up with knickers too small.

16609 CLOTHES - PANTIES Robert A Seely

That I can get into her pants."

16610 CLOTHES - PANTIES William N Nesbit P9805

And we'll lie in the afternoon sun.
We'll caress all those parts
That are dear to our hearts.
Would you come with your panties undone?

16611 CLOTHES - PANTIES Jim Weaver Collection

There once was a chickie from Spain,
Who tried on her panties in vain.
The legs fit just right,
Just ever so tight.
She wore them, forgetting the pain.

16612 CLOTHES - PANTIES

My panties from Secret Victoria
Don't come, but they've got a storia.
With my legs open wide
And my man deep inside,
They've been known to shout upwards, "Gloria!"

16613 CLOTHES - PANTIES

An old dry goods vendor named Wales
Said, "Think what I'd ring up in sales,
If the town's hundred whores
Would decide to wear drawers,
To cover their hard-working tails!"

16614 CLOTHES - PANTIES Grand Prix Lim 149

A gal soon learns this little knack,
When her panties get caught in her crack --
If the pressure is steady,
It helps to get ready --
Just wriggle from frontward to back!

16615 CLOTHES - PANTIES Peter Wilkins

"Indeed," said an actress named Dix,
"We played safe when we toured in the sticks.
In case men attacked us,
We wore panties of cactus--
Is life just a succession of pricks?"

16616 CLOTHES - PANTIES - FANCY G0564

A fastidious girl in Manila,
Whose panties were lined with chinchilla,
Said, "One thing money brings
Is a taste for fine things,
And fabulous screws in my villa."

16617 CLOTHES - PANTIES - FANCY G0693

The drawers of a spinster from Lavonham
Had rude limericks embroidered in Slav on 'em.
To her lawyer she said,
"Burn them all when I'm dead,
For I'm damned if my nephew is having 'em."

16618 CLOTHES - PANTIES - FANCY Wordsworth Book Lim P9711

The Dowager Duchess of Mole
Wore ermine-lined drawers (dear old soul),
She found they provided
A snugness decided-
ly welcome on jaunts to the Pole.

16619 CLOTHES - PANTIES - FANCY Jim Weaver Collection

The weird explanation from Abel
Has now been exposed as a fable:
"I wanted to restring
But found that a G-string
At Minsky's was more like a cable."

16620 CLOTHES - PANTIES - FANCY   Kilburn K. Holt   P8806

There once was a lady from Maine
Who cried when her panties were plain.
She liked purple dots
Or little green spots
And striped ones just drove her insane.

16621 CLOTHES - PANTIES - FANCY

She only wore panties of cotton;
Thought all nylon panties were rotten;
Was not of the ilk
For panties of silk.
Through those things she might get begotten.

16622 CLOTHES - PANTIES - FANCY

If you seek erotic sensations
That do not involve aberations,
You might get a boot
From a sunflower suit
And some underwear made of carnations.

16623 CLOTHES - PANTIES - FANCY   Norm Storer   P9711

A rainbow of colors I wear,
Both silken and lace, dear Pierre.
But if I feel flirty,
With thoughts kinds dirty,
I might leave them home and go bare.

16624 CLOTHES - PANTIES - FANCY

Assortment of colors is grand,
I wear shorts to cover my gland.
By end of the week,
They're brown on each cheek,
And the front of them? Yellowed or tanned!

16625 CLOTHES - PANTIES - FANCY

The thickest of cottons I wear!
(With all of these teeth and this hair,
I oft need a blotter,
When I'm feeling hotter,
To soak up the drooling down there.)

16626 CLOTHES - PANTIES - FANCY

There was a young lady named Kerr,
Whose step-ins were made out of fur.
When they asked, "Is it fun?"
She replied, "It's a son-
Of-a-gun to make pussy purr!"

16627 CLOTHES - PANTIES - FANCY L1454

While spending some time with my slattern,
I saw an emerging new pattern.
She'll wear just a thong -
I think that it's wrong -
It's not even made of red satin

16628 CLOTHES - PANTIES - FANCY Archie

Relax Arch and first take a drink;
Immaterial's the color I think;
Whether panty or thong
Is confronting your dong,
As long as the content is pink.

16629 CLOTHES - PANTIES - FANCY Dirruk

I must say I am very much taken
That a panty's what's gotten you shaken.
Whether purple or pink,
Quick as eyes can blink,
They'll be gone when you're pleasing your bacon.

16630 CLOTHES - PANTIES - FANCY   Nawahl

What I find's a more serious issue,
Is when ladies cannot use a tissue.
And their undies or slacks
Show brownish-y tracks,
Disgusting, Haikona!, agh sies you! (?? McW)

16631 CLOTHES - PANTIES - FANCY   Nawahl

I once wore a little red thong,
My husband's delight to prolong.
But it made him too randy;
He pounced on me and he
Got it wrapped round the end of his dong.

16632 CLOTHES - PANTIES - FANCY   Jeanie

Confession: I once tried to squeeze
Into wee satin panties cerise,
But my tackle didn't fit
And they kind of - well - split,
Which annoyed my then girlfriend Louise.

16633 CLOTHES - PANTIES - FANCY   Peter Wilkins

So tiny they were and so tight,
That I had the most terrible fight
With my testicle (left),
Which extruded bereft
Of the satin which covered my right.

16634 CLOTHES - PANTIES - FANCY   Peter Wilkins

But tucking my testicle (left),
To the right, left my right one bereft
Of material too;
It was quite a to do,
Though with panties I'm usually deft.

16635 CLOTHES - PANTIES - FANCY Peter Wilkins

I squashed 'em together; but no,
Either one or the other hung low;
And the fight (I divulge)
Caused material bulge,
Which continued to outwardly grow.

16636 CLOTHES - PANTIES - FANCY Peter Wilkins

Just then sweet Louise interrupted
Complaining, "By god, you're corrupted!
You're wrecking my pants!"
But I didn't stand a chance
For they ripped as the contents erupted.

16637 CLOTHES - PANTIES - FANCY Peter Wilkins

That's really a pisser, now innit?
Trying to get your whole package down in it.
But the truth, I must say,
If with me you did play,
That you'd only be in them a minute.

16638 CLOTHES - PANTIES - FANCY Anon

The Eurostar management keeps
Placing adverts for geezers to sweep
Up the debris and stuff
From the trackside; enough
To form, daily, a mountainous heap.

16639 CLOTHES - PANTIES - FLAGGING Peter Wilkins

For the tunnel from Britain to France
Is a place of illicit romance;
And from April to June
Thru' October is strewn
With more pants than dictated by chance.

16640 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

All feminine; old ones and new
Ones in leopard-print, orange and blue.
Then there's virginal white ones,
Transparently tight ones,
And others of every hue.

16641 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

The blokes volunteering to work
There collecting those panties don't shirk.
Though they never get paid
More than benefit aid,
For the job in itself is a perk.

16642 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

So what then becomes of those panties
And similar feminine scanties?
Well, some get abused
If the guys get "enthused"
Although others are given to aunties ..

16643 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Or girlfriends or sisters or wives
Or themselves, if their pleasure derives
From the wearing of such;
Although no-one can touch
The enormous collection of Clive's.

16644 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

For Clive, who has more than a whim
And a fancy for second-hand quim,
Owns a house near the docks
Which is chock-full of frocks
And of panties is full to the brim.

16645 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

But back to the tunnel. The rest
Of the workers are working with zest
Piling panties in heap
Upon heap as they sweep,
Like an army of devils possessed.

16646 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

And now come the sorters who sort
Them. For most it's their favorite sport
After football and beer
So they, too, volunteer
For again it's a job that pays naught.

16647 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Discarding the black ones and white ones,
The loose and the overly-tight ones,
The greens and the blues
And most others, they choose
Only red ones, for those are the right ones.

16648 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

The right ones for what? You may ask
As you take a wee sip from a flask.
(Yes I'm biding my time,
But at least it's a rhyme)
And my answer? They're right for the task.

16649 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

The task? Well, I'll have to explain
Rather more 'bout the Eurostar train.
Here in Britain the tracks
Are oft found to have cracks,
And take years to repair in the main.

16650 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

In France, 'cross the channel, are trains
Which go faster than physics ordains.
They go whistling by
In the blink of an eye,
Over mountainous regions and plains.

16651 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Now Eurostar trains after leaving
The station in Paris go weaving
Their way north to Dover,
Through fields full of clover,
At speeds which take quite some believing.

16652 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

In seconds, the tunnel they breech
Next to Calais, but soon as they reach
A position half-way
Between France and UK,
Then the brakes are applied with a screech.

16653 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

At Dover they come to a stand,
For continuing further is banned,
Without help from a man
With a hat on called Stan,
Who is rarely if ever at hand.

16654 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Now Stan is the man with the wax-
Coated tatty old map of the tracks
And emergency flares,
Who makes instant repairs
(If he can) to the railway-line cracks.

16655 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Now Stan is the man on the tracks,
Who repairs all the gaps and the cracks;
He keeps a red flag
And some flares in his bag,
But it's tools, such as hammers, he lacks.

16656 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

He's proud of the hat on his head
And his uniform jacket of red;
His newly pressed trizers
And underpant risers
(Intended for shoes, I'd have said).

16657 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

But nevertheless he looks smart;
An ideal sort of bloke for the part
Of guiding the racketty
Clicketty-clacketty
Trains here, if ever they start.

16658 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

He taps every rail as he walks
And the dodgiest-looking he chalks;
Then flags down the driver
(Who's always called Ivor)
And into a telephone talks.

16659 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Right now I should mention it's not
A new-fangled type mobile he's got;
He walks up the track
'Til he finds one, then back
To ask Ivor for coins for the slot.

16660 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

And having reported the cracks,
He returns by the side of the tracks.
Then Ivor and he
Brew a hot cuppa tea,
While they wait for the man with the axe.

16661 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

It's true that the passengers fret
On occasions and seem to forget
Repairs can take hours,
If the forecast is showers;
Maybe days (even weeks) if it's wet.

16662 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

But Stanley, the man with the hat,
Tells them all to piss off and that's that.
He knows how to curb all
The backchat and verbal
With pleasantries, banter and chat.

16663 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

If sometimes a passenger swears
About waiting around for repairs.
Then Stan has a trick;
He says, "Where shall I stick
These explosive emergency flares?"

16664 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Then whispers a silent "Kaboom!"
And thus faced with the prospect of doom,
The passenger quits
All his verbals and sits
Like a lamb in the gathering gloom.

16665 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

And Stanley goes back to his tea
To join Ivor for cup number three.
They talk about cracks
And the man with the axe
And take bets on how long he will be.

16666 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

The man with the axe, name of Jack,
Was lazing around in his shack
When, whaddya know? A
Loud ring from the blower --
'Twas Stanley, the man on the track.

16667 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"Hey Jack, can you maybe come out?"
"No; not if it's raining without."
"You don't have to grizzle,
It's only a drizzle."
"So why in my shack is a trout?"

16668 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"Oh come, get a grip on your life;
That's no way to speak of your wife.
Now have you that axe
To take care of these cracks?"
"No, I've left the damn thing up in Fife."

16669 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"But Eurostar's stuck on the tracks
'Twixt Dover and London. The cracks
Prevent it from going.
What's that?"   "I'm just blowing
Relaxing-type jazz on my sax."

16670 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"For heavens sake, Jack, are you deaf?
A passenger here name of Geoff
Is going .. "   "Eh, what?
I'm most certainly not,
But for you I shall try a new clef."

16671 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

".. is going bananas."   "OK.
I'll go up to Fife right away
And look on the tracks
For my track-repair axe,
And come back to .. er .. where did you say?"

16672 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"To Dover; for that's where we're stuck."
"I say, Stan, that's awful bad luck.
I'll just play the blues
Now for Ivor and you'se,
Or this piano concerto by Gluck."

16673 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"Now Jack, don't you dare even start;
Get going, it's time to depart."
"OK then, but Stan,
If you possibly can,
Can you lend me your railway-track chart?"

16674 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"I fear that my tatty old maps
Are now on the point of collapse;
But don't gimme strife,
Mate, just eff off to Fife
And locate your old track-axe."   "Perhaps."

16675 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

"Perhaps? But that isn't enough."
"I'm kidding you Stan, I won't bluff."
"Just see that my tracks
Are repaired with your axe ..
As for passengers - couldn't give a stuff."

16676 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

He walks just in front of the train,
If it's dry and not pissing in rain.
For he finds that his knees
Get arthritic and freeze,
If it's wetter and colder than Spain.

16677 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Though stopping a train has its snags,
If the railway track buckles and sags,
Good old Stanley refuses
New methods and chooses
Red panties as semaphore flags.

16678 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

So that's why the sweepers go sweep,
And the sorters go sort every heap
Of discarded old pants,
Between Britain and France
And it's only the red ones they keep.

16679 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

That train with finesse also bustles
To Belgium and ends up at Brussels,
There's girls called Walloons,
With big soft balloons,
And Flemings who'll tone fellows' muscles.

16680 CLOTHES - PANTIES - FLAGGING   Peter Wilkins

Those discarded piles of red scanties
Just show where Pete plays gallanties,
Removes excess luggage,
Commits Litterbuggage,
Exposing his lady's enchanties.

16681 CLOTHES - PANTIES - FLAGGING   Archie

He travels the Euro-train tunnel,
Exploring his favorite love funnel.
Through open windows
Discarding his clothes,
And then he's inserting his trunnel!

16682 CLOTHES - PANTIES - FLAGGING   Archie

Just then the conductor calls "Ticket
Please. Show me so I can just click it.
Leave you in your piece --
OOps -- leave you in peace.
The lady as well, I must prick it.

16683 CLOTHES - PANTIES - FLAGGING   Archie

Then I'll send them airmail like a bird,
But I dare say you'll have a good word.
I was going to hide them,

16842 CLOTHES - PANTIES - SULLIED

On a day that is not quite so frantic,

While walking 'cross campus one morn,
A whistle came at me -- no warn-
Ing. I whipped 'round to see
Who was whistling at me;
Now my train of thought's tracks are all torn.

That's no way to address someone you
Don't know from Adam. Get a clue!
Some big clown in a suit --
Though he seemed kinda cute,
(Didn't know he was someone I knew).

17065 CLOTHES - STYLES - SERIES

Came closer to look. Dear God! Joe!
In a suit and tie? How's this so?
Is this some sort of trap?
Where's your bicycle cap?
Better still, where's my hug?...You must know

17066 CLOTHES - STYLES - SERIES

Clothes can cause a great deal of deception
And while they shouldn't change your reception
Of a friend who is dear,
I still admit here:
They screw around with your perception.

There once was an Indian maid,
A tanner of leather by trade.
She said she was tough,
But I buffed on her muff,
And stroked her until she was suede.

An Indian maiden was jaded
From all the old cowpokes and faded
Drunk caballeros
Who gave her their arrows...
I'm glad that you got her per-sueded.

17069 CLOTHES - STYLES - SERIES   Jeanie Taylor

The Indian maidens I've tried,
With kinky sex they will abide.
When I gave them spanks
They are full of thanks;
They love it when I tan their hide.

So I'll just wear this purple feather.

Of bathing suits, a thong must be king;
Its made from some cloth and some string.
Designed to be tiny
And show off one's hiney,
But what an uncomfortable thing!

17073 CLOTHES - SWIM/BEACH   Jim Weaver Collection

I don't like things wedged 'twixt my cheeks;
Mine's been there for two or three weeks.
I can't pry it loose
A perpetual 'goose,'
Though it seems to have stopped all the leaks!

17074 CLOTHES - SWIM/BEACH   Jim Weaver Collection

With a young secretary named Nance.
They're afraid her Bikini
Will sizzle their weenie,
'Cause she's said to have very hot pants.

17075 CLOTHES - SWIM/BEACH Pierce Evans

There was a young lady named Jeanie
Who wore an outrageous bikini;
Two wisps light as air,
One her and one there,
With nothing but Jeanie betweenie.

17076 CLOTHES - SWIM/BEACH Ogden Nash P9404

Bikinis bestow, at their best
Additional shape to the chest.
But sometimes they hide
So little divide,
Their wearer's at risk of arrest.

17077 CLOTHES - SWIM/BEACH Nick

Of swimming things NATATORIAL,
That bikini is not too sartorial.
Fabric skimpingly
Suits me swimmingly,
From my perch, a limb arboreal.

17078 CLOTHES - SWIM/BEACH Daniel Ford

As they lay in the sun at Chennini,
He said, "Surely a garment so teeny
And foreign to Venus
Should not come between us?
So why not remove your bikini?"

17079 CLOTHES - SWIM/BEACH Harold C Bibby P9

The chief delectation of summer
Is that clothing becomes minimummer
And my wife's derriere
Is bikinied or bare;
Tights enshpering her rear don't become her.

17080 CLOTHES - SWIM/BEACH Don Barnard

Now that thong beachwear has hit a peak,
If I may make so bold, so to speak;
Some go out of their way,
As the British might say,
To display more than a bit of cheek.

17081 CLOTHES - SWIM/BEACH Loren Fitzhugh

A cocky young man from Toledo

Gym shorts -- implausible!
Biker's -- impossible!
And don't even mention a speedo!

17082 CLOTHES - SWIM/BEACH Stiffy Joe

Some swim suits are quite a disgrace.
One can hardly remember a face.
Nearly everything's bare;
(As much as they dare)
And imagining's quite commonplace.

17083 CLOTHES - SWIM/BEACH Limericks Naughty & Gay

For swimwear, I live by this credo:
I'll not wear a thong or a speedo.
Because if girls saw me,
They'd all want to paw me;
I don't want to make them stampedo!

17084 CLOTHES - SWIM/BEACH Travis Brasell

There was a young girl in Havana
Who wore only a yellow bandana.
It would just barely hide
Either breasts or backside,
So she looked like a half peeled banana.

17085 CLOTHES - SWIM/BEACH Lims For The EruditeP0205

A bird-watcher down on Par Sands
Was confused and could not understand,
How the birds he was spottin'
Could get such a lot in
A bathing suit made of two strands!

17086 CLOTHES - SWIM/BEACH Cornish Times contest '97

A bonny young girl name of Heather
Wears tiny bikinis of leather;
In fact she wears barely
Naught else and then rarely
The top and the nether together.

17087 CLOTHES - SWIM/BEACH

I will start with a delicate cough,
And then a polite little scoff.
'Cause in waves one day
As I was swam away,
My bikini just fell right off!

A sheeny young Genie named Sweeney
Once invented a magic bikini
For seduction, I'm told,
But the idea was old,
First thought of by Harry Houdini.

The spots that he'd lovered
And left him with yearnings acute.

17090 CLOTHES - SWIM/BEACH Chris Papa

I look forward to summer; It's grand!

Campbellford's know for its river.

But boy, are they sweet,
The girls that you meet;
Those tiny red thongs make me quiver.

17092 CLOTHES - SWIM/BEACH Dudesdead

A girl on the beach with face sweet;
I watch as she makes her retreat.
When viewed from the rear,
It's perfectly clear
That thongs should be on a girl's feet.

17093 CLOTHES - SWIM/BEACH Ron Sartain

There once was a man from Toledo,
Who came to the beach in tuxedo.
He got on the sand,
Then stripped it off and
Realized that he'd left off his speedo.

With one round in the head
For appearing in public in Speedos."

17095 CLOTHES - SWIM/BEACH Loren C Fitzhugh P9808

And brought many young men to their knees.

17096 CLOTHES - SWIM/BEACH Arthur Pattaffy

I once wore my jock to the beach
(With nowt but my boots -- foot in each,)
Where, at a convention

At fashionable beach resort, LIDO,
It seems to be gigolo credo
To convince each Miss

If he's not soon out of his Speedo.

17098 CLOTHES - SWIM/BEACH Daniel Ford

She was a beauty -- and photogenic,
To men she was pyrogenic.
When out on a shoot
For a new bathing suit,
She was an attraction most scenic.

17099 CLOTHES - SWIM/BEACH Arthur Pattaffy

Just look at that girl's red bikini!
Her waist is so perfect and teenie.
I love how it sits
On her hipses and tits.
All I need now's a dry gin martini.

17100 CLOTHES - SWIM/BEACH

Among the social indiscreets:
Bikini's holding just half the teats.
And wisps of hair
From the bottom-wear,
And threadbare where the cheek/cheek meets.

17101 CLOTHES - SWIM/BEACH Irving Superior P9804

There once was a guy from Toledo
Who strained as he put on his speedo.
He finally suceeded,
But later conceded,
"The damn thing, it kills my libido!"

17102 CLOTHES - SWIM/BEACH

Damn Speedos turn certain parts bluish,
Especially if tight and quite newish.
To make things worse yet,
Once they are all wet,
The white ones will show if you're Jewish.

17103 CLOTHES - SWIM/BEACH Frank Fazed

As for my part, Heaven just knows
I love seeing guys in Speedos.
Wouldn't mind indulging
In what ever is bulging,
Delighting in whatever grows.

17104 CLOTHES - SWIM/BEACH Ardens

I just love the surf and the sun;
The beach offers all kinds of fun.
And guys wearing Speedos
Improve our libidos --
Summer's hot, in more ways than one!

17105 CLOTHES - SWIM/BEACH Kaylin Brandon

Her shorts were a string with protection,
Her halter escaped my detection,
And she thought it cute
That so small a suit
Should give rise to so huge an erection.

17106 CLOTHES - SWIM/BEACH Laurence Perrine P8303

Poor Alice hadn't a thing
To wear to the beach in the spring.
She went in and swam
Wearing only a yam,

17107 CLOTHES - SWIM/BEACH

Flamingoes, storks, hooded cranes, each,
Has elegant vertical reach.
But none has the beauty
Of a swimsuit-clad cutie,
The long-legged bird on the beach.

17108 CLOTHES - SWIM/BEACH Tiddy Ogg

The top of bikini is teeny;
Far more modest is the TANKINI.
My advice on this matter
Is to wear the latter,
If your bust looks like a pair of blini. (Russian pancakes)

17109 CLOTHES - SWIM/BEACH Norm Brust

Your stylist is just an old meanie
For shaping your locks like a 'beanie'.
But when you go swim,
Your cute little quim
Will flatter your teeny bikini.

17110 CLOTHES - SWIM/BEACH Travis Brasell

Until last year I loved my linguini,
More that fitting into my bikini.
Diet's caused a decrease;
Now I wear a two piece;
True bikinis are too teeny-weeny.

17111 CLOTHES - SWIM/BEACH Jenni Saqua

And eventually removed my shades
When I saw their beachwear
Designed by Claude Pierre
Was three Band-Aids in soft pastel shades.

17112 CLOTHES - SWIM/BEACH Loren C. Fitzhugh P9703

That modest young lady, Yvette,
Is the belle of the sunbathing set;
And her suit has been made--
So her charms are displayed--
Of three beads and a square foot of net.

17113 CLOTHES - SWIM/BEACH Prob Dear Hen MillerP9701

Beautiful Julie McFeeney
Hit the beach in a skinny bikini.
It was terribly small,
Almost nothing at all,
And it just barely hid his small weenie.

17114 CLOTHES - SWIM/BEACH MrMalo

On the beach, a young girl of New York,
Wore a swim suit that made mens' necks torque.
Though to call it a suit
Is a point that is moot,
Being just two Band Aids and a cork.

17115 CLOTHES - SWIM/BEACH Don Moore P9703

In a bikini from old Martinique,
At the beach she looked really chic.
But after her swim,
It was hard to be prim
'Cause her suit had lost it's mystique.

17116 CLOTHES - SWIM/BEACH

There she swam in the sea of monsoons,
Being laughed and applauded by goons,
For the tides threw a twist
On the waters they kissed,
And the earth had acquired two moons.

17121 CLOTHES - UNDERWEAR G2261

It was style in men's clothing, my friends,
That sank poor Bob Dole with its trends.
When Hanes asked would-be chiefs
"You wear boxers or briefs?"
Bob replied, with a long pause, "Depends."

17122 CLOTHES - UNDERWEAR Vassar Smith P9611

The boxer, for me, is the thing,
Although, truth be said, a large sling
Would give me more traction
And tone down the action,
When running a race makes them swing.

That said, I prefer all the room.
My fruit, unincumbered, may loom
At semi-attention

But not now, when you're weighty,
And 80, dear Katie,
With cunt infestations of mildew."

An elderly matron named Jude
Was screwed by a man who was stewed.
She exclaimed in disgust,
"My old man, he's a bust;
Now I know what it's like to be screwed."

She was old but she still liked to do it.
She'd lost all her teeth and we knew it.
I took her to bed;

All the dames at the Home for the Aged
Lay in wait for the chance thay might lay Jed,
Who though octogenarian,

They'd cry, "How 'bout a romp in the hay, Jed?"

You know how it is with old folk.
We'll do anything to get a good poke.
Whether old or young,
Hard dick or tongue,
We can still give you a good soak.

There was a young lady who wouldn't.
Her mother had told her she shouldn't.
When dear mama died,
She felt free. So she tried,
But by then she's so old that she couldn't.

You may not believe me, and yet,
Old gals are the very best bet.
They don't yell, tell, or swell,
And they fuck hard as hell,
For it may be the last one they'll get!

Though older than dirt,

And when on her knees ol' May's bust drags;
But for her dry twat
Just look what May's got;
She wipes that thing clean with new dust rags.

A middle-aged lady once reckoned,
The passage of time to a second,
Then rounded it out
To ten years, just about,
Since the last man had come when she beckoned.

18044 CONGRESS - AGED - FEMALE John Ciardi

As the years go by and the pleasure
Has been had many times beyond measure,
We don't need so much
And the timing is such,
That ladies our age start to treasure.

There was an old maid of Duluth,
Who wept when she thought of her youth,
Remembering chances

Only one thing, but thought it a lot.
She thought yes and no,

She decided she rather thought not.

18083 CONGRESS - AGED - INFREQUENT   G0338

Now the golden years come and they go,
Leaving brown streaks, by now you must know;
You will soon feel the prod
Of Reality's Rod;
When you reach the big six oh, soon you'll go!

18084 CONGRESS - AGED - ZSERIES   Allen Wolverton

Sixty one! No more fun pitching woo;
No more wet dreams about ring-dang-doo;
Chasing babes as of yore,
Makes the prostate quite sore;
Sixty two's when it gets tough to screw.

18085 CONGRESS - AGED - ZSERIES   Allen Wolverton

Things get worse when you reach sixty three;
Because then, it will hurt when you pee.
Then at age sixty four,
You will poop on the floor;
Just as well now; it's harder to see!

18086 CONGRESS - AGED - ZSERIES   Allen Wolverton

About then, you're much less debonair;
You'll be wearing a bib, placed with care,
'Cause at age sixty five,
You be drooling saliv-
Ah, with food lumps all stuck in your hair!

18087 CONGRESS - AGED - ZSERIES   Allen Wolverton

Things get worse, at age sixty six;
To your bod, every underthing sticks;
Then at age sixty seven,
You'll sneak into heaven;
But your fragrance will foil all such tricks.

18088 CONGRESS - AGED - ZSERIES   Allen Wolverton

A long pow-wow will settle your fate;
Sixty eight's when you're shipped down to Sat-
An! Where time marches on,
Till your memory's gone!
Sixty nine, pal? Forgot? It's too late!

18089 CONGRESS - AGED - ZSERIES   Allen Wolverton

Forget sixty nine? Are you mad?
No reason, old chum, to be sad.
At 80 years young
With a flexible tongue,
One still can get pussy, m'lad.

18090 CONGRESS - AGED - ZSERIES Peter Wilkins

And even at ninety or so,
It's never too late for a go;
An implant or three
Or Viagra for tea,
And the biddies will big for a hoe.

18091 CONGRESS - AGED - ZSERIES Peter Wilkins

Well, your octogenarian pet,
Has a tasty surprise, I'll just bet;
Yessir, fumble for fun;
Get her pampers undone;
What you see, pal is what you will get!

18092 CONGRESS - AGED - ZSERIES Allen Wolverton

You can throw the Viagra aside,
When formaldehyde stiffens your pride;
You can last 'til she craps,
As you fondle her flaps,
Like a couple of eggs, kind of fried.

18093 CONGRESS - AGED - ZSERIES Allen Wolverton

My feelings are hurt and I'm sad;
Young mistress of mine treats me bad.
Whenever we greet
Her friends on the street,
She always says, "Meet my old dad."

18094 CONGRESS - AGED - ZSERIES Travis Brasell

Oh now, you must not feel blue!
She just does not want to share you.
She claims that you're old
So they won't be bold
Enough to say, "Daddy, lets screw!"

18095 CONGRESS - AGED - ZSERIES Marlene Lewis

Well now, you're ever so sweet,
But what hurts me most when we greet
My mistress's friends
Is that she extends
Her intro with 'meet' and not 'meat'!

18096 CONGRESS - AGED - ZSERIES Travis Brasell

As someone once said: You should tell her
This dictum below, my good feller.
"Don't be so uncouth,
There's snow on the roof,
But a fire still burns in the cellar."

18097 CONGRESS - AGED - ZSERIES Tiddy Ogg

"Oh Ethel?" "Yes dearest?" "My part
Has arisen; pretend you're a tart?"
"But of course, Ron, I'll wank you
And spank you and crank you."
"Oh thank you, dear Eth; can we start?"

18098 CONGRESS - AGED - ZSERIES

"Like this, yes?" "Oh Eth!" "Is it good
For you Ron?" "Oh that's lovely. Now could
You just rub a bit faster?"
"Oh Ron, you're the master."
"Oh Eth?" "Yes?" "I'm getting a wood."

18099 CONGRESS - AGED - ZSERIES

"Whew! Ethel?" "Yes Ron?" "Be a dear,
Stop your wanking; I've come over queer."
"Does my squeeze make you wheeze?"
"Yes. I'm sorry, Eth. Please
Turn that knob on my pacemaker here."

18100 CONGRESS - AGED - ZSERIES

I guess I will tell you the truth;
I'm sitting here, fondling young Ruth,
Who has pointy nipples,
After only two tipples
And soon we will do thing uncouth!

18101 CONGRESS - AGED - ZSERIES Archie

I once made me movies of porn,
With Ruth 'midst the alien corn.
But now I am toothless
And truthless and Ruthless
And all my libido has gorn

18102 CONGRESS - AGED - ZSERIES Tiddy Ogg

You're hair will soon be turning grey,
(If you have any left, I should say.)
But don't count the cost,
Not everything's lost,
There's plenty of time left to play.

18103 CONGRESS - AGED - ZSERIES Tiddy Ogg

So you can't keep it up now all night,
But experience tells you what's right.
Your partner to please,
You know all the keys,
To give pleasure to a great height.

18104 CONGRESS - AGED - ZSERIES Tiddy Ogg

Look forward to what lies ahead;
Your prostate means wetting the bed.
Then there's gout and arthritis,
And the pain of colitis,
You'll be wishing quite soon you were dead.

18105 CONGRESS - AGED - ZSERIES   Tiddy Ogg

That last verse, pretend it's not there.
It just floated up out of the air.
But as I'm getting old
And my brain's growing cold,
I've lost the delete key, I fear.

18106 CONGRESS - AGED - ZSERIES   Tiddy Ogg

And now I must stop for a pee;
Very soon, lad, you'll be just like me.
Just a half-witted fool,
Who will dribble and drool,
'Til somebody calls you for tea.

18107 CONGRESS - AGED - ZSERIES   Tiddy Ogg

Okay now, I've been to the loo.
What is it I'm trying to do?
Write a big birthday verse?
I don't know; tell me nurse,
I'm writing this message to who?

18108 CONGRESS - AGED - ZSERIES   Tiddy Ogg

Hello, this is nurse Emma Croft.
That silly old fool's nodded off.
But I'll send this to you,
As I'm sure he meant to...
God knows but his brain has gone soft.

18109 CONGRESS - AGED - ZSERIES   Tiddy Ogg

Said an eightyish woman named June
When her ninetyish man came too soon,
"You're a stick in the mud
And a useless old dud.
That's twice that you've failed me since noon."

18110 CONGRESS - AGED - ZSERIES Isaac Asimov

Said John, "This elaborate position
Should result in delightful coition;
But with all the exertion
Required for insertion,
I'm too breathless to pump, in addition."

18111 CONGRESS - AGED - ZSERIES Isaac Asimov

I once knew a gal from Algiers,
A virgin for fifty-two years.
She finally broke down
With a night on the town,
And three hours with her thighs on my ears.

18112 CONGRESS - AGED - ZSERIES

No matter how hard I tried,
I couldn't get my pecker inside.
That neglected old cherry
Was as dry as a prairie,
And her hymen as tough as raw hide.

18113 CONGRESS - AGED - ZSERIES

So I laid that old maid on her belly
And broke out the old k-y jelly.
Her 'roids I greased,
And I was real pleased
When my dick didn't wind up too smelly.

18114 CONGRESS - AGED - ZSERIES

This may be a joke to you,
But she don't have to be fifty-two.
I had one twenty-three
And as tight as can be.
She turned my once happy balls blue!

18115 CONGRESS - AGED - ZSERIES

I used Crisco, I used K-Y, I used oil;
Still nothing could lighten my toil.
Mr. Happy went limp
Like a tranquilized chimp.
So never did I fertilize the soil.

18116 CONGRESS - AGED - ZSERIES

It was my most frustrating screw;
My worst freakin' nightmare come true.
Now me thinks "tight's" overrated
If can't be integrated.
Now I only screw one's marked 'drive thru'!

18117 CONGRESS - AGED - ZSERIES

Emily Dickinson wrote of great passion,
Wild nights; Wild nights are they rationed?
When we were young,
It was so much fun.
Now the young look on us with compassion.

18118 CONGRESS - AGED - ZSERIES Azul

Little do they know that even now,
Making love is better somehow.
We still get the rush
When our eyes touch,
But we take our time and it's WOW!

18119 CONGRESS - AGED - ZSERIES Azul

That past thousand years has gone quick!
But I fear that it's nature's cruel trick
That the older one is,
Tempus fugit ... like whizzzz!
And reduces the power of one's dick.

18120 CONGRESS - AGED - ZSERIES

But that has advantages too;
No more premature fizzing of goo;
No more single orgasms,
But multiple spasms,
For all of you ladies I woo.

18121 CONGRESS - AGED - ZSERIES

At the end of a life spent in sin,
I look in my mirror and grin:
If I'd thought to ration
My sexual passion,
Perhaps I could still get it in!

18122 CONGRESS - AGED - ZSERIES   Norm Storer   P0108

With maidens both buxom and thin,
I have sampled all classes of sin.
But of late I have learned
That although fire still burned,
I was just not the man I had been.

18123 CONGRESS - AGED - ZSERIES   Norm Storer   P0108

While clearing my attic last night,
An old diary of mine came to light.
'69 it was dated,
But was it X-rated?
Dunno; but I'll read it tonight.

18124 CONGRESS - AGED - ZSERIES

It seems that I "Did it with V"
Many times until March 23;
Then from March 24
Seems I did it no more
For in red I wrote "Did it with P".

18125 CONGRESS - AGED - ZSERIES

I "Did it with P" every day
Throughout April and well into May;
Then no entries at all
In my diary 'til fall
When I "Did it with A, J and K".

18126 CONGRESS - AGED - ZSERIES

The entry for January 4
Just reads "Did it with V" nothing more.
Now that "V" could be vigour
Or Vicky I figure;
Or five? Most unlikely I'm sure.

18127 CONGRESS - AGED - ZSERIES

In my calendar for '84,
I noted I managed to score;
She was really gorgeous;
P'raps this girl of George's
Is mine... I'll be his dad-in-law!

18128 CONGRESS - AGED - ZSERIES

And yes George, I did come again,
Three times, though it poured down with rain.
But during that shower
I plucked her sweet flower,...
But was her name Sylvie or Jane?

18129 CONGRESS - AGED - ZSERIES

Another year older; I find
My libido has somewhat declined,
And instead of each day
Somewhat less is OK;
But the thoughts are still there in my mind.

18130 CONGRESS - AGED - ZSERIES

The sequence, as you know, is put neatly:
Tri-nightly, try nightly, tri-weekly.
Then weekly you try,
Now bleakly you sigh,
And now and then you just try weakly.

18131 CONGRESS - AGED - ZSERIES

At night as I lay on my back,
My man explored twin peaks and crack....
The cartography's changed:
The old mountain range
Is now just a hill and train-track!

18132 CONGRESS - AGED - ZSERIES

No matter if only one hill;
It's a brand new explorative thrill.
And as long as the actions
Provoke satisfactions,
There's bundles of fun in it still.

18133 CONGRESS - AGED - ZSERIES

Now older I look at life bleakly;
Good grief, was it really tri-weekly
For many long hours?
So just where have my powers
Gone, reduced as I am to try weakly?

18134 CONGRESS - AGED - ZSERIES

I guess it's a natural trend. Oh,
When young I could reach a crescendo
Most every day,
But it's slipping away,
Now and often a dim innuendo.

18135 CONGRESS - AGED - ZSERIES

If your age is causing distress,
And your power's are less, I suggest,
That you work out a bit,
And soon you'll be fit.
Then, come here and take off my dress.

18136 CONGRESS - AGED - ZSERIES

Now you know you are not being fair;
That night with pencil in the air,
You took me to heaven,
And made love times seven.
As a lover you CANNOT compare.

18137 CONGRESS - AGED - ZSERIES

So quit all this stuff about weakness
And degenerating into antiqueness;
I've had quite enough
And I call your bluff;
The seven? Can you repeat this?

18138 CONGRESS - AGED - ZSERIES

So sorry you no longer wobble;
I loved it, but still I could knobble
You. Now that you're Tigger,
Just bounce on my trigger;
But seven? No wonder I hobble.

18139 CONGRESS - AGED - ZSERIES

Not really distressed 'bout my age;
And my fitness, you'll just have to gauge.
When I start to caress
You and take off your dress;
For your lust I can surely assuage.

18140 CONGRESS - AGED - ZSERIES

Several people expressed regret
Saying wobbly was the best name yet;
If you can hobble,
I suppose I could wobble;
Let's hope I don't live to regret!

18141 CONGRESS - AGED - ZSERIES

Still round here a wobble I'll be;
I prefer to wobble you see.
Had to change a letter,
Do you think this is better?
I am Wobblie no longer Wobbly

18142 CONGRESS - AGED - ZSERIES

As long as you wobble that's fine,
'Cause we all think it's rather divine.
Whether y or i e,
Would you wobble for me
Between tea-time and quarter-past-nine?

18143 CONGRESS - AGED - ZSERIES

To fit my wee horsey with reins.
She feared that my colt

The prominent Duchess of Pyle
Was screwed by a Hindu with style
On the banks of Euphrates,
And was screwed with such great ease
That she asked for a trial on the Nile.

Offend this old country boy? Shucks!
Like water that rolls off a duck's

Unless, of course, cunts
Won't spread in the bed of my trucks.

So, bring on the wine and sweet clover,
And I'll pull my pickup truck over,
And you jump in back,

But pay you no mind to old Rover!

No dog is allowed in the truck!
For fear he might well run amuck.
He'll bounce on my boobs,

My maid, Fuzzy Peach, would be gunnin'

Would soon be a blotch,
'Cause she likes that hound for her funnin'!

Some bras and some hose,

I went to the rooms in the back
And hung my clothes on the rack;
Began to divest
Myself of my dress,
When I heard a loud creak and a crack!

19395 CONGRESS - LOCATION - SERIES   Ericka

As I looked up over my head
With trepidation and dread,
A man's hand was feeling
Right through the ceiling,
And behind it, Petey's voice said:

"Petal, my dear, I can't wait!
For our regular Friday night date!
I need you, my dear,
To fondle my spear --

19397 CONGRESS - LOCATION - SERIES   Ericka

Landing on your butt, in the aisle.
Crawled under one curtain;
Whose room? I'm not certain!
Finally found me by error and trial.

19398 CONGRESS - LOCATION - SERIES   Ericka

Why Petal, you're almost quite nude!
My spear now is feeling renewed!
These mirrors behind me
Have served to remind me:
You can see my reflection protrude.

19399 CONGRESS - LOCATION - SERIES   Ericka

And there, in the small fitting room,
You caused my petals to bloom.

All my energy you did consume.

For an appetizer
(And none be the wiser)
She'd let those three bro's climb aboard.

19719 CONGRESS - MENAGE - 4

An insatiable woman named Dee
Said, "There're never enough men for me!
So instead of just one,
I'll finally have fun,
And triple my pleasure with three!"

19720 CONGRESS - MENAGE - 4   Lims For Year - 01

Two brothers in arms, Bart and Hewitt,
Decided they'd finally do it
With their ladies of heart.
Bart made a good start,
And then it was Hewitt who blew it.

19721 CONGRESS - MENAGE - 4   Carl Ludvig   P0206

A lusty young girl named Cassandra
Wanted sex, as did her sister, Sandra.
Two under-achievers
Obliged these two beavers.
Would you call this a 'double ententre?'

19722 CONGRESS - MENAGE - 4   Al Willis   T9710

There once was a grand threesome party,
But for some reason, they didn't include me.
I could have been on the top
With a lick and a hop,
But I guess I'll wait for the orgy.

19723 CONGRESS - MENAGE - 4   Steve Schrader

A third hand would be rather handy
When me and my Wendy get randy.
While Wendy then blows,
One takes care of her rose,
And the others pet Candy and Mandy.

19724 CONGRESS - MENAGE - 4   Dirruk

There was a young woman named Susan
Who found it completely amusin'
To make love to three men
Although who did what when
Was frequently rather confusin'.

19725 CONGRESS - MENAGE - 4   Isaac Asimov

"The randy old Shah of Iraq
Found his harem stretched flat on its back.
He cried, "The sex area
Of five hundred sure scare ya',
So I've canceled my plan of attack!"

19726 CONGRESS - MENAGE - ORGY   Grand Prix Lim 474

That gal who lived up on the hill,
Was balling a fellow named Bill,
When her husband named Jack
Snuck into the back,
And buggered the shit out of Jill.

19727 CONGRESS - MENAGE - ORGY   Cap'n Bean

The three of them romped and they played;
Together they pitched and they swayed.
Then they rolled down the hill --
Jack in back, Bill in still --
And the neighbors appeared quite dismayed.

19728 CONGRESS - MENAGE - ORGY   Cap'n Bean

Jack suffered a minor concussion;
Jill ached from dual-action percussion.
Bill sprained his left wrist,
And a genital twist,
But their next rendezvous's in discussion.

19729 CONGRESS - MENAGE - ORGY   Cap'n Bean

Well, the tDoc says that Jack's head will mend,
And sweet Jill's pelvic aches will soon end.
Bill's wrist's in a cast;
His pain didn't last,
Though his dick's got an interesting bend.

19730 CONGRESS - MENAGE - ORGY Cap'n Bean

Together they talked of positions
To accomplish two-way intromissions,
And a meeting place that
They agree must be flat,
But Jill had a couple conditions.

19731 CONGRESS - MENAGE - ORGY Cap'n Bean

She said, "Let's seduce that Snow White,
Who's quite pretty, well built and my height.
Since I know that she tends
To pick pretty small friends,
When you ask her, please word it just right."

19732 CONGRESS - MENAGE - ORGY Cap'n Bean

'Twas Jack who approached this fair maid,
Who was used to small dicks when she's laid.
So he asked, "Wouldn't you
Like a big cock to screw?"
An invite she carefully weighed.

19733 CONGRESS - MENAGE - ORGY Cap'n Bean

In a gentle soft voice spoke Snow White,
With her nipples erect - sweater tight,
"When my seven small lovers
Crawl under the covers,
Fourteen hands, seven tongues treat me right."

19734 CONGRESS - MENAGE - ORGY Cap'n Bean

She wasn't impressed by Jack's size,
But when Bill showed his big corkscrew prize,
Jack was clearly quite pissed,
By this interesting twist,
And the maiden said, "I'll compromise."

19735 CONGRESS - MENAGE - ORGY Cap'n Bean

So the foursome met just as was planned,
In a field that was flat, level land.
In positions quite lewd
Each in turn was well screwed
When appeared that small seven man band.

19736 CONGRESS - MENAGE - ORGY Cap'n Bean

First Jack and then Bill fell asleep,
Each dreaming of screwing Ba Peep.
And 'twos just about then
That the seven small men
And the gals formed a gyrating heap.

19737 CONGRESS - MENAGE - ORGY Cap'n Bean

Fourteen hands, seven tongues, seven dicks
And the women went wild with the licks.
Snow White came four times,
Dopey sure rang Jill's chimes,
Then they picked up their shovels and picks.

19738 CONGRESS - MENAGE - ORGY Cap'n Bean

The seven then circled the spot
Where the gals were still horny and hot. T
he guys sang, "Hi Ho,
Off to work we will go."
And they did some new things they'd been taught.

19739 CONGRESS - MENAGE - ORGY Cap'n Bean

The woman who lived in a shoe,
Had schooled them in just what to do,
And Jill and Snow White
Expressed utter delight,
As the seven were nowhere near through.

19740 CONGRESS - MENAGE - ORGY Cap'n Bean

They knew how to lick and to suck,
To fondle, to stroke and to fuck.
They felt it their duty
(As with Sleeping Beauty
And that swan who was one ugly duck.)

19741 CONGRESS - MENAGE - ORGY Cap'n Bean

The gals were in sexual heaven,
Possessed and caressed by the seven
And throughout the long night,
Both Jill and Snow White
Lost count of their comes at eleven.

19742 CONGRESS - MENAGE - ORGY Cap'n Bean

In the morning the seven gave pecks
On the back of the sleeping girl's necks,
And they then formed a line
And marched off to the mine,
For there's much more to life than just sex.

19743 CONGRESS - MENAGE - ORGY Cap'n Bean

In a while it was Jack who awoke,
And he gave neighbor Bill a firm poke,
But the two pretty lasses
Had worn out their cute asses
And slept on as these gentlemen spoke.

19744 CONGRESS - MENAGE - ORGY Cap'n Bean

"Don't know about you, but I'm spent,
And the gals look to me quite content,"
Bill then took a breath,
"Guess we screwed them to death,
And look Jack, my dick's now unbent."

19745 CONGRESS - MENAGE - ORGY Cap'n Bean

When the women awoke about ten,
They each asked to go at it again.
Though the guys both declined,
The two girls didn't mind,
'Cause they knew of a means to their end.

19746 CONGRESS - MENAGE - ORGY Cap'n Bean

Jack and Bill then when off for some eggs,
And the gals intertwined their long legs.
With a grind and a bump
And a circular hump,
They stirred up a need that now begs.

19747 CONGRESS - MENAGE - ORGY Cap'n Bean

Now it happened as these women played,
That a young man who sought to get laid
Was walking their way,
In search of a lay,
When he spotted the buns of a maid.

19748 CONGRESS - MENAGE - ORGY Cap'n Bean

To himself said this young Tommy Tucker,
"If she wants, I will certainly fuck her."
His excitement then grew
When he saw there were two.
"If Jill sits on my face I will suck her."

19749 CONGRESS - MENAGE - ORGY Cap'n Bean

"Snow White can climb up on my cock,"
That by now was as hard as a rock,
And he found that wet place,
As Jill sat on his face,
'Twas hot action, no foreplay, no talk.

19750 CONGRESS - MENAGE - ORGY Cap'n Bean

Jill counted her orgasms as four,
Snow White said "I had even more."
As for young Tommy Tucker,
That lucky-ass fucker,
He screwed till his member was sore.

19751 CONGRESS - MENAGE - ORGY Cap'n Bean

He had no sooner hobbled from view,
When Jack and Bill called to the two,
"After eating some food,
We're both in the mood,
So who is now up for a screw?"

19752 CONGRESS - MENAGE - ORGY Cap'n Bean

These guys, of course, had no awareness,
And the gals would not tell out of fairness,
Of the guys who came calling
And the licking and balling,
And of sensual hands on their bareness.

19753 CONGRESS - MENAGE - ORGY Cap'n Bean

The gals were not totally through,
And both were quite willing to screw,
Which they did doggy style
And then fell in a pile,
Although neither knew who had screwed who.

19754 CONGRESS - MENAGE - ORGY Cap'n Bean

I think that my chances are slim
Of forgiveness when off on a whim,
For in limericks so lewd
Sleeping Beauty is nude,
And my fairy tales tend to be grim.

19755 CONGRESS - MENAGE - ORGY   Cap'n Bean

The Cap'n does not take offense,
Nor does he go off in defense,
If you add to my verse
And keep it perverse,
He gladly and fully consents.

19756 CONGRESS - MENAGE - ORGY   Cap'n Bean

An orgy was held on the lawn,
And we knocked off two hours before dawn.
We found ourselves viewing
Twenty-two couples screwing,
But by sun-up, they'd all come and gone.

19757 CONGRESS - MENAGE - ORGY   Anon   G0639

The orgy we held on Al's lawn
We knocked off two hours before dawn.
For next door Mrs Klopps
Put a call in for cops,
But by then, we had all come and gone.

19758 CONGRESS - MENAGE - ORGY   Grand Prix Lim 972

A McDougal Street beatnik named Marty
Gave a drunken, undraped, dirty party.
To the cop he explained,
"The raid has me pained...
Beat it fuzz, you don't get none, you smarty!"

19759 CONGRESS - MENAGE - ORGY   Grand Prix Lim 890

Hot bodies lay piled in a stack,
"Come join us," a gal called to Jack.
But some firmness was needed,
And so the man pleaded,
"Oh Lord, won't you cut me some slack!"

19760 CONGRESS - MENAGE - ORGY Bob Birch P0010

Each evening, serves her a menage.
She rips up their tickets
While they licks and sticks it
And double-park in her garage!

19761 CONGRESS - MENAGE - ORGY H Welchel

I ain't seen a group that's so dead
Since me and my trusty cook, Fred,
Once picked up three chicks
And gave 'em our dicks
At Maude's in a soakin' wet bed.

19762 CONGRESS - MENAGE - ORGY

The bedroom has lost its decorum.
With group sex, it's more like a Forum.
It once was avowed
That three was a crowd,
But today, it's not even a quorum.

19763 CONGRESS - MENAGE - ORGY

In this orgy I hope there's a place
For a wee one; I won't take much space.
If you're worried 'bout size
I'm reducing my thighs...
But I can't shrink the grin on my face!

19764 CONGRESS - MENAGE - ORGY Jim Weaver Collection

Beavis & Butthead to a bacchanalia;
Through Saturday night saturnalia.
The morn after the orgy,
Said to passing clergy,
"Learn to be upright like our genitalia!"

19765 CONGRESS - MENAGE - ORGY Jim Weaver Collection

At the orgy last night Dionysus,
In a rather remarkable nisus,
Had ten maids, a goat,
Four pink boys, and a shoat,
In sixteen consectutive trices.
(nisus - striving or inclination)
19766 CONGRESS - MENAGE - ORGY John Ciardi

At the sight of all that tender meat,
The girls quickly came into heat.
While the band played a waltz,
They grabbed all the balls,
And worked for release of the seed.

19767 CONGRESS - MENAGE - ORGY Anon

My orgy was clearly aborted,
For nobody came, they reported;
My guests were too old,
Although I was told
That Viagra was frequently snorted.

19768 CONGRESS - MENAGE - ORGY Norm Storer P0012

To play was a young lady's dream
With the Ottawa Rough Rider team --
Inside guard or fullback,
On defense or attack,
In an orgy of mud and whipped cream.

19769 CONGRESS - MENAGE - ORGY Hugh Oliver 53b

But then I met Georgie the Porgie,
Who invited me out to an orgy,
Where boys came to play
And all I can say
Is I wish I could sit, but I'm soregie.

19770 CONGRESS - MENAGE - ORGY

A compliant young girl of South Bend,
Ever eager to follow the trend,
Was invited to screw
At an orgy or two
But was soon tuckered out -- in the end.

19771 CONGRESS - MENAGE - ORGY   Keith MacMillan   A047A

At the orgy, I humped twnety-two...
And, MAN, was I glad to get through!
A whole night of sexing
Turns boring and vexing...
But at orgies, what else can you do?

19772 CONGRESS - MENAGE - ORGY   Grand Prix Lim 209 G0788

At a party at Jodrell Bank,
I'd forgotten just how much we drank.
The snag was an orgy;
As I said to Boy Georgie,
"When you leave, you don't know who to thank."

19773 CONGRESS - MENAGE - ORGY   Bill Wall

There was a young woman named Jackie
Who considered straight sex to be tacky;
But with five or six pals,

The results were delightful, by cracky.

19774 CONGRESS - MENAGE - ORGY   Isaac Asimov

This Carol I'd sure like to meet!
I think we'd together be a treat.
She'd be sort of perverse,
Not chaste, the reverse,
To make my small orgy a treat.

19775 CONGRESS - MENAGE - SERIES   Eugene Griessel

Let me give you some very good advice:
Though orgies with her are quite nice,
It's best not to chance, sir,
To woo or romance her,
Or I'll squeeze your nuts in a vice.

19776 CONGRESS - MENAGE - SERIES   Gearhart

Young Sue, in the Lincolnshire fen,
Has done it with thousands of men,
In threesomes and foursomes
But frequently moresomes,
And often as many as ten!

19777 CONGRESS - MENAGE - SERIES   Peter Wilkins

Despite all this sexual action,
Poor Sue has had no satisfaction.

From the current debates I'll refrain
For it's hurting my simpleton brain.
Let's get back to the biz;
I'm beginning to fizz;
Is it time for an orgy again?

19779 CONGRESS - MENAGE - SERIES   Peter Wilkins

For those less pre-occupied here,
I've got whiskey and soda and beer,
And a matress so large,
It would fill up a barge,
And some interesting foul-looking gear.

19780 CONGRESS - MENAGE - SERIES   Peter Wilkins

It's free and it won't cost you cash,
(Though you have to supply your own hash).
So come on in here
For a night full of cheer,
And a bawdy and riotous bash.

19781 CONGRESS - MENAGE - SERIES   Peter Wilkins

A bawdy and riotous bash?
With whipped cream and sticky pistach-

On ambrosial nips?
And naked, male buttocks to flash?

19782 CONGRESS - MENAGE - SERIES   Ericka

A voracious, rapacious good time?
With whiskey and bloody good rhyme?

...All ears now, my dear, tell me more!
(Oh sweet long-limbed guy I adore!)
Let's get out that wide
Big mattress and ride,
Right here on the sitting room floor!

Remember Lord Peter of Buckingham,
Entertained ladies by fucking 'em?
Gamekeeper Fritz
Shot his bollocks to bits;
Now he's known as Lord Peter of Sucking 'em.

To a mansion in Notting Hill Gate,

As butler I'll buy in the wine
And invite all you ladies divine
To this orgy, bar none,
And assure you of fun

19787 CONGRESS - MENAGE - SERIES

The last time we held such a bash (in
The country estate), we were thrashin'
Around in a haze,
For some two or three days,
In an orgy of infinite passion.

19788 CONGRESS - MENAGE - SERIES

Lord P's balls I've got in a jar,
In the boot of my new motor-car.
I bought them from Fritz,
Who readily admits
They're the largest he's shot off so far.

19789 CONGRESS - MENAGE - SERIES

What good old Lord P doesn't know yet,
Is just before dinner, I'll go get
His missing preserves,
And make them hors d'oeuvres,
And serve them to guests at his beau fete!

19790 CONGRESS - MENAGE - SERIES

What ho, it's Lord Peter whose bits
Got shot orf by his gamekeeper Fritz;
But to you I'll reveal
I've replaced them with steel
Ones; we'll see if my rapier fits.

19791 CONGRESS - MENAGE - SERIES

Ah yes, those ball bearings inside
You, sure make my new rapier glide
In and out without hitch;
May I press on this switch,
And go galloping off for a ride?

19792 CONGRESS - MENAGE - SERIES

I went to a party today.
When I got there it was well under way;
There were bodies and limbs,
Nipples, titties and quims,
In a writhing and steamy affray.

19793 CONGRESS - MENAGE - SERIES

I ripped off my clothes and piled in
With a whoop and a yell and a grin,
And was buried in busty
Curvaceous and lusty
Young chicks who were panting for sin.

19794 CONGRESS - MENAGE - SERIES

They started to tease me and stroke
Me and begged me to give 'em a poke.
As they opened their thighs
And grabbed hold of my prize...
And then, dammit and blast, I awoke.

Don't know what to do for the best.
Does anyone care?
Is anyone there?
If there is, please, a hug I request.

There is nobody here but us chickens.
Quick, feel how my pulse sudden quickens
At the thought we're alone;
Oh, look what has grown!
It's not only the plot that now thickens.

19797 CONGRESS - MENAGE - SERIES

The best thing to do for depression
Is find an orgy that's now holding session,
Then let yourself go

Is the least that I'd settle for fun.
I'd have one to linger
On each toe and finger...
Each doing what's best to be done.

19840 CONGRESS - MENAGE - SERIES   John Miller 0145a

Says my wife, and I know that she's right,
"Such a session would kill you out-right!"
It would kill me, I know;
What a swell way to go!
I wouldn't mind dying tonight...

19841 CONGRESS - MENAGE - SERIES   John Miller 0145b

Some days are much better than others;
Like, for instance, when Tammy's nine brothers
Have all gone for the day,
Then I've much time to play
With her pussy and also her mothers.

19842 CONGRESS - MENAGE - SERIES   Travis Brasell

Today, I have two rivers swum,
To eat one sweet "Tammian plum."
But those brothers nine
Have ravaged the fine,
But there still is the prune of the Mum.

19843 CONGRESS - MENAGE - SERIES   Tiddy Ogg

To her boss the stenographer said:
"Today we ain't hitting no bed.
You can ball the jack
When I'm back in the black,
But today my account's in the red."

19844 CONGRESS - MENSTROUS   Grand Prix LIM 842

That's not such an awful mistake,
For a horny young fellow to make,
Because menstruation,
Just adds lubrication,
And colourful sex in it's wake.

19845 CONGRESS - MENSTROUS   Jayne

Said a man as he raised his flagon,
"My spirits are down; I'm just draggin'.
I will try evermore
But I will never score;
She always has the dread rag on!"

19846 CONGRESS - MENSTROUS   Tom Patton   P0306

Asked a girl of young astronaut Brad,
"What excitement in space have you had?"
As he fondled her thigh
He said, "Feelings run high
At the moment we lift off the pad."

19847 CONGRESS - MENSTROUS   Albin Chaplin   3024-2943

Don't despair during times of menstruation,
Nor send your mate out on vacation.
Sure the time's not ideal,
And the mess is quite real,
But it certainly beats masturbation.

19848 CONGRESS - MENSTROUS   Vince Kasten

What he thought was her thick lubrication,
Was found to be just menstruation.
There was blood on his face,
And all over the place,
As a result of "red" hot fornication.

19849 CONGRESS - MENSTROUS

The bride enjoyed sex quite a bit,
But wondered when new groom might quit;
When period came,
Each month was the same;
Provided her with brief respite.

19850 CONGRESS - MENSTROUS Chris Papa

Oral sex at that time groom would calm,
But when she required lip balm,
She'd stop but briefly,
In time just to see,
He'd fallen in love with his palm.

19851 CONGRESS - MENSTROUS Chris Papa

I came this close to being a Dad!
I thought I would make out like mad.
I was about to dispose
Of the silk pantyhose,
When I then saw the damn Kotex pad.

19852 CONGRESS - MENSTROUS Jim Weaver Collection

A friend of mine, one Arthur Bull
From these rhymes useful knowledge did cull.
But his wife, an old hag,
Waved her bloody red rag,
Which made his sex life rather dull.

19853 CONGRESS - MENSTROUS Professor

There's a beautiful girl in Batoche
Who agreed, after cocktails and nosh,
To take him to bed --
But his face is still red,
And the sheets had to go in the wash.

19854 CONGRESS - MENSTROUS John E Mayhood P0101

Through blood and goo, oh so thick!
Then to clean up
I called in her pup;
She was happy to give it a lick

'Cause she's having her monthly menstruation.

I danced with my sweetheart too soon.
When I reached down to tickle,
I felt a warm trickle,
And the band played an old ragtime tune.

19859 CONGRESS - MENSTROUS G0092A

"I'm wearing my Kotex," said Gert,
"So you can't stick your prick 'neath my skirt."
Said her boyfriend, "So what,
I can still eat your twat,
And the Kotex I'll have for dessert."

19860 CONGRESS - MENSTROUS Albin Chaplin 3024-1266

While lying asleep in my bed,

I woke with this skag
Who was now on the rag --
My lips and my mouth were all red.

19861 CONGRESS - MENSTROUS Archie

Now that her bell has been rung,
And such a sad song you have sung,
It wasn't her rag
Or the furious shag,
But the fact that you've bitten your tongue.

19862 CONGRESS - MENSTROUS Cyber Wizard

'Cause there's no fellow yet
Gone and drowned in THAT Red River Valley."

19869 CONGRESS - MENSTROUS Robin K. Willoughby P8412

It is only the latter
Where there's play taking place between periods.

Produced, when he moved, a loud creaking.
